All-American Championship Wrestling

Hello ladies and gentleman. I'm Commissioner Charles Norris and welcome to All-American Championship Wrestling, the first and only IWA Commissioner's Credit League.

I've added 5 more free matches and \$100,000 to the Triple Crown Prize Pool that now sits at 120 free matches and \$1,400,000.

Wow, what an electric night in Boston. The American Revolution ELE exceeded all expectations. We had Bruce Springsteen, Stone Cold Steve Austin, Paul Revere, cannons, ships, fireworks. If I told you that beforehand no one would have believed me.

And we crowned our inaugural ACW Commissioner's Champions.

[Shotgun James Carnage](#) is our ACW Heavyweight Champion and [Ao Bloodthorne](#) is the United States Champion. That battle royal had a bit of a twist ending as it turned into a ladder match at the end and it worked out. What an exciting finish.

[DYNASTY](#) members [Jackknife Justice](#) and [Tormented Timmy](#) won the ACW Heavyweight Tag-Team Titles while [The Heart Association](#) were victorious in the ACW Heavyweight Trios battle royal.

Those titles will be defended at our next ELE, The Great American Bash, in June. And those number one contenders will be known with matches this cycle.

We have two fatal four ways. One for each singles title. [Abe Streisand](#), [Ravishing Dick Dude](#), [Buckaroo Babalugats](#) and [Gemil](#) fight to be the number one contender for [Shotgun James Carnage's](#) ACW Heavyweight Title.

[Texas Jesse Tombstone](#), [Brad "The Executioner" Heart](#), [O](#) and [Starlyte](#) battle for the chance to face [Ao Bloodthorne](#) for the United States Title.

[Shotgun James Carnage & Texas Jesse Tombstone](#) will lock up with [Amen Spur & Russian Invader O](#) with the winners taking on [DYNASTY](#) for the ACW Heavyweight Tag-Team Titles.

In what could go down as an all out mega brawl, [The Gallowglass](#) and [The Regulators](#) will tear an arena apart with the prize being a shot at [The Heart Association's Heavyweight Trios Titles](#).

We also had a controversial finish in the [Amen Spur](#) victory over [Luthor Alexander](#). Myself and my team will be reviewing the match and asking Amazon Prime for any other camera angles to make sure we get this correct.

Also, because of all the damage to and surrounding the Boston Harbor, I might have to raise a few prices to cover the damages. The insurance companies were not prepared for all that happened.

[Happy Meal](#), I'm not 100% sure what is going on with you. What happened to [Scurvy Jones](#)? What are you doing to all these children? I can't prove anything, but I know you need to be stopped and I think I know just the man to do it . . . [The Greatest American Hero](#). I'm signing it and making it official for The Great American Bash right now!

[Hocus Croakus](#), you said you could have beaten [Swampe Socke Jr.](#) if you battled in a swamp. Well, [Hocus Croakus](#), you're getting your wish. You two will face each other in a Louisiana Swamp Match held in the largest swamp in America: the Atchafalaya Basin. You two will have almost 1 million acres for you battleground. Enjoy!

BREAKING NEWS: [Forrest Cursecaster](#) won the IWA Central Plains Title, [The Gallowglass](#) won the IWA Six-Man Titles & [Eddie Chavez](#), [Tino Santana](#) & [Terry Garnea](#) won the IWA United States Six-Man Titles! Congratulations.

That's it for now.

I'm Commissioner Norris and this is the A . . . C . . . W!

The Declaration

***Aaron Miller** has put together a sort of “hit list” of wrestlers he will be facing due to their jealousy of him.

***The Greatest American Hero** is ready to battle **Scurvy Jones** to make sure the little girl is safe.

***Enik the Altrusian** believes that **Starlyte** is avoiding him, but it’s just a matter of time until he gets his hands on him.

*There was a big reunion in the Rocketshoe. **Starlyte**, along with new friend **Waymon Miller**, welcomed **Swampe Socke Jr.** and **StarSocke Sr.** into the Rocketshoe. The celebration was short lived as **Enik the Altrusian** attacked the ship.

***The Heart Association** promised big things at The American Revolution ELE and they delivered! **Eddie Chavez**, **Tino Santana** and **Terry Garnea** became the first ever ACW Heavyweight Trios Champions.

***Amen Spur** predicts he will beat **Luthor Alexander** in their Boston Tea Party Match (he did) and rid the ACW of him and his corruption, then focus on the World Tag-Team Titles.

***O** is still loved by the fans and now, without his manager, he could become the face of the ACW.

***The Gallowglass** isn’t hear to make friends and will destroy any team that gets in their way of their main goal: the IWA World Six-Man Titles.

***Gentleman Jarvis** was suspended by the IWAR for his actions.

***DYNASTY** fired back at **Ryan Patrick** and **The Regulators** and are ready for a war.

Tormented Timmy even took time away from his rotisserie chicken to join the interview.

***Happy Meal** made a special greatest American hero for **The Greatest American Hero**. Seems to be a fried rat and catsup sandwich.

***Swampe Socke Jr.** and **StarSocke Sr.** continued fighting battles in the swamp looking for **Starlyte** and The Rocketshoe.

***The Regulators** continue to call out and infuriate **The Gallowglass** and **DYNASTY**. They face **The Gallowglass** this cycle for a shot at the ACW Heavyweight Trios Titles. They also showed up at **Awesome Aaron Miller’s** workout to deliver a message.

