The 501st Wonder of the IWA

ANDRE_{THE} GIANT

Movie Star?

Andre the Giant stands in the ring with his manager Zaza who does a little dance before grabbing a mic.

Monarch Zaza: FSL, Andre the Giant is here to remind everyone that he is the 501st wonder of the IWA! And with him being the greatest of all time, it means he is wanted all around the world!

Andre the Giant: Movies!

Monarch Zaza: That's right big guy! Andre is going to be taking some time to help act in a movie. And you know what that means.

Andre the Giant: No baby oil!

Monarch Zaza: Yes! While he is gone, he is leaving the FSL in good hands. Jacquo Music Man Marco will be making sure everyone follows the rules!

Andre the Giant: Part Time!

Monarch Zaza: Yes! Andre will be still here, just on as a part time talent. Which means the others in the back will have to pick it up.

Andre the Giant: Get to work!

Monarch Zaza: I hear you loud and clear and I know that the guys in the back hear it too. Thank you, boss.

Andre the Giant: Respect the boss!

Zaza and Andre the Giant leave the ring and while Andre walks up the ramp, Zaza smirks and dances. Fans can be seen dancing with Zaza.

"Andre is a movie star!"

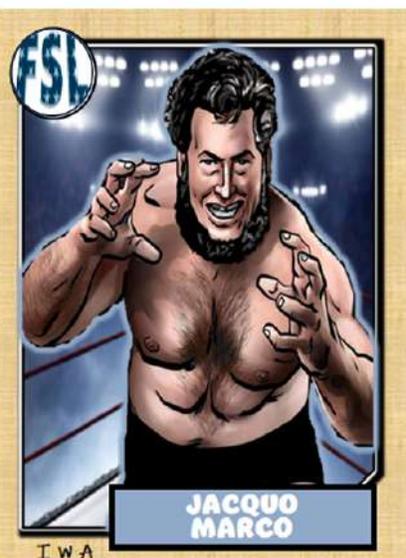

Monarch Zaza is the manager of "the 501st Wonder of the IWA" Andre the Giant. He hopes to add to the already illustrious career of living legend Andre the Giant. He is always seen dancing at ringside during Andre the Giant's matches and can be found backstage dancing and laughing. He has yet to show a serious side while in the corner of Andre the Giant.

FSL Commissioner Jacquo Music Man Marco comes to the ring with his wrestling gear on which makes fans laugh.

JM: FSL, I am IWA Hall of Fame Legend, Jacquo Music Man Marco. As most of you know, I am the Commissioner here. But what some of you might not know is, I am a wrestler! I look forward to fighting in this fine league along with running it! As some of you might know now, I am also the Commissioner of YJL again. And with that I am also wrestling there too. I talked to our boss, Andre the Giant and since he is going to be shooting a movie and unable to make a lot of live events I will be coming in and taking his spot so then he can wrestle part time while shooting the movie. What does that mean for the FSL? It means you are going to see a lot more of me and you are going to like it! Now, Before, anyone gets it twisted, YJL and FSL will be run differently. YJL will always be my first love but don't let that fool you, I will run FSL in the same manner. So now with that said I have a question for the guys in the back. Do you want to fight against the YJL roster? Or do you just want matches against other FSL wrestlers? Let me know in the trash talk section. And now onto my first victim! Big Vaughn Vader?!?! Time to pay the piper, punk! I have been wanting to slap the taste out of your mouth for a very long time. I can't wait to take you down and show the rest of the FSL roster, this old dog still has some bite!

Fans laugh and then cheer as Marco leaves the ring and joins the announce team for the next match.
