## Triple Crown Prize Pool 25 Free Matches \$300,000

\*To claim the prize pool a wrestler must win the Western Frontier League, Tag & Six-Man titles AND have some sort of promo, trash talk, sneak attack or anything like that in the bulletin.

Hello all. I have a lot of news about the WTL today. First, let's talk about our pay per view Revolution at Red Rocks that takes place next cycle. The tournaments are finished and the title matches are set. **Rags-2-Riches (Lou Ghee and Jack Potts)** will face **E.C. Rotte & Savannah Dexter** to determine which team will be the inaugural WTL Texas Tornado Tag-Team champions.

**Wyatt Shatterday** and **Atomic Shogun** will join champion **Cowboy Schlitz** in a Triple Threat Santa Fe Street Fight for the Western Trails Title.

I am on pins and needles about the title matches as we kick off an exciting lead up to my first big event. To my knowledge this is the first wrestling event ever held at the historic Red Rocks Amphitheatre and I am sure the WTL will not disappoint the sellout crowd.

Second, I have added another five free matches and \$50,000 to the Triple Crown Prize Pool.

Finally, I want to talk about the future pay per views and contests to determine number one contenders. Normally I would run four events a year, but I got started in a weird cycle, so it will be only three this year. The next event will be Range Wars in cycle #98, then finish the year with Never Surrender in cycle #103. This will get us back on a normal pace.

Here is the plan for number one contenders: in cycle #95 we will have a one cycle contest, the Beat the Clock Challenge, to give us the number one contenders for **Range Wars**. I'll pick one singles wrestler and one tag-team. You send matches in against my picks in cycle #95.

Whoever beats them the fastest receives the title shots.

The contest for the **Never Surrender** pay per view, Survival of the Fittest, is easy and free for everyone. Whichever singles wrestler and tag-team has the most points using their strategy totals from cycles #94 through #98 receive the title shots. All you have to do is be active in the trash talk. If the top point total hasn't been trash talking then I'll move down the list until I find someone that is.

Well, that should do it folks. See y'all at Red Rocks.

**Carnage:** “Awful quiet around these parts, boys. I’ve noticed not a lot of yapping round here. Maybe we shut a few people up just by walking into this neck of the woods?”

**Robertson:** “Yup. We don’t even have a match at Red Rocks. No one wanted to step up and face a real team. We called a few people out and no one answered. Bunch of cowards round here.”

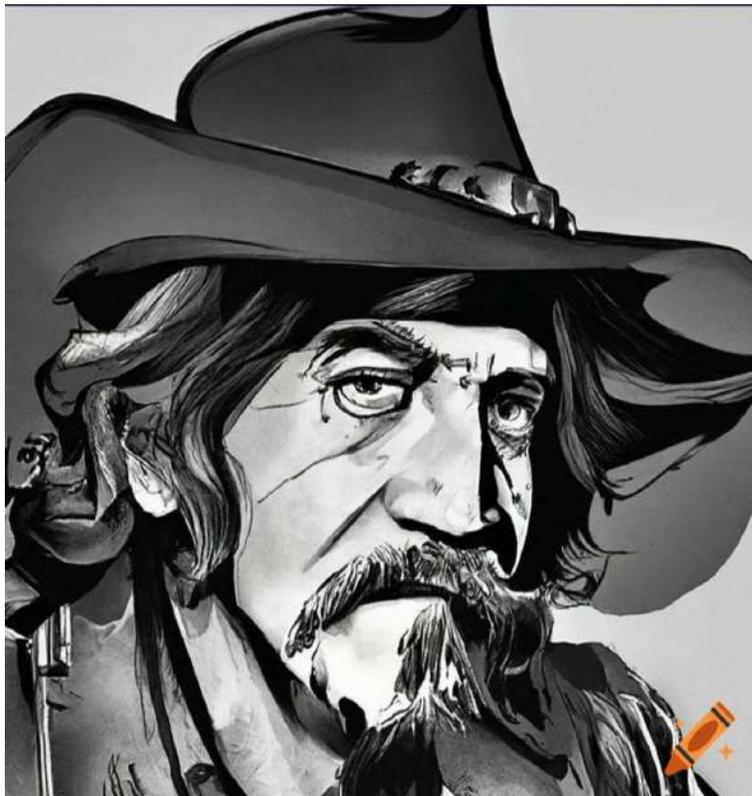

**Tombstone:** “Y’all had a chance to fight the best around and no one had the balls. Not one damn team. Oh, uh, **Señor Lucha**, ya might want to take the microphone from your mouth piece “Busta No Rhymes” before he writes a check that yur ass can’t cash.”

“Let me disabuse all y’all o’ the notion that Double A done disappeared. Ya see, the Spring thaws got some o’ them rivers runnin’ a bit higher, and ol’ Pale Feller’s ‘bout as good at swimmin’ as **Billy Jack Novak** is at carryin’ a tune.

I will say that it’s mighty fine to see ol’ **Ron Logan** back in the saddle again. Y’all ridin’ with ol’ **Dan Harrell** now? Y’all stop by the Horseshoe Road Inn, and we’ll open a bottle o’ the water with the fire and fangs. I’d like to know how the Mouth of the South has been keepin’.”

