AOL Spring Cycle

Bronze Fed/American League

## By Hook or by Crook

Where all the Outlaws come to play! Cycle #270 PPV! All titles up for grabs!

Welcome to the all-new AOL! I am Commissioner Eastwood and I am going to try to bring some fun to the American Outlaw League! What I am not going to do is give my own wrestler a title and make you wrestle him to get it! Haha, how stupid was that?

I decided to take on this new role at the last minute, so I do apologize for this incomplete report. Next cycle I will have everything ready for you! I will have the Commissioners title names and qualifications to challenge for said titles, PPV set up, first round of tournament matches, our weekly super card and more!

What I have for you this cycle is our points leaders. The point system is listed under our top 20. I am awarding points for trash talk. Points are awarded for each wrestler who trash talks so say if you have a 6-man team and submit trash talk with all 3 wrestlers talking shit in the same segment, they will each get 5 points. You send in trash talk with just 1 wrestler; you get 5 points. It's not much but some incentive to get you flappin' your gums! Plus, if it's good, you could get it featured on the weekly Super Card! You never know! Get creative! Piss some people off! Start some feuds! Don't let things be one sided! Sneak Attack some poor sumbitch! Do what you gotta do to have some real knee slappin' fun! Would make PPV's more interesting as well! Plus, if you make the PPV card, each winner gets PPV Bonus points! Ooohhhwwweee, we are going to have so much fun I can feel it!

I hope you enjoy the effort I put into this little ditty! If you have some friends that might want to climb into the ring with the Bronze Feds toughest grapplers to ever grace the IWA's rings, tell 'em to stop by and getchu some! We will be right here!

I am going to work on getting us some incentives! The more matches we have, the more apt the IWA superpowers will be to give me what I want!

I look like I've been rode hard and put away wet, so until next time!!

**Southern-** “Are we on a chicken farm ‘cuz **SOS** out there just layin eggs! They took a huge dump! You could have a whole box of candles and still not be able to hold one to AOD! We might be small, but we can bite harder than any other mother trucker who thinks they can! Holla if you heard that!”

**Paradise-** “Woouooooo! I heard that my brother! Everyone’s gotta find a way to eat and AOD came hungry last week! Out there breakin’ necks and damn near puttin’ your faces in your lap! Microphone check one-two birds up, middle fingers to the sucker’s tryin’ to stop us, good luck!”

**Blanchard-** “You got a gang of AOD boys and we ain’t f\*ckin with no sheep! It’s put up or continue to shut up! I mean silence is golden, but it only means you don’t want no trouble! If you don’t work, you don’t eat! In the end, I guess it don’t matter much what you do! We will stay on our grind, because you know we’re gunna get it! Like we always do about this time! Let’s go boys!”

You’ve got all these guys running around here with all these colorful names, “I’m so and so! I’m This! I’m that!” Huh... I’m over here and I’m just Bart! Not any ordinary Bart, though! I’m a Shatterday! Now lookin’ at me, I reckon you’d think I was out of place here! Nah, I’ve never noticed. Now I pay no mind, no mind at all to critters like you! We’re waiting, who’s going to step the f\*#k up?

It’s good to see my brothers arrive and arrive in typical Shatterday fashion! Congrats on taking some IWA gold, Chainsaw! Terrible Tim! My dude! You didn’t let Lil Stank’s goofy little ass get in your head and you grabbed you some IWA gold too! This league just got harder than Dennis Hammack’s jerk off sock! Sorry guys, but it’s time for the Shatterday’s to win the World Six-Man titles again! It’s never personal, just business! I am Wyatt Shatterday and you will... **FEAR THE BEARD!!**

“I’d take this mask off and let you judge me  
But you won’t look too long ‘cause bitch I’m ugly!  
You know the reputation  
I don’t take nothin’ from no one that never came to take it  
But don’t be too quick to misinterpret the information  
Coincidental how I be workin’ the situation,  
So, it ain’t no sense in actin’ like this a revelation  
You think you’re holdin’ me back, then you need your education  
You know I’ve been a savage and gone off the reservation!”

# oWo

## Dirty Dennis

Preston Paradise! You might be keeping oWo out of your mouth, but my lean, mean, big ol' banana will always be in your mouth! Get you some of that! We are coming for the tag team titles this cycle! AOD your days as chumps are numbered! The oWo WILL take your titles! If we don't, I'll sew up my golden poop chute and start taking it in my mouth! I'm coming for your guys, Charlie!

I hope they are ready for the oWo because I know that the oWo is ready for you! Yeah, watcha gunna doooooo?

## Lil Stank

Talk about some bullcrap! I know AOD cheated a cuppa times cuz I was able to beat up Mobster Nick Santilla without any problems! He's a chump anyways and only hit me a cuppa times! I was too fast for him! One, two buckle my shoe and he went down faster than his sister when she did a cuppa times! Dennis told me that we are going to win tag team titles this cycle so that made me go quick in the starfish! Dennis cleans me off before matches so I never smell like I swimmied in poop a cuppa times.
