ANGEL REPORT

w/ Johnny Angel

Welcome to another edition of the Angel Report with your Commissioner and IWA Hall of Famer, Johnny Angel. I'm sure you've read it about already by now, but this cycle marks a huge milestone in the life of the Pro Wrestling Imitated brand - which means a huge milestone, also, in the life of the ASL! Not only is the ASL & RDL being joined by the XPL & LWL to form the new and improved PWI, but the team got together and decided to pull the trigger on creating the PWI Universal Heavyweight & PWI Universal Tag Team Titles! Those champions are going to be determined at our next joint pay-per-view, which is Money in the Bank on July 8th. The ASL will have two representatives in each of those title tournaments as well as two reps in the MITB match. I've decided to hold qualifier matches to determine all of these reps and I've chosen based on who's represented us well as champions and who's been active in trash talk.

For the Universal Title contenders, I've chosen Super Dazzle vs. the All-Star Champ, Nick Dane, and the second one will be a Clash of the Stars rematch between Sir Gunther Kinderwacht & Sinister Steve Stryker. For the Universal Tag Team contenders, I've chosen My 2 Dads vs. the Jacksons followed by the Dawg Pound vs. Wolf Keenan & Lachlan Kincaid. And, finally, the MITB qualifiers will feature Billy Blunt vs. Misfit Messiah and H2O vs. Blood.

While everyone's already getting excited about Money in the Bank, there's still a lot of action taking place before that, though. First, we have the field set now for King of the Ring and the ASL tournament will have significant implications with the winner going on to face Sir Gunther for the ICON Title at Great-American Stars, while the runner-up faces Nick Dane for the All-Star Title.... if Dane still has the title, that is, because he's due for his rematch against Steve Stryker this cycle!

Speaking of Great American Stars, all the titles are going to be on the line. I've already mentioned the first two, but the Dawg Pound will also be defending against the red-hot My 2 Dads in a battle between two of the game's top teams of the modern era! I've also heard the requests from the EEArmy loud and clear and have agreed to book their Mass Eradicator Match. The COT representatives will be determined once the PPV title matches are finalized after KOTR.

Well, there's a lot going on - not to mention the BOTB Tournament, which is still in full swing. Thanks to everyone who's sending in trash talk and helping to make this a great well-rounded league!

SHOWTIME REPORT

This cycle's ASL Showtime included an extended hour of programming that featured several KOTR Qualifier Matches. The ASL KOTR field was set by the likes of "Linked" N. Profile, Justin Thunder, Billy Blunt, Richard Pills, Sinister Steve Stryker, Lo Mejor de lo Mejor, Zanroar, and Super Dazzle.... After Stryker defeated Blood, he was joined by the likes of Nightmare Sam Hell & Classy Eddie Degrassi, and together they pummeled Blood. He was eventually aided by his partners, H2O & Marvel, ensuing an all-out slugfest. During the chaos, the ICON Heavyweight Champion, Sir Gunther, made his way out as well and managed to wrap a steel chair around H2O's knee and then stomped away at it viciously. Officials finally broke it up, but not before they spray painted "Failure" on his back. Unfortunately this made H2O easy pickings for Lo Mejor de lo Mejor in the very next match.... In a highly anticipated rematch, Super Dazzle & Nick Dane battled to the limit until Dane eventually got himself disqualified by taking a steel chair to the back of his opponent.... Herbert West shocked everyone by ending Misfit Messiah's Mr. ASL reign to end the show.

RDL Showtime was an extended show as well, with Ice Man, Krampus, Gil Nemo, Porkenstein the Monster, Brutal, and Covulu the Torrent qualifying for the KOTR field with 2 qualifiers left to go at RazzleMania.... Miss Americana attempted to distract Gil Nemo during his match with Heartbreak Prince, but Mussel Muscles came out to neutralize the threat, allowing Gil to regain his focus and advance with the win... Father Nurgle made his presence known throughout the show on behalf of the Legends of Wrestling, insinuating that a new, more powerful force was at play. Mysterious events such as flickering lights and random shadows appearing on the ring canvas played a part in the victories for Krampus & Porkenstein the Monster.... the Tartar Kid Gil Nemo came out and distracted Miss Americana during the main event, causing her to lose focus and drop the Mr. RDL Title to Angel of Death.

