Greetings, Fren! I'm sorry that you were edged out of the Gold and Asian titles. Thank God and the God Emperor that point flow is still alive, tho!

Congratulations on keeping the sausage and cheese pizzas here warm, as well as the 10 free gibbs matches.

I'd like to send a most enthusiastic Ni hǎo to Meestah Jones! Thank you, comrade, for the shout out! May your numbers have Divine Favor!

New Strain 100% Lethality,

CT How do you say "non-binary" in Spanish

The term "non-binary" can be translated to Spanish as "no binario" or "no binaria" depending on the gender of the person.

Greetings Masked Fren. I would insert a picture here but they don't get published. They are funny pictures too. It a shame.

Oh, Kyle was in town last week. He sends his best. Have you Seen Kyle lately?

Our super backdoor Forever Always Gold and GEIGH tag lifestyle brought back images of the early 90's. When GEIGH tag teaming hid in the shadows like it should. Who wants to see that anyway? *(this is where I would insert a cool picture but for whatever reason my pictures never see the light of day.....Shout out Mexican Tony!!!!)*

Rawdog Tag Team Champions.....steal that one Tony Kahn there's not enough titles in AEW. When is the last time 2 chaps nearly barebacked out a 516? Why sometime around like.....never. But we almost did it. Then there was.....this.....

Feat I managed to pull off. A 501....with a six man wrestler? On a team that retained the 6 man titles? Nowwwwwwwwwww that takes some big ole' Phys Ed teacher broom closet full of balls of various varieties. Dodge balls, basket balls, NERF balls that the SPED kid ate chunks out of it and that parachute on the top shelf from the Vietnam era that someone's grandfather donated to the school that went on to kill a bunch of Goo.....ehhhhhh I almost said it (K's).

We should have a pizza party just for those 2 things alone. But only winners....and disgruntled employees get pizza parties. And Bud Brock's...they get pizza parties.

Strategy Workshops....Tell them how to get a blind 515 and Six Man 501. ***Go ahead. And you wont post my pictures and you take my Stablecade money....!!!!!!***

Hi Matty R!!!! Enjoying that Dunkin and the "Guardians" beating the 'R' Sox?

As good as the 501 was it did not get us the desired result : GOLD. Forever Always Gold. I'm just not a MAP. Well not the Minor Attracted Person like Mike Peach was or Peter Sasquatch is no not that kind of MAP. Though however, Hannah Montana > Miley Cyrus and Jamie Lynn Spears > Brittany there I said it. No I am not like, a *Doints Doi*. I am not like our Kentucky Fried Action Figure Colonel here. I am simply not a *Major Attracted Player*. Not chasing "Doints" I am chasing big girls with blonde curls! I am chasing simply not 501's but moments. These few minutes I pound out litter liner gold to speak directly....to my Masked Fren. I am keeping little Freddy alive for every time his outdoor bell makes a noise on the door, I know some imaginary wrestler just pinned him in 9 seconds. No I am not trying to have 5 star cycles I am creating 5 star memories. One backdoor 501 at a time.

And maybe it's a good thing I can't throw a picture or 2 out for everyone to see. I have to spend the time here. Letting the little Hulkamaniac in my head run wild.....letting that CM Punk sit on the top of the ramp inside Elrod's brain know that for another 3 weeks, that part still works. Stay classy Masked Fren and may big girls with blonde curls find you well.