*Blood, Bullets, and Whiskey,*

*AA*

After a hard victory, Cowboy Jim Spur was soaking in the win until “The Impact Player” Leon Fenix hit the ring and jumped Cowboy Jim Spur from behind, beating him up before hitting him with an Impact Driver. Leon Fenix grabbed a microphone and stood over Jim Spur.

Leon Fenix - “You have my attention! Now it’s war!”

Leon Fenix walked out as the referees and EMT’s looked over Cowboy Jim Spur.

**Marshal:** ( Placing a picture on his desk) Not quite the start we wanted, but it wasn’t terrible either. In the next couple of weeks a meeting with the Lone Ranger is totally on the table. The quicker we get everyone together, the quicker we can start making a name in these parts..

**Nat:** Solid plan, Marshal, but just doing a whole lot of talkin ain’t gonna get us to the top of the food chain. In fact, a whole bunch of talkin might keep people from noticing the job we bring to the WTL.

**Marshal:** Sounds like you locked in, Nat and that’s what we need to bring to the table. We go the slow and steady route. We train under the dry heat and hot sun. We work hard before the heat of the day, rest the body and than work the mind.

**Nat:** Great plan and one that we are going need to follow to be effective to the rest of the AOD. Now enough with the flap jaw and back to work.

**SHOGUN**

Atomic Shogun has just defeated **Shackles Malone** in a bloody OKC barbed wire match to reach the main event of the Revolution at Red Rocks ppv where he'll face the winner of **Señor Lucha vs. Wyatt Shatterday** and his good friend and current champ, Cowboy Schlitz.

Later that night, during Señor Lucha and Wyatt Shatterday's OKC barbed wire match, Cowboy Schlitz walks down the aisle and tries to get **Miss Tess Stickle's** attention. Enraged, Lucha leaps from the ring and attacks Schlitz. Security rushes out and separates them.

Schlitz is ushered to the back while Lucha makes his way back to the ring. As he climbs up onto the apron, he notices Tess fiddling with the gold dipped onion ring on her finger and goes ballistic.

His freakout gives Shatterday the opportunity he needs to hit Lucha with the Shatterpsear and punch his ticket to the Triple Threat Santa Fe Street Fight!

# *Mr. Pennynickel*

## *Representing The Gun Collection*

(Mr. Pennynickel wakes up to find himself handcuffed to a furnace in what appears to be a basement. The security camera watches from the ceiling.)

What the...where am I?

**He tugs at the handcuffs. He glances around, panicky.**

Is there anyone there? Help!

**His voice echoes off the walls. No response.**

Well, isn't this lovely. Seems that I have soiled my britches.

**A saw is sitting nearby him on the floor.**

What the hell is this? Am I in a horror movie?

**He picks up the saw and examines it.**

This is ridiculous. Quite ludicrous. Am I to cut my own hand off? My right hand, at that!

**He hesitates, then notices something – the key dangling from the other side of the handcuff.**

Well, well, well...looks like my mysterious captor isn't the smartest. The last thing I remember was clowns, so if they're behind this, I could understand. Clowns go to school to learn how to clown, not to become educated in science and mathematics.

**He releases himself from the handcuffs, and heads up the staircase, only to find that the exit is locked. He bangs on it, nothing. He notices a small window. He pushes a crate beneath the window, to make his escape. But before he climbs out, he hears a noise from the other side of the room.**

**A loud bang. Followed by a sinister laugh.**

I'm not falling for that. This is right out of a Scooby-Doo cartoon. I am way too smart to go looking for whatever is in the darkness.

**He pushes the window open. He begins to climb up, but a hand touches his hand. This startles Pennynickel. He falls to the basement floor.**

Good grief. Okay, jokes over. It's been fun. Game is over.

**From the darkness outsteps a clown wearing oversized shoes with a grin on his painted face.**

Why the damn clown? Why couldn't it have been something else...anything else?

**The clown pulls out a rubber chicken and squeezes it. It creates a loud squawk. Pennynickel goes up on the crate to escape out of the window, but there's another clown on the outside looking into the basement.**

I hate clowns...I really do.

**Pennynickel goes to charge the clown, but is whacked upside the head with a giant sized rubber mallet. He goes down to the floor, knocked out. The clown looks up at the camera and gives whomever is watching a thumbs up.**

## **REPRESENTING THE GUN COLLECTION**

The Western Trails League has become quite the place to be as of late. There's masked men, there's clowns, and somewhere in it all, there's me. A man that just is trying to get my message across to anyone and everyone. A message that I believe it be true. A message

that everyone needs to hear.

What I hold in my hand is the Book of Cordova. But within its pages, it's not just a book of literature. It's a way of understanding. A way of truth. And all it takes is to listen and accept in who I am, and to make yourself in my image.

**Truth #14 reads:**

We must all realize that no one is going to get out of here alive.

It's okay to be, to dream, to do, to achieve, and to fail.
