TRASH TALK

Ali Atari addresses speculation about his recent actions, denying any intent to revert to his past rule-breaking ways. He reflects on his journey since breaking free from Luthor Alexander in 2017 and emphasizes his commitment to love and positivity. Atari questions whether he or the Chameleon attacked Rex Chambers, suggesting the latter's penchant for deception. He criticizes Chambers for his perceived arrogance and questions the significance of the PanAm belt. Ultimately, Atari asserts that if he wanted to confront someone, he wouldn't resort to ambush tactics but would instead confront them directly.

Fathers Arturo and Conrad are at their usual altar Arturo: "Rejoice! It is a time of rebirth! Conrad and I have earned a shot to regain the IWL World Tag Team titles. A rematch with the Grammar Police at Soul Survivor." Conrad: "That was my lone bright spot, I haven't gotten my footing here at all since leaving the NWL a year ago. I swear, I'm..." Arturo: "Calm Down Padre! You know that everything is part of the one on high's plan. You never know when you will be called upon to shepard or slay! Speaking of the NWL, I have to face "The Reprobate" Lanny Teague in the next round of the Johnny B Cup! He like many of the lost souls there needs some work, much as we need to work to clean-up the parrish after all the Easter festivities!" The two men give the sign of the cross and exit.

"On Point" Edward Porthuron expresses disappointment over losing titles to the Von Snapps and vows to protect against threats from abroad, mentioning both work and the IWL. He acknowledges the need to bounce back but humorously admits he lacks a clever bouncing pun.

Sinister Sean Brutal expresses his disdain for being pitted against Joseph Redgrave in his IWL pay-per-view debut at Mat Mania, whom he defeated soundly. He asserts his dominance and hints at his rising momentum in the fantasy wrestling world, indicating that he's just getting started and the sky is the limit for him.

"The Cobra" Riley Orton boasts about his accomplishments and recent victory over Nehemiah Boogerhoarder at Mat Mania. He dismisses Boogerhoarder as insignificant and asserts himself as the future of the industry. Orton's confidence shines through as he declares his dominance in the IWL.

Rex Chambers addresses the Chameleon after Mat Mania, congratulating him on retaining the Multinational Title but warning him that his challenges have just begun. Chambers asserts himself as a formidable opponent, ready to prove his worth in the ring. He vows to make the Chameleon's title defense a difficult ordeal, promising a long night of struggle inside the "Chamber of Pain."

TRASH TALK

The Grammar Police celebrate their victory at Mat Mania, defeating the Amazing Graces and successfully defending their titles. They express eagerness to continue cleaning out the tag team division, targeting potential challengers like Litigators, Americanos, and Shotgun Guys. They mock their opponents' grammar while asserting their dominance in the ring.

The Shotgun Kidd confronts Brady Buckshot about their past tag team match. He questions why they didn't team up last time, emphasizing the importance of being in sync as a tag team. Brady admits he forgot to sign the match, leading to the misunderstanding. The Shotgun Kidd agrees to take charge of signing tag matches moving forward, while Brady agrees to focus on his role. They part ways with a resolution to improve their teamwork.

Death Valley Drifter, accompanied by the Astros, is waiting at a bus stop. He congratulates Ultimo and Excelente Astro on their recent title wins and expresses pride in their achievements. Drifter encourages them to aim for more championship gold on their upcoming tour. The wrestlers board the bus, ready to pursue further success.

Soo Yoo-Pai reflects on his recent successful IWL World Title defense against Steel Cut Oates in Orlando before heading to Miami for a photo shoot. He anticipates his next challenges, including facing Mannequin #1 in the Johnny B Cup and teaming up with Double D Cristoph and Flashy Jack Ferdinand in the Lethal Lottery Trios tournament. He also addresses Firebird John Satterfield's desire for a title shot, reminding him of his championship reign and clarifying the pronunciation of his name.

