SPRING 2024

Lords of War dominating tag scene

The Lords of War continue their dominant ways, making 3 defenses of their U.S. Tag Championships.

Can they make it 4 this cycle?

The Good Ole Boys were the LOWs top competition for the titles, but Terrible Tim Peacock retired earlier this month leaving a vacancy for the top contender.

There's no lack of quality tag teams in the UCW, but which one will step up?

The Machines, The Maryland BlueBloods, the Masked Demolishers and Rugged Ron Gorman and the Masked Patriot are among the teams chomping at the bit to take a shot at the current U.S. Champions.

There have even been rumors that the WEW U.S. Champions have been in talks with league leadership to jump ship and bring their talents to the UCW.

How long can the LOW hold onto these titles?

United Championship Wrestling presents...

2024 Wrestling Wars

Who is the best wrestler? Which tag-team is the best? Who towers over everyone else when it comes to trash-talk? In 2024, we will be answering these questions and more.

Beginning this cycle all members of United Championship Wrestling will be competing for glory, titles and prizes. Each cycle, wrestlers and multi-teams will earn points for various categories and whoever has the most points following the January 2025 report, will take home a prize.

Winners of each category will be awarded 25 free matches and \$250,000 Imaginary Money.

Categories are as follows.....

Singles — U.S. Championship (15 points, winning or defending), League title (10 points), TV (7.5 points), and Regional (5 points)

Battle Royal — Royal Rumble (15 points), Battle Royal Winner (10 points)

Tag Team — U.S. Tag Championship (15 points, winning or defending) League Tag (10 points) & TV Tag Team (7.5 points)

Six-Man — League Six (10 points) & TV Six (7.5 points)

Trash Talk — 10 points per Trash Talk segment, 5 points per picture of wrestler. Make sure pictures are labeled as to who they are so you get credit.

In the event of ties, winner will split the prizes.

Standings will be posted in the league report, each cycle.

Legend of the UCW

We launched a new contest called Legend of the UCW. I'm sure many of you are familiar with it. Basically, this is a race between all UCW members to be the first wrestler to win all front page titles, including tag and six-man titles, along with the Battle Royal.

The winner will receive \$250,000 IM and 25 free matches. The winner also has a stadium named after them in our bulletin along with a scrub wrestler created in their honor.

Finally, the league championship title will be re-named after the winner of this contest. Good luck!

MARYLAND BLUE BLOODS

Fredrick Charles Harford, Cecil Howard Calvert, Johnathan Hopkin, Garrett Washington Allegany, & Prince George Montgomery

Garrett walks in with Johnathan, Cecil, & George already seated at a table

Johnathan: “Glad you have made time for us Garrett. You know, as you were galavanting around the country, we have been here holding off all those who wish to dethrone you of your United States title. We have been working while you’re on holiday.”

Garrett: “Hey, guys. I know that I’ve been traveling, but I have just been seein’ America as the United States champion. I decided that I will stick around Maryland to help y’all since I reckon that you all army good friends I love taggin’ with you guys some too!”

Prince George: “While you’ve been busy with your tomfoolery, we have been here working together, in fact, Cecil and I will regain tag team title gold!”

Cecil: “And do not talk about focusing on your selfish, individual goals. Such an American self-centered perspective! Prince George and I have had singles glory as well, yet you do not see us visiting Iowa, Las Vegas, or, heavens, even bloody OHIO!”

Garrett: “Well dang! I’ll be! I didn’t know that me travellin’ would put such a hitch in your giddy-up. I was going to go study-up and learn bout my U.S. title opponents like **Billy Bratwurst** and **Timmy Peacock** then go get some new denim for this tour, would ya...”

Johnathan: “ENOUGH! First, Timothy has retired, but you were busy eating bratwurst in Wisconsin, or a ham sandwich in Hamtramck, or some other processed meat food in the midwest to pay attention. You can just leave. Go buy your American denim Garrett. You are too busy for us now! Now, gentlemen, it is time for afternoon tea! UCW, you may live and breathe for this, you may spill blood for this, but you will never be a Blueblood!”

