- ✓ Congrats to **TOTAL PACKAGE U.S. MAYLE** on capturing his 3rd TV title.

RINGSIDE RUMORS: with Dapper Dan Dee

The nervous know-it-all asks the hard questions and dishes the dirt!

- Are **RICKY SALT & ROBERT PEPPER** giving up their tag team aspirations for solos?
- Same could be asked of **RICKY SAVAGE** and **SYD CREDENCE**, but I have it from an inside source that as well as they do on their own, their primary goals are as a team.
- Why did **Oliver Livingston** miss a visit to a hospital? Not like him at all to do that.
- **Joe Tusa** hasn't held back in his desire to win BRL gold, can he cash in his shot?
- "The Shepard" **Vincent Wyatt Gacey** went inactive, well that sucks, we liked him.

OUT OF CHARACTER with BRL Commish, Matt Riley

I'm always looking for help with the BRL Report, and if you want to get involved, let me know. We used to have in-house events like the Mr. BRL, Marano and All Rookie Cup, but they grew into IWAR-wide events. While that is great, I'd love to have a in-league event or tournament like the G1 or Continental Classic that would spotlight some of our great talent. If anyone wants in on this or to join in some other way/s, let me know.

*** If you are new to the BRL or considering it, email me and I'll get you in on the mayhem.

Thanks, -Matt, Riley1d20@Gmail.com

BRL Commissioner: "MADDOG" DICK JACKSON

One of the IWA's most popular stars, DJ retired into the IWA Hall of Fame (<http://playiwa.com/archives/v23n06.htm>), but returned to be the Commish in the NWL soon after. After a great run there, he came back to the BRL and his fair, but firm style works well as he looks to put on the best shows with the best stars.

Ringside Interviews: DAPPER DAN DEE

He may be nervous and skittish, but he is determined to ask tough questions, which doesn't mix well with his habit of bring up wrestler's losses and mistakes.

Backstage Interviews: ANGELA HURTZ

The BRL's newest addition is bold, aggressive and eager to find out who the BRL stars are, why they're here and what they're willing to do to get it.

Color Commentator: RICK CHALLENGER

2x IWA Hall of Famer (<https://playiwa.com/archives/v25n06.htm>) brings his Badd Co. energy to every broadcast and still has a habit of overlooking the actions of those nasty rulebreakers.

TV Announcer: SHOOTER SIMMONS

When he isn't bringing up ex-wives or scandals, he offers an his take on the hard hitting competition as it happens.

THE BRL RING OFFICIALS

Sammy Slowman tries to keep up with the action, Eddie Espresso gets accused of counting too fast and then the Senior ring official, Willy Pinnem has seen it all... except when he gets bumped and blacks out for a few minutes.

The BRL's Cast is available to include in your promos. If you'd like to have your wrestler involved in Commissioner Jackson's column, let me know. -MR

BOOK CLUB

VOL 2

[Sheldon Shrute, LePage Turner and Steel Cut Oates.]

Turner: I reached the top of the BRL and IWA for that matter, by being the smartest man in the business. My book, **501 Ways to Win**, has helped people be their best, be it in a ring, the court, field or anywhere. **Shohei Othani, Tom Brady and LeBron James** all read books and I wrote one. Clearly there is a connection and one that I will use to defeat **Hollywood DVS**. I have to say after all these months of his ranting promos, it was unexpected for go silent recently. A change in behavior, a good way to surprise an opponent, be unpredictable.

Sheldon: Roll for surprise! (throws dice) heh-heh!

Oates: STOP IT! You do that again and I'll-

Turner: Easy SCO, save that energy for you North American title match at Imagibash. You'll have to crush either **King Khan** or **Hillbilly Kevin**. So really, you have two chances to walk out a champ. DOPE!

[Turner offers an awkward hi-5, Oates sighs and obliges, Shrute raises his hand for a hi-5, but it left hanging.]

Shrute: And I'll be in your corners, ready to spring a trap from which there will be no saving throw! Bwah-ha-HA!

Turner: Indeed, but I'd be remiss if I didn't pause to wish both **Punk Rock Mike** and **Agent 26** to worst of luck in their Ambulance match. I hope they beat the hell out of each other and they both get put in the ambulance and then that Ambulance crashes into a Cybertruck driven by **Shaquille O'Neal** and explodes! The perfect ending!

