## LETHAL LOTTERY FINALS!

The 2025 Lethal Lottery finals is here! The two finalists are Global champion Rachel van Dorn and the up and coming Kay Shreddy. By getting to the finals, both will team together and face Betty Thanu & Gina Colada for the IWAR Women's Tag-Team titles. But that's not the only prize as these two will battle it out and the highest strategy will move on to the IWAR Women's champion Aria Gunpowder.

The stakes couldn't be higher—will van Dorn's experience and championship pedigree secure her another shot at Aria Gunpowder, or will Shreddy's hunger and fresh energy lead to a new chapter in IWAR history? Either way, the road to \*Where the Boys Aren't 4\* promises unforgettable moments. Who are you rooting for in this high-stakes showdown?

## CAGE MATCH!

At "Where the Boys Aren't 4," a high-stakes cage match has been set between Wildfire Betty Red and Mother Dee! These fierce competitors have been at each other's throats for several cycles, and now they'll settle the score inside the unforgiving steel structure. Commissioner Burna Hama weighed in, saying, "If these two ladies want to tear each other apart, there's no better stage than our next premium live event."

Will the seasoned veteran Wildfire Betty Red emerge victorious, or will the cunning up-and-comer Mother Dee seize the win? Only time will tell in this explosive showdown!

## COLADA UNSATISFIED

"The Golden Girl" Gina Colada, has built a legendary career filled with accomplishments most can only dream of reigning as Women's Champion, capturing Queen of the Ring titles, and conquering everything in between. Currently, as one half of the reigning and defending IWAR Women's Tag-Team Champions alongside Betty Thanu, Gina remains an undeniable force. Yet, lately, she seems to be yearning for something more, leaving us all in the dark about what exactly she's seeking. However, in the last cycle, Gina hinted that she may have finally uncovered what's been holding her back all this time.

# VENOMOUS VERBIAGE

LAST CYCLE'S  
TRASH TALK

**Great trash talking!**

## **Jessie Dragunov**

Jessie Dragunov called out her rivals in the BWL, boasting about her victory over Wild Anna Malle and her indestructible nature in the ring. She dared Bellatrix Von Wolf to a Hell in a Cell match and challenged Yo Momma and Betty Red to a handicap fight. Jessie also expressed her desire for the Global title, hoping Commissioner Dropkick Daily would consider her worthy of bringing heat and prestige to the league. Confident and unrelenting, she made it clear she wouldn't back down from any challenge.

## **Aoife O'Shaugnessy**

An enraged Jarvis lashed out at the fans, blaming them for the lack of respect Aoife received after her championship win. Chaos ensued as he trashed the Commissioner's office, set the ring ablaze, and was arrested while declaring the league now belonged to Aoife. The mayhem climaxed with Aoife ominously appearing in the ring wearing a gas mask, leaving fans terrified and stunned as the arena descended into smoke and darkness.

## **Aria Gunpowder**

Aria Gunpowder celebrated her victory at Caged Fury 3, proudly claiming the IWAR Women's title and defeating Betty Thanu through focus, strategy, and heart. She declared herself unstoppable and vowed to retain her championship, ready to face all challengers in the finals of the Lethal Lottery. Confident and determined, Aria warned her rivals that the title would remain in her hands, proving why she is the best in the league.

## **Barb Dwyer**

Barb Dwyer reflected on her dominance in the ring, dismissing Aria Gunpowder and the Lethal Lottery as irrelevant. She mocked Bandida, Kay Shreddy, and Jessie Dragunov for fleeing after her brutal assaults, claiming her reputation as a two-time IWAR Women's World Champion instilled fear in her rivals. Barb declared her search for her next victim, daring anyone brave enough to face her wrath and enter a world of pain.

## **Bandida**

Bandida stood triumphant in the ring, proudly holding the BWL Triple Threat Championship and dedicating her victory to her Mexican heritage. She vowed to be a fighting champion, declaring unfinished business with Court Justice while preparing for her first title defense against Huntress and Wildfire Betty Red. Determined and passionate, Bandida promised to honor the legacy of lucha libre and continue making history in the BWL.

## **Gina Colada**

Gina Colada reflected on her incredible achievements in 2024, including winning the IWA Women's Championship, the IWAR Women's Tag Team titles, and earning the "Most Improved" trophy. Despite her success, 2025 proved challenging, leaving her hungry for more. After a hard-fought victory at Caged Fury 3, Gina declared her determination to reclaim the IWAR Women's World title and rise to new heights, ready to tackle whatever—or whoever—stood in her way.

