****The remainder of the card is TBD****

I am coming after you and want your BBL League Champion title belt; I am going to beat your *** with my barbed-wire table and barbed-wire chair and make you bleed like a stuck cow. I want you in a Ladder/Barbed-Wire Ropes title match, and I will be the next League Champion: Hardcore Barbed-wire Maniac.

I am the Razorblade Madman, and I am coming for your BBL TV Championship or to be the BBL Central Plains Champion. Beware of my Razor Blade Board or my Bed of Nails – the death trap! And I will be the next BBL TV Champ or the BBL Central Plains Champ.

TJ Wants A Title Shot

Well, now that I won me a BBL award, I want to get me some gold to go with it. That is a title belt to wear and call my own. I don't care what title it is, either. We at DOD hand it to you all, for BBL is one of the toughest leagues in the IWA to play in and get a title in too.

Both the BBL and BBW are the leagues where the big boys and girls play in and call home. Now DOD has showed that we belong here too. I, TJ Maximum, want to be a Champion in the BBL, so you Champs had better watch your backs from here on out. Thank you, BBL fans.

The Fastball Wants a Title

Hello folks, it's The Fastball Louie Ratcliff here saying hi to all the fans of both DOD and the BBL. Now, it's been a while since I have chased after a title, but I think it's time now. I really don't care which title it is either, as long as it's a title.

You see, DOD has sat back and watched others get the title shots in the BBL. Well, no more. I want a shot at any title. I have worked hard for the BBL and DOD to show IWAR how good this league is. After all, I am the IWA Survivor of 2024.

Thanks BBL

Hey folks, it's Xavier the Beast here saying I am a lucky guy to have won the Death Match Tournament 2 years in a row. To me and DOD, this is a big tournament and one we love each year. Catfish Rob works with us to try and get us ready for it and all the blood we will lose in it. I want to thank Commissioner H. Hank for doing this tournament and for all he does for this league. Thank you. I also want to thank Catfish for training me at his wrestling school and begin my manager too. Thanks, Rob.

Dominant Factor Nemesis, I guess congratulations are in order for winning the #1 contender tournament, earning yourself a buttkicking courtesy of me, your BBL hardcore champion. Can't wait for that ppv to take place and earn my first title defense!!! –AOD : skullfire

Thanks BBL

Okay guys, this is Timbo and Jumbo Slice saying we want to thank everyone who voted for us for BBL Tag Team of the Year. Thank you, fans. Also, the Slice Brothers are now going after them Hounds of Hell Tag titles.

We hope to win them before the end of the year, if we can, for they are hard to win. There are a lot of good teams here in the BBL, but we want to win them for parents MVS and Jane Red, who were an awesome tag team in their days in IWAR. Thanks, everyone.

Catfish Rob Gang Wins Big

We are here at BBL head offices with DOD backstage while they get ready to call out the 2024 BBL Best of the Best awards winners. Catfish Rob is here with the DOD group telling them he is sure that there will be some DOD winners tonight. This will be for the BBL and BBW award winners and the IWAR crew are here to take pictures too.

The Men's Tag Team of the Year is DOD: Timbo and Jumbo Slice – that's a win for these two young men.

The Women's Tag Team of the Year is DOD: Catfish Josie and Dr. BB, an awesome win for these two young women.

The BBL Rookie of the Year is DOD: TJ Maximum, another win for DOD and Catfish Rob's crew.

The Most Popular is DOD: The Fastball Louie Ratcliff, who was voted for by the BBL and BBW fans, what a win!

The Most Inspirational is HOP: A Fox – what a win for that masked man. He was trained by Catfish Rob and Jane Red at Catfish Rob's wrestling school.

BBL reporter Sam Storm is here with Catfish Rob and his winners. Rob, your guys had a hell of a night. Rob says, "Yes, it was, for I figure we would get 1 or 2 awards but not this many, and it just shows that this is a great group of men and women here in the BBL and BBW. That means BA Fox too. They have worked their tails off for BBL and BBW, and now we are going to party the night away. Do you want to come, Sam, for there's some great guys here that you can have a ball of fun with?" Sam says, "Sure. Let's go."