***Hocus Croakus** lets **Swampe Socke Jr.** know if they had wrestled in a swamp he would have been victorious.

***The Mud Family** dares anyone who is tough enough to step into The Swamp to challenge them.

***Luthor Alexander** gives **Amen Spur** a history lesson and promises that Spur’s chapter in history ends at American Revolution.

***Traci** put out her “Top 10 Ways to Attract a High-Value Man”.

***U.S. Mayle** is angered that no one in the ACW has thanked him for what he has done.

Attention ACW managers!

I would love to get biographies, facts and details about your wrestlers. This helps a ton when doing write-ups for PPV matches or if you win a Commissioner's Title to have your wrestler's pic in the report.

Things that would be great to know:

Name

Heel or babyface?

Looks: The best way is saying they look like Roman Reigns or Bradley Cooper. If not, then let me know height, weight and a description.

Hometown

Entrance Music

Finishing move: name and description. If I write up a match and say your wrestler hit his move for a pin, but it's really a submission move, that's a mistake I would like not to make.

Backstory: Anything else you want us to know about why your wrestler is who he is: attitude, personality, wrestling style. Anything to help me understand them.

Manager: If there is a manager let me know anything you can.

Send anything you've got to ACWcommissioner@Yahoo.com

Thank you!!!

THE GREATEST AMERICAN HERO

Ralph: "HAPPY MEAL, you dirty dog. I took 2 bites of that before I realized what it was! You're a disgrace to that clown suit and the McDonald's franchise. My snazzy red tights are the only thing that saved me from a serious, and likely deadly, bout of Listeria. A loon like you shouldn't be allowed around children. Get a real job, ya clown! Or better yet, we can settle it in the ring. How about the superhero and the clown in a steel cage at the Great American Bash?"

