"Hello Women of the Wicked Warz League! I know we have the very best female competitors in the IWA and I set up this interleague card to frickin prove it! Sorry if I left someone off that deserves to be here but it's a name thing. Without trash talk it is hard to determine who's female. We can't go by just the name these days. Some of you were inactive as well and we don't reward inactivity! Lets prove to the IWA that we the best!"

WWL Xtra's-

- Normal PPV matches will be created according to trash talk. In the event participants do not trash talk, matches will be made using the point system, meaning those who are at the top in the points race will get the title shots.
- Champions Advantage- If you hold a "Commissioners title" and you trash talk the same cycle as the PPV, you will get a +2 added to your total strategy.
- PPV's will be every 4 or 5 cycles to give any feuds a chance to build up.
- Trash Talk should be submitted to the IWA directly. Now that it isn't a private show, we have to try to keep it as clean as possible. You can find creative ways to sneak things in, wink, wink!
- Any wrestler that gets a 501 will win 5 FREE matches!

"My dream was to meet all the women of the WWL! But then I found out none of them were 13!"- G. Zargus

"Been a fan of WWL from back in the diamond days! A lot has changed since then! Many have come and many have gone but one thing will never change! The WWL set the standard! Thanks Melvin!" -Bonny J.

"I met the Belching Saginaw Sasquatch oncel I thought he was in costume and it turns out he's real! I found out the hard way when I grabbed his crotch. My Bad!" -Mr. Mitchell

Meat Train

"The sound of crickets are so relaxing! The thing is, I'm not here to relax! You can't tell me that not one of those heartless bitches in the back has a set? Ya'll don't want the drama? You don't want the problems? Big Bad Momma & Cupcake have embarrassed so many women, nobody else dares to say shiiiit? Lets do this... Ziggy Miss Piggy! Don't know what I have to do to get a shot at the Undisputed Women's World Championship, but when I get my shot it's going to be oink, oink for you, bitch! This Train is about to go off the rails! Either get on or get out of the way!"

"The fun and games are over! It is time to rattle some brains! Next week Critter and I get to mash some faces to win the unified titles! Young Bucks or is it Young Sucks? Are you two a couple of mannequins? You just stand there looking like a couple of generic b*tches! You can't speak? In the end it doesn't matter. In the ring is where the talking ends and the stomping begins and Sassy good at stomping! If you're a couple of those stay in the kitchen b*tches then this match won't be good for you!" -Sassy

"Short and Sweet, Yeah! I'm the cream of the crop and it's time for a repeat! A-Game is on a rampage and this week it's on! Can you smell that? It's the sweet smell of another IWA World title about to be strapped around my waist! Ooooh Yeah! Dig it?"

"What are we doing here? I mean is it worth it? It is amazing how much crap gets spewed and how quickly it gets cleaned up! Look at that, no more bullshit! Time to move on and collect some new heads! I still look the same as I did when I first came into this business and you know why? Because can't anyone stress me out! Ain't ever been anyone on my level!"

Cupcake

BURRRRRRRRRRRRP!* Yeah, I know its not Cinco de Mayo yet, so I guess you can file a lawsuit because I'm celebrating early! These margaritas are hittin' something fierce. I'm \$#!@#% TIPSY! Where's Zeb at? I need him to come butter and sour cream my Fiesta potatoes. Anyway, *HICCUP*, now that I hear we've got a new commissioner in town, let me be the first to welcome you properly to the WWL. I got a "league incentive" for you right here under my sexy green dress, baby. And I'm not talking about Single Dorito whose back I'm currently using as a chair! You want a special attraction on that Battle Grounds card? Put me up against that little traitor brother of mine and his ugly Cherokee girlfriend. Or, one of those Dark Agents, I don't give a rip. Whoever it is, I'm gonna mash 'em up Idaho-style! *BELLLLLLLLLLCH!