Perhaps the most highly-anticipated event in all of fantasy wrestling finally arrived with RazzleMania '25! Kicking off the show, was the culmination of an ongoing feud when Gil Nemo defeated Miss Americana with the Fin-ished Him.... Mussel Muscles earned his opportunity to challenge for the RDL Showtime Title and he nearly left Vegas with the title in-tow. However, he came up just a bit short after his battle with Ultra Dazzle spilled to the outside of the ring and ended with both men getting clobbered on the concrete floor. Mussel Muscles made it back to the ring, but Dazzle was counted out allowing him to retain the title despite losing the match.... in the first of two KOTR Qualifier Matches, Elroy the Squid defeated the legend, Cardiac Arrest, when Father Nurgle's crystal ball released a powerful glow, causing a distraction and allowing Elroy to hit the Ink Cloud... in the second qualifier, Chad Snazzington used a rollup with a handful of tights to defeat Pedro Pascal... the MSD finally received their rematch for the RDL World Tag Team Titles, but the red-hot team of Angus Macallen & Andrew Aberlour proved to be too much. Macallen hit Luca Lust with the Speyside Superplex to collect the win and retain the titles.... the first-ever RDL Elimination Chamber Match was full of chaos. Knuckles Nelson was the first to enter, followed right behind by Doc Porkenstein. Scott Warner came out when the 2-minute clock hit, Next was Survy Jones. Then, Krampus, And, finally Porch Beer. The order of elimination was Nelson, Warner, Scurvy, and Beer, leaving the LOW teammates of Doc Porkenstein & Krampus to fight it out. Doc eventually won the match and earned a shot at the RDL World Title at Raz-Slam in July, though he left some blood behind in the process.... the main event featured the son of an RDL legend, Cody Beau, vying for the RDL World Title against Union Jack Puddings, who has been dominant since winning the title at RazzleMania last July. This was an instant classic with several near-falls that left fans on the edge of their seats. Eventually, Beau hit back-to-back Big River Currents to put the champ away and become the new champion!

Pro Wrestling Imitated

AUCTION BLOCK!

In recognition of the IWA (and ASL) celebrating 40 years, Pro Wrestling Imitated is proud to bring to you the return of one of the IWA's classic and most beloved traditions from the 1990s!

EVENT HIGHLIGHTS

What Is It?

This is the first of 3 auction blocks that will occur throughout this year.

Each auction block will feature a wrestler currently owned by the Commissioner who's record is somewhere close to halfway towards IWA Hall of Fame eligibility.

How Does It Work?

Players will use the imaginary earnings of one of their wrestlers in any of the 4 PWI leagues to place a bid on the wrestler being auctioned. The bid **MUST** be sole sourced from only **ONE** wrestler and that wrestler **MUST** be in one of these two leagues.

Players must submit their bid by emailing it to the IWA. Each auction will last over the course of 2 cycles with the current high bid being posted online and in the bulletin allowing players the opportunity to submit a new high bid at any time.

Once the auction closes, the player that submitted the high bid will immediately receive the contract of the wrestler and may place him any league they choose.

Where Does The Money Go?

80% of the bid will go towards the prize pool for the ASL's Best of the Best Tournament. The IWA has also agreed to double this year's imaginary money prize for that tournament. The target prize pool for that tournament is \$5MM.

The remaining 20% of the high bid will go towards the prize pool for an RDL event that will occur late in 2025. The target prize pool for that tournament is \$1MM.

The IWA's point flow system will be used to break any ties. The player that wins 2 legs of the series wins the tournament.

CONSOLATION BRACKET

The players that finish 9th-16th in Round 1 will advance to the Consolation Bracket. Round 2 of this bracket lasts 3-cycles and follows the same scoring system that was used in Round 1. The top- 2 scoring players in Round 2 will advance to the Consolation Bracket Finals (which coincides with Round 3 of the standard tournament) where they will face-off in a Best of 5 triple threat series to determine the winner.

WELCOME TO THE NEW
PRO WRESTLING IMITATED

PWI

ASL, LWL, RDL, XPL

The New PWI

Welcome to the new era of Pro Wrestling Imitated (PWI) v2.0. Actually, it's more like v3.0 for those that are keeping score, but who's counting? You know what they say - if you're not changing, then you're not growing!

For the past 2-years, the ASL + RDL have served as the foundation of PWI, primarily centered around a few shared PPVs throughout the year. Well, I'm here to announce that we've struck a deal - 2 deals to be precise - that will grow our brand significantly and open up a whole new world of possibilities!