Garrett sadly leaves to buy blue jeans as the others pour some tea

The Irish Nightmares

A FAMILIAR IRISH TUNES CREEPS INTO THE ARENA....

THE LEPRECHAUN APPEARS FROM BACKSTAGE AND EERILY BEGINS DANCING AN IRISH JIG WORKING HIS WAY DOWN TO THE RING WHILE NUCKELAVEE SLOWLY WALKS BEHIND HIM.

THEY SLIDE INTO THE RING AND THE LEPRECHAUN GRABS THE MIC.

"WELL, ME BOYOS ALL OF YOUR WORST FEARS ARE ABOUT TO COME TRUE," THE LEPRECHAUN SAYS. "NUCKELAVEE AND I ARE BACK AS A TAG TEAM, THE IRISH NIGHTMARES ARE BACK!"

"IN 2024, THE BEST TAG TEAM THE IRISH NIGHTMARES WILL BE," THE LEPRECHAUN GIGGLES AS HE AND NUCKELAVEE LEAVE THE RING.

THE LEPRECHAUN

NUCKELAVEE

The Lords of War

Warlord Agony: I heard the Irish Nightmares jumped ship from the WEW and are coming here to challenge us for our U.S. titles.

Warlord Pain: Hahaha! First, they are eligible this cycle and 2nd, I've been wanting to squash that little green guy for a while!

Warlord Agony: Yeah, they keep looking for their gold... go buy a box of lucky charms ya pipsqueak!

Warlord Agony: The Lords of War, our business is pain and business is good!

The Real Man

Billy Bratwurst

Well, how do ya like them apples?

Ol Peacock and ah were startin to make some noise on the tag scene, he gets ah hernia and next thing ya know, ahm a singles wrestler again!

Ah aint gonna lie to ya, when ah saw that there hernia ah just about threw up mah cornbread. Dude looked like he had two peckers!

So, it's time for me to get back to it.

GWA, you're a man after mah own heart, but ah need to start making some moves and that U.S. title is just what momma ordered!

Billy Bratwurst

Warlord

Wade Reinhard

Man, its crazy! A bunch of guys I broke into the business with are retiring. Barbarian King, Sky-scraper and a few others. It just goes to show you that clock is ticking!

I've been working my way up the U.S. title contenders list. I'm hoping to be able to challenge GWA for that title next go round.

Enough talk, gotta get back to the gym and put some more work in!

Welp, pardners, it looks like me'n Levi finally made it to the land of milk and honey! That's right, we're in Mary's Land! I wanna get to explorin' some of its majestic beauty, but I couldn't do that without first checking out the denim situation they got goin' out here. I'm at the Levi's Outlet in Glen Burnie. Even though he's named after it, they made me tie up my trusty steed to the hitchin' post before I came in. It's a strict no horse policy 'round these parts. Anyway, how do you think I look?

Gene comes out of the dressing room, posing for the UCW camera in a full jean ensemble: denim vest, boot cut 501s, boots that look like they were sewn out