## **U.S. Mayle / Miss Americana (Jersey Jenn Grapevine)**

U.S. Mayle made a surprising entrance alongside Miss Americana at the BWL arena, offering humorous and biting commentary about various wrestlers. He criticized absent competitors like Supreme Cort Justice and Kay Shreddy, offering unsolicited advice, and mocked others like Aoife O'Shaugnessy and Bellatrix Von Wolf. Frustrated with the lack of gratitude from wrestlers in ACW, Mayle declared them all on notice before leaving, wary of stirring further trouble.

## **Mother Dee**

Mother Dee expressed her frustration over recent events, blaming Joya Pyro's failure at Lethal Lottery for their loss and criticizing Veruca Salt's reckless behavior. She mocked Aoife O'Shaugnessy for her questionable rise to the #1 Contender Global Title Scramble and voiced concern over Wildfire Betty Red's attack, warning it better not disrupt their upcoming cage match at Where The Boys Aren't 4. Determined, she made it clear she's ready to deal with any obstacles in her path.

## **Rachel van Dorn**

Rachel van Dorn recapped her recent victory as the new Global Champion, thanking Bandida for her support and recognizing Betty Red's tough competition. She shared updates on Web Warfare, her podcast, and the Lethal Lottery, where she and Kay Shreddy are advancing toward the finals. Rachel also discussed Aoife O'Shaugnessy's eccentric tank entrance, her father's improving health, and humorous promotions for her sponsors, maintaining her trademark mix of confidence and wit.

## **Sarah B. Money**

Sarah B. Money was none too happy after losing the Triple Threat championship to Bandida. With no automatic rematch clause in place she talked about how she would get back into position and take what rightfully belonged to her.

# JUGGERNAUT

## Jessie Dragunov

“BWL just got a whole lot tougher. If you know, you know. If you don't, you will soon. For me, I'm just gonna keep on rollin'. Who've I got next? Doesn't matter. No one can stop Juggernaut. Although, I would like a piece of GINA COLODA. If you ask me, there's quite a bit of tarnish on that Golden Girl. She looks as old as Sophia, sounds as dumb as Rose, is even looser than Blanche and as cared about as Dorothy. By the way, how are they, Gina? Still dead? That's okay, no one cares. See this Joshi belt? Now that's golden, but I'm looking to trade it in for the Black Widow belt, or maybe, the BWL Television title, and it better not have old man stink. And, where is BETTY THANU? Doesn't she know how to work the mic? It's probably for the best with her mug. Come on, BWL, let's see some fire in the belly. Take me on, beat me down, and lose anyway.”

# "WRECKING BALL"

## Delaney Youngblood

"Defeat the devil," she begins, "not with human mind, not with human tactics, but with devil mind, with devil tactics!"

"**Mehmet Murat ildan.**" Delaney notes.

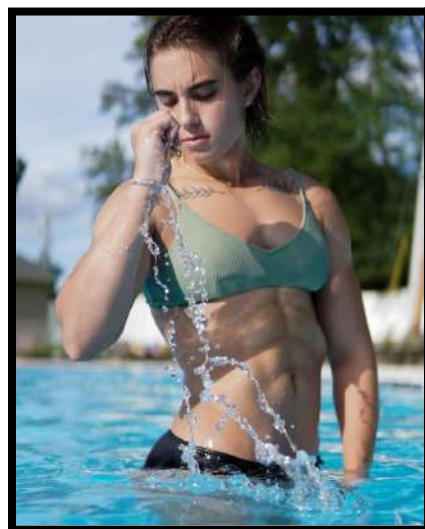

"I've been quite mindful of this as **Black Widow** has crept into my daily routine. And, I have resolved that, from this day

forward, I don't even know how to quit."

**BWL's** new blood, its Youngblood, will reshape the league. "Every little part of me is a weapon as it's only when you're dangerous that you are truly equal to the world." Danger follows in her wake... follows because it would not dare get in her way.

"So, I've become Destruction, Demolisher of obstacles. That's the way it must be if **BWL** is to be my own." asserts the usually shy young grappler.

"Now, to paraphrase **Robert E. Howard**, 'I won't go out of my way to search for devils, but I won't step off my path to let one go by.' In that sense, **BETTY THANU** has drawn the short straw. She'll be the first to truly understand why I'm known as '**Wrecking Ball**,' and what that means for the **Black Widow League**."

