BATTLE FOR THE STARS '24

NEW ICON Tag Team
Champs to be crowned

ALL-STARS TITLE MATCH

Masked Mauler (c)
vs. Sinister Steve Stryker

This was an epic matchup to start off the first PPV in the new era of the ASL. In the end, though, it's the ASL veteran and future HOF'er, Steve Stryker, hitting the Dominator to become the brand-new ASL All-Stars Champion.

WINNER: SINISTER STEVE STRYKER
**** NEW CHAMPION ****

"Showboat" Sam Warner
vs. Reverend Robert Crow

This one was highly-anticipated for all the banter that led up to it, but once the bell rang Warner took the fight to Crow and left little room for doubt as to how this one would finish. It didn't take long for Warner to deliver that Sweet Chin Music to collect the win.

WINNER: "SHOWBOAT" SAM WARNER

"Nice Guy" Kant Deal
vs. Bad News Boyd

This was a great opportunity for two veteran wrestlers to showcase their talents and these guys didn't disappoint! After a series of close calls and near pinfalls, though, these two battled to a double countout and ended in a draw.

WINNER: DRAW

Cowboy Colton Calamity
vs. the Hangman

These guys left it all out in the ring as both men were looking to gain some notoriety with a big win here on the big stage. Alas, there could be only one and after hitting his patented Cowboy KO, that one was Colton Calamity.

WINNER: COWBOY COLTON CALAMITY

ICON TAG TEAM TITLE MATCH

Dawg Pound
vs. Von Adkissons

This was a great match between two veteran tag teams and an epic culmination to the title tournament. Eventually, Jaxx Justice hit the Justice Bomb on Marshall Von Adkisson to collect the victory and win the titles.

WINNER: THE DAWG POUND
**** NEW CHAMPIONS ****

Big Bad Bill Walker
vs. Brent Foxx

Heading into this one, Walker and crew assumed this one would be in the bag given Foxx's stint of inactivity. However, the wily veteran showed that he still had enough in the tank even on his worst day to take out the likes of Walker. He locked in the Scorpion Deathlock and sent Big Bad Bill screaming in agony before tapping out in a hurry.

WINNER: BRENT FOXX

ICON WORLD TITLE MATCH

Super Dazzle (c)
vs. Sir Gunther Kinderwacht

What a match! There was no love loss between these two coming into tonight's main event, and nothing's changed. After a ton of back and forth action with several near victories by both men, Kinderwacht eventually executed back-to-back Pumphandle Slams before making the pin to become the NEW undisputed ASL ICON Heavyweight Champion.

WINNER: SIR GUNTHER KINDERWACHT
**** NEW CHAMPION ****

POST-MATCH ACTION

Following the match, Kinderwacht was joined in the ring by Sinister Steve Stryker for his post-match celebration. The duo decided to interrupt their own celebration by continuing an assault on Super Dazzle. They're giving him quite the beatdown when suddenly out of nowhere emerges the recently signed "No Limits" Nick Dane!

Dane rushes the ring with a steel chair in-hand. He whacks each man across the back with it, forcing them each to roll out of the ring as the show goes off the air.

IWA SURVIVOR

**HOSTED BY:
Jeff Roast**

**Do you have what it takes to outwit,
outplay, outlast the competition?**

ROUND 3 CHALLENGE:

The battle lines were redrawn heading into Round 3 of IWA Survivor as the 24 remaining contestants were randomly placed into three new tribes. For this round's competition, each tribe formed two six-man teams to face each of the other tribes in head to head competition. Tribes earned 2 points for each victory and 1 point for a draw.

The final standings for the Round 3 challenge were:

Apex Angels - 7 points
Frenzy Force - 6 points
Razor Rangers - 4 points

Immunity was earned by the wrestler on each tribe who won the highest singles title in their league. The wrestlers who earned immunity were:

APEX ANGELS: Agent of Freedom (Title 501, SHL)
RAZOR RANGERS: "Sizzling" Cheri Summers (Title 505, BBW)
FRENZY FORCE: Fat Andy (Title 504, ASL)

The first elimination this round was given to the lowest singles strategy on the losing tribe, which was **Diamond Lil**. She earned that honor after disappearing from the BBW unannounced and leaving her six-man team in a handicap situation and earned herself a score of zero.

The second elimination this round was determined by a vote between the 7 remaining members of the Razor Rangers. Receiving the most votes and having his torch snuffed was **Sir Gunther Kinderwacht**.