Sam Talks to DOD

Two days later, Sam sits down with some of Catfish Rob's gang winners to talk with them. Sam says, "Well, the Slice Brothers won Tag Team of the Year. How do you guys feel about it?" Timbo says, "Sam, we love it, and it's a great honor to be picked by the BBL fans too." Jumbo says, "We have worked hard for this, Sam, and we got to say thank you to all who voted for us."

Sam says, "Next up is the Women's Tag Winner." Dr. BB says, "Sam, we want to thank everyone who voted for us." Catfish Josie goes, "It's been a hard year for us, but fun and good and bad. Thank you to the fans."

Sam says, "Next up is Most Popular – The Fastball Louie Ratcliff. Well, Louie, you have had a hell of a year in the BBL. How do you feel about it?" Louie says, "Sam, it's been like a dream to me. All the ups and downs, goods times and bad times, but it's been fun too." Sam says, "You won the BBL League and TV titles and one of the biggest contests or games in the IWA, so that makes you one of the best too." "Sam, first of all thank you for the other night for that was the most awesome night to me. After Rob's best friend Tim Clark passed away, we were not sure what Rob was going to do, but I figured that we needed to step it up to help Rob out. That's what I've done and it's helped me too. Now I got to thank all the BBL fans for voting for me. Thanks, folks."

ROYAL FAMILY OF DOOM

Timber Wolf: "Hey, check me out: STILL your TV Doom champion. Feels good."

Dire Wolf: "Fine. But what I need to feel good is someone breaking apart in my hands. Again. I'm heading out." (And so he heads out.)"

Wolf: "I'll give him a moment. It's better to stare down your anger and use it, rather than the Dominant Factor method of better living through self-delusion."

Tombstone: "Speaking of which..."

Decapitator: "I can see it coming!"

Apocalypse: "Fluff Man Hoven strikes again! Or strikes out, anyway, as per usual. Hovie, you human Twinkie, you couldn't make someone feel "threatened" if you had twenty pounds of TNT strapped to your chest. What you are is a walking joke who isn't even in on the punchline. But even an object of pity such as yourself doesn't get any mercy when (air quotes) "he" picks a fight with the Family of Doom. Everything bad that happens to you will be your own fault, but we'll still get the credit. Stay tuned for your own destruction, chuckles."

HE-MAN HOVEN

*HOVEN struts to the ring to his music:
"ICE CREAM" BY THE BLACK PUMAS*

He-Man Hoven: Another title around my waist by beating down a dude called **Machine**. Machine. What kind of machine? How about the Money Machine, because beating him for the, uh... (stops and looks at the belt) Southwest title here means more money in my pocket and even more when I capture that BBL title and all the money that comes with it. And then?

I will use that money to hire a professional comedy coach to come here and give **Snitch Pig** and **Royal Family of Cucks** some lessons. I mean how can I not when the best they've been able to muster up has been;

She-Man Hoven – weak and simple, like them.

She-Man Honey – Who doesn't love honey?

