# CAGE OF HONOR

A MIKE JOHNSON PROJECT

=====

Welcome back to Cage Of Honor. After a cycle of questions, a cycle of concern, a cycle of wonder, we are back this cycle for our Mania. Yes, WWE's Wrestlemania has come and gone but this year just like 6 years ago our Mania came a couple weeks after the dub. This cycle will be a historic one though as we are set to establish our own new era, we are set to go back to the era of honor and begin to rebuild COH piece by piece till we get to where we need to be. I'm also happy to announce that as of this cycle HLL is under a new regime and again no longer affiliated with COH.

With that being said, we have the Hero world Championship, we have the COH World Championship, and we have a number one contender- Insane HB Shatterday v DC Drake v Brock Rampage to crown the Undisputed COH World Champion. If by change DC Drake happens to win, I've already secured him to a COH deal that has him coming to HWL but let's just see how this all plays out.

We also have the United Wrestling Networks Women's Triple Crown Championship, a combination of the IWGP, Women's Wrestling Revolution World, and the Danger Zone Women's Championship. Currently, Danger Zone Wrestling is on hiatus but the Women of VUL, HWL, DZL, FFL and any UWN contracted female wrestler will continue to play a role in the development of this championship and it's defenses. So, this cycle we will see Jasmyne The Supreme Diva v Angel of Light Angelina Blanco v Penny Punk to unify the championships.

Last but not least we have the COH Women's World Championship defended by Christy Hero. In all honesty I had one plan for this but as you can tell I've been struggling for several cycles and I don't save the bulletins or the report files so whatever I had originally is out the window. But that brought about the opportunity to have a 4-way for the championship at Mania- Christy Hero v Diamond Lil v Sexy Blonde Bombshell Tiffany Woyniko v lady Canadian Gunns

We have three cards set for Mania, in my opinion, some of the better cards we have had lately. Before we get into the remainder of the card, let's check out last cycles results.

### Championship Wrestling From Iron #53

1. VUL DD- Carnage Clan Chaos, Greek goddess defeated Professor S, Pandora's Box
2. HWL DD- Messiah,Waldo Dirtberg defeated Boss Hogg, Killer Kangaroo
3. Guzinga defeated Bad News Blake
4. Justice Pain defeated Superstar Billy Green

5. Bird Flu defeated Sweet Edie Gold

\*\*At Mania we will see the Deadly Duo Finals. Each winner will receive \$100,000 i-cash and a contract to face their leagues World Champion

**VUL Women of Honor #74**

1. Greek Goddess defeated Corn Hole
2. Snake Charmer defeated Amber Bombs
3. CS National- Diamond Lol defeated Mercedes Reign
4. Lady Australia Kay defeated Masked Misfit Toy
5. CS- Sexy Bombshell Tiffany Woyniko defeated Carnage Clan Chaos, Lady Australia Dashwood

\*\*Diamond Lil will receive a future National title shot but this also depends on VUL's main event for the World title

\*\*Woyniko won the Contender's Series and was inserted into the World title match thus creating the 4-way match

**COH #274**

1. Big Salty Shatterday defeated Starvin Marvin
2. Grim Peaper defeated God of Thunder
3. Second City Saint defeated Hellraiser
4. CS National- Justice Pain defeated Zuesilla
5. CS- Drake Douglas defeated Messiah
6. CS- Hardcore Hellion Badwayz defeated Waldo Dirtberg

\*\*Justice Pain will face the National title winner 3 cycles after Mania

\*\*Drake Douglas v Hardcore Hellion will occur at Mania and the winner will receive the World title shot at Heatwave

Those are our cycle results. Now here is our Mania tour. We have three cards with some amazing matches.

6. Hardcore Championship- Bloody 24/7 [c] v Fedor
7. National Championship- IMT Slayer [c] v Ace Anderson
8. COH World Championship- Insane HB Shatterday v Hero World Champion DC Drake v Brock  
Rampage

Good luck to everyone booked on the card. I'm hoping this cycle propels us and continues us on the journey we need to be on. As I mentioned last cycle, our potential demise was my own doing, lack of time, taking on too many league projects, work, life, etc. I've been doing this well over 10 years and burn out is there but I enjoy it. Time to scale it back and just focus on HWL and VUL.

I mentioned the Best of The best last cycle but I felt with Mania, why do an overkill of matches. Next cycle we will have the first round of both VUL and HWL's BOTB. \$250k and World title shots on the line!

Action Wrestling- I've been asked this question as to where it stands. We've cut ties with leagues, with projects but Action Wrestling isn't something COH or UWN want to see disappear. There was a plan of hosting UWN shows but then we feel Action Wrestling events are the way to go and then an eventual UWN Supershow maybe twice a year. Action Wrestling did separate into two brands but there is no need for that, so going forward we will just have Action Wrestling. Fedor did win the Pro Wrestling Action Championship last cycle but the championship isn't needed. So we will have Fedor v Action Wrestling Champion YJL Malakai King next cycle. LWL's The Mask is the current Television Champion. BWL's Addisyn Killswitch is the current Women's Champion. The women's tv title has been deactivated. An Action Wrestling card will be presented next cycle.

Other than that, good luck to everyone this cycle. I'll try to update the Facebook page during the cycle. Until then, I'll see you all in the bulletins!
