## DEATHS IN LASER FROG FAMILY MISHAP!!!

Laser Frog may be in need of extended time off due to a recent mishap in his family. 5 of his many children were suppose to go on a school bus, but were mistakenly put on a truck to a french restaurant in New Orleans. They ended up on a plate of fried frogs legs with a lemon garnish. Our prayers are with him...

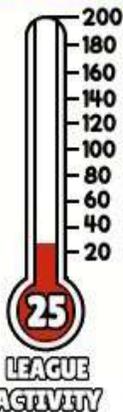

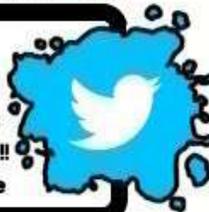

## MORE TAG TEAMS ON THE WAY!!!

More tag teams are being recruited for the FAL's burdgeoning tag team division. More details are indeed on the way!!!!

# PAGING DOCTOR PAIN...

Secret, high level negotiations are well underway for the POSSIBILITY of signing one of the IWA's most evil and notorious wrestlers to set up his dark practice in the Flying Aces League (FAL). Doctor Pain Mark Duchaine may be looking to put pen to paper on a contract to wrestle in our promotion. Although nothing is anywhere near definite, it would be an earth shattering addition to the roster, shaking the promotion to its very foundation. The cost will be very high to sign him, but the benefit it will yield will be astronomical!!!!!! Stay tuned for further info!!!!!!

# DO WE WANT ANOTHER DAN???

With FAL already having its hands full with a trouble making Dan Hayman (Ham Sandwich), can FAL take a potentially bigger chance & sign another pain in the butt in the form of Dan Harrell, to boost its activity levels? What do you all think of adding Dan Harrell to the managerial ranks???. Let us know. We want your input before we open the door to him. Mention it on FAL 24/7 or in your trash talk when you have a moment please...

THAT HAM DOUCHEBAG IS JUST A PRETENDER. EVERYONE KNOWS WHO THE TOP GUY IN FAL IS...

# TV WRESTLING UPDATE!!!

Work on our live television wrestling show is well on its way. What we are trying to do is set up a specific fal roster on 2k24 and run shows. At the moment, we are doing some wrestler builds to get them as exact as we can to what you the manager wants. Let us know what you want them to look like when you have a moment. We hope to have a "show" ready to go in the next few weeks. The problem we need to figure out is how to post matches on the fal site, or on youtube. Help is still required guys so pitch in when and where you can. We would like to hear from anyone in the fal who owns a copy of the game on ps5 or on xbox. This is shaping up to be a super fun possibility, so please stay tuned people!!!!!!

# OLD SCHOOL LEAGUE

HAM VS KABOB IT'S A WAR FOR THE SOUL OF OUR VERY COUNTRY!!! Y'ALL BETTER BE PREPARED TO PICK A SIDE!!! I AM FIRMLY ON TEAM HAM!!!

JOHNNYROCKET says:

# ANNOUNCING THE SUMMER'S BIGGEST PPV EVENT!!! THE LEGEND IS BACK!!!

We are looking to add a new early summer ppv event for June or so. Tentatively named **DEAD HEAT**, it is an event where we hope to have a culmination of several of the promotion's biggest ongoing feuds. We are looking at a five cycle build, with the event taking place in cycle number six, and the writeup in cycle number seven. It will be a roughly 8-10 match event, with multiple matches added during the build for the event. The main event will consist of 2 matches. By the way the event takes place over 2 days much like Wrestlemania!!! Night One will be a tag team grudge bout between Ham Sandwich and Laser Frog vs. 2 Yet To Be Determined members of the Kabob's Holy Warriors Of God. Night Two, the main event will be Kevin Savage defending his heavyweight title against Jay Driver. The rest of the cards for Days 1 & 2 will be announced next cycle!!!!!! It will be unlike any event we have tried to host before!!!!!! Stay tuned for details. If you wish to make sure you are a part of the event, please contact management as soon as you possibly can!!! Good luck this cycle, and good luck at Dead Heat!!!!!!!!!!!!!!!!!!!!

One of the Flying Aces League's (FAL) oldest and original villains was a man with no shortage of absolute style. It looks as though he is making a comeback to where he started it all!!! Ric Legend has suddenly reappeared in the promotion to the shock and surprise of many, even management. What's he doing back here!?!?!? What is his agenda??? Nobody knows, but we'll soon discover what is going on...

THIS MAMI CALLS ALL OF THE SHOTS IN THE FLYING ACES LEAGUE 24/7!!! THE BOYS IN THE BACK CAN'T DO A DAMN THING ABOUT IT!!! THIS IS NOT A MAN'S WORLD...