THE
TOTAL PACKAGE
U.S.
MAYLE

THE REFLECTION
OF PERFECTION
HE-MAN
HOVEN

THE ARMED FORCES

RETURN TO SENDER: MAYLE REGAINS THE TV TITLE

The fans of the BRL can rest easy as the Television championship that has been held by all-time greats like **Ghost Lee Shadows**, **Maddog Dick Jackson**, **Hades** and now the Total Package, U.S. Mayle walks among the greats. I put a whupping on **Agent 26** and deliver the goods, on-time, every time! Now the eyes of Americans will look to U.S. to deliver again and take the BRL championship away from the Japanese menace, **Tsuyoshi Mazoku**.

STEROIDS MARR SAVAGE WIN OVER HOVEN

The reflection of perfection was ripped off by a man known for his blatant cheating as he is for his extremely suspect physique, one **Ricky Savage**. Soon after the match, He-man Hoven filed a protest over the match result and appealed to have the result of the match reversed, but as of time of this printing, Johnny B. has refused to take action. Truly a dark time for the Armed Forces.

ROYAL FAMILY OF DOOM OR DODGE?

Seems like **Snaggletooth** and **Furball** are all upset that they gotta face the Armed Forces at the big show, Imagibash. Just what I expect from those weaklings, they'd rather face someone like Joe Tusa and not someone like us who reminds them of how they keep losing their ladies to studs who can get the job done. Those chickens better run because at Imagibash, we gonna wreck em'.

Monster Truck TANAKA

“NOW GREGGY,
YOU FACE THE REAL
MONSTER!”

“Soon... SOOOOOONNNNNN! Image of bash, **Big Punk Gregggy Garnar** will finally face the end of line. Steel Cage! STEEL CAAAAAAAAGE! No escape for you Gregggy. No way for **American Destroyer** to save you. Even new friends like **Homeless Country Folk** and **Hollywood DVD** can no help you. For many year, you try to end Tanaka career, but you fail! NWL? No! CWL? No! BRL? Will be no different. You think you know Tanaka, but you have never see this side of the Monster Truck. Not the happy man the fan love. Not the competitor the locker room respect. No, this is my true face (gets close to camera) a face you will fear and have many nightmare. Because a Monster is me!”

2025 - Wins IWA-Wide Pacific Northwest champion,

2024 - Wins 4th BRL title (d. *American Destroyer*) Gold Federation, Metro title (2), Wins 5th BRL title (d. *Hillbilly Kevin*), Loses N.A. title to Squeakums the Clown (ends 3yr/39 cycle reign!) **BRL Wrestler of the Year (235pts (3L, 1TV, 2R, 1F, 1M, 7*) 494.6)**

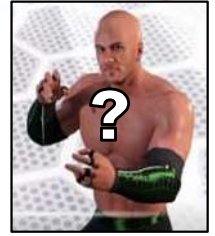

2023 - BRL, wins Elite & Metro titles, wins 2nd BRL title (d. *Zydrate*), wins 3rd BRL title (d. *Zombie Hunter Matthew Porter*), Lethal Lottery Trios Tourney champs (w/*Neo Dragon* & *Father Conrad*), **BRL Wrestler of the Year (210pts (2L, 5R, 1E, 1M, 11*) 494.4)**

2022 - BRL, wins 1st BRL title (d. *Decapitator*), P&D turn on Tanaka and keep attacking with him with steel chains, steel chairs and pipes as they try to destroy Tanaka. **BRL Most Improved Wrestler: +100pts over prev. year.**

2021 - BRL, Splits with P&D, At odds with Greg Garnar over who the true leader of P&D was, wins North American title (d. *Brom O'Berin*, 586, 6/21), finalist Lethal Lottery Tag Team tourney (w/*Dixon Ticonderoga*)

2020 - CWL, moves to new league, splits with Wingate, nearly wins Most Popular Wrestler award for his goofy ways and forms an uneasy alliance with Pain & Destruction (*Big Guns Greg Garnar* & *The Pharmacist RX Pain*) claims to be leader of P&D. Moves to BRL.