The final tribal vote was:

Sir Gunther Kinderwacht - 4 votes
Shaggy 2 Dope - 3 votes

ROUND 4 CHALLENGE:

This round's challenge is randomized Triple Threat teams in head to head competition! Each tribe has had its members randomly selected into a singles, tag team, and six-man team to face each of the other tribes in competition! Same as before, tribes earn 3 points for a win and 1 point for a draw.

ROUND 4 IMMUNITY:

Prior to any eliminations occurring, Round 4 individual immunity will be earned by the wrestler in each tribe that obtains the best finish in their league's battle royal.

ROUND 4 ELIMINATION:

Two wrestlers will be eliminated this round with each of the two losing tribes going to tribal council where they will vote on the third and fourth eliminations of IWA Survivor '24!

Sir Gunther Kinderwacht

Sinister Steve Stryker

The camera fades in to show Sir Gunther Kinderwacht and Sinister Steve Stryker standing tall, their expressions fierce and determined. Becky Boobie stands beside them, microphone in hand, ready to interview the dominant duo.

Becky: "Ladies and gentlemen, I'm here with the unstoppable force in the ASL, Sir Gunther Kinderwacht and Sinister Steve Stryker! Gunther, let's talk about the recent vote in the Rump Rangers that almost saw you ousted. Care to comment?"

Gunther: *nodding* "Those snakes in the Rump Rangers tried to vote me out, but it was real close to voting the clown out instead. We like him, but he's on that 'other' team and the most dangerous eligible guy. Now it's up to Steve to try and win, and he's more than capable! We warned those boys in the Razor Rangers that if they voted Gunther out then a certain team would have full control of that group. That was a big mistake boys!"

Becky: "Steve, Gunther mentioned your upcoming matches. How do you plan to take the All-Star title from Masked Mauler?"

Steve: *grinning* "Masked Mauler, you better watch out! I'm coming for that All-Star title, and there's nothing you can do to stop me! We are the law in this league, and everyone knows it!"

Becky: "Gunther, you're set to face Super Dazzle for the Icon title. Any words for him?"

Gunther: *flexing his muscles* "Super Dazzle, get ready to poop blood and glitter after I smash you for the Icon title! Nobody gets in the way of the Big German's dominance!"

Becky: "Steve, Gunther mentioned wanting more matches to win IWA credit. Any message for the other wrestlers?"

Steve: "That's right! We want all the scrubs to go steal their moms' EBT cards and sign some more matches! The League champ needs to start winning IWA credit again, and we can shut up that guy with no neck who says 'Bah Gawd' like a freaking crayon-eating moron!"

Becky: "Any final thoughts for the ASL universe?"

Gunther: "We hear old Leatherman is eating pudding and fruit cups, watching soap operas, and hitting on old ladies at the nursing home. I guess they don't have Facebook there!"

Steve: "And Bowl God, you still owe me \$20! If we don't get it, we're stealing Fat Andy's donuts and vaseline so he won't be able to get out of the tub next time!"

Gunther and Steve flex for the camera, their muscles bulging with power, as Becky Boobie gawks in awe. The camera fades to black, leaving the ASL universe buzzing with excitement.

The camera fades in after a commercial break into an exclusive night club in Barcelona Spain called Opium Beach Club. It appears to be a VIP sitting room with a ton of STUD wrestlers from the ASL, mixed in with a few fine ladies and a lot of championship belts laying around. The crowd of people in the room isn't too large, but everyone is laughing loudly and having a great time. Some of the wrestlers are seated on expensive leather couches, surrounded by a couple beautiful women, some only partially clothed. One big man with two women sitting next to him can be seen at a table devouring multiple plates of food sitting in front of him.

Jigger: Everyone grab a glass and raise it up in the air. I'm making a toast to old friendships, a great leagues and new beginnings! Cheers to all the tag gold that these STUDs have been bringing home! (everyone raises a glass and turns to look at Fat Andy who is stuffing his face with steak and potatoes)

Fat Andy: (Looking annoyed that people are staring and the attention is on him, Fat Andy finishes chewing and swallows his last bite, wipes off his face, grabs a nearby glass of champagne and lifts it up) Thanks guys! Its great to have so many belts amongst us! Cheers! (Everyone simultaneously says "cheers" and takes a drink)

Jigger: Why aren't we in the **ICON** tag matches? Other chumps think they can compete, but we have a strangle hold on the tag and six-man divisions right now. **Razzle Dazzle** is a decent competitor, but **EDGE** doesn't stand a chance against the best in the **ASL**. Now that I think about it, I actually don't even know what **EDGE** stands for..