Beginning next cycle, the PWI brand will officially include the Xtreme Poison League (XPL) in the Iron Federation as well as the legendary Lone Wolf League (LWL) from the Jade Federation expanding our new lineup to:

XPL (Iron) // ASL (Gold) // RDL (Bronze) // LWL (Jade)

Under this new arrangement, every league under the PWI banner will join together for 4x PPV events throughout the year. Additionally, this alliance provisions for the creation of a PWI Universal Champion as well as a PWI Universal Tag Team Champion! Once established, these titles will be defended every other cycle on a rotating basis between the leagues as well as at each joint PPV event for a total of 12 title defenses throughout the year! Also, helping these titles to stand out from the rest, a 5 point bonus will be awarded to the champion and/or challenger whenever they submit a title match promo to the league in which they are being defended, adding a little trash talk bonus for those leagues.

Aside from the items noted above, the changes you see to any of the four leagues involved will be subtle as there's no requirement for the Commissioners of these leagues to do anything different. So, while it should continue to be business as usual, our hope is that this newly formed alliance will add a spark of comradery and boost of energy to each of the leagues and their players.

Thanks to everyone who already participates in one or more of these leagues and we look forward to welcoming those who are on their way. Good luck to each of you and stay tuned for more details in the coming cycles!

Additionally, a tag team Survivor Series battle royal will be held. Each league will send one team to compete in an over the top battle royal using combined singles scores. A briefcase full of cash and a contract will be suspended 20 feet above the ring. The first wrestler to retrieve the briefcase is declared the winner, winning \$100,000 and a contract that guarantees him one (1) shot at any Commissioner's Title in the entire PWI.

The contract can be cashed-in at any time of the winner's choosing within a 12-month period provided that it's communicated to the Commissioner prior to the Iron of that cycle.

The person cashing-in the contract automatically receives a 2 point handicap in the title match due to the element of surprise. The defending champion will also receive an additional 1 point deduction for each opponent he has already faced that night.

[The scene opens in a dimly lit wrestling arena. The crowd is buzzing with a mix of cheers and boos, still reeling from last month's shocking revelation. *Pre)Thing's Can't Stop* replaced with the darker *Burn it ALL by A Dark Halo*. The ring is set with a single spotlight shining down. "No Limits" Nick Dane, dressed in sleek black gear with red and silver accents, steps onto the ramp. His usual confident grin is replaced with a cold, calculating smirk. He carries a microphone and strides to the ring, ignoring the fans' mixed reactions.]

Nick Dane: [Pauses in the center of the ring, soaking in the crowd's noise.] You people... you thought you knew me. [Chuckles darkly.] The eternal good guy, the hero you cheered for, the man who fought for honor. "No Limits" Nick Dane, right? WRONG! [The crowd boos loudly.] For YEARS, I played your game. I smiled, I shook hands, I carried the weight of your expectations. But no more. You see, I've been hiding something... something primal. I AM the monster you feared. I AM the one who struck in the shadows. I AM... **GRENDL!** [He raises his arms as the crowd erupts in jeers, some chanting "*Super Dazzle!*"]

That's right, Grendel. The beast who hunted your heroes, who left them broken backstage, who blinded them with the red mist. [He paces the ring, eyes wild.] I'm done being your puppet. Super Dazzle? Just another fool who thought he could outshine me. I unveiled my true self in that match, and I saw the fear in his eyes when he realized who I really am. This is MY time. No limits? Oh, there are limits—for everyone else. For Grendel, there's only destruction!

[The arena lights flicker, and the crowd pops as Super Dazzle's music hits. The fan favorite, clad in vibrant blue and gold tights with a sparkling cape, storms down the ramp, mic in hand, fire in his eyes.]

Super Dazzle: [Slides into the ring, getting in Nick's face.] Nick Dane, you snake! You betrayed us all! We trusted you, we cheered you, and you stabbed us in the back! Grendel? You're no monster—you're a coward hiding behind a mask! [The crowd roars in approval.] You think you can just attack people, blind them with that mist, and walk away? Not tonight. I'm calling you out, right here, right now! Let's settle this, man to man!

Nick Dane: [Laughs mockingly.] You want to dance with Grendel, Dazzle? Fine. But don't cry when I break you. Ring the bell!

[The referee signals, and the bell rings. The two circle each other. Dazzle charges, landing a flurry of punches, but Nick counters with a knee to the midsection. The match is fast-paced—Dazzle hits a springboard dropkick, sending Nick to the corner. Nick rolls out, dodging a charging Dazzle, who crashes into the turnbuckle. Nick capitalizes, hitting a series of vicious stomps. Dazzle fights back with a hurricanrana, but Nick catches him mid-move, slamming him with a spinebuster. The crowd is on edge as Nick taunts them.]

Nick Dane: [Yelling at the crowd.] This is your hero? Pathetic!