Galim Tursambayov enters the arena in Cleveland to a barrage of boos and jeers, expressing his disdain for the city. He mocks the championship belt, calling it a participation trophy for surviving Cleveland's culinary disasters. Galim boasts about his undefeated status and belittles the wrestlers he has defeated, likening them to children's toys. He declares his intention to become the IWL league champion, dismissing his opponent Black Jack Robinson. Despite the crowd's hostility, Galim revels in their fear and acknowledges that he cannot be stopped.

Ryan Patrick reflects on the longstanding history of The Regulators in the IWL, highlighting their numerous victories and feuds over the years. However, there's one rivalry they haven't been able to resolve - their ongoing battle with the Von Snapps. With the Von Snapps now holding the IWL World Six-Man Tag-Team Championship and The Regulators as the number one contenders, Patrick declares that it's time to settle the score once and for all. He promises a straight-up battle for the belts at Soul Survivor, with no tricks or mind games involved.

IWL Backstage Interviewer - Gene Meene

Well, well, well. What have we here? Not only is the IWL Multinational Title still over my shoulder, but the IWL League title is around my waist. I didn't defeat one competitor. I didn't defeat two competitors. No, the deck as stacked against me and I defeated not only two competitors, but a corrupt special referee as well.

Ali Atari, the student has become the master. I have now defeated you three times at pay-per-views. You ain't as good as you once was, but the bruises and scars indicate you're as good once as you ever were.

Johnny Wrestlefest, you were screwed. But you still couldn't get the job done. It's tough to beat the Chameleon. You just proved you're just like the thousands of others who have lost to me...average.

It appears that **Ravishing Rex Chambers** now thinks he has a title shot coming even though he has won jack squat since he made his "triumphant" return to the IWL. I'll leave who I face up to management, but I've never backed down from any challenge. If IWL management thinks you've earned a shot, then I'll defend against anyone. Maybe poor **Johnny Wrestlefest** should get a shot, since you pushed him into the line of fire, costing him the match.

So who's next, commissioner? Who will the Chameleon defeat next time to prove that he is the upper echelon of the IWL? Who will he beat to again prove he's the Franchise of the IWL? Which one of these undercard punks are you going to deem worthy to face the MVP? Whichever one it is, remember, the only easy day was yesterday.

CG: I get tired of being first runner-up, but we're still better than three-quarters of the tag teams around this place.

JG: Take **The Americanos**, for instance.

CG: Remember when they used to have that British dude ordering them around?

JG: They've had a little luck the last few cycles, but they're not even close to our league.

CG: What about **Brady Buckshot and the Shotgun Kidd?**

JG: Who?

CG: Never mind. You're right. We are better than most tag teams here.

The Von Snapp Family Promo

Victor- Look at the IWAR, the power of the Von Snapp Family is growing. The IWL, dominated and now we get strongah'. We are joined by ME youngest son Victor Jr. who was under the mask as **Hijo de Teamster**, but that charade is over, he's reunited with his dear ol' Dad and he brothers.

Alex - Michigan Border Patrol good game, good effort. We appreciate your trying, but we are the better team, we are IWL World Trios champs!

Axel - Millennial Reign, the CWL World Six-man belts are our property and all ye fancy promos and words ain't gonna get the best of my fist boyo.

Alec- We are the greatest trio in the IWAR and that includes the BRL's **Mannequins**. We beat them to retain our IWAR World Trios titles and now we go into ImagiClash 15 with mystery opponents. Ha!

Vic Jr. - It is great to be part of the family after being lied to for years, but the truth is out there. The truth is that I destroyed that jerk **The Sensational RJ Gallo**. Now I'm ready to take the next step and take what I've been taught and show the world just who Victor Von Snapp Jr. really is in the ring. Doubt me if you dare!

The patriarch of the Von Snapp Family, Victor Von Snapp competed in the IWA for almost 30 years before he entered the IWA Hall of Fame, but the Australian was known as much for his Iron Claw and durability in the ring, as was as a ladies man. Victor has fathered children across the globe and so far Alex (Toronto), Axel (London), Otto (Berlin), Ava (Seattle), Alec (San Paolo) and Victor Jr. (Mexico City) have all followed him into the ring.