2019 - NWL, debuts, Starts as popular youngster who brings his former teacher *Mrs. Warmly* who taught him English in Japan, to ringside so she can hand out her Oatmeal cookies. Many thought he was in over his head in a bloody feud with *Outlaw Jon Nash* that peaked in a wild *Trader Joe's Death Match* that was held inside an open grocery store as bystanders fled during the mayhem. **NWL Six-man Team of the Year:** with *Trust Fund Carson Wingate* & *Nate Money Man Barnes*. **NWL Moment of the Year:** When *Commish Jackson* stripped the Young Lions title from *Viktor the Possessed Iasamov* for his violent attacks on NWL staff and fans, he ordered the two top contenders, the popular Tanaka and the hated *Trust Fund Carson Wingate* to face off. Carson showed up with a briefcase full of money and Tanaka responded telling them to “Ring bell!”, when Wingate applied a headlock, Tanaka tapped out! Shocked NWL fans watched as Tanaka sold out and turned on *Mrs. Warmley* by chokeslamming her while shouting “*Tanaka hate oat-a-meal!*”

[Hot \$tuff Adam Ca\$h - Dixon Ticonderoga - ~~Stevie Vertigo~~]

Dapper Dan Dee: Gentlemen! (Adam and Dixon look around) Yes, you two! Gentlemen, in moments, Dixon, you will clash with the **American Nightmare, Jackson Ikarus** with a spot in Imagibash Ladder match on the line. How do you feel about this?

Dixon Ticonderoga: How do I feel? How do you think I feel? This loudmouth newbie shows up and talks and talks? I'm going to punch him in his mouth, hit a Graphite Driver and pin him. That will feel great. Almost as good as feeling a great big pair of-

Dapper Dan Dee: Whoa there Dixon, this is a family show.

Dixon Ticonderoga: Since when? (Dan sighs)

Adam Ca\$h: That's a great point, almost as good a point as wondering why the greatest competitor in BRL history, ME... is NOT on the Imagibash show? (holds up phone) Go ahead and look it up. I guess I'll just have to go see Commish Jackson and ask him in person. Do I need to jump someone? Sneak attack someone? Who can I call out? Hey DJ, how about this? I'll issue an open challenge, and I'll face anyone who shows up and beat the [BLEEPIN] [BLEEP!]

TEAM MEOW V.4

Fatty the Butcher, Mad Max Red Wolf & El Barbaro

This note is for the Mannequins.

Misfits? Are we misfits or are we the perfect fit to be the one team that can take the Global Trios title belts from the Mannequins. It won't be easy, but you will not be able to dismiss us. While words have not come from my mouth, being mute doesn't mean I won't be able to tell you that these Misfits are coming for your gold. After we win, I will treat myself to all the yummy food I want and I'll even use the same fork that I plan on using to carve you up with! Mmm-mmm!

ABSOLUTE POWER

KHAN

STEEL CUT OATES & HILLBILLY KEVIN

Infidels... HAWKTUI! Oates... Do not worry I have a way of dealing with those who refuse to bow. Look at those who already lay in my wake. You were one of the few who caught my eye when I arrived. Such a physical specimen, too bad you lack the mental capacity to make use of all that muscle. When we step into the ring you will bow.

As for Hillbilly Kevin... It took Tanaka to get you that strap. Look what I just did to him in the Johnny B Cup tournament. You're a washed up shell of your former self. Havent been the same since you lost the Revolution title to Scapegoat months ago. Well you'll be licking your wounds for the next several months when I am done with you.

MAZOKU

You bested me for the league title my friend. If I must hand over the belt there is no one more deserving than you. Time to focus our efforts on Tag Gold!

Tanaka

I guess a winner is me? I mean your best was simply not good enough against someone of my skill level. There is always next years Johnny B Cup. Luck Better time of next?

Rachel Yamazaki sits at a press table, flanked by the giant Tsuyoshi Mazoku. In front of Mazoku is his BRL Championship; Yamazaki displays her BWL Black Widow Championship.

“It was certainly a banner cycle for the Yamazaki Corporation,” Rachel reads from a prepared statement. “We have, of course, continued to dominate the Trios division, taking home World and US Trios gold and our head trainer, Professor Vitali Medved, has finally been acknowledged for his contributions to the IWA, even in the midst of a protracted legal battle. All that said, though, it is

without a doubt the crowning achievement of the Yamazaki Corporation for Tsuyoshi Mazoku to wear the BRL’s championship.”

Rachel puts down her folder and speaks with visible distaste.

“I have also been asked to acknowledge Doug McMaster, whose performance in the battle royal, it is said, brings great pride to the corporation.”

“McMaster and Mazoku were,” she says, bringing her statement back off the table, “the Yamazaki Corporation’s first athletes back in the IWA, and they dominated the NWL in 2023. It is rewarding to see, once again, the likelihood of friendly competition between two talented athletes, Mazoku representing the future of the IWA...”