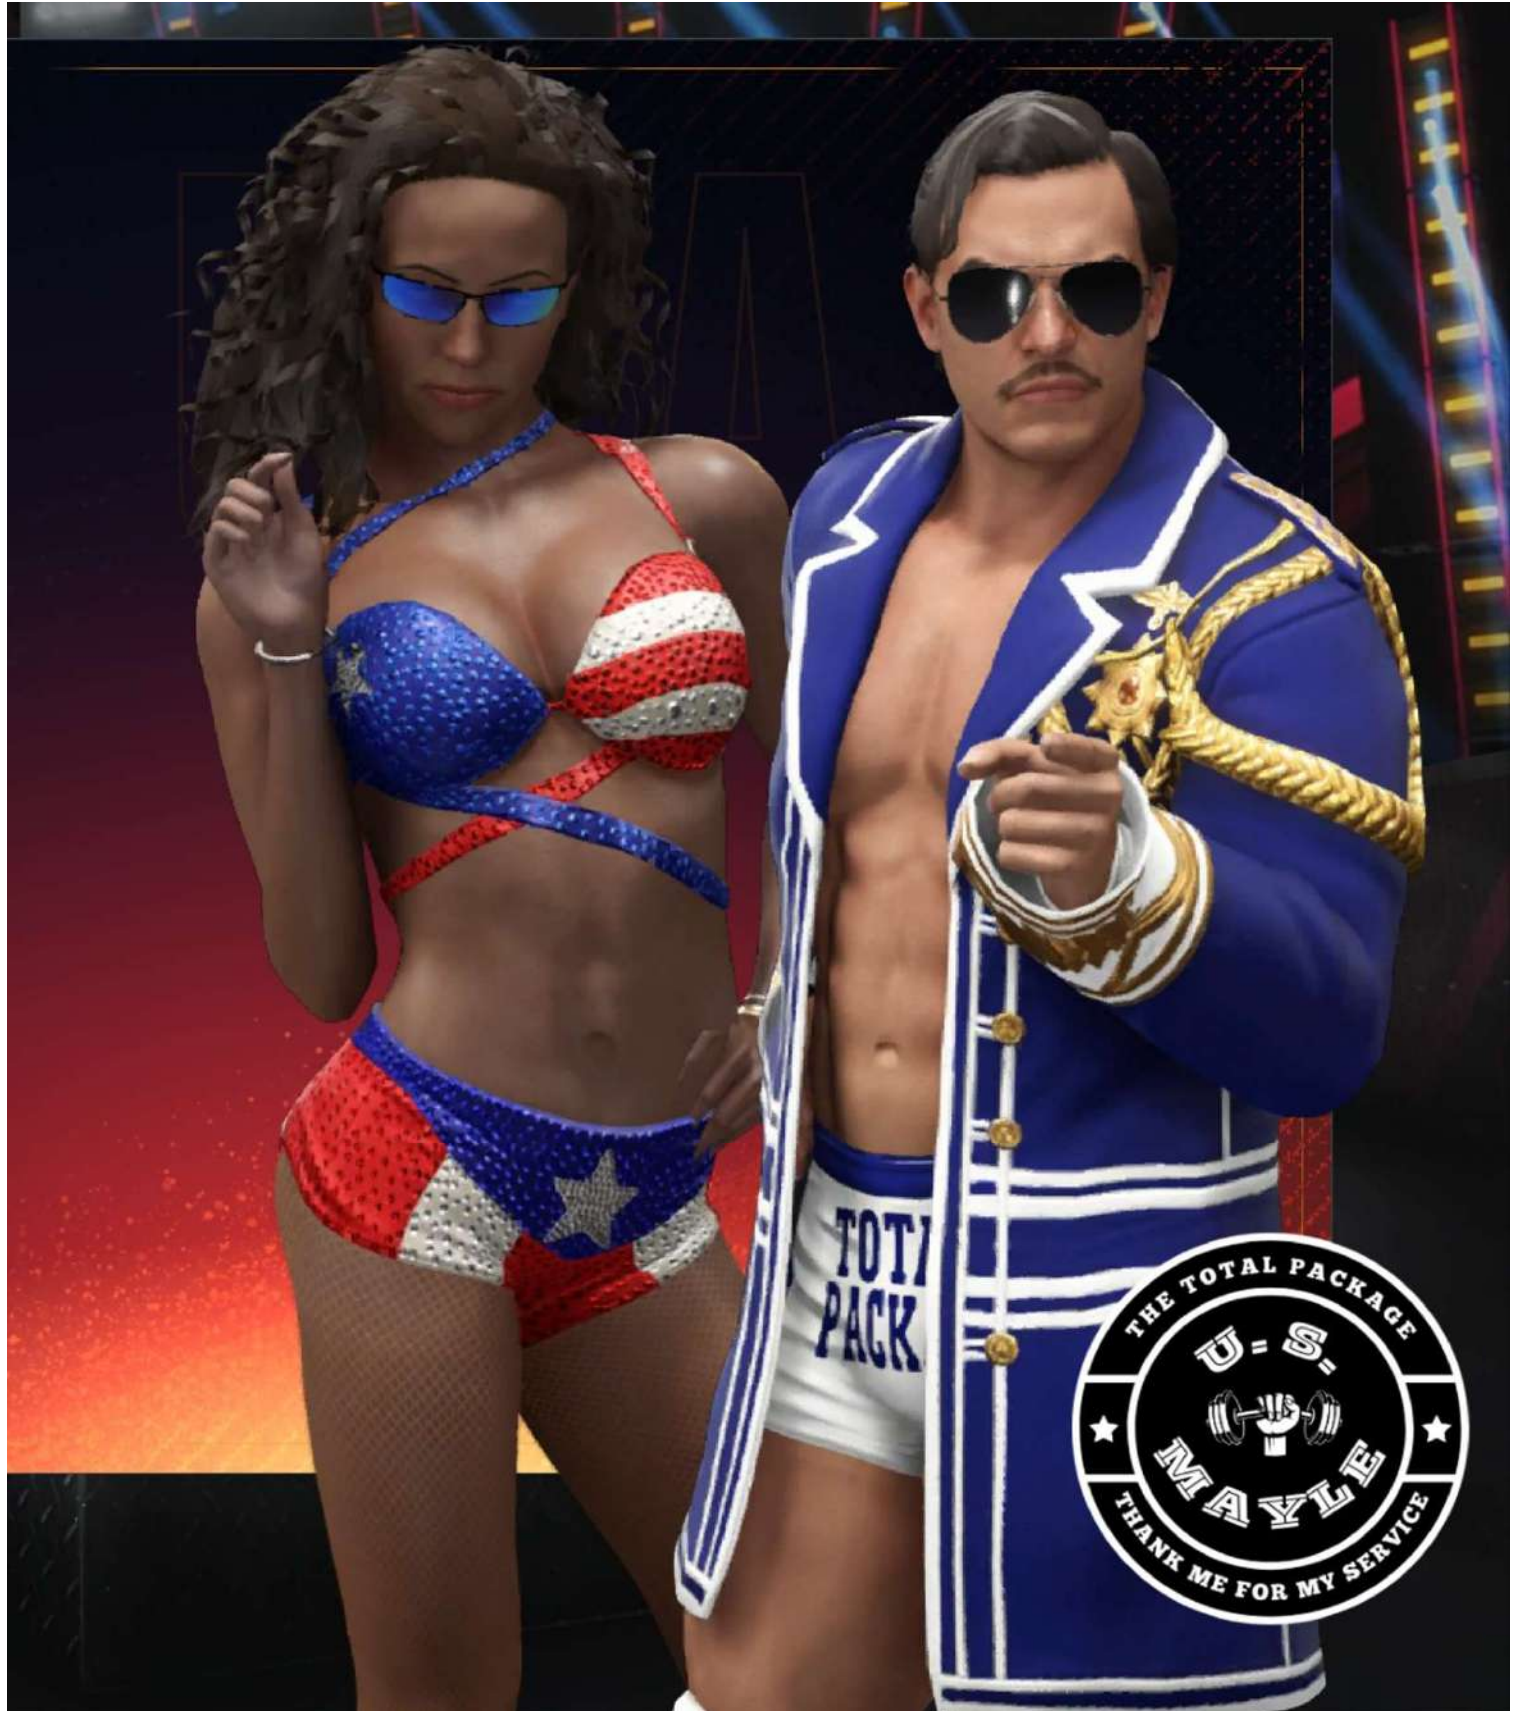

**STARLYTE,
you will lose.**

**You have left me no choice
but to take things into
my own avatar's hands.
It's just a matter of time.**

ENIK THE ALTRUSIAN

THE ACW FEARS THE TOTAL PACKAGE!

“Miss Americana is a strong woman and that intimidates the weak men on the ACW roster. The Total Package has been biding his time and is ready to strike and when I deliver the Mayle Drop, it’s gonna be a gold strike the likes of which hasn’t been seen since 1849!”

THE HEART ASSOCIATION

Brad "the Executioner" Heart

Ken "the Anvil" Needheart

"Fed-Ex" Bobby Brutal

Eddie Chavez

Tino Sanata

Terry Garnea

EDDIE CHAVEZ: "Hey, yo. We said it just last time that there was only one thing on our mind at American Revolution and that was winning championship gold. Look at us now, ese. We're standing here as the first-ever ACW Heavyweight Trios Champions and it's just the beginning, amigos. As they say. We ain't done yet!"