Tom Steiner: And there it is! The Yoo-Plex! This could be it!

[Soo Yoo Pai covers the Duke of Dublin for the pinfall victory.]

Josh Grant: What a win for the IWL World Champion! Soo Yoo Pai continues to prove why he's at the top of the mountain in the IWL!

Tom Steiner: Absolutely, Josh! But wait, it looks like Soo Yoo Pai's got something to say!

[Soo Yoo Pai grabs a microphone as he stands tall in the center of the ring.]

Soo Yoo Pai: Tonight, I proved once again why I am the undisputed champion of the IWL! But I'm not just here to defend this title, I'm here to represent this company with honor and pride!

[Suddenly, the Michigan Border Patrol's music hits, and Edward Porthuron and Windsor D. Troyt make their way down to the ring.]

Josh Grant: It looks like the Michigan Border Patrol has something to say, Tom!

Tom Steiner: Indeed, Josh! Let's see what they've got in store for us!

[The Michigan Border Patrol enters the ring, joining Soo Yoo Pai.]

Edward Porthuron: Soo Yoo Pai, you've proven yourself time and time again as a worthy champion, and the Michigan Border Patrol stands with you in this fight!

Windsor D. Troyt: That's right! We may have lost our titles to the Von Snapps at Mat Mania, but we're not backing down! We're ready to take on anyone who dares to challenge us!

[Suddenly, the arena lights dim as eerie music fills the air. The Nightmare Court appears at ringside, staring down the Michigan Border Patrol.]

Josh Grant: Oh my! The Nightmare Court is here, and they've got their sights set on the Michigan Border Patrol!

Tom Steiner: Things are about to get chaotic, Josh! But wait, here comes IWL Commissioner Colt Sawyer!

[IWL Commissioner Colt Sawyer emerges from backstage, microphone in hand.]

Colt Sawyer: Hold on just a minute! Before chaos ensues, I've got an announcement to make! Soo Yoo Pai, at the next IWL event, you will defend your World Title against none other than the IWL MultiNational Champion, The Chameleon!

[The crowd erupts with excitement as the announcement is made.]

Josh Grant: What a bombshell announcement, Tom! Soo Yoo Pai versus The Chameleon for the IWL World Title!

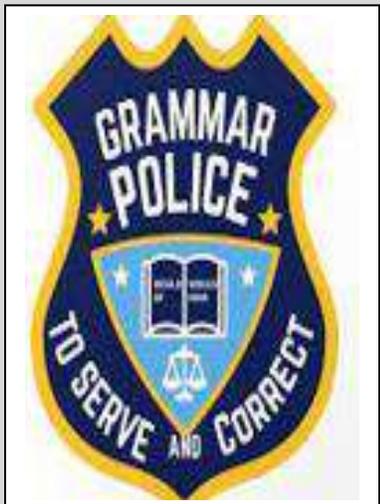

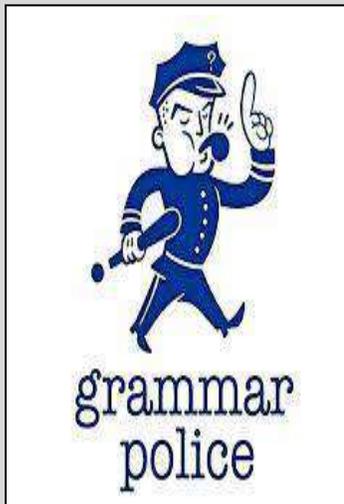

Tom Steiner: Absolutely huge, Josh! And it looks like the Nightmare Court is retreating for now, but you can bet they'll be back with a vengeance!

[The show ends with Soo Yoo Pai, the Michigan Border Patrol, and The Chameleon staring each other down in the ring as chaos looms on the horizon.]