THE MOON AND THE STARS ARE IN ALIGNMENT & VENUS IS IN CONJUNCTION TOM WITH URANUS...

## REGIONAL TITLE NAMES

We are debating making several changes to how the league operates. One of those changes is the names of the regional title belts in the Flying Aces League (FAL). We are looking into names that fit the league's southern wrestling roots. We need to put it to you guys to see what you think. Would you be ok with it??? Please let us know when you can. Contact us by any of the usual methods...

# SEAN MCGAW WANTS TO BE EVEN MORE AWESOME!!!

"It's the Awesome One y'all!!!!  
Yeah you haven't heard much  
from me of late, but that's gonna  
change!!! Going forward, I am gonna  
be even more AWESOME than ever!!!!!!  
I am taking charge of my future and  
management be damned!!! No more of  
this Ham drama getting shoved down  
everyone's throats!!! I am gonna be  
the one driving the viewing numbers  
up. First stop??? The FAL league  
title. Second stop??? Kevin  
Savage!!! My future is now!!!!!!!"

# DEATH TO PORK LOVING INFIDELS!!!

"This is Sgt. Spam, advisor to the Holy Warriors of Kabob!!!  
I am the one to make the cycle by cycle statement for  
the group where it pertains to Ham Sandwich and his  
pork loving denizens of Satan!!! We are required by the  
almighty Allah to state our fatwa again him on a cycle by  
cycle basis in accordance to his rules. Ham Sandwich, you  
are going to be destroyed!!!!!!!! You will burn in the deepest  
and darkest pits of the seventh level of hell for who  
and what you are!!!!!!!! You end up being crispier  
than the most burnt piece of cheap walmart  
bacon. You will be so blackened and burnt that  
your embarrassed pork breakfast sausage  
children named after their uncle jimmy dean,  
will crumbled you into a bottle of bacon bits to  
hide their shame and humiliation!!!!!!!!  
You have ruined this favorite past time  
and sport of wrestling with your worthless  
greasiness!!! We will not tolerate it any  
longer!!!!!! You must be killed as a stern  
message to this unclean that their  
presence will not be tolerated either.  
We are doing our holy duty. We are  
your judges, jury, and executioners!!!  
We will destroy you, your unclean gf, her  
incestuous lover Jimmy Dean, and anyone  
else that blackens this world. You all will end  
up calling us heroes for our glorious efforts."

## **ROYAL FAMILY OF DOOM**

**Big Dragon Ernie Tombs: "Who are all these people calling us up at all hours? What is up with these emails we get from some screwball back East? Why are there curious packages being delivered at all hours? How much are we willing to pay for a good muffler? I don't have the answers to any of these questions, but I'll tell you one thing: I am seriously considering buying three new pairs of shoes at once."**

# Dem Pizza Shop Boys & Sara

*The pizza crew (Mark, Jerry, Gino, Jay, Nik, & Sara) are all working at the Pizza shop.*

**Jerry:** “Some guy just called and asked if we had a Pi Day special. What in the world is a pie day? And if it is pie day, why didn’t any of you bring me a pie.”

**Mark:** “Not food you fat f\*\*\*. Pi like the thing from math class. Whatever that is?”

**Jay:** “Now you know Mark wasn’t the best student, I mean we got grades to play ball, but we weren’t crushing it in math class. Remember Mr. Leonski?”

**Mark:** “He said We wouldn’t always have a calculator, but turns out he was wrong.”

**Jerry:** “Guys! Focus! So we could use this Pi day thing to make some money?”

**Nik:** “It has something to do with 3 and 14, but you know what day you could sell a bunch of pizzas on? April 20th! You could call THAT pizza pie day, right Gino.”

**Gino:** “WHAATTT? What are you saying? Do what? We use fresh ingredients, we can’t sell these pies for \$3.14. It isn’t even April, what are you talking about Nik?”

**Sara:** “I can’t believe you idiots. Pi has to do with finding the area of a circle. Pizzas are called pies and are in circles. Pi is roughly 3.14, so that is why it is celebrated today, March 14th. Good thing you guys are better at wrestling than math. Sheesh.”