TERRY GARNEA: "Tell 'em, B."

BRAD HEART: "That's right. We're not done. In fact, we're not even close to being done! We've got a smart Commissioner here. In fact, I'd say he's very smart because he's already booked yours truly in a fatal four-way for a shot at the United States Title. Jesse Tombstone. Starlyte. 0. Bring 'em all on and I'm gonna show 'em just why I'm the absolute best of the best - past, present, and future!"

Well, we're barely a half year in and I can already say that the ACW smells a lot better now that the greasy ACC seems to have found their way back to where they belong: working sanitation and making terrible food! The only good Italian is a former Italian, and Garfield L'Zanya is the only one qualified enough to fly that flag around here! Now it's time to focus my efforts on eliminating another gigantic black mark on professional wrestling culture: the obsession with meat-based protein! And no, I'm not talking about **Happy Meal**: everyone knows those "burgers" are about 95% soy and 5% nuclear waste. **Tormented Timmy**, your gorging of the rotisserie chicken at every backstage catering table is almost as vile and disgusting as your hygiene! I'm going to give you one chance to redeem yourself: have a taste of Morningstar's delicious Buffalo Chick'n Patties and become a Keto Vegan like me, or else the Dynasty is going to be one less freak in their numbers! MAMMA MIA! *chefs kiss*

Babes, I think there's been a lot of scuttlebutt about how Abey Baby and the Black Metal Friends are just a novelty act. But to all my fans, the Abraham Legion out there: they knew. Cased underneath this perfect complexion and beautiful upper body are muscles and ligaments that can grapple their way around any opponent! Abemerician Revolution was just a lil' lick of the lolly as to what I can do with or without my two terribly-dressed pals of darkness!

James Carnage? Eww. Zero panache and a permanent aroma of horse poop on that otherwise fashion-forward duster jacket he always wears. My sorries and smooches to **Gemil**, **Buckaroo** and that delectable pole of Mr. Dude, but I was born to be a star: just like the one hanging around my neck! At the Great Abemerician Bash, the only thing being Regulated will be the brightness of the spotlight once I become the ACW Heavyweight Champion. Love ya, babes!

Mud Brothers, do you think the likes of the swamp bring chills down the spines of the Black Metal Friends? Need we remind you that we come from the crypts of eternal pain. The suffering of the sulfur-soaked catacombs of the endless abyss. A place so dark that light is immediately extinguished by invisible roaming demons! Yes, deep within the outskirt woods of Oslo, Minnesota, just a couple of miles past the MOST EVIL Title & Pawn Shop to ever exist, you will find Tundra Dewfrost and Forest Cursecaster. Swamps? What, are you going to send the mosquitos after us? Mosquitos have no effect on us, *because we contain no blood*. Running deep within our veins is merely embalming fluid. Now if you will excuse us, our cupcakes are ready from the oven, and we must put the **BLACKEST FROSTING** upon them!

*When we last left Scurvy Jones, his encounter with a missing little girl had gone awry: as it ended up being nothing more than a trap set by the deranged **Happy Meal**. His next appearance on ACW TV left fans puzzled, as a strange purple goo was smeared all over his face and beard. Instead of oranges, he offered the fans dead rats. And his jolly roger accent, replaced with simple monotone hums and grunts. What has become of the beloved orange hero, and what does that mean for the **Greatest American Hero**? Only time will tell.*

Y'know, I still don't quite understand how I ended up standin' beside a guy who fell outta the sky... and a sock that can legdrop ya without even havin' legs. But **Starlyte** and **Swampe Socke, Jr.** might be a bit odd, sure, but they fight for what's right. And even if I'm just a guy who rewires lights and occasionally enjoys a nice polka record, I ain't gonna let 'em down.

Now as fer you two, **U.S. Mayle** and **Miss Americana.** You two thought it was real funny when ya glued my coveralls to the post and slapped that "Return to Sender" on me, huh? Made a whole show of it.

Well... I ain't laughin' no more. I might not be flashy. I might still carry my lunch in a Folgers can. But I got grit, and I got back-up now. So next time we meet in that ring? I ain't backin' down. Not for you. Not for anybody.

Let's flip the switch, hey?

Viewers see one of the many ACW interviewers standing at the Gorilla position, holding a microphone.

Interviewer: ACW rookie and new Pacific Coast champion Myles Maverick is about to have his first title defense. He has been quiet the last few weeks, so we're hoping to get a few words from him.

Maverick comes into view, walking toward the entrance. He sees the interviewer, stops, and gives him a blank stare.

Interviewer: Myles, you finally won your first championship. How do you feel?

Maverick resumes walking to the entrance. As he passes the man, he holds up one hand and extends his middle finger. The man's jaw drops as Maverick disappears through the curtain.

[Camera zooms in slowly on Ravishing Dick Dude, who stands tall with a cocky smirk, muscles rippling under the lights. He looks directly into the camera, exuding dominance.]

"Alright, listen up, all you wannabes, all you amateurs, and every lowlife who thinks they can step into the ring with God himself. Ravishing Dick Dude is here—and I'm the reason this sport was invented. The reason the world turns to wrestling!

You see, I'm not just a pretty face—no, no, no—I'm the epitome of perfection. I've got the looks that make women swoon and the skills that make my opponents tremble in fear. While others are out there pretending to be tough, I'm the real deal—an all-American, Dick-ified powerhouse who's taking this sport to a whole new level.