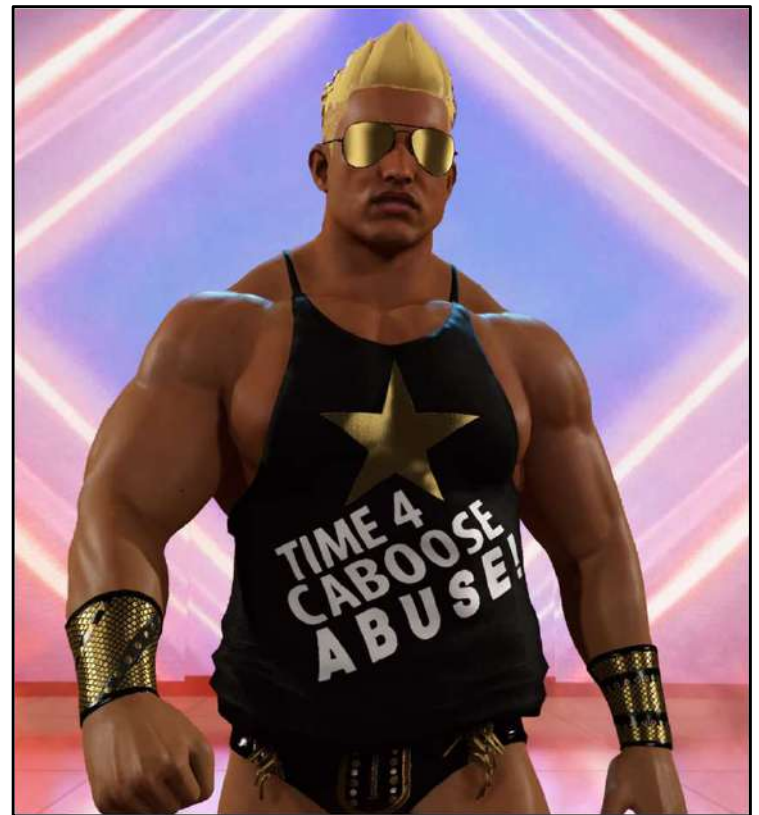

She-Ra Hoven – A dis from 40 years ago, really?

Twee-Man Hoven – Twee? WTF is a Twee?

Trans-Man Hoven – This has been the go-to insult and while it does have the classic '80's bully makes fun of the boy who wants to be a cheerleader, but they don't realize that the kid hacked the system to get in tight with all the fine chicks in school, spends all his time working out, lifting weights and getting hotter than ever and winds up getting passed around by cheerleaders like a pom-pom.

Oh wait, they did accuse me of getting pec implants, but that's easy to understand when it comes from a collection of slobs and slack-jaws. All of which shows why I was the BBL's #1 pick in the IWAR Draft, you all need me. Kind of like how **Cakezilla**, needs me to visit her every time Snitch Pig is one the road.

Now I got this Six-man match at **Beach Brawl V** against **Wimp Pig** and two members of the Royal Family of Dummies. The biggest question isn't about who I will bring in as my partners, but how long will it take the RFD to figure out how to count to two and send down the first available Wolf-themed dude they have hanging around. Hey, don't worry fellas, I got a good idea of who I'll bring in to help me out at Beach Brawl 5. Clearly it won't be anyone around here. Who is left to choose from Russian Destroyer 15 or the Psycho Florist Dan Delyon? Don't worry people, when the time comes, we will go in beat the piss out of those jerks and cash the winner's purse. Gimme that money baby!

HE-MAN HOVEN'S CHUMP OF THE WEEK

MAMA WAR PIG

A lot of people blame today's society on the kids, but we need to blame the parents. For example, as much of a jerk War Pig is, most of the blame needs to be placed on his Mama. That's right, Mama War Pig proves the saying "Bad Parents raise Bad Kids" and look at the way he looks, talks and behaves. Clearly, he was raised in a pig pen, but in the spirit of good will, I will do the right thing and stop by to see Mama War Pig and give her what she really needs... a pounding. A vigorous pounding from me! Har Har!

RUSSIAN DESTROYER #2

“My name is **Chester P. McGillicuddy III**, and I am the advocate for the human juggernaut known as **Russian Destroyer #1**. Last tour, I introduced the BBL to the most devastating, destructive, and dominating force known as **Russian Destroyer #1**. Since my return, I have received a welcome worthy of a King. I have received telegrams from the great world leader *President Putin*, with great appreciation for the success of his country man. Now it is time to turn our attention to our first goal – the TV DOOM Championship! **Blood Moon**, you have been resting on your cottage cheese backside and ignoring challengers. You will

not be able to ignore the advancing human juggernaut. This is a warning, watch out, the **Russian Destroyer #1** is coming for you and that TV DOOM Championship. Papa's got a brand-new bag, exalt the **Russian Destroyer #1!**"

UNCLE IVAN

(Chester P. McGillicuddy III stepping out in a three-piece suit, gold chain, mirror shades, and a megawatt smile):

"My name... is Chester P. McGillicuddy the Third, and I am the advocate for the Russian bruin, the patriarch of punishment, the once and future King of Hardcore... Uncle Ivan!"