Bowl God: I'm pretty sure it stands for **Eccentric Dudes Going Emo**.

Jigger: I thought that **Masa Onita's** crew was the only Emo group in this league..? There are so many **Eccentric Dudes Going Emo**, even more than there are **VIRUSES** and **CURES**..

Fat Andy: Speaking of viruses, **Bowl God**, did you ever get that rash checked out?

Bowl God: (looks down at the ground and stays quiet)

Fat Andy: You gotta be wearing protection when you with these hoes . (the two women sitting by the Fat Man both look shocked and glare at him as he says that. Fat Andy notices the girls glaring at him) Don't worry ladies, I'm talking about other hoes. (One of the girls looks disgusted and gets up to move away from the big guy. The other woman shrugs her shoulders and snuggles in a little closer to him)

Jigger: Now that's funny fat man!

Bowl God: Speaking of fatties, I have this big old Swisher sweet cherry-flavor that is just begging to be lit up. You guys in?

Fat Andy: You know I'm in! I haven't turned down a fatty in.... (he turns and looks at the other girl still sitting him. She opens her mouth in shock, grabs a glass of champagne and throws it in Fat Andy's face. All of the people watching start busting up into laughter)

Bowl God: Oh well. (Pulls out a lighter and sparks it up, takes a few puffs and then passes it. He then grabs the Dom Perignon bottle on his table, shakes it and notices that its empty) Waitress, can you bring us another round? We're just getting started.

The camera fades out as smoke and laughter continue to fill the room.

The camera shows the inside of a small wrestling dojo somewhere in Tokyo, Japan. It pans around the ring area that shows old posters from various Japanese pro wrestling shows, a wall with pictures of Japanese and American wrestlers who trained there, weights, weight benches, sandbags and other equipment.

The camera finishes panning and comes around to a side of the ring where "The One" Masa Onita, Big Bad Bill Walker and the Reverend Robert Crow are standing.

Crow: Come on Masa, fork it over, you owe me a hundred bucks.

Onita: What, are you talking about.

Crow lost the bet, remember? You said on the phone that when we met up, you'd pay up. (Looks at Walker), you too cheapskate, you lost too so break into that beer fund of yours and hand me five twenties, two fifties, whatever it takes.

(Walker shakes his head mumbling "I oughta give it to you in pennies, Motherf(beep)ker" and Onita smiles at that while he hands Robert a hundred dollar bill, Crow then looks at the camera)

Crow: See, knowing after all the recent stuff we've done... Put Herbert the Re-Animator in a body bag, Hung The Hangman again and Onita here throwing the Northeast title to the ground soon after he won it. I wondered just how many 'wrestlers' here in the ASL would step up and brace us for a match this past cycle. And thanks to all of YYOOO so called tough guys here in the ASL? I easily won the bet, so thank you all for helping me win two hundred dollars.

Onita: We all were able to take a cycle long break and we waited, we wanted to see which Billy Badass was gonna sign for matches against us, see how many "masters on the mic" were gonna come out and say something to us.

Walker: And not ONE, of you b*tches had what it takes to step up or speak up. EVERY SINGLE ONE OF YOU PATHETIC, PUNK A(BEEP)SES DIDN'T HAVE THE BALLS TO BRACE US OR CHALLENGE US! (POINTS AT THE CAMERA) YYOOO ALL, AAALL OF YOU, THE EEENNTTIRREE ASL JUST SHOWED WHAT B*TCHES, YYYOU ALL ARE!"

Onita: All that does is just further enhance our reputation that WEEEE (points to Walker, Crow, then himself) are the personification of what professional wrestling is, here in the ASL. Your actions or lack thereof proved that WEEEE, have rewritten the book on how things happen around this league, and because we rewrote that book, showed that no matter who comes here to play Tony Khan the Commissioner here, everything WEEE've done, (camera zooms in close) has got you, scared, sh*tless. (Camera pans back)

Crow: Also add to the fact that we now can add YET ANOTHER set of people who have packed up, and ran out of the ASL thanks to us.

Walker: And That's The Von Adkissons. (Waves at the camera) SSSEEYA, wouldn't wanna be ya.