***A special Announcement from  
IWAR Commissioner  
SUE PLEXX***

“Greetings IWA fans, this is a special announcement of a special Ladder Match that will be held at the IWAR Super Show this summer and the prize for this contest is a first ever for the IWAR Women’s Division, a Money in the Bank style briefcase! That means the winner of this match, will be able to cash in the contract whenever they want and challenge the IWAR Women’s champion! They can do it early and turn the main event of the BWL’s next premium live event into a Triple threat match... or... they can do it out of the blue when they are ready. It’s up to the winner.

There is one stipulation that I need to include in this announcement since the extremely effective legal work by the Litigators, so as great as this prize is, there is a down side. You see, each manager may only sign one of their wrestler into this match, but, well to those who don’t win, there’s a catch.

Suddenly the lights flash and “Ice Cream (pay phone)” by the Black Pumas plays as Sue throws her head back in frustration as walking out to join her is-

# HE-MAN HOVEN

[The fans boo as He-Man Hoven sneers at the crowd and camera before turning to Sue and grinning. He adjust his sunglasses and waves a contract in the air. Sue frowns as Hoven flexes for the cameras.]

Hoven “Hold up there, boss lady. You all wanted this big match on the Super Show, but I had already signed up that women’s slot, so to compromise, since I’m such a gentleman, we struck a deal. First, we can not call this the Money in the Bank match because that is IP from a different company, but I’ll get to the name of the match in a bit. What’s even bigger news, is while the winner gets this amazing prize and opportunity... *whoever doesn’t win the match will be entered in a lottery and the name drawn will be under contract for one year... to be He-Man Hoven’s personal valet! Har Har Har!*”

Sue “I’m sorry about this ladies, but the prize for winning the Money in the Bank-”

Hoven “No, no NO! We can’t use “MITB” but instead the even better name that will be shortened and put on the briefcase that will hang about the ring, ladies battle over: Great Timely Immediate Title shot!

Sue (figures it out and is disgusted) “I am NOT calling this match the Great T.I.T.S. match!

Hoven “All you ladies better sign up, because one winner will get a title shot at the IWAR Women’s champ at any time and the other winner, gets to be in my corner for a year. Talk about win-win. Word is this event will be June 22<sup>nd</sup> so let the IWAR Commissioner know that you want in on this ASAP!”

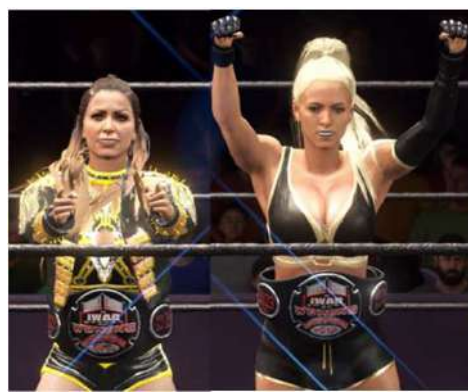

# THE GOLDEN GIRL GINA COLADA

“**Bandida**, yah had this TV title and all sorts of momentum, until yah ran into me. AH’m sure yah want this back, so come on and try.

**Rachel Yamazaki**, that BWL title should be mine and Ah’m gonna correct this and take it back when we meet up. Ah don’t care what yoah done in NWL with all the records and titles, in this ring, it ain’t gonna matter. Ah’m gonna hurt yah and take WHAT’S MINE!

**Rachel Van Dorn and Kay Shreddy** are in the finals of the Lethal Lottery tourney and one of them is gonna move on to face the IWAR Women’s champ. (slow claps) Well la-dee, dah! Alla’ y’all got lucky my Lottery partner got taken out or else Ah’d be in the finals. Now the two of yah gonna challenge **Betty Thanu** and me for the IWAR Women’s World Tag Team titles, but we are gonna be ready and we are gonna-

# **MISS AMERICANA**

## **JERSEY JENN GRAPEVINE**

*The grand Van Dorn estate looms like a forgotten castle—creaky floors, dusty trophies, and portraits of Jaeger in his prime: losing to such legends as Jumping John Elway and Ghetto Master. But the man himself now sits hunched in a recliner, a shawl draped over his massive but withered shoulders, a far cry from the third choice featured in the backs of magazines. His hearing aid squeals occasionally. His left slipper is on the wrong foot.*

