MAIN EVENT

KENDRA PECADORA OVERPOWERED "THE LEADER
OF THE BAND" DR. TEETH AT 27:04 (JAIL HOUSE
SUPERKICK) BY 1.

After a clerical error Kendra was supposed to have the tour off for the Bleed out Battle Royal Champion due to her back-to-back wins, what does that mean in long run. Well, it means El Luchador will have to beat up Kendra this cycle. Seems as though matches are starting to make their way to the PPV.

It takes allot to keep your family in order. That's why I've decided to help my little girls out. However, I will always give credit where credit is due. That credit needs to go to El Jefe. I will tell you this pains me deeply only cause I've known this scumbag for awhile. Yapping his little head off, I'm big and bad a\$\$, I run with a bunch of masked nitwits. Well every squirrel finds a nut and somehow El Jefe brings gold home from the mother brand.

As much as I appreciate your efforts, you are still in fact a scumbag. For your efforts, you can pick your opponent at our PPV. So, make it happen next cycle, who do you want to fight?

JERRAD

Pecadoras

Kendra - So maybe it seems like our little family has been fractured. But, like most sisters we squabble. Now, we all know as long as the sisters stay together whatever garbage the comisioner twins throw at us won't slow us down. Especially with "Big Jerry" in our corner.

Drusilla - Uhm I'm not sure where to go from that but like Jerry is cool but the deathmatch princess needs to check herself, Nik should back a show horse not a one trick pony.

Zoey - I'm just here to make a living I like punching people in the face. The the Jefe, or hungry, hungry Warrior. Whomever I'm just here for gold.

Lee Litroom

Jerry, Nik, Dim, & Kyra are leaving the pizza shop after Jerry’s Battle Royal victory

Jerry: “Gino, clean this mess up since you can’t even win a title! The rest of us are off to Hooters to celebrate my victory! C’mon let’s go.”

Nik: “I know Hooters has wings, but do they have chicken tendies?”

Gino: “What do you mean no titles? I carried Lee to the TV Tag Titles. This basement is a mess! I have to make new sauce because there is blood everywhere and in everything. I needs oregano!”

Nik: “Um, the stuff behind the boxes of cheese is not oregano”

Lee: “Do they have Owls at Hooters? I’m kind of scared of birds.”

Jerry: “Not unless you are scared of boobies.”

Lee: “Blue footed Boobies aren’t scary, it’s more just Owls & Crows”

Kyra: “Jesus, let’s just go and get this over with. The one on 6th St.?”

Jerry: “The other one, so the **Pecadoras** don’t see our cars,”

Kyra: “Are you sure? That one is further away and the servers...”

Jerry: “Always worried about gas money! C’mon let’s get going!”

The crew all heads out of the store and goes to the Hooters

Hostess: “Oh hey Kyra - I haven’t seen you in a while.”

Nik: "Um, Kyra how do you know her?"

Kyra: "We went to school together, so let's sit over here."

Jerry: "Nonsense, there is more room over here."

The crew sits down in booth, Lee starts to stare at the wall

Lee: "Hey, is that you Kyra? The girl looks a lot like you - did you use to work here? I didn't know you knew anything about owls."

Kyra annoyingly nods and spaces out

Jerry: "You never told us you use to work here. Are you still friends with any of these girls? You can pass on my info to them if you want."

Nik: "Since you know them here, can you get me some extra chicken tenders? That would be cool."

Lee: "Why didn't you say so earlier - so Jerry you said there were blue footed boobies here?"

Jerry: "Looks like the birds all have white shoes on today."

Kyra stares off into space and the camera fades

**CAW League Champion
IWA Elite Champion
El Jefe & Crew**

El Jefe steps into the road, gold around his waist, mic in hand, smirking.

"Let me make one thing crystal clear for all you off-brand, clearance-rack, lawn-chair-living nobodies out there: *El Jefe* isn't just a champion — I am the **standard**, the **main event**, and the **only reason** you even showed up tonight.

I just conquered the CAW Wrestling League, took the IWA Elite, and now I stand here as the undisputed king — and what do I see? A sea of busted teeth, beer guts, and the kind of fashion sense that screams, 'My mom still dresses me from the lost and found bin.'

While you're praying for your tax refund to hit so you can afford that off-brand six-pack, I'm riding private jets, custom suits, and signing titles like autographs. You? You're living check to check, and even your dreams got bounced.

But hey — don't be mad. Be *grateful*. Because I didn't come here for me. I came here for *you*. So, you can live through me. So, you can look up from your lukewarm gas station nachos and say, '*That's our champion...*

Now where's my parade? Where's the confetti? Where's the chant that proves even the hopeless know greatness when they see it?

Start chanting, start bowing, and maybe — *just maybe* — I'll let you bask in my glory a little longer. *El Jefe out.*"
