Killer Karl Kowalski: "I accept your challenge, Kabuki Dragon. And let me tell you something: I will snap you in half like a chopstick, and I will punch you in your fire-breathing face. You may think you're tough, but you're no match for me. I'll show you why they call me Killer Karl Kowalski."

(The crowd roars with excitement, knowing that the match between Killer Karl and Kabuki Dragon will be intense.)

Killer Karl Kowalski: "And as for HWO, you want an alliance? That's fine with me. But let me make one thing clear: I am completely loyal to the Circle of Tyrants. I will do whatever it takes to ensure that we dominate the Louisiana Swamp League, no matter who stands in our way."

(The crowd cheers, knowing that the Duchaine Brothers mean business.)

Mad Dog Maurice Duchaine: "So to all you geeks out there with your AOD posters, listen up. We're gonna slap those posters right outta your hands and make you cry for your mommas."

(The crowd erupts into cheers and laughter, amused by Paul's antics.)

Mad Dog Maurice Duchaine: "But enough about moms. We're here to talk about domination. We're here to talk about how we're gonna take over the LSL Multi Man Division, both Six Man and Tag Team. We'll run through any team that stands in our way, and we'll do it with a smile on our faces."

Paul The Butcher Duchaine: "And speaking of titles, Maurice, I've got my shot at the Junior title this month. And let me tell you, El Hijo De Mil Demonios, I'm coming for you. I'm gonna take that title and make it mine, and there's nothing you can do to stop me."

Yeah I'm sure you all got a good laugh of me losing my LSL UNIVERSAL TITLE and my GFORCE TITLE but most of all my Jr. HEAVYWEIGHT TITLE MATCH, fine it happens every dog has his day and it wasn't mine that's how it happens, but now moving on, I have it on good authority that I have a Rematch against Chuck Jackson, he is one tough SOB besides me in the LSL, now next cycle I am throwing my Rematch clause and choice of my type of match I choose a Muay Thai match with taped fist with broken glass, we fight till one man is standing, as for the Jr. HEAVYWEIGHT TITLE don't think I will stop coming after it, my loss isn't a set back it's a step forward, so I will have the last laugh, right now I am enjoying the nice beach. So get lost!

Heather Diamond at a strip club, having a drink enjoying the night

A rough day I had a the PPV, close to being so close to being women's champion and it didn't happen, I've been a Women's Champion before in a different promotion, but it was so important to me but La Debolica was the better woman that night, she has my Respect but don't mistake it for weakness just saying, where do I go from here, I go forward, train harder and get better, I will be a World Champion again so look out this Diamond is going to be shining bright!

I am your Doom....

I am your Distruction....

I am your Answer.....

I am your RECKONING!!!!

You weak pathetic Swamp rats thought I was gone, I got better fighting all over winning titles, Master Kim got me into better shape and trained me harder than I have ever trained In my life, you have these so called individuals like PA KNIGHT who wears too much after shave he suffocates everyone when walks in the room, A guy who calls himself Daddy I ask why does he call himself that? Because he probably fathered more children that he owes more alimony money that he makes the nation debt combined, Connecticut Yankee, is he a Rebel? A Redneck, does he have a relative that fought for the South in the Civil War? Or is he some clown who did what everyone else was doing in high school.

I fought for myself and learned that a friend can end up stabbing you in the back, I only side with winners like Heather Diamond, Cactus Jerry, and many more, Frank Du Pont you make me sick, you act like your all this and that but your a loser! BTY you had a mean edge but lost it being a nice guy, but I can make you a winner again, you want tag team gold then I will be your tag team partner, Heavy Metal Jake Gerard is all wrong for you, I Respect him but he isn't a team player, he's more concentrated on the LSW GOLD than tag team, do you want to count lights on your back night after night or do you want to make money and win titles?

I know what i want and I will take it, the LSL I will STRIKE FIRST! so says KREESE!

FRANK DU PONT AND KREESE ARE FIGHTING IN THE ARENA!

BOTH MEN ARE SLUGGING IT OUT AND JUST BEATING THE HECK OUT OF EACH OTHER!

KREESE PUTS HIS CLAW HOLD ON DU PONT! HE BUSTS HIM OPEN WITH ALL THAT PRESSURE! OFFICALS ARE TRYING TO STOP IT BUT KREESE ISN'T STOPPING FRANK DU PONT IS OUT COLD!

NO MERCY! KREESE SHOUTS AT HIM AND WALKS OFF LAUGHING!

I made the Swamp my home because I enjoy it here, my Worm's and I love the environment, we go to the river to see the alligators, crocodiles, snakes, lizards and birds, we are like them because we are misunderstood just like they are, I came to the LSL for the competition as well, this league was built by some of the best like AAA, SALVATION, AI, KRIS HERO, LOCKDOWN, ERIC FONTAINE, and so many more they left their mark here, we all enter professional wrestling to make our mark, I will make a mark here when it's said and done, I have won and become another of the GREATEST GFORCE CHAMPIONS OF THE LSL!

This title has been held by the best and greatest, Terri Black, Wargoddess, Heather Diamond, Crazy Chad, Paul the Butcher Duchene and my brother Heavy Metal Jake Gerard so many, but I am surpassing all of them! The fans hate it! I get my house bombarded with rocks by white trash fans who hate me! And hate me more because I am the GFORCE CHAMPION! Well get used to it you SICK SOB'S!!

I WILL MAKE THIS TITLE MORE IMPORTANT THAN THE WORLD DIAMOND DROP TITLE! IF I EVER GET A SHOT AT THAT BELT I WILL BE THE WORLD DIAMOND DROP CHAMPION THAT YOU WILL HATE FOR LIFE!!! YOU SWAMP RAT'S LOOK OUT BECAUSE CACTUS JERRY IS HERE TO STAY AND I WILL MAKE YOU SICK!!!!