*Suddenly, the doorbell rings. It is immediately followed by the sound of clacking heels and a voice that's trying (and failing) to sound "professional."*

**Jaeger Van Dorn (JVD):** Who the hell visits at this hour? Ain't cocoa time yet...

*It's literally 3pm in the afternoon, but at this man's condition, you give him some grace. As the butler opens the door, "Miss Americana" Jersey Jenn Grapevine enters. Only, she's in what can best be called a disguise: a red wig pulled up into a beehive, oversized faux glasses, and a discount department store nurse's smock that still has a clearance tag hanging off the hem. Her perfume hits the room like grape-flavored bug spray.*

**Jersey Jenn Grapevine (JJG):** Mr. Van Dorn! Nadine Berrywine, licensed personal care specialist and holistic companion. I was referred by your sweet ol' mailman, Mr. Mayle. Said you were lookin' for a li'l help around the house?

**JVD:** *(stares, confused)* The mailman sent you?

**JJG:** Oh yes. Said you were a living legend, and that you needed someone gentle... trustworthy... discreet.

*Jersey Jenn flashes a tight smile as she puts a hand on her hip seductively.*

**JJG:** That's me, sugar.

*She plops her enormous handbag on the antique table, knocking over a framed photo of Rachel. Jenn picks it up, sneers at it for just a moment too long, then sets it back gently.*

**JVD:** You smell like... grape jelly and Boone's Farm?

**JJG:** That's just my signature scent! It's called "Pinot Thunder." The patients say it's soothing. Like a winery that got struck by lightning.

*Jaeger chuckles, confused but charmed. Jenn moves closer, kneeling beside him with a well-rehearsed touch on his arm.*

**JJG:** You've got strong bones, Mr. Van Dorn. I can tell. Still got that warrior spirit... just need the right gal to keep it burnin'.

*She pulls a tattered résumé from her bag and hands it over. It's clearly fake. Half of it is written in purple glitter pen.*

**JVD:** *(squinting)* Says here you nursed a prince?

**JJG:** Well, technically he was just a guy named Prince—ran a bingo hall in Sarasota—but he had a noble heart. And the gout. I saw him through both.

*Jaeger leans back, nodding slowly. He rubs his temple like he's trying to remember something just out of reach.*

**JVD:** You remind me of someone. Can't place it. My daughter used to wrestle someone with a... similar squawk.

**JJG:** *(snickering)* Oh, well I'm sure she was lovely. Daughters usually are—until it's time to divvy up the will, huh?

*She laughs a little too loud. Jaeger joins in, distracted. Her eyes scan the room, clocking the safe behind the bar, the heirloom shelves, the family ledger on the desk.*

**JJG:** You don't need to worry, Jaeger. I'm here to take real good care of you. No one else. Just me.

*She gently smooths his robe like a cat claiming territory.*

**JVD:** Well... I suppose it couldn't hurt to have someone 'round. Can you cook?

**JJG:** Honey, I make a chicken parm that'll knock the dentures outta your mouth.

*He chuckles, and with a nod, the deal is sealed. Jersey Jenn smiles, victorious. Outside, U.S. Mayle peers through a slit in the hedge, grinning beneath his mail cap, twirling a letter in his hand.*

# Bandida

BWL programming fades in from a commercial break to a familiar place.... Traditional Mexican music plays softly in the background. The camera settles on Bandida, sitting at the bar. Her championship belt gleams beside her. Alejandro, the bartender, approaches with a bottle of tequila....

**Alejandro:** Felicidades, Bandida! No puedo creer que hayas ganado el campeonato triple amenaza de BWL. Eres increíble!

**Bandida:** Gracias, Alejandro. Fue una batalla dura, pero nada me detiene. Ese cinturón tiene mi nombre!

**Alejandro:** Siempre has tenido la fuerza. Quieres brindar por tu victoria?

**Bandida:** ¡Claro! Por cada gota que sudé en el ring y cada rival que enfrenté. Salud!

They clink their glasses, Bandida and Alejandro both take a shot of tequila.... The camera man makes his way behind the bar, he focuses the camera on the Triple Threat Title, then pans out to focus on Bandida....

**Bandida:** Court Justice, talk about convenient timing, taking a leave of absence? It's almost too perfect, isn't it? Seems to me like you're hiding from something, or should I say someone, right when I'm forcing everyone to take notice.... Anyway, I will be patiently waiting for your return! Now, let's talk about Sarah B. Money, the former champ. Sarah, I hope you're out there training hard because you have a lot of work to do! I hope that you earn that rematch, because I look forward to kicking your ass once again!