Grammar Police

Father Conrad has just released the crucifix armbar on Christopher Destruction at the house show in Prague when The Grammar Police's music hits as the IWL World Tag Team Champions emerge from the back. They take their time strolling down the isle as an exhausted Father Conrad watches cautiously. **Father Arturo Bartolo** is unfortunately absent from ringside for his partner's singles bout. Inspector Henry Taylor stops to grab a sign from a little kid that reads "My To Dads, future tag champs!" He mock's the child's mis-spelling of "two" before ripping up the sign and tossing it on the floor. Constable George Campbell grinds the torn sign into some spilled beer on the floor with his boot but is blind sided by an outraged Father Conrad who spins him around by the shoulder and decks him. The priest turns his attention on the inspector but is caught the solar plexus with a night stick. Campbell takes his handcuffs off of his belt and cuffs Father Conrad's hands behind his back. The Grammar Police then stomp and kick the outnumbered Father Conrad before hitting him with the Spell Check. Medical staff rush to Conrad's aid as The Grammar Police celebrate their attack.

DEATH VALLEY DRIFTER

REPRESENTING GOT/GUN

(Death Valley Drifter is standing backstage with the New York City title on his shoulder.)

Gene Meene: You had a match against IWA Warrior last cycle and you captured the New York City championship. Thoughts?

DVD: First thought, I'm competing for a title called the New York City title and we're in Dacca. Second thought, a title win puts more money in my pocket and more money in my pocket puts more food in my belly.

Gene Meene: Did you have a celebratory dinner?

DVD: Does a vacuum cleaner suck, Gene Meene? Absolutely, I did! Huge, and I mean HUGE, T-Bone steak. All the sides. Double mashed potatoes, Triple the mac & cheese!

Gene Meene: And what's next for the Death Valley Drifter?

DVD: Winning gold. Cashing checks. Eating lavishly. That's the dream here, ain't it. Maybe catching one of those battle royal wins down the road would look nice, too. I mean, \$30,000 dollars in the bank would look pretty damn good.

MAGNIFICO ASTRO

Representing The Gun Collection

(Magnifico Astro is arriving to the building. Just the night before, he won a match against "Pop Culture" Peter Cross.)

Gene Meene: Last night, you defeated "Pop Culture" Peter Cross in a match that went almost thirty minutes. Do you have any thoughts about the bout?

MA: He's a tough competitor. He's fast, he's fierce. But I am faster, I am fiercer. I won the match.

GM: You've won a couple of battle royals, Television title, and League title so far in your short IWL career. What's next?

MA: More championship wins. I plan to win them all. I am grateful that I have accomplished so much in such a short time. I am excited for my future. I have been wrestling for many, many years, and my body hurts in the morning when I wake up, but the crowd gives me motivation to keep doing it, and I will at a high level.

"RAVISHING" REX CHAMBERS

"You're Going Down" by Sick Puppies blares over the pa system and out steps "Ravishing" Rex Chambers, who is still sporting the old Pan-American Championship slung over his shoulder. The former champ makes his way out to the ring to a very split reaction from the fans. Finally, Chambers enters the ring with a microphone in-hand as he waits for the noise to settle.

"WEEEEELLLL!!! INDEPENDENT WRESTLING LEAGUE!!! LET'S TALK ABOUT IT, YEAH!"

The crowd responds by shouting back, "YEAH!"

"Yeah, alright. Let's talk about it then. And, let's start by talking about the results of Mat Mania. Let's talk about how things went down that night and what happens next and what it all means for yours truly. Let's start with **Johnny Wrestlefest**. Rumor circulating around the world wide web is that you're blaming me for your misfortunes at Mat Mania and for you not becoming the new

"Multi-National Champion. You wanna blame me? That's fine. To be honest, I don't really give a rat's ass. As far as I'm concerned, you were always a paper champion to begin with and the only reason you even got to have your last day in the sun was because Rex Chambers stepped out of the way and gave it to ya. And, so as far as I'm concerned, what went down at Mat Mania was me simply taking away what I gave ya in the first place."

"Alright, so now that we've gotten Johnny Wannabe out of the way, let's talk **Ali Atari**."

The crowd responds with a mixed reaction at the mention of Ali Atari.