She pauses.

“And McMaster the past.”

With a wry smile, Yamazaki says, “Tsuyoshi Mazoku will not be taking questions at this time.”

Punk Rock Mike / AGENT 26

*"Boulevard of Broken Dreams" by Green Day plays over the loudspeakers in Madison as an ambulance peeks out from the backstage and backs into the center of the stage at the top of the ramp. **Punk Rock Mike** exits from the driver seat of the ambulance, mic in hand along with his **IWAR Revolution Championship** over his shoulder. **Punk Rock Mike** then proceeds to walk to the back of the ambulance and takes a moment to look out to the rest of the arena and the audience.*

Punk Rock Mike: One hundred thousand dollars. That is the amount of the fine that **Agent 26** cost the both of us for getting Shaquille O'Neil, a celebrity and big fan of the wrestling business, involved and hurt after our tag team match against the **Von Snapps** for the **Marano Tag Team Tournament**. And to add insult to injury, **Commissioner Maddog Dick Jackson** saw fit to choose the next match of our series himself as recompense for what happened to good ol' Shaq. So, at **Imagibash 25**, it is going to be **Punk Rock Mike** vs. **Agent 26** -

***Punk Rock Mike** suddenly hits the back of the ambulance firmly a couple of times.*

Punk Rock Mike: In an Ambulance Match!

The fans in the audience cheer loudly at the announcement.

Punk Rock Mike: Now, I'm not one to necessarily wish ill on my brother, but he has this one coming. In our series, I am already 2 - 0. I tried to give my brother an out and let him apologize so that we can get back to doing what we do best. Instead of thanking me for the opportunity, he spits in my face and once again blames me for where we are now. So, I am going to give my brother one more lesson of tough love. That's right, I'm going to turn lemons into lemonade and use this Ambulance match that the Commissioner has chosen for us and turn it into an opportunity instead. I know that he has another match at **Imagibash**, and I don't want to cost the **McFlaherty Brothers** their **Global Trios Championship** match, although I think it should have been me instead of **Agent 26** in the match but that's a different story.

*As **Punk Rock Mike** continues to speak, looking out to the crowd, the ambulance back doors begin to open slightly.*

Punk Rock Mike: I just hope that their match comes before our match, **Agent**, because when I am done making you pass out from the pain with my Broken Promise Ring, I am going to drag your bloody body into this ambulance and shut the door.

The doors open fully to show **Agent 26** standing inside the ambulance staring at **Punk Rock Mike**, who is completely unaware of his presence.

Punk Rock Mike: Then, once this ambulance hauls your broken body to the hospital, maybe then you'll listen to me and-

Suddenly, **Agent 26** lunges at **Punk Rock Mike** from the ambulance and begins wailing on him with punch after punch to the face. Then, **Agent 26** grabs **Punk Rock Mike** and throws him into the ambulance. **Punk Rock Mike** bounces off of the ambulance and into **Agent 26's** Head Shot. **Agent 26** does not waste any time picking up **Punk Rock Mike** from the ground, and holds him up and begins yelling at him.

Agent 26: You are not better than me! You will be the one who's broken at **Imagibash**!

***Agent 26** then goes to hit **Punk Rock Mike** with another Head Shot, but **Punk Rock Mike**, while completely disoriented, instinctively grabs the ambulance door and slams it into **Agent 26's** face. Both brothers then hit the ground as the audience cheers and BRL security and medical officers come out to check on both of them and separate them before they try to attack each other again as the screen fades to black.*

The Savage-Credence Connection

SAVAGE: "Imagibash is almost here and it's about time for the show, yaya. Uh huh. It's almost time for the show, yeah, and that means a whole lotta bad for anyone standing in the way of our path to the Global Tag Team Championships. Yeah."

SYD: "Henry Taylor & George Campbell, to say that the two of you have bitten off more than you can chew would be the understatement of the century. You can run out there and gather up all the friends you can find, but believe me when I say that even Flashy Jack & the Mannequins can't save you from the beating that's waiting for you at Imagibash 25. In fact, I may even have a Credence Bomb or two ready for them as well. And, oh by the way, Oliver Livingston & Dark Danger - you may be flying under the radar in this one, but don't let that fool you into thinking for a moment that that means we don't have plans for the two of you. The Savage-Credence Connection is about to run wild on Imagibash 25 and Credence WILL be served!"