Now finally, Rachel Van Dorn. We've had our share of battles in that ring, and I have to give credit where it's due, Rachel, you have earned my respect. Every time we step into the ring together, it's a test of strength, skill, and heart. Teaming up at Caged Fury, was eye opening.... It was a wild night, we were on the same side and even though our team didn't come out with a victory, the chemistry we had was electric. It just shows that we can bring out the best in each other, no matter how much we may bicker outside the ring. Rachel, I might think you talk a little too much sometimes, but I can't deny that you back it up in that ring. You've proven yourself time and again, and that's something I respect. Who knows? Maybe I'll even consider an appearance on your podcast. It could be interesting to see how that conversation goes!

Alejandro steps in, he fills up her shot glass once again. Bandida lifts her bandana and takes another shot....

**Bandida:** But until then, I'll be here! I look forward to defending my Triple Threat Championship at the next pay per view against two of the BWL's best! Betty Red, Huntress! I hope you are both hard at work training for the match, because I promise that I will leave it all out there at Where the Boys Aren't 4! I breathe, eat and bleed for this sport! It is all that I have left! Prepárate para la furia de la Bandida!

The scene fades to a commercial break....

# *QUEEN OF THE RING* **Aria Gunpowder** *REPRESENTING THE GUN COLLECTION*

**-Aria Gunpowder is backstage with interviewer Case Walker.**

**Case:** Tonight in the finals of the 2025 Lethal Lottery it will be Kay Shreddy taking on Rachel van Dorn, and the winner will get the opportunity to face you are Where the Boys Aren't 4 for the IWAR Women's championship. Any thoughts?

**Aria:** I have a lot of thoughts about that match. Both are putting in the work. Van Dorn and I go back a long ways. When she was announced for the Lethal Lottery, I knew she would be a contender, but Kay Shreddy? She's someone that has really stepped up and shown out.

**Case:** Kay Shreddy has certainly made a name for herself this year. It would be a brand new matchup if she overcomes Van Dorn.

**Aria:** That's true, Case, but overcoming someone like Van Dorn isn't easy. So I hope Kay Shreddy brings everything she has in her toolbox to the fight because she'll definitely need every single tool.

**Case:** Thank you, Aria, for your time.

# Blackjack Betty

Current: Ladies' World Champion-BBW Champion- Queen of the Ring

**Blackjack Betty steps into the BWL locker room, draped in championship gold, her boots still stained from last night's brawl. She's grinning like she smells fear... and she likes it.**

*"Look at this place...*

Glitter, lip gloss, and ring lights.

I walk into the BWL locker room and all I see are a bunch of self-absorbed, spray-tanned Barbie dolls clinging to their little Instagram fame—snapping selfies, flexin' filters, too scared to break a damn nail, let alone throw a punch worth a damn.

You princesses think you're *wrestlers*? Please. You're influencers in knee pads. You talk tough with your manicured hands and airbrushed abs, but when it's time to bleed for that gold? Y'all vanish faster than your fake lashes in a steel cage.

I'm Blackjack Betty. I don't come with glitter—I come with scars. I *earn* mine in blood. I've fought in back alleys, barbed-wire cages, glass-shattered deathmatches. While you were rehearsing promos in front of a ring light, I was carving my name into history with bruises and broken bones.

So go ahead, post another mirror selfie with your little motivational quote. 'Cuz the only inspiration I'm bringing? Is the fear you feel when you hear my boots hit that ramp.

You ain't champions.

You're just cover girls playing pretend in a sport built by warriors.

And now?

The war is here.

I'm Blackjack Betty, and I'm about to turn this fashion show into a funeral."

# Huntress

Lights flicker. Static buzzes. Huntress appears in the shadows, eyes wide, hair wild, blood smudged on her cheek. She whispers. The nurse stands silent behind her, motionless and terrifying.

"They say I'm broken.  
They say I lose... every time the lights go up.  
But they don't see what I see.  
They don't hear... *Him*."

He speaks to me.  
Through the cracks in the ceiling... through the screams in the silence.  
He says the time is *now*.  
He says my suffering has ripened. And I believe Him.

They sent her—the nurse with the cold hands.  
She quiets the noise.  
She prepares me for the violence.

