## SHL Towers

From the SHL offices. The SHL, NSL are in serious talks with the BBL to bring the BBL into the Triple Crown fold. With the number of female wrestlers in the SHL Captain Jones would not be opposed to having a womens Triple Crown as well. However, in the SHL all of there powerful women are very capable and have held quote on quote male dominated titles for years. Therefore, these incredible performers are capable of lying anyone in the IWA out face first. For them they have openly stated to Captain Jones that such a title just be more to add to their control of the IWA. All leagues involved believe that the partnership will be completed by next tour

and that all rankings will be in place for next tour. This should immediately place the next set of matches for all parties moving forward. Captain Jones thanks all parties for their patients and all announcements regarding contenders and upcoming SHL matches next tour.

**Do you have what it takes to outwit,  
outplay, outlast the competition?**

## **ROUND 3 CHALLENGE:**

The battle lines were redrawn heading into Round 3 of IWA Survivor as the 24 remaining contestants were randomly placed into three new tribes. For this round's competition, each tribe formed two six-man teams to face each of the other tribes in head to head competition. Tribes earned 2 points for each victory and 1 point for a draw.

The final standings for the Round 3 challenge were:

Apex Angels - 7 points  
Frenzy Force - 6 points  
Razor Rangers - 4 points

Immunity was earned by the wrestler on each tribe who won the highest singles title in their league. The wrestlers who earned immunity were:

**APEX ANGELS:** Agent of Freedom (Title 501, SHL)  
**RAZOR RANGERS:** "Sizzling" Cheri Summers (Title 505, BBW)  
**FRENZY FORCE:** Fat Andy (Title 504, ASL)

The first elimination this round was given to the lowest singles strategy on the losing tribe, which was **Diamond Lil**. She earned that honor after disappearing from the BBW unannounced and leaving her six-man team in a handicap situation and earned herself a score of zero.

The second elimination this round was determined by a vote between the 7 remaining members of the Razor Rangers. Receiving the most votes and having his torch snuffed was **Sir Gunther Kinderwacht**.

The final tribal vote was:

Sir Gunther Kinderwacht - 4 votes  
Shaggy 2 Dope - 3 votes

## **ROUND 4 CHALLENGE:**

This round's challenge is randomized Triple Threat teams in head to head competition! Each tribe has had its members randomly selected into a singles, tag team, and six-man team to face each of the other tribes in competition! Same as before, tribes earn 3 points for a win and 1 point for a draw.

## **ROUND 4 IMMUNITY:**

Prior to any eliminations occurring, Round 4 individual immunity will be earned by the wrestler in each tribe that obtains the best finish in their league's battle royal.

## **ROUND 4 ELIMINATION:**

Two wrestlers will be eliminated this round with each of the two losing tribes going to tribal council where they will vote on the third and fourth eliminations of IWA Survivor '24!

## *The Challenge is Accepted*

(The holographic image of Queen Maladi interrupts regularly scheduled SHL Monday Night Madness programming. The *Opulence* is traveling through hyperspace with blazing speed. Mount Olympus will be reached within a few hours. The crimson, scowling face of Queen Maladi comes into full view.)

Queen Maladi: “Olympians, your challenge is rejected because you peons aren’t a challenge to the Royal Court. However, the sisters of the Sith will be more than happy to give you another royal beating. The three members selected to destroy you will be the highest-ranking members of the Royal Court, myself, Duchess Talon, and Countess Jade. We look forward to your destruction. Your cries and screams will be music to our ears.”

(The holographic image abruptly cuts off while Monday Night Madness resumes already in progress.)