Onita: And before all you internet marks try to hop on and call Bullsh*t, and claim we're lying... PROOF, has always been a motherf(beep)ker, and since we're always the motherf(beep)kers who always have proof? It'l come to you in, 5-4-3-2-1, NOW!

(The video goes from Onita and company to showing the ending clip of a six man tag match four cycles back at a show in Hartford, Walker and Onita nail David Von Adkisson with "Total Elimination" and Onita pins him for the three count. After the match Onita, Walker and Crow jump the Von Adkissons and put an iron claw hold on all three of them at the same time. It then goes to an ending clip of a six man tag match in Norwalk, Crow and Walker clobber Kerry Von Adkisson with "Total Elimination" and Walker gets the pin for the win. After the match they again put the iron claw on all three as an act of total disrespect to the Von Adkisson dynasty)

Video fades.... Then goes back to Crow, Onita and Walker in the dojo.

Crow: Gone and will soon be forgotten, just like all the other weak minded, thin skinned, no talent bums we run out of here.

Onita: Instead of manning up and trying to get revenge? They run out the back door crying like babies, knowing that when it comes to the ASL.. WWWEEE are what's happening here, and WWEE will always be the ones that makes things happen here in the ASL, for years to come. So add three more to the long list we kicked to the curb. We've run more people out of here in less than a year, than most people in the whole Gold Federation can do in five years.

Walker: That's what happens when they, talk all kinds of sh(beep)t but we're the ones who back up our sh(beep)t, big difference.

You hear the Dog Pound? Ol Lassie, ol Yeller and Rin in Tin? Claiming they're the toghest SOB's here?

Onita: Where were you last cycle? You sur the FFF(beep)KKK weren't facing us, nice try though with that claim, but your words and lack of facing us, doesn't add up. So stay in your little doghouse where you belong, you rabies infested pieces of sh(beep)t.

Walker: Hey, Fat Andy had one of your exes.

Crow: bragging about it and everything.

Onita: if you had one of my exes? (camera comes in close) Then all that means is the best you'll ever be able to get in life, is sloppy seconds. (Camera pans back)

Crow: DDDOOHH!

Walker: Checked, you just got checked, like a motherf(beep)ker.

My favorite is our esteemed commish trying to brag about the increase in cards and matches. You bragged a little too soon dumb a(beep)s, because there was only 36 cards this past cycle. Proving again why we're such a huge draw here in the ASL.

Crow: We're on the shows, the number of cards goes up, we stood back and watched, nobody had b(beep)ls to face us this cycle and the number of shows went down. When we return to action for cycle 621 and you see the number of matches and cards go up again?

(Walker steps up to the camera)

Walker: You can thank us for being the star attraction that we are here in this league (Walker steps back)

Crow: The point is, we know what we are, and The commish here, Tammy Zulu, Jason Hulu or whatever his name is doesn't like it, the higher ups of the IWA don't like it, but that fact of the matter is this. whether YYOOUU (points at the camera) like or don't like uit WWEEE are the faces of the ASL, and nobody else is... WWEE are the ones that nobody can do anything about, and since we are and always will be the faces the gladly represent what the history of the ASL will always be, you can simply start calling us?

(All three say at the same time)

"THE BRAND"!

(the video fades and a logo that says "The Brand comes on the screen)

Onita's Voice: Where the pros, are the pros.

Video ends

"SHOWBOAT" SAM WARNER

"Before I Forget" by Slipknot blares across the pa system. Fans get to their feet to welcome in one of the most beloved superstars in all of the ASL, "Showboat" Sam Warner. The fan favorite hits the ring after high-fiving several fans along the way. He grabs a mic and gets started.

WEEEEELLLL!!! ALL-STARS LEAGUE!!! We're really doing it, yeah?

The crowd responds by shouting back, "YEAH!"

So, now we've got the first pay-per-view under the new regime in the books, and I've gotta say that it looks like it was pretty successful. Now, maybe I'm just a little bit biased in saying that because I did have the pleasure of going out to that ring and doing exactly what I said I would do, and that's that I wiped the floor with that punk, **Robert Crow**. And, look at 'em. Not a peep from that clown show over these past few weeks. Don't be surprised if those dumba***s are tucking tail and getting out of Dodge before there's an even bigger audience here to witness just how much of a joke they actually are.