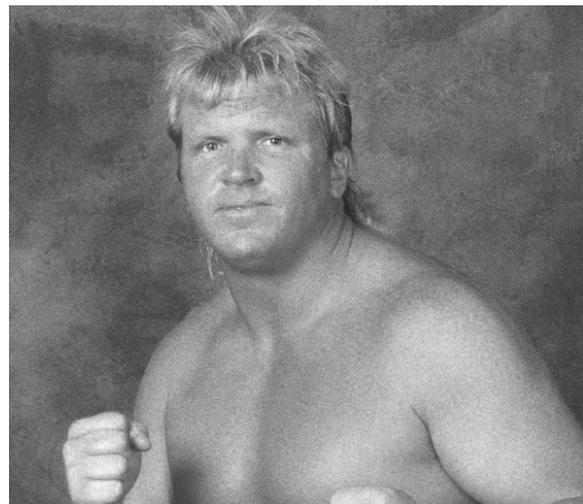

of denim, a denim button-up shirt, and a large cowboy hat also made entirely of blue jean material. He also has a large belt buckle in the shape of a pair of jeans. As he strikes a pose, the door to the dressing room next to him opens. Much to our surprise, it's none other than UCW U.S. Champion Garrett Washington Allegheny! Wearing the EXACT SAME OUTFIT, he too poses for another UCW camera that just happened to be there at the same time, truly a coincidence and not at all planned, and as they are in mid-vogue, they accidentally bump into one another. They both turn around, and despite both of their stables hating one another's' guts, they seem genuinely happy to see each other.

Hey, Garrett! Fancy seein' you here! Lookin' like a million bucks, might I add!

Hey, Gene! Good to see you too! Wow, it's hard for people to really pull off wearing a jean hat, but somehow it works for you.

Oh, shucks. I bet you say that to all the cowboys. Say, now that I've run into you, how's about you showin' me and Levi around the beautiful state of Maryland?

Sure! Since we're both already dressed up in our blue bests, why don't we check out one of Maryland's famous five-star restaurants? You're gonna love it, brother. It's called 'Dairy Queen...'

REAL ULTIMATE SNEAK ATTACK! As **Ed, Al,** and **Joe** sat their big HGH-crafted buttocks down to a heaping pile of steamed asparagus at their local T.G.I. Fridays, they noticed that one key ingredient was missing. Ed pounded his fist on the table, demanding that the waiter come over. “Where’s the !@#%#@ HOLLANDAISE?” he shouted. The pimply-faced teenage waiter meekly replied, “sorry, fresh out!” Al grumbled, curious to know exactly what kind of T.G.I. Fridays didn’t have Hollandaise. It was then that the roof began to open like a skydome, revealing that they had chosen to dine in no ordinary T.G.I. Fridays!

A voice from a megaphone was then heard from outside. “Try some of this on your vegetables,” it said, followed by the sound of a monster dumptruck backing up. Before the Big Guys Who Like Eating Asparagus could get up (because they were too big for the table and were stuck), they were AVALANCHED by gallons and gallons of TARTAR SAUCE! Jumping through the opening of the roof like the Ninja Turtles in the underrated sequel Secret of the Ooze, the giant lunkheads’ problems got even worse when they saw **Gil Nemo, Mussel Muscles,** and **El Mambo V** follow the condiment flood. Also brandishing the same weapons as the Ninja Turtles (except Leonardo’s swords because that wouldn’t be realistic), they begin to POUND on the helpless men with them, mostly in the face but sometimes in the groin region. Even the pimply-faced teenaged waiter joined in with a few toe kicks here and there!

Finally showing mercy, El Mambo V asked the Big Guys if they’d had enough yet. As predicted, the massive COT members whose urine smelled weird defiantly screamed “IS THAT ALL YOU GOT?” Mambo shook his head and said “no.” Mussel signaled to the teenager to put a CD into the T.G.I. Fridays sound system, and “Mambo No. 5” began to blast over the low-quality subwoofers surrounding the walls. This prompted **Angela, Pamela, Sandra, Rita, Monica, Erica, Tina, Mary,** and **Jessica** (the same ones mentioned in the song) to come parachuting down with SWORDS. (LOL, psyched you out, you thought there would be no swords in this sneak attack!)

Plot twist: all of the women **Lou Bega** wanted in his life were actually CANNIBALS, and started to slice off bite-size chunks of Ed, Al and Joe’s flesh! As Rita picked up one of the pieces to eat it, she stopped short. “Hey, does anyone have any Hollaindaise?” she joked and everyone laughed until they cried.

