

# STATE WRESTLING 2025

Our 50 State Champions have enjoyed their title reigns long enough. Let's crown some new ones! And as part of the continuing celebration of our 40th year in existence, **all entrants will enjoy a \$40,000 signing bonus!**

Immediately following the conclusion of the upcoming June cycle, each state in the U.S. will host a massive free-for-all. The last wrestler standing will be awarded **\$100,000** and represent the state in one more battle royal, which will take place in the District of Columbia. The final four finishers will take home **\$40,000 and 40 free matches**, then fight for the right to be declared our new D.C. Champion!

We'll determine the action by using a different "hold order" for each tournament. For example, if the hold order for Florida were 7, 2, 14, 9, 5, etc., then a wrestler with a 30-point hold in the 7th position of their strategy would come out on top. If more than one wrestler had a 30-point hold in the 7th spot of their strategy, the values of all their 2nd holds would be used as a tiebreaker. If that failed to result in a single winner, the values of their 14th holds would be compared, then their 9th holds, then their 5th holds, etc. Point flow will be used as a final tiebreaker, if needed.

If the thought of receiving \$40K just for signing up appeals to you, neatly print the ID numbers of your wrestlers on the back of this form, to the right of the states you'd like them to represent. Enclose \$1 for every two entries, so if you are having one wrestler compete in six different states, you'll need to include an extra \$3 with your June cycle matches. (That cycle begins on May 27th.)

Don't pass up this opportunity to pad your wrestler's bank account, win some gold, and show the entire nation what you can do. Enter today!

*NOTES: You may enter as many of your wrestlers into as many state battle royals as you wish, but every two entries must be accompanied by the \$1 fee, and you may not enter the same wrestler into the same state free-for-all more than once. Entries received without the proper contest fees are ineligible. The IWA is not responsible for late or misdirected entries. You must submit your contest entries with your regular league matches since they will be processed at the same time.*
