Changes to the TV Doom and Battle Royal Championships

Doom Championship: Top TT with highest STRAT will still be the challenger, but this will be Even Cycles only. Championship will be held next even cycle.

Battle Royal Championship: Battle Royal Champion from Odd Cycles with TT. Championship will be held the next odd cycle. This will start after Beach Brawl.

Also note that if you are KOH or QOH will not be able to hold Doom or Battle royal Championship.

The change will allow for TT and build up. By delaying a cycle this will also help those folks that do not have Facebook.

*Still working on the Almanac. I am excited to get it published... hopefully in the next couple cycles.*

Breaking News: Samantha Storm sat down to interview Casanova Lane, King of Hardcore champion, about his next defense, when his next defense turned out to be much sooner than expected. Pale Moon arrived in the company of referee Serious Sam, with the rest of the RFD in tow. Apocalypse stepped in to explain.

Apocalypse: Since the big guy here doesn't talk much, let me make it clear: he's cashing in his on-demand title shot right now!"

Lane quickly got to his feet and broke for the exit, but the other five Family of Doom members cut him off. Forced to defend his title, Casanova Lane ended up acquitting himself well, but the advantage of surprise was too great for Pale Moon; after clobbering Lane with a garbage can, Moon delivered a makeshift version of his superplex, this time off of a table and to the floor, resulting in a three-count. Pale Moon has become the new King of Hardcore champion.

## **ROUND 3 CHALLENGE:**

The battle lines were redrawn heading into Round 3 of IWA Survivor as the 24 remaining contestants were randomly placed into three new tribes. For this round's competition, each tribe formed two six-man teams to face each of the other tribes in head to head competition. Tribes earned 2 points for each victory and 1 point for a draw.

The final standings for the Round 3 challenge were:

Apex Angels - 7 points  
Frenzy Force - 6 points  
Razor Rangers - 4 points

Immunity was earned by the wrestler on each tribe who won the highest singles title in their league. The wrestlers who earned immunity were:

**APEX ANGELS:** Agent of Freedom (Title 501, SHL)  
**RAZOR RANGERS:** "Sizzling" Cheri Summers (Title 505, BBW)  
**FRENZY FORCE:** Fat Andy (Title 504, ASL)

The first elimination this round was given to the lowest singles strategy on the losing tribe, which was **Diamond Lil**. She earned that honor after disappearing from the BBW unannounced and leaving her six-man team in a handicap situation and earned herself a score of zero.

The second elimination this round was determined by a vote between the 7 remaining members of the Razor Rangers. Receiving the most votes and having his torch snuffed was **Sir Gunther Kinderwacht**.

The final tribal vote was:

Sir Gunther Kinderwacht - 4 votes  
Shaggy 2 Dope - 3 votes

## **ROUND 4 CHALLENGE:**

This round's challenge is randomized Triple Threat teams in head to head competition! Each tribe has had its members randomly selected into a singles, tag team, and six-man team to face each of the other tribes in competition! Same as before, tribes earn 3 points for a win and 1 point for a draw.

## **ROUND 4 IMMUNITY:**

Prior to any eliminations occurring, Round 4 individual immunity will be earned by the wrestler in each tribe that obtains the best finish in their league's battle royal.

## **ROUND 4 ELIMINATION:**

Two wrestlers will be eliminated this round with each of the two losing tribes going to tribal council where they will vote on the third and fourth eliminations of IWA Survivor '24!

**Masked Shadow: "Right-O! So let's talk about the brothers of the Moon!"**

**(Blood Moon and Pale Moon nod in acknowledgement.)**

**Apocalypse: "Twenty men tried to take Southeast title from Pale and twenty ended up flat on their backs, with that belt still in his hands. What does he do for an encore? He clobbers Casanova Lane out of nowhere, cashes in, and is now the King of Hardcore champion. Now, it's back with the Family of Doom, the ones who created it in the first place. We had a ceremony with the whole RFD to re-sanctify the belt, and we don't treat this prize like just another trinket. It's back where it belongs. Don't expect that to change."**