[Dazzle rallies, landing a superkick that staggers Nick. He climbs the top rope for a high-flying move, but Nick shoves the referee into the ropes, causing Dazzle to lose balance and crash to the mat. Nick seizes the moment, grabbing Dazzle's arm, twisting it, and flipping into his signature somersault reverse DDT - **3 Second Magic!** Dazzle lands hard on his neck, and Nick covers him. The referee, recovering, counts: 1... 2... 3! The bell rings.]

[The crowd boos furiously as Nick stands over Dazzle, smirking. He reaches into his tights and pulls out a grotesque, horned mask—the Grendel mask. He slowly puts it on, his eyes gleaming through the slits. The arena lights dim, casting an eerie glow. Nick kneels beside the dazed Dazzle, pulls a small vial from his wrist tape, and blows a cloud of **red mist** into Dazzle's face. Dazzle writhes, clutching his eyes, as the crowd screams in outrage.]

Nick Dane (as Grendel): [Through the mask, voice distorted.] This is the new era. Grendel reigns!

[Nick rises, tossing the mic down. He exits the ring, ignoring the debris fans throw at him. As he walks up the ramp, he raises the Grendel mask to the sky, the crowd chanting "Dazzle! Dazzle!" while medics rush to check on Super Dazzle, who's still blinded by the mist. The screen fades to black.]

Sneak Attack

(The camera fades into the hallway outside of **Billy Blunt**'s locker room. A man standing off camera knocks on the door. When Billy opens the door, **Blood** slams a metal pot into his head.)

Marvel: Well, that's an odd choice for a weapon.

Blood: What do you mean? You told me that he was a stinking pot head.

(Marvel shakes his head. Suddenly, Blunt gets back to his feet, and he starts throwing lefts and rights trying to fight off both men. From out of the shadows, **Nathan Ross** hits Blunt in the knee with his trusty crowbar. Ross tazes Blunt until he loses consciousness. Blood starts pulling dandelions out of the pot and shoving them in Blunt's mouth. Both Marvel and Ross give Blood strange looks.)

Blood: What?!? You told me that he loves weeds!

(Blood empties a bag of lawn clippings. Marvel drills Blunt with a Tiger Driver '91 onto the grass. H2O walks into frame and locks Blunt in a Kneebars submission. He finally lets go and addresses the camera.)

H2O: Gunther, this—this is your fault. You tried to destroy my body and my mind, and now we're going to hurt the degenerates in your Axis of Tyrants. You'll get what's coming to you at the Mass Eradication match. Until then, you are going to watch your fellow despots suffer.

(Marvel searches Blunt's locker room and walks out holding bags of junk food.)

Marvel: Billy, I confiscated your snacks. This stuff will kill you, trust me I'm a doctor.

(Each EE Army member steps on Blunt as they walk away, and the camera fades out.)

Sneak Attack

(The camera fades into the parking lot outside of My Two Dads' church. It is a dark and moonless night. Arturo and Conrad are walking out of the Church, when, suddenly, they are jumped by Blood and Marvel. Blood swings a chain attached to a large censer filled with incense that slams into the back of **Father Conrad**'s head. Marvel rams a large wooden cross into **Father Arturo**'s ribs and then slams it down into the top of his head.)

Marvel: It's a shame that you sold out your divine calling to join an Axis of Tyrants.

(Blood looks euphoric.)

Blood: This is exactly why I left Blood world and traversed the multiverse to come to the ASL.

Marvel: I worry about your sanity sometimes, well actually, all the time.

(Blood is busy choking father Conrad with the censer chain, and either he doesn't hear or just ignores Marvel's statement.)

Marvel: I can't say we didn't warn you. The gloves are off, and the old EE Army is back. Gunther made a terrible mistake, and he unleashed a force he was too ignorant to know and too lazy to look up. When you wake up, you're going to think that this next part is sacrilege, but you'd be surprised. We actually used to do this to a lot of people in leagues across the IWA back in the day.

Blood: You're mistaken. Violence is a sacrament, not a sacrilege.

Marvel: Whatever, Just help me drag these guys into the Church for the big finale.

Blood: Forgive us Fathers, we're about to sin. And it's going to be glorious.

(The camera ripples and then fades back into the inside of the Church. Both Arturo and Conrad have been tied to large crosses in a crucifixion posture. Both men remain unconscious hanging off of their respective crosses as the camera fades out.)

Sneak Attack

(Immediately following **Lord of Illusions'** loss to Hebert West, Blood runs through the crowd and gets into the ring. Blood is wearing what appears to be a magician's costume--a cape and a top hat. He's holding a kendo stick painted to look like a magic wand. Blood repeatedly slams the "magic wand" into Illusions' head.)