I've tasted loss, but I've never starved for it.  
I've bled, but I've never feared the cut.  
You laugh at me... mock my devotion... call me delusional.

But you will all *believe*... when I make the ring my altar.  
When your bones snap like branches.  
When your screams feed Him.

My master is real.  
And he is *hungry*."

# Momma ~~Says~~ And Wildfire Betty

Wildfire Betty Red – Grey Text Bubbles  
Mother Dee – Blue Text Bubbles

So, my cage match opponent and I did a little communication over the weekend and I would like to share this with you by showing the text messages we shared. This disillusioned twerp thinks she is the greatest but we all know she is on the way out of BWL if not the human race.

I try and try and try some more to understand why this skank is so successful in the BWL. And I might have it figured out. Wildfire Betty Red, like most of you chicks in the BWL, need to look pretty and in shape and have all the fans ogle at the sight of you. You all feel that is success and sorry to say it don't mean crap.

"Strange take on things Mother Dee but what does that have to do with Wildfire being so successful?"  
Thanks for asking.

Betty Red like all of you in BWL think being popular and getting cheered "great job" means your successful. No. That is false but what is not false is what will happen to Betty Red in the cage at WTBA4!

Betty, like most if not all of the women in BWL, are coasting a lot on their looks. They get the breaks and the decisions and the fans support and blah blah blah. But that stuff is of no interest to me because I don't care how I look I just want to hurt you all a lot. If that comes with a title or cheers great but my happiness is making you scream in the ring and bleed and cry and that is what is in store for pretty Ms. Wildfire Betty Red.

*As of this publishing Mother Dee has been seen on the outskirts of the ranch that Wildfire Betty Red owns in Virginia. Mother Dee was actually seen swimming in the pond on the property and the police were called but when they got to the pond Mother Dee was nowhere to be found. All that was left were a large pair of women's flip flops. Since that situation Betty Red has said her shower will come on by itself from time to time but no more Dee sightings.*

# Rachel Van Dorn

Rachel is on her podcast with her guest **Kay Shreddy** after their recent **Lethal Lottery** success

**Rachel Van Dorn:** “Welcome back and let me introduce you to today’s guest. She has had quite a run to start her BWL career. She and I have managed to go through the other ladies in the **Lethal Lottery** to earn a shot at **Betty Thanu & Gina Colada** for the IWAR Women’s Tag team championship at **Where the Boys Aren’t 4**. She also is one helluva photographer, please welcome **Kay Shreddy** to the podcast.”

**Kay Shreddy:** “Thanks for having me. I look forward to being in a high profile matches at **Where the Boys Aren’t**. I get to see what all they hype around **Betty Thanu** is about, especially after she blindsided me and threw me out of the Battle Royal in Duckburg”

**RVD:** “I can tell you first hand that **Betty Thanu** is tough - she and here 5\* friends beat us in the cage, but she is beatable, I mean (*Rachel points at the Global title*) Her and **Gina** have held those Tag Titles for a long time. Betty, Gina, & I have been fighting since this league started.”

**Kay:** “I don’t care how long they’ve been here. I’ll go at anyone, you know that Rachel.”

**RVD:** “That’s what I like about you, you’ll say anything to anyone. Speaking of that, you know that we will take each other on in the Lethal Lottery finals. If you win, you get to take on **Aria Gunpowder**, someone you’ve talked down to in the past. But even if you lose, you still get to take on either me or **Aoife O’Shaughnessy** for the **Global Title** or maybe it’s a threeway? Anyway, either way you get your chance at a big singles title, any thoughts on this?”

**Kay:** “I’m not going to hold back against you and I know you aren’t going to hold back either.”

**RVD:** “You got that right. I have a chance to beat you and regain the **IWAR Women’s Championship**. That will be a tough challenge - I’d have a few matches before that match, but I will make it happen. I’ll just have to make sure that I bring plenty of *Just Protein Powder*, which you can save 50% on your first order with the code KAYSHRED. Now back to **Where the Boys Aren’t**, I will have to face **Aoife O’Shaughnessy** for the Global title. Now I really don’t know what I will have to do to get her to give up or stop. She lit herself on fire? Well, I guess we have to wait until after our match to see our full dance cards. **Kay**, I look forward to meeting in the ring, and feel free to hit me up for another photo shoot. Don’t forget to like and subscribe.”