"the Total Package" LEX STEVENSON

Imagibash 25 is around the corner and I'm about to carve my path into the Global Title contenders ladder match. Sabertooth, you drew the short end of the stick, pal, because you're about to step into the ring with the Total Package and I'm not talking about that chump, US Mayle. I've got my sights set on the show, and right now you're the only thing standing in my way!

The Dazzlers

Hola! Como estas?!? The Dazzlers have begun to mark our place in this historic league and we will continue to make our ascent to the top of the ladder here in the BRL. We are sure to dazzle you and dazzle you with all our great moves, muchachos!

Tribal drums reverberate throughout the arena and the lights go out.

Voiceover (deep, gravelly):

"They say every warrior has a breaking point. A moment when the body gives out, when the mind falters... but not this one. Not him."

Flashbacks of the Hawaiian Heartthrob's past victories: a crushing slam, a triumphant raise of the championship belt, and the roar of the crowd.

Voiceover (building excitement):

"He was at the top, feared and respected. A champion. But fate has a way of testing even the strongest."

Cut to the moment of his loss—crashing to the mat, the crowd gasps in horror.

Voiceover (a somber tone):

"But the story doesn't end there. No, this warrior never quits."

Quick flashes of the comeback : the Heartthrob's determination, a hand gripping a dumbbell, sweat dripping.

Voiceover (intense, uplifting):

"Day after day, fight after fight, he fought not just for glory, but for the right to stand tall once more."

A shadowy figure enters the arena with torches surrounding him—in the dead of darkness , slowly stepping into the light—it's the returning The Hawaiian Heartthrob. The crowd goes crazy.

Voiceover (exploding in energy):

"And now, he returns. Stronger. Hungrier. Ready to reclaim his throne. The battle is far from over. This... is his time."

The lights go out again, and all the torch lights disappear with the sound of tribal drums beating softer and softer.

Voiceover (final, echoing):

"The comeback begins... now."

ROYAL FAMILY OF DOOM

Sabertooth: "Hm, what? Oh, is Hoven still talking? I'm sorry, I must have nodded off. You might assume that after years of no one paying attention to anything he says, Wo-Man might shut up. But, alas and alack, he yammers on, trying to stave off the hand that will finally choke down that last bottle of pills. Ho-Hum Hoven, no one cares, even now. But if you and your organ grinder really want it that bad, well, we've agreed to give the party bosses in the BRL what they asked for. Me and Fenris--"

Fenris: "Hi."

Sabertooth: "--are gonna stomp all over the sugar boys called the Armed Forces. Take off your clown shoes and put on some rasslin' boots, b!+ch monkeys, because at ImagiBash, we get to make bad things happen."

American Destroyer

I have a "play in" match and if I win, I will be int he Ladder match at Imagibash. And my opponent is that Idiot Joe Tusa. I will beat you, Tusa. Then, I will go on to win the Ladder match. After PAD nearly broke your neck Tusa, you should have left the BRL and went home to the safety of mommy and daddy. Instead, you put your hands on Rick Challenger again and attacked me and Greg with a chair. SO now there is no safe place for you. I can't even guarantee the safety of your parents. You will pay for what you've done. Maybe not today. Maybe not tomorrow, but soon.

Pain And Destruction And Dynasty are the cause of your Pain and the reason for your Total Destruction.

"Big Guns" Greg Garnar

("Big Guns" Greg Garnar, American Destroyer, Hollywood DVS, The Hillbilly's, Big Vaughn Vader, and Whitefoot are all standing in the ring.)

Garnar: "What you have here is the greatest collection of wrestlers in the history of professional wrestling. You Moronic Pukes are blessed when you get to watch any of us wrestle At Imagibash, PAD and Dynasty will dominate. Hollywood DVS will become the new Global Champion. Hillbilly Kevin will retain his North American title. And I will destroy Monster Truck Tanaka in a Steel Cage. Tanaka, there will be no place to run, no place to hide, and nobody will be able to help you. I'm going to rake your face on the chain link fence and spill so much of your blood they will have to call in the Red Cross. I'm going to break every bone in your body. I hate you! And when it's all over, you will be both physically and mentally scarred for life. Tell 'em, big man."

If any of you BRL fans are reading this, then the gods of imaginary wrestling must be playing the ultimate joke this April. I, Frandel Warpslayer, ought to be mixing it up in the IWL right now, as per the Draft results. Instead, I have slumped it out here in the BRL four cycles longer than anticipated, ostracized the entire roster, and developed an unhealthy obsession with pyromania, enough for me to qualify for next mayor of Knox County, Tennessee. I understand there was to be a trial period for incoming Draftees. It's just I thought that would take place in, y'know, the new league.