While some guys are busy chasing belts, I've already claimed my throne as the most Ravishing man alive—and trust me, nobody's coming close. I don't just walk into that ring—I own it. I make every opponent regret ever stepping in my path.

And let me tell you something—my attitude? It's as sharp as my jawline. My confidence? It's unbreakable. My game? Unmatched. I've faced legends, crushed rivals, and left crowds in awe—and I've done it all while looking good doing it. That's right—while others settle for being just decent, I'm the total package: handsome, confident, and downright irresistible.

I've been called a lot of things—'Ravishing,' 'Legendary,' and the 'Total Package'—and every single one of those titles fits because I am the best at what I do. I've got the looks, the skills, and the attitude to back up every word I say. I've made men jealous, women swoon, and opponents wish they never stepped into the ring with me.

So, to all you challengers—think you can take me down? Think you've got what it takes? Well, I've got news for you: you don't. Because Ravishing Dick Dude is a force of nature—unstoppable, unbeatable, and undeniably Sexy. You see, I don't just want to be the champion—I want to be the legend that everyone talks about for generations to come.

And here's a little advice for all of you: if you're feeling brave enough to face me, be prepared—because once you step into the Dicks realm, there's no turning back. Your pride, your dignity, and your ego—everything will be shattered like glass. I will dominate you, and you'll be left in my dust, wishing you were never born.

Now, let me remind you—there's only one Ravishing Dick Dude. There's only one man who can claim the title of the most Ravishing, the sexiest, and the most unstoppable force in this business. And that's me. I am the standard, the icon, the legend—everything you wish you could be.

So, if you've got guts—if you think you're tough enough—step up. But I warn you: you're stepping into the Dicks zone. And once you're in, there's no escape. Because Ravishing Dick Dude is here to stay, to dominate, and to remind everyone exactly who the real king of the ring is.

[Dick Dude strikes a confident, commanding pose, flexing his muscles and flashing a wicked grin.]

Remember this—when the history books are written, my name will be etched in gold. Because I am not just a wrestler—I am a phenomenon. And nobody—*nobody*—can match my greatness."

THE MUD FAMILY

CUD BUD MUD SPUD

(The Mud Family is backstage sitting at catering.)

Cud (chewing on a drumstick): Now, I'll be the first to admit, I didn't do so hot last go around in the ACW Heavyweight title Battle Royal after Brad "The Executioner" Heart sent my carcass flying.

Bud: Hey, it happens. Ain't no shame in the game.

Mud: You know what's funny? We might've lost matches, but we sure left an impression. Am I right?

Spud: That's right! The Mud Family ain't no joke!

Cud: The Mud Family's done lickin' wounds. It's time we get what is ours!

Mud: Cud's right! We gotta refocus and find the purpose we're looking for and that's inside that ACW ring!

Bud: Let's get crackin', boys!

DYNASTY

Backstage the atmosphere is electric with anticipation. The camera pans across the bustling locker rooms, where wrestlers prepare for their matches. ACW's backstage interviewer Renee Mockslee stands poised with a microphone, ready to speak with the members of DYNASTY. Jackknife Justice stands confidently next to Jawbone Jack and Tormented Timmy, the newly crowned first ever ACW Tag Team Champions, with Steel Sampson looming in the background.

Renee Mockslee: Ladies and gentlemen, I'm here with DYNASTY, Jackknife Justice, Jawbone Jack, Tormented Timmy, and the powerhouse, Steel Sampson. First off, congratulations to Jack and Timmy on becoming the first ever ACW Tag Team Champions!

Jackknife Justice: Thank you, Renee! This is a monumental moment for us, for DYNASTY, and for ACW. Jack and Timmy have shattered expectations, and these championship's are just the beginning!

Jawbone Jack: We've worked our butts off to get here. These belts aren't just a title, it's proof that we're a force to be reckoned with. And we're just getting started!

Tormented Timmy: We've faced our share of challenges, but with Jack by my side, I knew we could do it. The Regulators better be ready because we're not going to let this moment slip away!

Renee Mockslee: Speaking of the Regulators, what's your message for them now that you've secured the tag titles?

Tormented Timmy: Regulators, listen up! We're ready and waiting for you! That is if you can become number one contenders! You want these championships? You're going to have to go through us and we don't back down easily!

Renee Mockslee: Timmy confident as always! Now, Jackknife, what are your plans moving forward?

Jackknife Justice: James Carnage, congrats on your title win! You've earned it, but let me be clear, I'm gunning for that heavyweight championship! I'm going to work my ass off, put in the hours, and climb that ladder. One day, I will hold that title high above my head, just like these guys did at American Revolution. That's a promise!

As the camera zooms out, DYNASTY stands united, the ACW Tag titles gleaming in the camera lights.

Renee Mockslee: Thank you all for your insights. We can't wait to see what happens next!

Steel Sampson: One second there Renee! I have a few things to get off my chest! You know, I've come into ACW with some big expectations on my shoulders. As a Chicago native and a former power lifter, I've always pushed myself to be the best. But, if I'm being honest, I haven't lived up to the caliber I know I'm capable of since stepping into this league.

He takes a moment to gather his thoughts, his eyes burning with determination.

Steel Sampson: But let me make this very clear! I'm not going to let this disappointment define me. I refuse to be brought down by my setbacks. Instead, I'm going to channel that frustration into hard work and relentless determination. You'd better believe I will outwork anyone in that locker room. I'm committed to becoming a real force in ACW!