"Oh, yeah. Ali Atari. 'The Dream.' Yeah, you and I, we've been down this path before, haven't we? First, we started out as enemies. Then, you became a mentor to me and I haven't forgotten any of that. In fact, I'm eternally grateful for the help and the guidance that you gave to me when I was first getting started out here in the IWL and getting my feet wet in the professional fantasy wrestling industry. Yeah, I had to leave this place for a bit to take care of some back office business and to get my head on straight. So, when I came back, I thought you and I could pickup where we left off and run the show here in the Independent Wrestling League, but that doesn't seem to be the case. Instead, you seem to wanna cry over spilled milk and boycott the hottest commodity going for the IWL. I mean, if we're being honest, it looks like you and your pals seem to have done much better for yourselves since I had my talks with the office, but I guess we won't talk about that. So, you wanna trash me when instead you should be thanking me. That's fine, you can have it your way. I'm a man of grace and second chances, but just remember that you only get one pass on talking smack to 'Ravishing' Rex Chambers and you just used it."

"And, now, finally – let's talk about the reigning IWL Multinational Champion, **the Chameleon**. You wanna trash me, too, for stepping out on the IWL, but let's cut the crap for a moment. I mean, look at ya. You're on top of the world right now, ain't ya? You're living your best life.... Living the dream. But, let's be real. The only reason you're where you're at right now.... The only reason Johnny Wrestlefest or Ali Atari got their days in the sun with that title.... The only reason the three of you had your triple threat match at Mat Mania.... Is because I made room for it! This whole narrative that all of you keep bitching and moaning about is the **ONLY** reason that any of you three have even reached a state of relevance over the past year. And, so the more you all keep yapping, the more inclined I am to remind you.... I AM the real deal! I'm in it to win it! And, so whether it's the Chameleon. Whether it's Ali Atari. Or, whether it's Johnny Wrestlefest. You can come one or you can come all, but you're all bound to fall! **WHOOOOOOO!!!!**"

Fathers Arturo and Conrad are at their altar. Conrad's Dallas title is on the Altar

Father Arturo: “Again Conrad, the one on high shows to have faith! You hold a title after your worries about your struggles! Much like we will regain the IWL World Tag titles.”

Father Conrad: “I hope the one on high’s plan is to have me beat **the Chameleon** or the **Grace Brother**, or whatever **Van Snapp** has the title when I get my shot! And the **Grammar Police**, don’t get me started with their allegiance to heathen laws, I swear...”

Arturo: “Calm down Padre! You know that we are not judged by the laws of men. Perhaps the constable and inspector need some divine intervention to see that they serve and protect for all of the wrong reasons!”

Conrad: “You know, God helps those that help themselves Arturo.”

Arturo: “Ah yes! Come Father, we have much to prepare for! Peace be with you!”

Michigan Border Patrol

(Windsor and Ed are in the breakroom. Soo walks in all dressed up.)

Soo Yoo-Pai

Edward: “Soo! It is good to see you back! Just slumming it here in the breakroom?”

Soo: “Just because I got promoted it doesn’t change anything. I wanted to check-in with you guys. I know I’ve been traveling a lot. It’s time for us to get back to work as a trios team and face the challenge of the **Von Snapps** and **Nightmare Court**”

“On Point”
Edward Porthuron

Windsor: “I finally figured out that **Nightmare Court** are the guys in the costumes! Of course they beat us in Moscow, not the good ol’ U S of A. We aren’t Rocky, we can’t win in Russia. Who knows what Russian drugs those guys are on!”

