## **BOY PUSHED INTO GORILLA EXHIBIT**

## **SARAH B. MONEY CHALLENGES PDL**

## **RACHEL VAN DORN JOINS YAMAZAKI CORP**

It would seem that Rachel Van Dorn is the newest client of Yamazaki Corporation that is operated by Rachel Yamazaki. With the new guidance, a podcast for Dorn seems to be in the works. However, just prior to agreeing and having Yamazaki look over the Lion's Den contract that will see Dorn face Dwyer, ya know the one with hungry lions below, Dorn just scanned over it and signed it. Will Yamazaki have a client after Where the Boys Aren't 3?

"So **Meat Train** and **Betty Red** earned the title shot at the IWAR Women's World Tag Team titles that Betty Thanu and Ah hold, hmm. Ah'm gonna ignore the fact they look like some mad scientist brought the number 10 to life and focus on the fact they comin' for our belts. We love it! Y'all better bring yah best, but it gave us an idea. How come we ain't got some BWL Tag Team titles to go for? Ah wanna make more money and snagging extra straps is the way to go. Y'hear that there Commishie? Hell, why yah at it, go on and add some Trios titles for us to take too, because we damn right would. # “THE SUPREME” CORT JUSTICE

A PROUD MEMBER OF THE LITIGATORS

Another TV title, a battle royal win, and now they are calling me Queen of the Ring in all of the IWA. Is there any doubt I will take the Triple Threat title at Where the Boys Aren't?

## “The Spider” Erika Phobia,

you not only came up short in your last match for the Triple Threat title, but your English also comes up short every time you speak. I have interpreters in court for the likes of you. From what I gather, you think we are in your web. I've been in webs before. I just brush them off, then I stomp the spider that built them. This will be no different.

Wildfire Betty Red, I hope you are mending well. I want you to have the strength to hand me that title and lift my arm high in victory.

# Bandida

Bandida stands in the ring, the Zenjo championship belt proudly draped over her shoulder, a triumphant smile on her face. The crowd erupts into cheers, celebrating her hard-earned victory, as she raises the mic to speak.

**Bandida:** I've been an underdog my whole life, left for dead by my family, I had to fight tooth and nail to get to where I am today. But I never gave up. I kept pushing forward, and now, I stand here as the Zenjo champion!

The crowd roars with approval, acknowledging Bandida's resilience and unwavering determination. She continues, her eyes shining with passion...

This championship is just the beginning for me. The ladder match at the upcoming pay-per-view is the next step in my journey to greatness. I'm here in the BWL to leave a legacy that will inspire others to never give up on their dreams!

Suddenly, a masked figure appears from the shadows, sneaking into the ring behind Bandida. With a swift and brutal attack, the assailant lays out Bandida with a steel chair, leaving her bloodied and stunned on the mat. The crowd gasps in shock as the attacker quickly retreats, disappearing into the darkness of the arena...Despite the pain and the blood dripping into her eyes, Bandida manages to grab the mic, her voice filled with defiance..

Cobarde! Coward! Why wont you show your face? You may have struck me down today, but I will rise again. I will not be intimidated, and I will not back down!

The crowd erupts into cheers once again, rallying behind Bandida! The scene fades to commercial break...

# QUEEN OF THE RING *Aria Gunpowder* REPRESENTING THE GUN COLLECTION

## ***ALL HAIL THE QUEEN!***

(IWAR Women's Champion Aria Gunpowder is backstage sitting on a crate when she's confronted by **MEAT TRAIN**.)

**Meat Train:** I hope you witnessed what just happened, Aria. I am now the #1 Contender for your IWAR Women's title.

**Aria:** In fact I did. Congratulations. A rematch for my championship is in your future, it would seem.

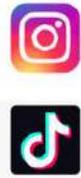

**Meat Train:** It's fate. Your title will soon belong to me.

**Aria:** Many before you have said the same thing, but look honey, I got past them, and if I recall correctly, I got past you at Caged Fury 2, so I mean...let's face it, you may not have what it takes.

**Meat Train:** I dominated the Lethal Lottery. I don't have what it takes!?!? Keep smiling, Aria. That smile is gonna go away quickly.

(Meat Train leaves the camera view but returns with a blindside attack on Aria, sending her into a few crates. She lifts Aria on her shoulder and hurls her against the concrete wall. Aria groans in pain. Meat Train lifts the championship high as officials and staff come to the aid of Aria. )

**Meat Train:** Like I said, Fate. It has a funny way of working, huh. See you soon, Aria.

# Rachel Van Dorn

*In a continuation from last time, RvD is talking with Rachel Yamazaki....*

*Rachel Yamazaki has a look of concern as she reads*

Rachel Yamazaki: “Rachel, this says that it is an **actual lions den**. As in the loser will be thrown into a den with real, live lions, live on PPV at **Where the Boys Aren’t 3**. But wait a second, let me reread this section to be sure, you might be off the hook for having to go into the lion’s den... oh.. oh...”

Rachel van Dorn: “What, what is it? What did **Barb Dwyer** put in there? There is no way that this can be legal, you can get me out of being fed to some lions right.... right?”

Rachel Yamazaki: “Well, it is not you that you have to worry about, it is **Hendrik van Dorn** that will be thrown to the...”

RvD: “F\*\*\*! That evil b\*\*\*\*! I can’t believe that she did that!”

Rachel Yamazaki: “I’m not following. I thought that was an error we could use to get out of this match. Who is Hendrik?”

RvD: “Well, it’s a longer story that was going to be revealed in my dad’s documentary, which hopefully your people can get distributed, but my dad’s name isn’t really Jaeger. He took that name to help promote Jagermeister, which he was an early U.S. partner in its distribution. That is how he made most of his money! When he travelled from town to town, he would set-up distribution for Jagermeister in the 1980s. The more it grew in popularity, the more money he made. So, my dad’s real name is Hendrik. That’s my dad that will be fed to the lions if I lose at **Where the Boys Aren’t 3**. That B\*\*\*\*!”

Rachel Yamazaki: “You should go get a massage at the Yamazaki Corporation's Cherry Blossom Spa. It isn’t a Deshaun Watson or Ron Kraft kind of place; we have only the best masseuses trained in the art of healing. Go relax and we will work on what to do about your situation. I’ll look into your first few podcast guests too we have a large number of sponsors already on board. Go to your car and relax! And feel free to post about Cherry Blossom Spa. Go!”

*Rachel Van Dorn exits the office and heads towards her car  
(continued in Barb Dwyer’s Trash talk)*

# Joya Pyro

I'm sorry court my mind as not really been in the BWL lately since I was the one that was screwed Out of our ppv match. I've been busy taking every opportunity to be in the ring just not in the BWL I've been at every Indy shows I can make.

My manger has been getting offers from other companies willing to pay a lot more than the BWL so my time here may be limited. By the way congratulations on your Queen of The Ring. I've been listening to all the new faces run their mouths and laughing at them trying to make an impacted here and they seem to come up short a lot. Yamazaki I hope your ready for the beating I'm going to give you at the PPV. Court we'll have our match before I leave the BWL don't worry we're not done.