[Crowd boos and howls as Uncle Ivan steps through the curtain dragging a chain, coat dusted in dried blood, staring dead ahead like he's already counted your bones.]

CHESTER *(pacing, animated):*

"See, in the Blood Bath League, y'all like to play rough. Barbed

wire, tables, steel chairs, no rules? You think that makes you dangerous? You think that makes you hardcore?!”

[Chester leans in, grinning, then turns to Ivan, who hasn't blinked once.]

“This man was sharpening sickle blades in the gulag while your momma was still cutting the crusts off your PB&J. This man—THIS MAN—ate raw elk just to stay warm in Siberia. You bleed for fun? He bathes in it for purpose. You fight to win? He fights because pain is prayer, and violence is the only language he speaks fluently!”

[Uncle Ivan finally grabs the mic—his voice is low, gravelly, and completely unbothered by your opinion.]

UNCLE IVAN: “You call it hardcore... I call it Tuesday. Bring your bats. Bring your glass. Bring your little fire tricks. But know this: when you look across that ring and see me? That’s the last time you’ll see anything.”

[He pauses, lifts a bloodstained burlap sack and drops it with a THUD.]

UNCLE IVAN: “Ask last man I fought....If he ever finds his teeth.”

CHESTER (laughing, arms wide):“Welcome to the Blood Bath League, baby! Business just picked up. And the cold war just got HOT again! Papa’s got a brand-new bag!”

Well, She-Man Hoven, still not making friends. You have made me talk more than I want to. I prefer just blood guts and the mat.

I don't care how many folks they put in our match – you are mine. Hopefully you have not only paid up your health insurance, but make sure your tetanus shot is current!!

*6-Man has sure picked up – well we are
about to see who is going to get an
A\$\$ whooping at Bloody Beach Brawl!!!*

*10 rounds of Jose Cuervo by Tracy Byrd
blaring over the speakers.*

*He-Man Hoven don't you have enough
problems in the BBL why you want me,
by the way I have never been caught ...
errr ... arrested for DUI.*

*Chester Pee. McGillipuddy III, what the
hell is this sh** about Russians. I think I
might take my tequila bottle and
smashed don those vodka drinking
bums!!!!*

*By the way I want to see those
passports!!!*

Double R Is Still Here Folks

Some guys think that Double R is gone or over with. Well, let me tell you a few wins is nothing over me in this wrestling world. I have been in this wrestling world for 11 years now, and I have lost to and beat some of the best wrestlers in this world today, and I am not going anywhere, either.

King Rat Khan, I heard you running your mouth that you destroyed Double R. Well, kid, I hate to tell you, but I am right here in the ring, calling you out. I want to see if you can come out here and finish me off. Now you might beat me, but I sure don't think you can finish me. I will see you soon, King Rat, and you had better be ready too.

Hey Rachel Yamazaki, you say that Double R has a big mouth and can't back it up. Well, come shut me up for good then. I have wrestled in a bunch of leagues, and I am still here and don't plan on going anywhere soon either. Watch your back, fools.

Hey IWAR, Double R wants to be in that Hell in a Cell match at The IWAR Super Show against Luthor Alexander vs. Skapegoat. It's been a long time since Catfish Rob or Double R has clashed with Luthor in a match, so please put me in that Super Show match.

I love you BRL and IWAR fans, so come meet me at the shows and get you a Double R picture for free.

The BBL Rookie of the Year is DOD: TJ Maximum, another win for DOD and Catfish Rob's crew.

The Most Popular is DOD: The Fastball Louie Ratcliff, who was voted for by the BBL and BBW fans, what a win!

The Most Inspirational is HOP: A Fox – what a win for that masked man. He was trained by Catfish Rob and Jane Red at Catfish Rob's wrestling school.