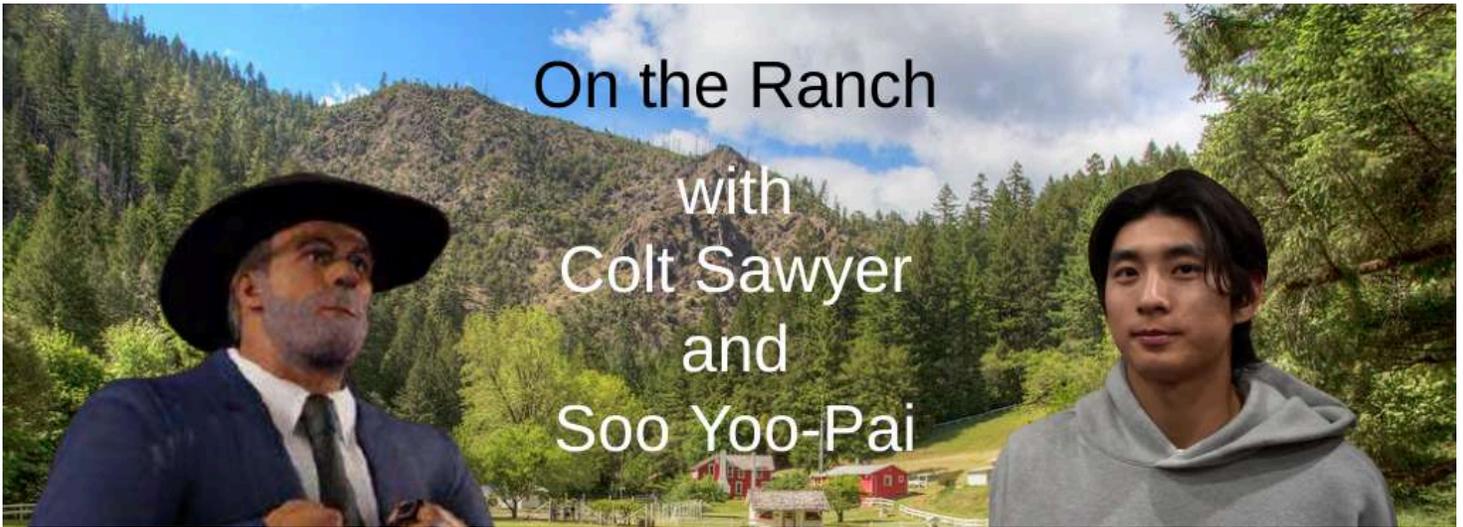

Edward: “Maybe we need to go train in Siberia. Well, at least up in the Upper Peninsula somewhere. That is how Rocky beat the Soviets. We can do the same!”

Windsor D.
Troyt

Soo: “Wait, do you think Rocky is real? And **Nightmare Court** is clearly not from Russia - they have Spanish names. Now back to preparing for the matches...”

Windsor: (Plays ‘Eye of the Tiger’ on his phone) “My family has a cabin in Iron Mountain we could use to train like Rocky!” *Ed and Windsor start to shadow box*

IWL World Champion Soo Yoo-Pai is walking around Colt Sawyer's Ranch

Soo Yoo-Pai: "Thanks for having me out to your ranch Colt. I can smell that barbeque that you have been cooking all day. I can't wait to try that later today."

Colt Sawyer: "**Soo**, I thought I'd have you out here since you have done a lot for the IWL as of late. First, you are still representing us in both the **Johnny B Cup** and the **Lethal Lottery Trios**. But bigger than that, you defended the IWL World Title against **Steel Cut Oates** from the BRL and you kept the belt here in the IWL. You pull double duty on our events and are always reliable both in the ring and out. And I thank you for that."

Soo Yoo-Pai: "Well, I just did what I thought was right to do. I have to thank you for the opportunity to defend this title and all the opportunities here in the IWL, and for putting up with my friends in the Michigan Border Patrol. Those guys really mean well. Anyway, I know that I'll have another worthy challenger at **Soul Survivor**, so I'll be ready again."

Colt Sawyer: "Well that's the thing Soo, I have offers from other leagues that want to take you on for the IWL World Title and there are many people here that want their shot and coming out of Mat Mania, there are a lot of options moving forward. I think..."

At that moment a figure jumps out from underneath a bail of hay, disguised like some sort of special ops soldier and attacks Colt Sawyer from behind, then manages to escape before Soo could catch him.

Soo - "Are you okay Colt? Do you know who would do this to you?"

Colt Sawyer: (Groggily) "I can't be 100%, but I have an idea...."

The camera fades with Colt getting to his feet.