But, enough about Robert Crow and the merry band of idiots that he rolls with because..... well, to be frank, because in the grand scheme of things they are quite irrelevant. They're irrelevant to the path that I'm headed down. They're irrelevant to the cards that are right around the corner. And, honestly, they're irrelevant to the long-term success of our beloved All-Stars League. Are they not?

The crowd again responds by shouting back, "YEAH"

But, there's two individuals who are not irrelevant to the future of this company that I'll be facing on the next ASL All-Stars programming for the opportunity to become the new number one contender for that title. I'm talking about the newcomer, **Lachlan Kincaid**, and a guy that I'm starting to think might have hit ASL legend status by now, **Fat Andy**. Now, by all accounts, these two men are fierce competitors and there's a real possibility that this may mark the toughest challenge to-date of my career. BUT, MAKE NO MISTAKE ABOUT IT! I AM THE FUTURE AND THE FUTURE IS NOW!! AT ASL ALL-STARS, THREE MEN ARE IN IT AND ONLY ONE IS LEAVING AND YOU'RE LOOKING AT HIM! AND, **STEVE STRYKER**, I'M COMING FOR YOU NEXT!"

"Before I Forget" plays over the sound system once again as Warner flips the mic and exits the ring to another round of cheers from the crowd.

SUPER DAZZLE

When ASL programming returns from a short commercial break, the lights go out and "Enter Sandman" by Metallica blares throughout the arena. Fans are on their feet to welcome the former ASL ICON Champion, Super Dazzle. He enters the ring and paces back and forth with a microphone in-hand before addressing the crowd.

"Hola, muchachos. It is with great sadness that I stand here before you today with my waist void of the most prestigious of things to me and that is of course the ASL ICON Heavyweight Championship. At the Battle for the Stars event, it would be a mistake for me to not to first acknowledge the help I received from **Mr. Nick Dane** in the aftermath of that night when I was at the mercy of not only Sir Gunther Kinderwacht, but also the dastardly Steve Stryker. You came to my aid when there were no others and for this I am grateful. I shall repay this favor when the opportunity presents itself, my friend. Now, that night I entered into this ring with **Sir Gunther Kinderwacht** and, I must regretfully admit, he was the better man on that day. So, now he is your champion and I find myself as the challenger. But, fear not, muchachos, for I do still have the opportunity to be the challenger. In just a few short weeks, myself and Sir Gunther will meet once more inside this ring with that championship on the line and this time..... listen to me, Gunther..... this time the outcome will be much different, amigo. This time it will be I, le Super Dazzle, leaving here with the belt once again around my waist and making all these people most proud! Larga vida les Dazzles!"

"Enter Sandman" blares and the crowd once again shows its approval as Super Dazzle exits the ring back to the locker room area.

THE DAWG POUND

JAXX: “There it is, Salt Dawg. Brand-news ASL ICON World Tag Team Champeens, my friend. ‘N’ there ain’t a damn thang ain’t nobody gon’ do ‘bout that. Not the Von Adkissons. Not DeGrassi ‘n’ Eaves. Not the Bowl God ‘n’ Jigger. You feel me?”

RUSTY: “Oh, I feel ya, Big Dawg. And, right about now, I think everyone in the entire All-Stars League and the IWA Nation is feeling you BECAUSE LIKE YOU JUST SAID, WE ARE THE BRAND-NEW ASL ICON WORLD TAG TEAM CHAMPIONS! OOOOOOWWWWWW!!!”

RUSTY: “And, like you said, there ain’t a damn thing any other team in the ASL can do to take these titles off our waists. There’s a big number one contenders match coming up just a few weeks from now on ASL All-Stars and we’re going to be right there watching to see who comes away challenging us for these titles. And, I’ll be honest. I don’t give a damn if it’s Eddie DeGrassi and Mr. Eaves. I don’t give a damn if it’s the Bowl God and Jigger. Both teams are sure to give us one hell of a fight, but don’t either of ‘em pack the punch that we do and don’t neither of ‘em got the Dawg Pound Nation howling right alongside ‘em! So, you go out there and wrestle your number one contenders match, but just know that the next stop after that is me ‘n’ the Big Dawg and that ain’t looking too promising for you.”

JAXX: “Yeah, tha’s right. You’s might think thatchu ‘bout it ‘bout it, but ‘till you prove it then you’s ain’t nuthin’ but a buncha pretenders. No cap, son. ‘N’ when you get in this ring with us, we gon’ show you what it means to let the big dawgs eat! You feel me? You can’t feel me. Dawg Pound out.”