Commish Jackson or Riley better have a convincing explanation for all this confusion and delay in Reporter #635, or Godor will erupt into such chaos that not even Bruno the Brake Van could put a halt to it. (What, no one else watching "Thomas & Friends: All Engines Go?" Tough crowd...) Trust me, you don't want to cross the bad side of a galactic bounty hunter when he's bored out of his mind!

King Rat Goes to Sleep

King Rat Khan was in the back at a BRL show watching Double R in the ring calling him out and said, "That's it!" He started up the hall to go to the ring. As Khan gets to some rooms, a masked person steps out in front of him and said, "Look here, folks, it's the King Rat *** of the BRL."

King Rat stopped and said, "Look, young lady, I don't know you, but you need to watch your mouth and take that damn mask off so I know who I am talking to." Someone from behind King Rat Khan said, "I don't think so, ugly rat," and when Khan turned around he was hit right on the jaw. King Rat dropped down out cold on the floor as Squeakums the Clown said, "I've been wanting to do that to you for a while, Khan. By the way, Double R says hi and he's waiting on you, jerk. You don't play games with DOD for we stick together and help each other out. Don't we, Sweetums?"

"It's Lady Sweetums" to all you IWAR folks, and she's trouble to all you guys and rats out there too." Double R walks up and said, "What happened to him?" Sweetums said, "He fell and hit his head." All three walk off laughing.

(Dynasty Music blares over the speakers as Hollywood DVS, Hillbilly Kevin and Whitefoot enter the ring)

Whitefoot: I'm going to do this interview myself. I will ask the questions! So Mr. Hollywood, what do you think about Turner's remarks that you are washing socks?

Hollywood DVS: Well, Turner is searching for material brother. He can only make fun of things like fonts and color so many times. His wit and sharp tongue won't do him any good in Cleveland when I bring the big leg crashing down on him dude!

Whitefoot: Well said Sir....now onto the wrestler of the year Hillbilly Kevin!

Hillbilly Kevin: That is right. Make no mistake, I am the wrestler of the year and the North American Champ!

Whitefoot: What do you say about allegations of you being racist?

Hillbilly Kevin: Are you kidding me? Is this because what I said about steel oates? Let's be honest. Who doesn't like fried chicken and Kool aid? Hell, next thing you will say is people don't love watermelon?????? The fact is, after Imagibash Oates and Khan won't be able to eat anything without using a straw. I'm gonna break both their jaws.

Whitefoot: Exactly big man. Now let me address a few rumors I heard. First is about Agent 26 and Punk Mike. Word is these 2 boring fools created this fake feud to draw up interest because nobody cares about either of them and they can't draw a dime anymore. HMM. Next is about Joe Tusa and his alternative lifestyle? I hear this guy swings both ways. Ha ha. Ok Hollywood, send us off

Hollywood: Good stuff Whitefoot. Keep digging up the dirt on these fools. Lastly, shout out to PAD. We are going to continually dominate the BRL. So, what are you gonna do when the entire Dynasty and PAD continue the domination of the Brl? You will do nothing, because we are just toooooo sweeeet!

Joe Tusa: Hey Tsuyoshi Mazoku! You Kung-Fu wannabe! This is your only warning! Give me a title shot or I'll make sure you never wrestle again!

"Flashy" Jack Ferdinand

Uncle McAllister has the absolute honor of being paired up with yours truly for a chance to be in the Ladder Match at Imagibash 25. However, I have to point out that it's an honor he absolutely does not deserve! We're celebrating a momentous occasion in the BRL and IWA's 40th anniversary. It makes perfect sense to have "Flashy" Jack involved. After all, I'm the former IWAR World Heavyweight Champion. I'm a former Johnny B. Cup winner. I'm the manager of the greatest tag and trios teams in the BRL. What has Uncle McAllister done? This guy loses every other match he wrestles so it's no wonder that he's not very active. What a jobber. In fact, looking at the other 11 names in that list I'd say the title shot is as good as mine. Hell, the only decent wrestler among them is Sabertooth who I've beaten on PPV more times than Unc has been on the card and...

IF YOU DON'T KNOW THAT, YOU DON'T KNOW JACK!

