=====

Action Wrestling and Lucha Libre IWA are proud to announce a working agreement between the two.

This agreement is going to lead to joint events, talent sharing, tournaments, and potentially championships and more.

Since this deal occurred hours before the Gold Deadline, we simply wanted to share the news with the talent. We will be looking to set up something with DZL and MML soon but at the same time this isn't just a Gold Federation venture as Action Wrestling also has LNL in Bronze Federation, EWQL in Steel, and it's association with HWL's House of Hardcore in Iron. More news to come but as we said, we are simply spreading the awareness on this new venture. Until next cycle...