**Jerry:** “Alright, I guess next year we will have a special, it’s too late this year.”

**Mark:** “Imagine how many pizzas Jerry would eat if they were only \$3.14? ”

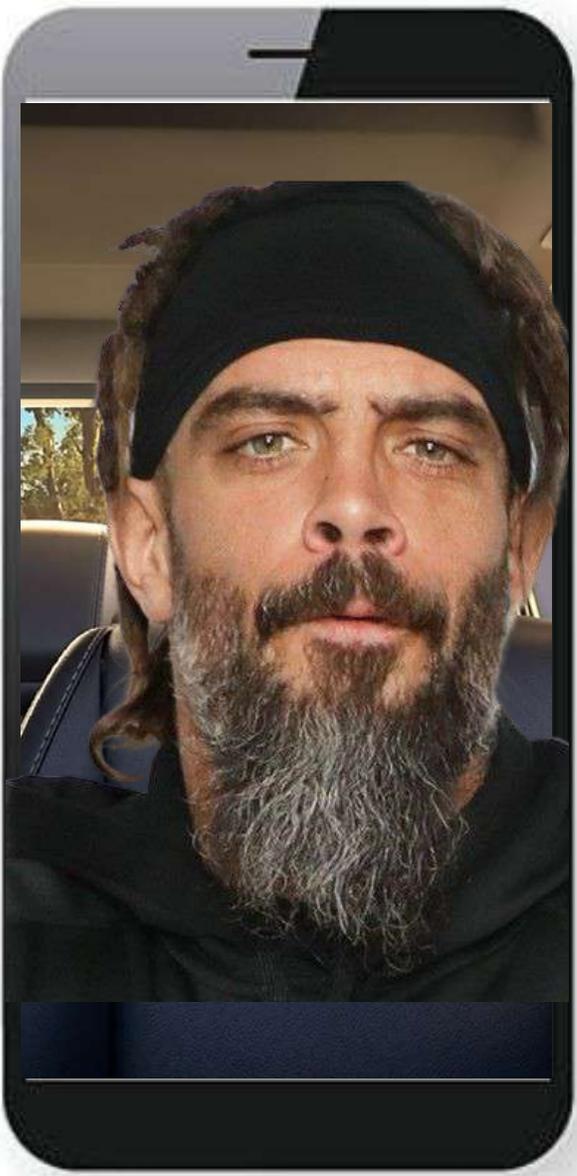

**Nik:** “Not as many as I could eat right now (giggles)”

*Everyone shakes their head and goes back to work*

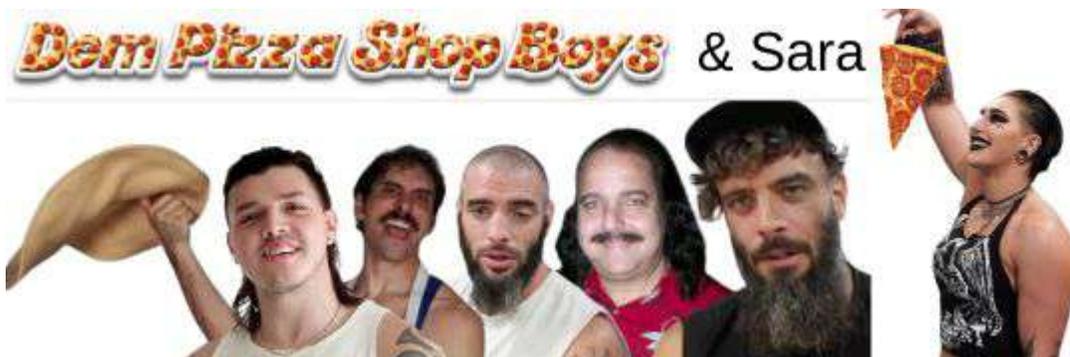

## ‘Smokin’ Jay Driver is Driving in his Truck

“Well Jerry’s fat a\*\* put Nik in charge of sending our video on 4/20 and he sent the wrong one in, so now I’m driving to drop off the correct one to the FAL offices, since I have to go there to talk about the Summer PPV, **Dead Heat**. Now, I coulda just facetime’d them, but I like to do business face to face. Now, growin up on a farm, I know not to count my chickens before they hatch. Usually, me and Mark team up together, like we will when we take on the **Speed Pinner**s to get our 13th league tag title coming up this tour, but if the front office wants me to main event and take on the legend **Kevin Savage** for the **Southern Heritage** title, well, I’ve never backed down from a fight in my life. That’s enough of this, I gotta pay attention to the road. I’ll see you in the ring.”

## Dem Pizza Shop Boys & Sara

The  
**CORRECT**  
Video (I think)

*You can hear everyone talking, but the camera is facing the floor*

Jerry: “Nik, are sure you are recording this? You seem sleepy. Your eyes are half closed.”

Sara: “Leave Nik alone. You all need to make sure you remember what you’re saying.”

Nik: “Yeah, I got this guys, now everyone get ready to shoot the pormo... I mean promo.”

Jay: “Man, you are taking too long! I gotta take these deliveries. Mark, let’s blaze one on the way back. Everyone knows that we will take on anyone, anytime,”

Nik: “Alright, I’m ready. Get read, I’ll record in 3.....2.....1.....”

*Everyone is in view for a second, then the recording stops*