The Mannequins' Attic

Fatty the Butcher, **El Barbaro** and **Mad Max Redwolf** couldn't come up with a new gimmick so they're calling themselves **Team Meow V4**. Ok, we suppose that will have to do. Unfortunately, this version is every bit as unremarkable and forgettable as the first three. That's cool though because these belts need to be defended against the number one contenders, even if the result is a forgone conclusion. They're looking to surprise us? We'll be surprised if they can last five minutes against us. Maybe we're being a bit hard on them though, they did beat **The Hillbillies** after all. We'd be more impressed if they'd gone over **Polar Circle** to get at us but whatever. We're the team to beat. We're the champs. We're breaking all the records. Just keep feeding us chumps to pummel and we're happy.

*2022 Triple D Cup Winners
7X IWA World Six-Man Champions
Former IWAR World Six-Man Champions
Reigning BRL Global Six-Man Champions*

GRAMMAR POLICE

Campbell: Déjà vu Inspector! League tag and IWA world tag champs again!

Taylor: Choose your words carefully Constable. It's no wonder **Ricky Savage** and **Syd Credence** think we're Canadian!

Campbell: Bloody hell, they seem to have us mixed up with the **Canadian Excellence Academy**.

Taylor: What do you expect from those mental defects?

Campbell: Well, I'd expect their grammar to be full of unintelligible utterances such as "yayah" and "uhuh" but I thought they at least knew who we were.

Taylor: Don't get your knickers in a twist my good man. Don't let the mental short comings of the opposition bruise your ego. They're likely just star struck by all the big-name tag teams here in the BRL and they're having trouble telling us all apart.

Campbell: Probably. Let's be sure to reintroduce ourselves at Imagibash. This time, their will be no mistaking who we are: the number one contenders to the BRL Global tag team titles!

**SPELL
CHECK**

The Brothers are at home having a pint

Ruairi McFlaherty: “Aye, we got some gold, now that **Agent 26** didn’t decide to take it with you before we had a chance to win it like the last time.”

Brendan McFlaherty: “You’re just mad that you got some Rocky Mountain Oysters poured over your head by **He-Man Hoven**. I know we have black pudding - but the bull parts? You were a gas man, you have to admit that, now that it is over.”

Ruairi: “You weren’t laughing when the smell lingered in the car for the tour.”

Brendan: “Aye, but we beat them in the **Marano** to move into the semis, so I think we got the last laugh on those two. So now onto **Dark Danger & Oliver Livingston**”

Ruairi: “We have history with those guys, back to the NWL when we were following around the priests incognito. Spent a lot of time with those chaps.”

Brendan: “Even won titles with both of them. We know them well and know that they will bring it all in the match. Nothing but respect for those guys.”

Uncle McAllister joins them

Uncle McAllister: “Notice how neither of them tried to tag with just one of you for glory like **Agent 26** and honestly **Punk Rock Mike** is the same, they tried to take your title...”

Ruairi: “Again Unc? That is the past. They got their own stuff to worry about, as do we.”

Brendan: “Aye, we have a lot, but it still feels like something is missing.”

Ruairi: “What do you mean? We have the **Marano**, a chance to cement our legacy. We have the **Global Tag Title** defense against **McMasters & Donovan**. Defending the TV tag titles and taking on the **Grammar Police** for the tag titles; I’d say that’s enough.”

Brendan: “Aye, it’s not the same. Don’t get me wrong - there are a lot of great teams and any of those teams can knock us off, but it seems like something is missing.”

Ruairi: “I see what you are saying - I’m sure it’ll pick up soon enough. We still need to pass the **Samoan Death Grip** to be the billy GOAT of the BRL Tag Teams”

Brendan: “I’ll drink to that!”

Double R Is Still Here Folks

Some guys think that Double R is gone or over with. Well, let me tell you a few wins is nothing over me in this wrestling world. I have been in this wrestling world for 11 years now, and I have lost to and beat some of the best wrestlers in this world today, and I am not going anywhere, either.

King Rat Khan, I heard you running your mouth that you destroyed Double R. Well, kid, I hate to tell you, but I am right here in the ring, calling you out. I want to see if you can come out here and finish me off. Now you might beat me, but I sure don't think you can finish me. I will see you soon, King Rat, and you had better be ready too.

Hey Rachel Yamazaki, you say that Double R has a big mouth and can't back it up. Well, come shut me up for good then. I have wrestled in a bunch of leagues, and I am still here and don't plan on going anywhere soon either. Watch your back, fools.

