IWA Legend Terrence Boyd of Georgia

### **PKW LEGEND**

#### **COT/FRM-16: El Hijo Del Murderer Casen**

**“... so Yas hits the poppers... ya know what that is, right?!? Yeah, right on! And he asks me ‘do I know the Stryker Brothers?’ So I tell him ‘we had lunch one time! All you can eat tube steak smothered in wrestling trunks!’ That put him over the edge...”**

Regan Race- listen up Happy, can you hear me broken glass? We see you, we hear you with the banter, the ultimate dereliction from the lingo you speak. That drizzling feces that spews from you're mouth, that drips from you fingers as you stroke those keys. Listen up Sparky, we here you, you're Happy. And if you save yourself, then you'll make Him Happy. No trip to upside down town in your future magoo. You do you, he'll do you too and the World will continue to be flat like your schtick. We come in peace Lord Farkquad

Becky Boobie, you and your fruit boots, bring it on.

[The camera cuts to Becky Boobie standing in the middle of the ring, microphone in hand, with the Stryker Brothers - Awesome Adam, Killer Kenny, Bonecrusher Bobby, Powerhouse Pete, Brutal Barry, Nightmare Nick, and X Factor Axel - gathered around her. The Strykers look focused and ready to address the latest gossip and challenges in PKW.]

Becky Boobie: Ladies and gentlemen, I'm here with the Stryker Brothers, and they're ready to set the record straight on some recent chatter in PKW! Let's get right into it. El Hijo De Murderer Casen has been making some questionable comments about your manager. What's your response to that?

Awesome Adam Stryker: Becky, El Hijo De Murderer Casen better

watch his mouth. Talking about our manager in that way is a surefire way to get on our bad side. If he wants to talk about doggy style knots, he'll find out real quick that the Stryker Brothers can tie him up in knots he's never seen before. And trust me, they won't be dipped in chocolate.

Becky Boobie: Strong words, Adam. Now, there's been talk about a newcomer named Happy Anderson. What's your take on him?

Killer Kenny: Happy Anderson? I don't even know who this guy is, but I highly doubt he's forklift certified. And as for the toe fungus thing, well, I wouldn't put it past him. But he's gonna learn real quick that he's stepped into the wrong ring when he crosses paths with the Stryker Brothers.

Becky Boobie: Interesting insights, Kenny. Now, let's talk about Slaughter. He's been showcasing some poetry and Predator-style heat photographs. Any thoughts on his recent behavior?

Bonecrusher Bobby: Slaughter's poetry and photographs are nothing but a distraction. If he's fixated on gardening, he should know that Stoned Freak may have tall tomato plants, but they don't bear fruit. Just like Slaughter's attempts to get into our heads, they're fruitless. We're focused on one thing - taking titles and dominating for the Circle of Tyrants!

Becky Boobie: The Stryker Brothers are clearly not ones to be trifled with. With their sights set on championship gold and their determination to dominate for the Circle of Tyrants, there's no telling what they'll do next. Stay tuned, folks, because the Stryker Brothers are about to shake things up in PKW!