Blood: Abara Cadabra.

(Blood hits Illusions with a Welcome to Blood World.)

Blood: Hocus Pocus.

(Blood hits Illusions with a straight jacket suplex.)

Blood: Hmm I guess you couldn't escape from that one. Houdini you are not.

(Marvel rolls a magician's cabinet from backstage onto the top of the entrance ramp. It looks like the kind of box that magicians use to make people disappear. Blood throws Illusions over the top rope, and then drags him up the ramp to the box. Blood and Marvel load Illusions into the box and close the doors.)

Blood: Is this the part where we make him disappear?

Marvel: Something like that.

(Marvel pushes the box off the entrance ramp and crashes down onto the floor below. The wood breaks, revealing that Illusions did not in fact disappear and actually just fell off the ramp in an ordinary wooden box. The camera fades out)

SUPER DAZZLE

Hola, mi amigos. Lavida es buena otra vez and that is because I have had my retritubtion against Nick Dane by defeating him in our King of the Ring Qualifier match. Si. Nick Dane thought that getting himself disqualified was worth it to put a steel chair to my back, but he severely underestimates my resolve and my resilience, amigo. He underestimates the fact that all I need is a small crack and a sliver of an opening to achieve greatness. And, that is what he has given me. So, Nick Dane can do a new look and a new you all he wants, but as for me, amigo.... as for me, I plan to dazzle the ASL with all my great moves and become back to back PWI King of the Ring.

the DAWG POUND

RUSTY: "There's a lot goin' on here in the ASL and the Dawg Pound is right in the the thick of it. **My 2 Dads**, me 'n' Jaxx have heard a lot about you guys and your reputation precedes you. But, you should've heard about us, too, and by now you know what we're all about. Tell 'em, Big Dawg."

JAXX: "Yo, just like the Salt Dawg said it. We gots the Great American Stars comin' up 'n' you two fools dun drew the short end the straw. We gon' carve you up, man, 'n' that ain't all. Not only we gon' deliver big 'n' hold onto these ICON Tag straps, but we eyein' them PWI Universal Tag belts, too. You feel me?"

RUSTY: "I feel you, big dawg. **Kincaid & Keenan**, nothin' but respect for the two of you, but we're gonna win that qualifier match and then come Money in the Bank it's time to let the big dawgs eat!"

WARNER BROS

"Showboat" Sam Warner

Sam Warner speaks on behalf of the Warner Bros trio....

"Never have I ever seen such a high concentration of top shelf talent all under one roof at the same time, but that's exactly what we have hear in the All-Star League. It seems like we bring our absolute best to the table each and every time, but no matter how good we are we keep coming up just a little bit short. It's all good, though, because we're the Warner Brothers and we're known for our grit and our resilience. We WILL make it to the top of the mountain in the ASL, we WILL earn our shot at the Trios Titles, and we WILL prove wihout a shadow of a doubt that we have what it takes to be champions here in the ASL."

"Dream Warrior"

"Jumping"

(The camera fades into a car which is following a blue Mustang speeding toward an unknown destination. Marvel, Blood, and Nathan Ross are passengers. Marvel is on the phone frantically giving instructions.)

Marvel: H2O has lost his mind. **Gunther** tried to shatter his knee and spray-painted “failure” on his back. H2O and I have done shocking things over the years—but this time, that look in his eyes...

(Marvel shivers looking distinctly uncomfortable. He trails off, then continues.)

Marvel: Listen, we don’t have time to reminisce about H2O’s career highlights. I’m a doctor, I know what I’m talking about! Send the police, the SWAT team, the National Guard. H2O is headed to Gunther Kinderwacht’s house, and I think he might cross the line.

(The screen ripples, indicating the passage of time. The car is still trailing the Mustang. Up ahead, the camera shows a line of police cars with flashing lights. A row of police officers wearing black armor and holding shields and batons blocks the path. The Mustang doesn’t slow down.)

Nathan: He’s going to stop, right? I hope we didn’t make a huge mistake.

Marvel: He’s run people over before ... and with the state he’s in, I just don’t know.

(The Mustang comes to a screeching halt just feet from the police. H2O hobbles out of the car. The word “failure” is still emblazoned on his back. He is limping and grimacing in pain from Gunther’s attack.)

H2O: LET ME THROUGH!

Police Officer: I’m afraid I can’t. Stand down before there’s trouble.

H2O: I AM NOT A FAI...