**Real Name:** Elizabeth Robin

**Height:** 5'7"

**Weight:** 145 lbs

**Hometown:** Santa Maria, California

**Signature Look:** Feathered ring gear, smoky black eyeliner, soul-piercing gaze

**Current Promotion:** Black Widow League (BWL)

---

### Character Summary:

Lizzy Robin is wrestling's walking funeral hymn. With a presence that feels both sacred and cursed, she thrives in psychological warfare, twisting opponents into knots with both her submissions and their own fears. She's soft-spoken outside the ring, but when the bell rings, she becomes a merciless spirit of vengeance.

Nicknamed "**The Black Soul**" for the way she carries pain like armor and destroys those who get in her way from the inside out, Lizzy sees the ring not as a battleground, but a place of **cleansing violence**. She doesn't wrestle for titles — she wrestles for **closure**, and sometimes... **revenge**.

### Wrestling Style:

A mix of submission grappling, dark theatrics, and punishing brawler tactics. Every hold feels personal. Every strike feels like penance.

*Location: BWL Backstage Tunnel, flickering light overhead, interviewer visibly nervous*

**Janet Canet:**

"Ladies and gentlemen, I-I'm here with the newest signee to the Black Widow League... uh... '*The Black Soul*' Lizzy Robin. Lizzy, this is your first official appearance. What can the fans expect from you?"

**Lizzy Robin** (softly, without blinking):

"They expect a hero... they'll get a reckoning."

**Janet Canet:**

"O-kay... Um... You've called yourself 'The Black Soul.' Where does that come from?"

**Lizzy:**

"People always look away from darkness. They fear what they can't fix.

But I didn't turn away. I became it.

My soul was shattered... so I stitched it with sorrow. And now? It's stronger than ever."

**Janet Canet:**

"You're debuting tonight against local favorite Ivy Strange. Any thoughts on your opponent?"

**Lizzy** (smirking slightly):

"Ivy blooms in sunshine.

I thrive in the graveyard.

Let's see which garden survives the storm."

**Janet Canet:** "Last question... Why BWL? Why now?"

**Lizzy Robin** (leans in, whispering):

"Because every web needs a spider...

...and I'm the one who eats the others alive."

**[She walks away slowly, the sound of her boots echoing like a heartbeat in a crypt.]**

### Think About the Fear Mother D

Okay, I got to say thank you Gina Colada for saving me from getting taken out for good by your teammates. Also, I got to say I am sorry that we got beat and didn't make it to the finals of that Tag Tournament.

I may be sore with some cracked ribs right now, but I was hoping that one of us could get that shot at the IWAR Women's World title. I know that title means the WORLD to both you and me, Gina. I wanted to wear that title one more time since 2026 will be my last year wrestling and I will retire then.

I would love to wear a World title of some kind before I retire, be it the Tag or Singles or Six-Man titles. Now I have never wore either a World Tag or World Six title before. Now I am open to anyone, woman or man, that wants to tag with me to go after them belts in the Gold or IWAR leagues.

Also, I got to say Mother D, I hope you are ready to get the beating of your Ifie when you step into that cage with me, kid. When you get down to that cage and look at me, Mother D, you are looking at your worst nightmare. When you step inside that cage and they lock the door, and you look at Wildfire Betty Red, that's when the fear hits you, Mother D.

Now think about that, Mother D. Until next time, so long folks and fans.

Rachel Yamazaki sits backstage with her trainer, Professor Vitali Medved. Medved smiles.

"You had great cycle! First you eat broken diamond alive, and then you win Black Widow championship! Only problem is you mess up 45s so flow was not good, but..."

"I had a very good flow in the ring," objects Yamazaki. "Didn't you see how I kept evading Aaliyah Zoe's moves?"

Nonplussed, Medved pauses. "Well, that not exactly what I mean, but I get why you find that confusion. You had really excellent match, and so did your friend Mazoku. I wish we did better in other feds, but we usually do better here anyway."

Yamazaki looks quizzically at Medved. "I mean, wrestling is wrestling. I don't understand why you think the week of the month has such a major effect ... I mean, I guess, besides ... the obvious, with the ladies."

"Hey, you ever notice that fallaway slam is always 29 or 30?"

"What?" asks Rachel.

"What?" asks Medved. "Mike Long bring it up. We kind of make fun."

"Who?"

"When?"

"Listen, Vitali," says Yamazaki, "we need to focus on Bellatrix Von Wolf. I need to get into this contendership match."

"Good good," says Medved. "I get the charts."