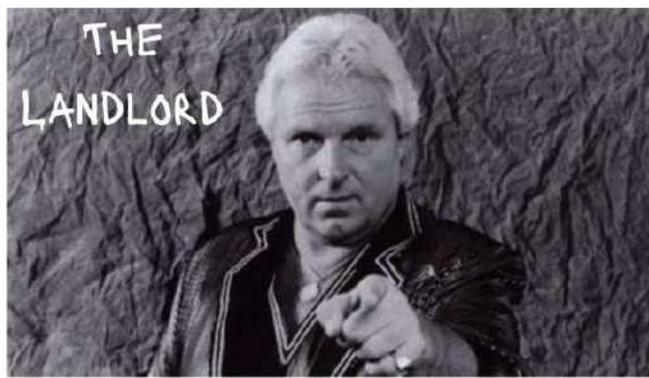

Muriel Puddings

...a single dorito mysteriously found inside a bag of harvest cheddar sun chips..

(As Dorito held up the weight of his "lover" Muriel, his mind ventured back to two months ago where he was betrayed by his friend, Yoca Puddings. In an orchestrated setup that found Yoca at the risk of being injected with some unknown substance by Tabitha Onelassa, Dorito came to the rescue only to be viciously attacked by both Tabitha and Yoca. Taking pity on him, Muriel came to his rescue which sent the unusual new couple running. He now devotes his entire life to making her happy, which is what he wanted in the first place. However, he also harbors a burning desire to extract revenge on his former friend.)

*heck hath no fury
like a tortilla scorned*

"Well, I'll be damned! I'm taking a cruise to the Fiji Islands and get a text saying my services are no longer needed? Me? The Landlord? I can count on two fingers how many people kept this place afloat over the last few years and I am one of em and you text me to tell me, I'm fired? Listen, Stonedwall! That firing only lit a fire under my ass! I may have lost focus recently... but I'm still here! BDE is still here! Anyone who has balls, is still here! We didn't take off running! A lot of people come to the WWL to try and prove themselves and find out the hard way that NOBODY here gives a damn who you are, you come to our yard and you going to get messed up! So that kind of brings me to this... This is the Wicked Wars League...right? Where in the hell are all the damn wars? Did you forget the reason we started wrestling here in the first place? Most of us belong to the same main stable! Time to change that! This is a different league! We are a different breed! So, I'm going to start a war...Seeing how I'm the king of talking shit and backin it up, There are six BDE (*men*) & four BBA (*women*) in the back waiting to beat down anyone who even looks at em wrong! Who wants to step up? VD? CTI? COT? AOD? ISD? We know Skittles is a pus\$y and won't come back...so who? Tell ya what! If nobody steps up, I'll just send em all out and well, whatever happens, happens! Because if you don't have the BBA or BDE initials, we are going to have you sweating like a blind lesbian at a fish market!"

"What we seem to have here is a travesty! This has to be the biggest heist of all time! I wrestled in shock last week because I just couldn't comprehend what happened! There had been murmurs amongst the boys that something big was about to go down! We could feel a change was going to happen, but never did I think I would get screwed! Michael King, you better hope like hell that you don't win that mother f*#king unification match because the next time we meet, my friend, will be the last! I got two graves dug, one for me and one for the mother f*#ker standing in my way!" -Dutch

"You almost had it! It was right there, Lil Chic! Guess you should have stayed your ass in the kitchen! It's about time you get put in your place! You didn't understand the assignment! Every dog can have its day, but why be a dog when all you can do is bark? I'm walkin' the dog and kickin' the cat and now that BDE got their hands on this here league title, you'll never get it back! You will lose, that ain't no lie, it don't matter who you are, all of you f*#kin' guys lookin' like target practice! We'll smoke you like ashes and put you on a shirt and then wear you like fashion and toss you in a hearse!" -Amish Nightmare

"There comes a time when, things get stale, changes are due. When it becomes too crowded, the men must be separated from the boys. What are you? See, only real men know what a real man is. Aside from BDE I don't see too many "men". I see a bunch of dumbass dumb boys running around actin' all grown. While you might think that's cute, nah, it's not. It will only get you bodied. You're either in or you're out!" -Demun