(He cannot get the word out, his face turns red, and he screams in frustration. He looks like he’s considering starting a fight with more than a dozen armed and armored police officers. Marvel and Nathan Ross stand between H2O and the officers. Blood briefly looks like he’s going to encourage H2O to fight. Marvel pulls Blood in front of H2O. H2O steps back, but the rage in his eyes intensifies. One of the police officers is holding a bullhorn. H2O reaches out, and the officer mercifully hands him the horn.)

H2O: TYRANTS! YOU WANTED ME TO STOP LAUGHING! YOU WANTED ME TO STOP MOCKING YOU! OK. MISSION ACCOMPLISHED!

(H2O attempts to calm himself, realizing that shouting into the bullhorn is overkill.)

H2O: Since my return, I’ve kept my most explosive impulses in check. I choose to believe the pretty lies about it being a gentler, more civil time. But Gunther, you ripped away my illusions. You tried to cripple my body and my mind. So, no more holding back. You’re going to experience H2O at his full intensity, and soon you will wish that you could put the Djinn back in the bottle.

(H2O’s eyes flash cold steel. His rage is replaced with something colder and darker.)

H2O: Did you think that word would break me? Did you think that it would make me curl up and die? WRONG! WRONG! WRONG! (H2O inhales deeply.)

H2O: Having demons constantly torment me doesn’t make me weak—it forces me to become something that even the demons are afraid of. For years, people have called me a fai...

(H2O freezes up unable to say the word.)

H2O: Called me the word you spray-painted on my back. It is an icy hand gripping my heart. It is 10,000 voices—my own voice 10,000 times—reminding me of every inadequacy. Every night, I suffered pain and humiliation. But you made a crucial error. Those cursed memories don't make me weak. They force me to look forward because I don't dare look back. They demand that I keep fighting because the alternative is giving into madness and despair. They obliterate stumbling blocks like mercy and compassion. You thought that you were finally getting the upper hand, but all you did was remove the shackles that have kept you safe.

(Blood is nearly bouncing up and down with excitement. Someone might finally do some killing.)

H2O: Gunther, bring whichever Tyrants you want: the Canadian Dawson's Creek wannabe, the drugged-out degenerate, the Hellion too scared to address me. Even Stryker, if you can trust him. It doesn't matter.

(Marvel and Nathan Ross smile menacingly.)

H2O: Four-on-Four. No DQ. No Count Outs. Falls count anywhere. The fight continues until one team eliminates every member of the other by pinfall or submission. Fight us in a Mass Eradication match, and we will show you why the EE Army was once one of the most feared stables in the IWA.

(H2O is finally starting to calm down a little.)

H2O: (sarcastically) *You did it. Yay!* I'm proud of you. You finally backed up some of your endless boasting and showed me what you're capable of. I'm impressed. I didn't know if you had it in you.

(H2O rubs his injured knee.)

H2O: Now, it's my turn to show you the brutality that made me an IWA Hall of Famer. I'm coming to inflict as much suffering on you as I can imagine—and I have quite the imagination. You had better ...

Everyone in the EE Army: **Prepare to be Eradicated.**

H2O: Oh, Marv, thanks for setting the scene. I couldn't have done it without you.

(H2O winks at Marvel. He then drops the bullhorn like a microphone and limps back into his car. His injured knee hurting with every step.)

Nathan Ross: Do you think he really manipulated this whole thing?

Marvel: I don't know. It wouldn't be the first time he did something insanely dangerous to make a point.

Blood: So, what do we do now?

Marvel: A pilgrimage to get ready for Mass Eradication?

Blood: That would be appropriate.

Marvel: Onward to Chuck E Cheese then!

(Nathan rolls his eyes and shrugs his shoulders. Ross, Marvel, and Blood get into their car as the camera fades out.)

Becky Boobie is interviewing Billy Blunt after his title win.

Becky: "Billy, you had quite a tour in the ASL."

Billy Blunt: "36/M/Washington D.C."

Becky: "What?"

Billy Blunt: "You asked my A/S/L - I haven't been asked that since I was in middle school - I thought you know all of that already Becky."

Becky: "I still don't understand, but anyway. You came out victorious and advanced in the King of the Ring tournament, plus you defeated **Mike Drake** in the Best of the Best - any thoughts."

Billy Blunt: "Not really."

Becky wais for more, but Billy just sits there

Becky: "Okay...anything else on your mind? Thoughts on EEAmy?"

Billy Blunt: "Eh. They attacked and ruined the priests stuff, not much of church guy. But I would like to get some frankincense from those guys. I'm sure they'll come at me in some way. But whatever."

Becky: "Alright, so I guess that is it..."