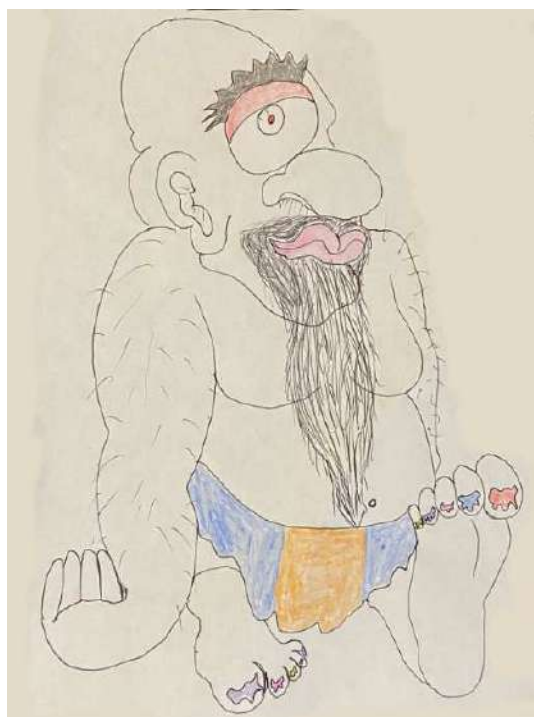

BBL reporter Sam Storm is here with Catfish Rob and his winners. Rob, your guys had a hell of a night. Rob says, "Yes, it was, for I figure we would get 1 or 2 awards but not this many, and it just shows that this is a great group of men and women here in the BBL and BBW. That means BA Fox too. They have worked their tails off for BBL and BBW, and now we are going to party the night away. Do you want to come, Sam, for there's some great guys here that you can have a ball of fun with?" Sam says, "Sure. Let's go."

Sam Talks to DOD

Two days later, Sam sits down with some of Catfish Rob's gang winners to talk with them. Sam says, "Well, the Slice Brothers won Tag Team of the Year. How do you guys feel about it?" Timbo says, "Sam, we love it, and it's a great honor to be picked by the BBL fans too." Jumbo says, "We have worked hard for this, Sam, and we got to say thank you to all who voted for us."

Sam says, "Next up is the Women's Tag Winner." Dr. BB says, "Sam, we want to thank everyone who voted for us." Catfish Josie goes, "It's been a hard year for us, but fun and good and bad. Thank you to the fans."

Sam says, "Next up is Most Popular – The Fastball Louie Ratcliff. Well, Louie, you have had a hell of a year in the BBL. How do you feel about it?" Louie says, "Sam, it's been like a dream to me. All the ups and downs, goods times and bad times, but it's been fun too." Sam says, "You won the BBL League and TV titles and one of the biggest contests or games in the IWA, so that makes you one of the best too." "Sam, first of all thank you for the other night for that was the most awesome night to me. After Rob's best friend Tim Clark passed away, we were not sure what Rob was going to do, but I figured that we needed to step it up to help Rob out. That's what I've done, and it's helped me too. Now I got to thank all the BBL fans for voting for me. Thanks, folks."

WTL Report Time

I got to get my WTL Report done sooner, folks. I was up most of the night getting it done liek a giant load of poop too. - Darren (By: Catfish Rob)

War

WAR "Tyler Holubowski Riley Reinhard are laid up somewhere in a hospital bed counting their blessings that they're not dead, and meanwhile we're headed to Beach Brawl where we're going to be crowned the brand-new Hounds of Hell Tag Team Champions!"

WRATH: "Mr. Smith & Pork Rind, you two have been holding onto our titles for far too long and it's high time we show you what the Dominant Factor is all about!"

NEMESIS: "That's right. Beach Brawl V is all about the Dominant Factor establishing our stranglehold over the Blood Bath League. War & Wrath are going to take care of business in their triple threat match, but as for me.... well, I've got Skullfire all to myself. I'm a three-count away from obtaining what's been destined to me all along, and at Beach Brawl I'm going to show you why we're the Dominant Factor and you're not! Just ask the Royal Family about it."