And let's talk about someone who's been making waves lately, Awesome Aaron Miller. Aaron, listen up. I see you flaunting around like you're the top dog, but let's be real. No one in this company is sitting around jealous of you. Especially not when it comes to your physique! This is what a real man's physique looks like!

Let's see if you can back up that bravado! Because to me, you're nothing more than a little boy playing in a man's ring! I'm ready to show everyone in ACW what I'm truly capable of, and I will not stop until I've proven myself. This is just the beginning!

Renee Mockslee: Strong words from a strong man! Gino, Bob, back to you!

The camera returns back to Gino Monsoon and Bob Heenan at ringside!

The Journey Back to the RocketShoe

The Repair Shop Showdown

Swampe Socke, Jr. and StarSocke, Sr. were nearing the end of the dense woods, their path illuminated by the soft glow of the moon. The journey had been arduous, filled with trials and tribulations, but their determination to reunite with their friend Starlyte kept them going.

As they approached the edge of the woods, they stumbled upon a vehicle repair shop covered in thick, twisted vines. The shop was run by the notorious Mud Family of wrestlers, known for their car-fixing prowess and their formidable wrestling skills. The Mud Family consisting of Cud Mud, Bud Mud, Mud Mud, and Spud Mud, each member who is more intimidating than the last.

Swampe Socke Jr, feeling hunger pangs: "Blahhhhhhhhhh, I neeeeed to feeeeeeeet". StarSocke, Sr laughing, boosts up his Father to grab some moss off the side of the shop. "Om, nom, nom, nom, blahhh" Swampy says disappointedly. Blech, that was a bunch of blah"

Swampe Socke, Jr. and StarSocke, Sr. knew that to continue their journey, they had to overcome the Mud Family in a car repair shop match. The stakes were high, but the Socke duo was ready for the challenge.

The match began with **Cud Mud** stepping into the ring, his muscular frame towering over Swampe Socke, Jr. With a swift move, Swampe Socke, Jr. dodged **Cud Mud's** initial attack and retaliated with a powerful blow that sent him reeling. **Bud Mud** was next, his agility matched only by StarSocke, Sr.'s quick reflexes. The two wrestlers exchanged fierce blows, but StarSocke, Sr.'s determination ultimately prevailed.

Mud Mud and Spud Mud entered the ring simultaneously, their synchronized attacks posing a significant challenge. However, Swampe Socke, Jr. and StarSocke, Sr. worked in perfect harmony, their movements fluid and precise. The match was intense, but the Socke duo's unwavering resolve led them to victory. The Mud Family lay defeated, and the path to the RocketShoe was clear.

Swampe Socke, Jr. and StarSocke, Sr. stood at the edge of the now tranquil swamp, the echoes of their recent battle fading into the stillness of the night. Their victory over the malevolent sorcerer Swampius had brought a sense of peace to the marshlands, but their journey was far from over. With their eyes set on the horizon, they began the arduous trek to find their trusted vessel, the RocketShoe.

As they embarked on their journey, a lingering thought gnawed at Swampe Socke, Jr. "I wonder where Starlyte is," he mused aloud. The mysterious traveler and their dear friend had vanished without a trace before the battle with Swampius. Starlyte was not only a cherished companion but also the father of StarSocke, Sr., adding a deeper layer to their concern.

"We must keep our wits about us, StarSocke," Swampe Socke, Jr. whispered, his voice barely audible above the soft rustle of the reeds. "The swamp may be at peace for now, but we can't afford to let our guard down. And we have to find Starlyte."

StarSocke, Sr. nodded, his eyes scanning the dense foliage for any signs of movement, and with a heavy heart, he added, "Indeed, Pops. We have faced great challenges before, and we shall face them again. But remember, our strength lies in our unity and our unwavering resolve. We will find Starlyte."

With renewed energy, Swampe Socke, Jr. and StarSocke, Sr. continued their journey, finally arriving at their trusted vessel, the RocketShoe. There, they found their friend **Starlyte from the Worlds of Wonder, and Waymon Miller** waiting for them with a look of relief and joy. The reunion was heartfelt, and the bond between the friends grew even stronger.

As they settled into the RocketShoe, they caught up on past cycle news about Hocus Croakus in Richmond and his toes. The tales of Hocus Croakus's escapades brought laughter and intrigue, adding a touch of humor to their adventure.

Luthor Alexander, the bunch of blah wrestler, was also mentioned, but Swampe Socke, Jr. tuned it out. "Ohhhhhh, I will sock it to him as well, mark my threads!" said Swampe Socke, Jr. irritated by the very mention of Luthor.

With the RocketShoe ready to embark on new adventures, **Swampe Socke, Jr., StarSocke, Sr., and Starlyte** prepared for the journey ahead, their hearts filled with anticipation and excitement. The marshlands had tested their strength and unity, but their unwavering resolve had led them to triumph.

And so, the Sock wrestlers' adventure continued, each step bringing them closer to new challenges and victories, their spirits undiminished and their bond unbreakable.

“All-American Championship Wrestling has just discovered that one of its superstars will be out of action from this day forward. We go live now to the ACW lead interviewer, Renee Mockslee where she has the latest news on this story.”

ACW lead interviewer Renee Mockslee stands with Medical Director Dr. Jan Itor.

Renee Mockslee: I am here in the local medical center with the ACW's medical director, Dr. Jan Itor and we have some news on one of the superstars in the ACW.

