From the Commissioners Desk:

We've got 2 relative newcomers tearing up the scene here in the MDL.

Scarlet Briar and **Judy Martinez** have shaken up the establishment.

These ladies are kicking *ss and taking names.

Briar can challenge for the Diva title this cycle and I expect Martinez to be right behind her.

Are these ladies the face of the next generation of MDL superstars?

Nadia Shadow

Legend of the MDL

Reminder, Legend of the MDL has started. I'm sure many of you are familiar with it. Basically, this is a race between all MDL members to be the first wrestler to win all front page titles, including tag and six-man titles, along with the Battle Royal.

The winner will receive \$250,000 IM and 25 free matches.

The winner also has a stadium named after them in our bulletin along with a scrub wrestler created in their honor.

Finally, the league championship title will be renamed after the winner of this contest.

Good luck!

Lady Malice: Alright, we've got some teams shooting for our Deadly Duo tag titles. I'm hoping we get to square off against Hillbilly Holly and the American Dream again.

Lady Sin: I hear ya! I heard the Brosious' may even give us a shot. They are old but they got some fight to 'em.

Lady Malice: The Lethal Ladies.... Bringing pain to the people!

I've been working out and working hard to climb up the rankings here in the MDL. All that hard work paid off with the league strap around my waist. Now, I've got the commish's eyes on me. It's time to prove that I'm worthy of a shot at that Diva title. Ain't nothing going to hold me back!

| February 2024 – League | February 2024 – World

Mean Jean Greene. looks like you got a National. You may be in my league after all, but that is maybe at best. Why not tell your little band of lollipop singers known as COT to help you win more. Right now, you need all the help you can get. They look more fit and ready to go than your Mary Poppins look will ever be.

COT – You are nothing more than a bunch of wannabes that have no business in the MDL. Numbers don't bring glory and honor. Battles do. So, why don't you get your munchkin asses down to this ring and let us have a good old fashion street fight, COT vs H*N*R. First stable to lose all their members loses. You guys are nothing more than the clowns that are in the NWL. Posers and Losers.

The time for words is over. MDL belongs to H'N'R now!!

Bow to the new stable!!

I expect an answer soon, you headless chickens.

You are welcome to bring that fantasy wrestler known as Mean Jean Greene if you want. She may be the very reason why you guys lose. May God have mercy on your souls because my kendo stick will not on your stable.

The Soviet Superstars

The Soviet SuperStars (Oksana Borisovna & Anastasia Romanova) walk to the MDL podium...

Oksana: Anastasia, I hear all the little capitalist pigs talking that they are coming for your title.

Anastasia: Dah! Ptooeey, I spit on them and their feeble attempts!

Oksana: All for the glory of Mother Russia. If they die, they die!

CHAIRSHOT MONTHLY

CHARLEY CHAIRSHOT DOESN'T WIN BATTLE ROYAL

We spoke with Charley Chairshot moments after battle royal loss:

"Last time around I was the winner of the battle royal. This time, I was thrown out fourth. Fourth! Can you believe that? And worse yet, by **Lynda Mayhem**. But here's the thing about Miss Lynda. She took home the East Coast Championship last time around, and I think it's only fair I take what she has. I mean, that's only fair, right? Out of all the titles I've held in my career thus far here in MDL the East Coast is one that hasn't sat on my waist, and I think it's time to make it happen!"

EAST COAST CHAMPIONSHIP WIN

Shotgun Stepahney saw action against **Lynda Mayhem**:

"Unfortunately, I lost my championship. The East Coast title is no longer in my possession. All because of Lynda Mayhem! I'll be honest, I didn't expect much from here, really. So maybe that's my mistake. I came in confident. And I came out with nothing. No title, no victory. But there's always next time. And next time, I'm taking home gold. Best believe!"

DALLAS LOSES SOUTHWEST TITLE

Daisy Dallas was in singles action against **Anastasia Romanova**. We spoke to her briefly afterwards:

"It was a close match. Very close. Almost 30 minutes, too. But in the end, the Russian Sickle took me out. Put me down to the mat. And **Anastasia Romanova** left with the victory. She's good, damn good, so I don't have much to complain about. I hope to bounce back next cycle and grab some gold."

The Brosious'

Brawlin' Lynn Brosious & The Mangler Marjorie Brosious

Pyrotechnics explode in the MDL arena as two women run out of the locker room towards the ring....

Lynn Brosious : Hey fans! We're back!

Marjorie Brosious: That's right! We're pumped up and aiming to take a shot at those Deadly Duo titles!

We don't care who we have to go through to climb those rankings. We're going to show the MDL why we are one of the best tag teams in the entire IWA!

MEAN JEAN GREENE

Wow, Scarlet, did you spend all night coming up with that? Because if that's your best shot, then I'm more worried about falling asleep in the ring than facing you. Yeah, you've been here longer, but let's talk stats, honey. Three out of four times, I've left you flat on your back staring at the lights. And as for your little tantrum and your delusions of grandeur, well, honey, I hate to break it to you, but this isn't therapy, it's wrestling. So if you want to make it personal, fine by me. Just remember, I play mean better than you ever could.
