2026 Specialty Championships

Fans who attend this annual event are always treated to 20 unique, punishing slugfests, and just shy of an even 100 ring warriors were on hand to make their ticket fees worth it this year. Those who came out on top received $100,000 in imaginary earnings, while $25,000 went to the runners-up and third-place finishers earned $10,000. Newly crowned Hardcore Champion Marchioness Lumiya had the best strategy out of the 16 winners, so manager **Dennis Mooney** was awarded the contest's special bonus of 25 free matches. Congratulations, Dennis!

Presented below are the three participants most skilled at each type of match stipulation. If you haven't done so already, head over to the Results page of our website and check out the complete list of where each competitor placed in the various tournaments.

We hope to see everyone back next year!