Dr. Itor: Yes, thank you Renee, Amen Spur is going to need neck surgery and will not be cleared to wrestle for quite awhile. His match against Luthor Alexander was one of the most amazing matches the ACW has ever had, and it not only was tough for Mr. Alexander, but Mr. Spur suffered the most. As many of you may not know, he was injured early in the match and when I was ready to call the match, he would not let me. But that stubbornness cost him the most. Now he will be out for a long time, and he will not be able to compete in the ACW. Thank you.

Renee Mockslee: Thank you Doctor. Well, there you go folks, Amen Spur might have won the match but now he is going to have to fight the toughest match he has ever fought and recover from neck surgery. Only time will tell if he will be able to overcome this battle. While Luthor Alexander goes on to lead the ACW into the future, his biggest rival will not be able to compete in an ACW ring for a very long time. What does this mean for his tag-team partner Russian Invader 0? Well, I had a chance to sit down with the Russian Invaders and this is what they had to say.

The camera cuts to a previously recorded interview with Renee joined by the Russian Invaders.

Renee Mockslee: Thank you for joining me today gentlemen. I wanted to ask you RI0 about who will be your tag-team partner now that Amen Spur is going in for neck surgery.

RI0: I have lost my partner! The Russian Invader and Amen Spur were going to rule the All-American Championship Wrestling league! No one would be safe! Now, he is going through the toughest thing in his life and Luthor sits in the luxury suite living the good life. He destroyed another career and you people cheer!

He gets closer to the camera.

RI0: ACW! We are all going to be inactive while we sit by our partners side while he goes through the toughest surgery he has ever had to go through. Luthor, you will pay for this!

RI0 gives the mic back to Renee and the Russian Invaders leave the area. Renee stands looking at the camera shocked.

Renee Mockslee: There you have it, folks, Amen Spur will be going into surgery for his neck. ACW is going to be without one of its superstars for awhile and the men that came into the ACW with Spur will be by his side while he goes through the toughest surgery he has ever had. As fans we tend to forget that this sport can be very dangerous. Even with a veteran like Luthor Alexander, accidents happen and unfortunately Amen Spur suffered. At this time, we do not know when he will be back. We hope him all the best and wish him a speedy recovery.

The camera cuts to Spur's teammates sitting in the waiting room as a medical team wheel his bed past them and into surgery.

Renee Mockslee: (Voice over) ACW is a family and when one of us goes down, we all pull together to try and help those that go through something like this. Amen Spur put on a great match with Luthor Alexander and even though he won, he is now going to have to win again, against the biggest challenge of his career. Thank you, back to you, guys.

THE REGULATORS

Ryan Patrick

Blackjack Robertson

Shotgun James Carnage

Texas Jesse Tombstone

Renee Mockslee has wandered into the Dirty Dog Saloon in Austin, Texas looking for The Regulators. After spotting the boys in the back with beautiful women everywhere she makes her way over.

Mockslee: "Gentlemen, this is the place you wanted to meet for an interview?."

Tombstone: "Damn straight. Why not? What's wrong with this place? We've got an unlimited supply of Buffalo Trace, Coors Banquet and buckle bunnies. Sounds like Heaven to us."

Mockslee: "Anyways, Shotgun, you are the first ACW World Heavyweight Champion. What does that mean to you and why not do what everyone else does and have a celebration in the ring?"

Carnage: "Like Jesse said, this is our Heaven. That's why we are here celebrating. If we do it in the ring it is for the fans. And the fans are the last people we care about making happy. As far as how I feel? Hell, it was never in doubt that one of us would walk out with this title. It's actually more shocking we didn't leave with more gold than this. But that will be rectified at The Great American Bash. This cycle, Jesse will win the fatal four way and then take the United States Title from **Ao Bloodthorne**. We will also crush **Russian Invader 0** and **Amen Spur** then win the Tag Titles from **Dynasty**. Then we will go face to face with **The Gallowglass**, take them out, and wipe the floor with **The Heart Association** and claim the Trios Titles."

Mockslee: "Anything else you want to get off your chests?"

Robertson: "**Dynasty**, you say you are 'the dogs'? Remember, dogs get put down and we will be more than happy to do that to you."

Carnage: "Renee, on your way out tell the bartender to send over another bottle. [Carnage looks around at all the women with them] This might be a long night."

Happy Meal!!

Inside an abandoned McDonalds, one of Happy Meal's purple smeared PlayPals tugs on his arm. Happy looks down. It's the missing girl **Scurvy Jones** tried to help.

HAPPY MEAL: Is he here?

The vacant-eyed girl nods. Overhead, the florescent lights flicker on and off as Happy dances over to a booth and sits across from Scurvy Jones who has his head down.

HAPPY MEAL: It's no mistake that you're here, Scurvy. We have a problem. And I don't like problems. Problems don't make me...happy. And, without happiness, what do we really have, hmm? Do you understand?

Scurvy, head still down, grunts.

HAPPY MEAL: Our problem is the **Greatest American Hero**. Now let me ask you, Scurvy, what are you going to do about our little problem?

Scurvy looks up. His face and beard are smeared purple like Happy's PlayPals. Trapped in a prison of his own mind, Scurvy speaks.

SCURVY: I'm going to kill the **Greatest American Hero**...

Happy Meal smiles wickedly.

HAPPY MEAL: Ding! Fries are done!