UCW NEWS

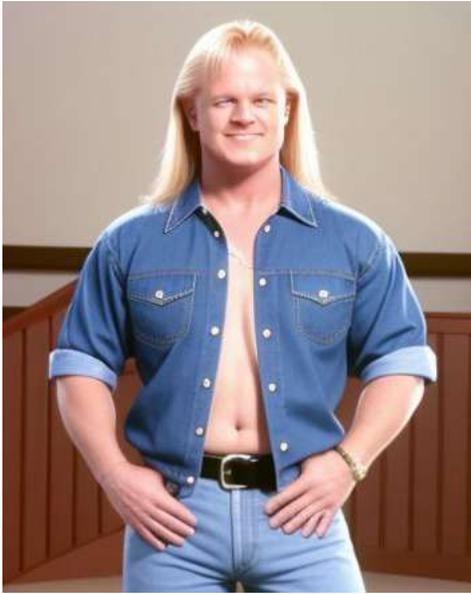

The Big Guys Who Like to Eat Asparagus started out their domination of the UCW by achieving the high score in the Galaga game in the staff breakroom at the UCW headquarters.

The Man Who Laughs Alone recently confided in an interviewer that he actually likes **Ronnie Gorman** and that Gorman is the closest thing he has to a real friend.

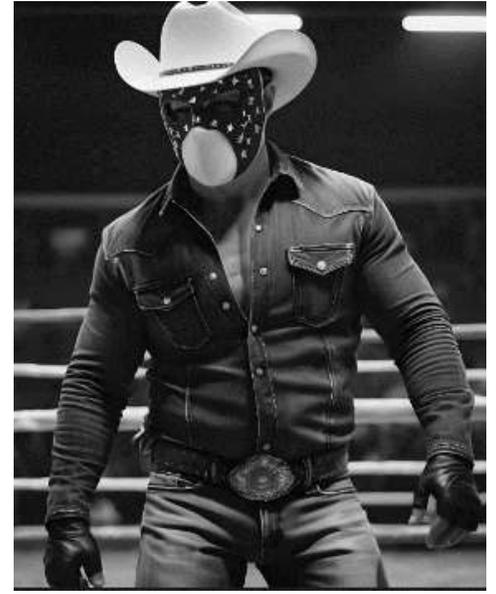

The Wolverine Tom Simms has started a podcast about being a famous wrestler, which has 12 subscribers, three of them being different accounts of Simms' own making.

Garrett Travels ~~America~~

Maryland

Episode #6: with Gene Toughskins!!!!

“Hey it’s time to leave Glen Burnie and show Gene what Maryland has to offer!”

Garrett and Gene go get some food

Garrett: “Alright, we just got some blizzards at Dairy, now we need some crab cakes.”

Gene: “We just had some fancy desserts, I don’t think I need any cake.”

Garrett: “Crab Cakes are a meal buddy! I know that they don’t have crabs in the part of the country you are from. Ah here we are, the Olive Grove, it don’t look like it but just trust me that they have some good crab cakes. And good salad & breadsticks!”

Gene: “This looks like where **Garfield L’Zanya** would work. I don’t know ‘bout just a crustacean for a meal, but I’ll trust ya buddy.” *Takes a bite* “Wow that is mighty tasty!”

Garrett drives Gene out to Deep Creek near where he grew up

Garrett: “I told ya Maryland was America in miniature, just a couple hours ago we were outside Baltimore, now we are out here near the mountains and cabins. I think I’ll go for a swim since it’s so hot out here this week. So Gene, What do you think so far?”

Gene: “It’s awful hot and humid here. I think... GARRETT WHAT ARE YOU DOING!!!!”

Garrett: *Scissors in hand* “I was just fixin’ to cut these jeans into shorts to go swim.”

Gene: “Those beautifully crafted bootcut 501s! Just wait to jump in the watering hole and try this to cool off.” *Gene places his jean jacket into the water and puts it back on*

Garrett: “That is refreshing! I’m glad I didn’t cut this jeans up Gene. Gee that was a good idea! Well, you can stay at my uncle’s farm tonight, he has a stable, um where is Levi?”

Gene: “We last saw him outside of Baltimore!” **TO BE CONTINUED.....**