Billy Blunt: "Hey, can you tell the priests that I want some of that frankensteiner stuff or the mirth or whatever they burn. That smells better than the popcorn I usually, I mean, accidentally burn. And I have the munchies - do they have Easter candy at church?"

Becky: "I'm not going to do that."

Becky walks away

Fathers Arturo and Conrad (AKA My Two Dads) are at their spray painted altar.

Arturo: "We stayed humble and look at the results! We have been rewarded by the..."

Conrad: "The sacrilege of destroying our altar! We need to get those guys back! They..."

Arturo: "Calm down Padre! You know that the one on high always has a plan. We have much to concern ourselves with besides some childish painting project from some heathens. Using the sacred Latin as a warning - I reminded of Matthew, chapter 7, but now is not the time for a sermon. Come, let us pray on this matter. Peace be with you all."

The two men give the sign of the cross and exit

ASL EXCLUSIVE INTERVIEW: THE CIRCLE OF TYRANTS STRIKES BACK

Interview Conducted by Becky Boobie

Location: The Loading Dock — Dimly Lit, Foggy, Barbed Wire Bat in Frame

[CAMERA ON. Becky Boobie stands front and center, microphone in hand, her signature smirk replaced with a nervous flicker of hesitation. Over her shoulder looms a shadowy figure—*Nightmare Sam Hell*, standing menacingly with a barbed wire bat balanced on his shoulder, eyes locked dead ahead like a predator waiting to pounce. Flanking Becky are the two self-proclaimed emperors of ASL: the smug and calculating Sir Gunther Kinderwacht, with the ICON Championship gleaming on his shoulder, and the scowling, unhinged wrecking ball known as Sinister Steve Stryker. In the background stand *Bruiser Brett Brown*, *Lord of Illusions*, and *Classy Eddie Degrassi*, silent but deadly, their presence like a ticking time bomb.]

Becky Boobie: I'm here backstage with the most controversial force in the All-Star League—*The Circle of Tyrants*. Sir Gunther Kinderwacht. Sinister Steve Stryker. With Nightmare Sam Hell watching your back tonight, you clearly came loaded. Gunther—

Sir Gunther Kinderwacht (*smirking and stepping forward*):

You want loaded? Becky, we're *overloaded*—with gold, with power, with talent. And speaking of overloaded, these EEArmy clowns... they've overloaded their mouths with trash they couldn't back up with their *careers*.

They want to call my promos boring? **Ha!** I've headlined more main events in this company than they've had *clean wins*. They're out here on social media typing with Cheeto-dusted fingers like they matter. Let me explain something, very *slowly* so these enhancement-level rejects can understand:

YOU. ARE. ENHANCEMENT. TALENT.

You aren't stars. You're not contenders. You're not even stepping stones—you're the damn sidewalk on which real stars like me walk.

So every time you speak my name, you better recognize the level of *generosity* it takes for me to even *mention* you on MY interview time. You should be lined up, boots in hand, ready to kiss 'em for the honor.

And by the way, you illiterate little wannabees? *Kinderwacht* means "*Protector of Children*." You got that? Before you run your mouth, maybe try opening a book or firing up a search engine instead of embarrassing yourselves every time you say my name.

[Sam Hell grins behind them, dragging the barbed wire bat slowly across a metal crate, a sickening screech echoing behind Gunther's words.]

Sir Gunther Kinderwacht (*leans into Becky's mic*):

And now—**KA-CHING!**

That sound? That's the boss man *Dr. Pain* cashing in every time I collect. Thirty bucks, forty bucks, a whole pot on the table and **I TAKE IT ALL**. That's how you make a name, EEArmy. Not by making memes. Not by tagging each other in some group chat of failure.

You're looking at a man who *earns* his reputation in the ring and in the bank. Free Parking's not just a payday—it's a *statement*. When Gunther's in the game, *you lose*.

Becky Boobie: And Steve... it's no secret. You've been gunning for Nick Dane since he took the All Star title off your waist.

Sinister Steve Stryker (*snarling, stepping closer*):

Took? **TOOK?** Nah, Becky. He didn't *take* anything—he *stole* it. Nick Dane—this cowardly, no-good, face-paint hiding, **Oz-wannabe jackass** thought he could keep me off his trail by hiding behind a *persona*.

But guess what, Dane—like the cowardly little wizard you are, **the curtain's been pulled back.**

I see you now. And I see everything.

I see the fear in your eyes. I see the sweat pouring off your back every time you hear my name. You think this is over? You think you've escaped? You just *poked the freakin' bear*.

And now? I'm gonna hurt you.