LUTHOR  ALEXANDER

*Gentleman Jarvis...
You tried to kill Traci.
With a cannonball.*

*A CANNONBALL, Jarvis!"
You destroyed my golden
helicopter. You almost destroyed
her. And for what? Because you
couldn't handle watching me
break your oversized British
Frankenstein? Because you
couldn't stomach the truth?*

*Well, congratulations, you smug
little redcoat—I hope that cheap shot was worth it...
because now I'm going to destroy everything you love.
Everything you built. Every puppet you pull. Every fake
royal you surround yourself with. You messed with the
wrong monster." "And Amen Spur... you big dumb pawn...
You didn't win. You didn't survive. You doctored the foot-
age. You and Jarvis paid off the ref. You paid off the com-
mission. You tried to rewrite history like your ancestors
rewrote borders. But the truth? The war is over... and you
didn't win." "Next time? There's no scaffold. No harbor. No
fireworks. No cannonballs." "Next time, we fight in a ring.*

No 1, 2, 3. No screwjobs.

Just two men. Two words. Five letters."

"I... QUIT."

TODD BRIDGES

People think because I was a child star, I was soft. They saw me smile on TV, toss out punchlines, play the little brother.

They laughed. They cheered. But they didn't see the war. Not the war for respect. Not the war to survive addiction, betrayal, and the game they call Hollywood. Not the war against the world telling you, "You're finished."

That's why when Luthor Alexander handed me *The Art of War* by Sun Tzu, he didn't hand me a book. He handed me a mirror. Because I've been living those lessons since before I could drive.

"Appear weak when you are strong, and strong when you are weak." That's the secret right there. I've been underestimated my whole life.

By producers. By critics. By fake friends who thought

I wouldn't make it out. But I did. Because I knew how to adapt. I learned that survival isn't about fame—it's about understanding the battlefield.

And Hollywood?

That's a battlefield with no honor. Just spotlights and snakes. "If you know the enemy and know yourself, you need not fear the result of a hundred battles." I know myself now. I'm not Willis.

I'm Todd. I'm the man who stood in the fire and walked out with scars, not ashes. And now?

Now I stand beside Luthor Alexander.

A man who doesn't just understand war—he is war.

He brought me into the fold not because I was famous. But because I was forged in fire. Because I know how to handle a knife in the back and still move forward. Because I know loyalty. And in this new battle—inside the ACW, behind the scenes, in the Asylum—I'm not comic relief. I'm security. I'm strategy. I'm the reason people think twice before crossing the Red Scorpion.

So yeah.

They thought I was done. They thought I was just a relic. They didn't understand I've been playing chess while they were still on Candy Land. Now I drink Orange Julius and read *The Art of War* at the Alexander Arena while Luthor sharpens his mind—and his fists.

You want peace?
Get out of our way.
You want war?

We've already written the ending

Traci Loves Luthor

NEO DRAGON: THE LAST WORD FROM A LEGEND

By Akeem Bixenspan

Dyersville, Iowa

There's something surreal about driving through Iowa in the early morning fog. You start questioning everything—your sense of direction, time, reality. I was told Neo Dragon lived a quiet life now, out of the spotlight, away from the politics and chaos of the IWA, far removed from his IWAR World Championship days, from the blood-soaked nights of Revolution Extreme. But nothing could have prepared me for where I found him. A wrestling ring. In the middle of a cornfield. Just sitting there, like something out of a dream—or maybe a movie. And surrounding it? A dozen wrestlers. IWA Hall of Famers. Jumpin' Jim Elway. Frank Snow. Rick Challenger. Timothy Zastempowski. Not old, not retired—*young*. In their prime. I walked through the mist like a ghost, unsure if I was awake or not, until I reached the edge of the ring. There, sitting calmly in a folding chair with a glass of iced tea in hand, was Neo Dragon.

I sat beside him, unsure of what to say. So I asked the only thing that came to mind: "Is this heaven?" Neo smiled gently. "No," he said. "It's Iowa." We sat in silence for a bit, watching as the greats of wrestling past circled the ring, like memories refusing to fade. Finally, I asked him about Luthor Alexander. Neo took a long sip before answering. "Luthor? He was a mentor. A leader. A genius. Always three steps ahead." He glanced at me with a knowing look. "And very dangerous." I pressed further. "You're the only man who's ever truly defeated him. How did you do it?" He leaned forward, eyes narrowed. "Wrestling Luthor is like fighting quicksand. The more you struggle, the faster you sink. It's ninety-nine percent mental, one percent physical. He doesn't just beat you—he makes you beat yourself." He paused. "He gets in your head. Makes you second-guess every move. You lose control. Then fear takes over. And when that happens?" He shook his head slowly. "You're finished. And you don't just lose—you lose bad." So how did he beat him? Neo didn't blink. "People try to play chess with Luthor. That's the mistake. I beat him because I flipped the board over and hit him in the face with a brick. Don't think. Just fight." Naturally, I had to ask about the mystery that's haunted the IWAR for months: The Red Scorpion. Neo stared out at the horizon. "Most people think that's just a distraction. But Luthor? Is he's playing a deeper game? He knows you think that. Take it at face value." And then he said something that chilled me: "You know the answer. You just don't know the why." I asked what that meant. "The scarier thought is that maybe... there is no why." I asked if he and Luthor still spoke. Neo laughed. "He sends me five bucks in a birthday card every year." He shrugs. "I don't get it. And I don't care. I've done everything a person can do in this business. I'm just happy to be home." I thanked him for the iced tea and walked back through the fog, heart heavy with reflection. As my plane lifted off from the nearby airfield, I looked out the window, watching the cornfields below fade into patterns. That's when I saw it. A scorpion—perfectly etched into the corn maze. I blinked. Could it be? Was it real? I dismissed it. A trick of the light. A coincidence. A shadow.

But deep down, I knew better.
