## MATCH SELECTION SHEET

My name is \_\_\_\_\_ and I am enclosing \$\_\_\_\_ for the \_\_\_\_

## Do you have the most recent bulletin for this league?

**IF YES:** For each match, neatly print the ID number of your wrestler vs. the ID number of your opponent (ID numbers are listed after the wrestlers' names on the title and rankings pages). Print your numbers like this: 1 2 3 4 5 6 7 8 9 0

Use a blank piece of paper to list your matches. For each match, neatly print the full name of your wrestler vs. the full name of your opponent. Only challenge wrestlers whose names appear on the front page and/or rankings page.

(We will accept one ID # for every \$12 you spend on matches, not counting battle royal entries or any other fees.)

## **Strategy Changes/Battle Royal**

Enclose \$1 for each new wrestler you create. Your custom finishing holds must be holds, not comments. Print your strategies neatly. There is no fee for changing a wrestler's stable initials. Include \$1 for each wrestler you enter into the battle royal.