I'm gonna take that pretty face of yours and I'm gonna rearrange it until you look like your *Twitter profile picture made in Hell*.

And your little dog too.

[Becky looks genuinely startled.]

You think I forgot what's mine? That All Star Championship has one rightful home—**around the waist of the ASL's Hardcore Superstar**. You're not a champion, Dane. You're a *speedbump* on my road back to the top.

And you want to prove you're a man? Then *be one*. Get your ass in the ring. Stop hiding behind your makeup and your mind games. Bring the belt. Bring your crew. Hell—bring the whole damn H*N*R.

Because I'm coming to collect.

Sir Gunther Kinderwacht (*laughing*):

You hear that, Dane? You better get the face paint remover and the insurance card ready, because when Steve gets done with you, the only thing you'll be holding is a straw to sip your food in a hospital bed.

And as for the rest of you EEAmy hacks? Keep talking. Keep chirping. Because while you're posting clips and calling yourselves "movement leaders," the Circle of Tyrants is *moving bodies out of the main event slot and putting our own boots there*.

You're not on our level. You're not even *near* it.

Becky Boobie (*meekly*): Anything else, Steve?

Sinister Steve Stryker (*snaps his fingers, getting nose to nose with the camera*):

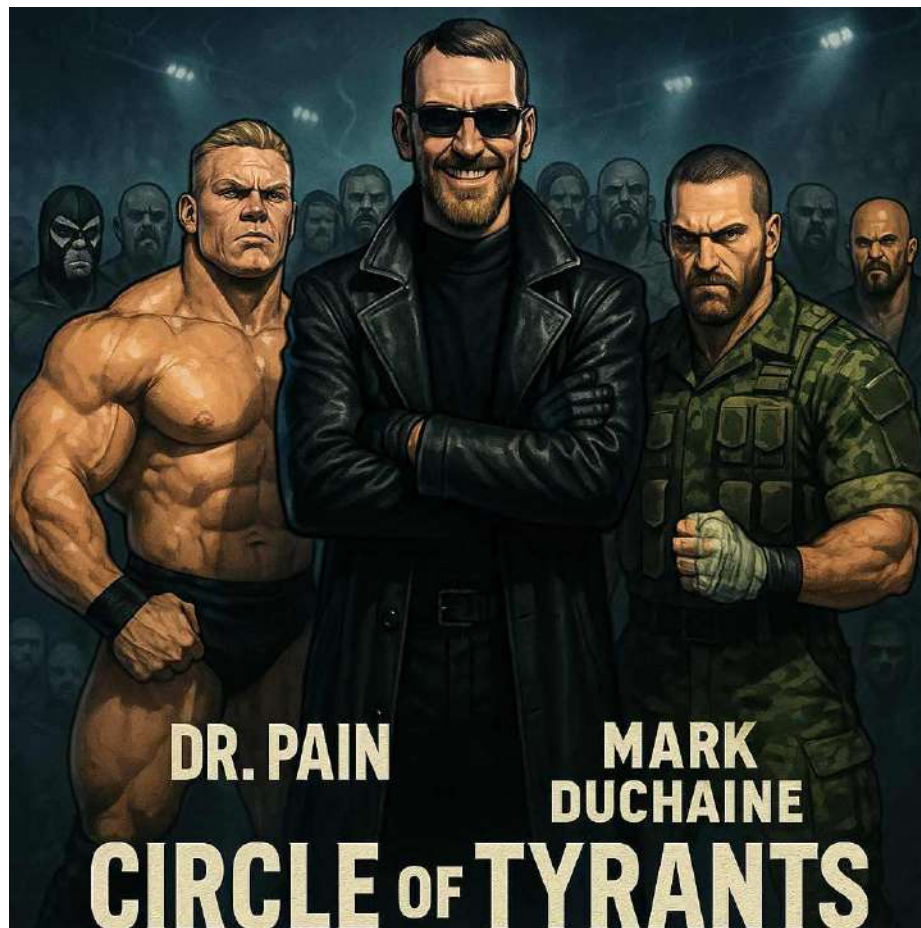

Yeah. *I want my damn belt back*. And I'm not asking nicely anymore.

[The shot lingers as the Circle of Tyrants stares down the lens. Sam Hell swings the barbed wire bat onto his shoulder again with a sickening thunk. Brett Brown cracks his knuckles. Eddie Degraasi adjusts his collar. Lord of Illusions just smiles. And then, as the camera fades to black—]

Gunther: EEAmy... *time's up*.

Steve: And pain... *is coming*.

[END SEGMENT.]