Hey IWAR, Double R wants to be in that Hell in a Cell match at The IWAR Super Show against Luthor Alexander vs. Skapegoat. It's been a long time since Catfish Rob or Double R has clashed with Luthor in a match, so please put me in that Super Show match.

I love you BRL and IWAR fans, so come meet me at the shows and get you a Double R picture for free.

Catfish Rob Gang Wins Big

We are here at BBL head offices with DOD backstage while they get ready to call out the 2024 BBL Best of the Best awards winners. Catfish Rob is here with the DOD group telling them he is sure that there will be some DOD winners tonight. This will be for the BBL and BBW award winners and the IWAR crew are here to take pictures too.

The Men's Tag Team of the Year is DOD: Timbo and Jumbo Slice – that's a win for these two young men.

The Women's Tag Team of the Year is DOD: Catfish Josie and Dr. BB, an awesome win for these two young women.

The BBL Rookie of the Year is DOD: TJ Maximum, another win for DOD and Catfish Rob's crew.

The Most Popular is DOD: The Fastball Louie Ratcliff, who was voted for by the BBL and BBW fans, what a win!

The Most Inspirational is HOP: A Fox – what a win for that masked man. He was trained by Catfish Rob and Jane Red at Catfish Rob's wrestling school.

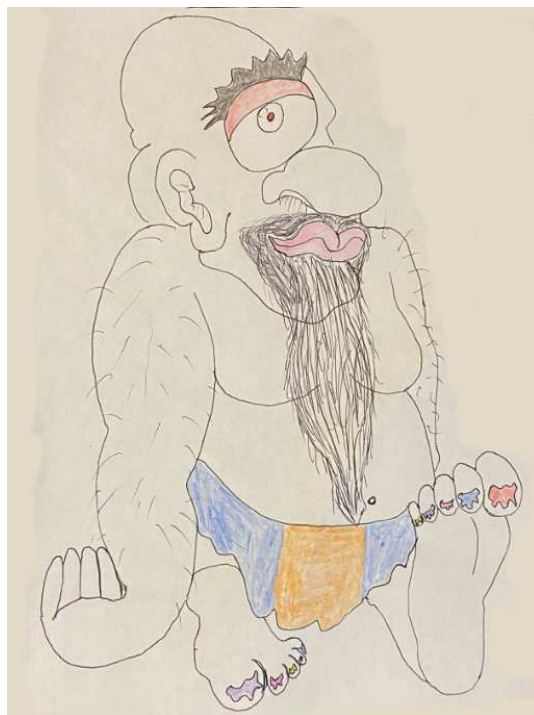

BBL reporter Sam Storm is here with Catfish Rob and his winners. Rob, your guys had a hell of a night. Rob says, "Yes, it was, for I figure we would get 1 or 2 awards but not this many, and it just shows that this is a great group of men and women here in the BBL and BBW. That means BA Fox too. They have worked their tails off for BBL and BBW, and now we are going to party the night away. Do you want to come, Sam, for there's some great guys here that you can have a ball of fun with?" Sam says, "Sure. Let's go."

Sam Talks to DOD

Two days later, Sam sits down with some of Catfish Rob's gang winners to talk with them. Sam says, "Well, the Slice Brothers won Tag Team of the Year. How do you guys feel about it?" Timbo says, "Sam, we love it, and it's a great honor to be picked by the BBL fans too." Jumbo says, "We have worked hard for this, Sam, and we got to say thank you to all who voted for us."

Sam says, "Next up is the Women's Tag Winner." Dr. BB says, "Sam, we want to thank everyone who voted for us." Catfish Josie goes, "It's been a hard year for us, but fun and good and bad. Thank you to the fans."

Sam says, "Next up is Most Popular – The Fastball Louie Ratcliff. Well, Louie, you have had a hell of a year in the BBL. How do you feel about it?" Louie says, "Sam, it's been like a dream to me. All the ups and downs, goods times and bad times, but it's been fun too." Sam says, "You won the BBL League and TV titles and one of the biggest contests or games in the IWA, so that makes you one of the best too." "Sam, first of all thank you for the other night for that was the most awesome night to me. After Rob's best friend Tim Clark passed away, we were not sure what Rob was going to do, but I figured that we needed to step it up to help Rob out. That's what I've done, and it's helped me too. Now I got to thank all the BBL fans for voting for me. Thanks, folks."

WTL Report Time

I got to get my WTL Report done sooner, folks. I was up most of the night getting it done liek a giant load of poop too. - Darren (By: Catfish Rob)
