LEAGUE ACTIVITY
GAUGE

THE FRAGGLES

are taking over...

We have alot of weird stuff going on in the FAL. Ham Sandwiches, Frogs with lasers, just to name a few. But weirdness has gone off the deep end with a heard of Fraggles!!! They started a few short cycles ago, but

have already made a huge splash. They have won a big amount of FAL gold, but you can now add IWA World Sixman gold to that as well!!! Something that happens alot here it seems. But they claim it's

only just the start. They have yet to grant an interview, but vow there is alot more to come.

They are positioning their merry band for a complete 100% takeover!!!!!!!!!!!!

Things will be interesting in the FAL for sure!!!!!!!!

RIC LEGEND STRIPPED OF THE TITLE!!!

Flying Aces League management has a very serious and official statement to make in regards to the Southern Heavyweight title, recently won by none other than Ric Legend. The title he just won, has NOT been defended due to the wrestlers recent bout of inactivity. Due to this, and the prestige of our top championship, which we take extremely seriously, we have no other choice but to make the unfortunate decision to strip him of his title belt. A new champion will be decided at an upcoming pay per view event, so stay tuned to the Danger Zone for further developments. If Mister Legend decides to get active and stay that way, he will be eligible to compete to regain his championship. We are currently unaware of any reason(s) for his inactivity, but we find it unfortunate none the less. We hope to have a formal announcement of some sort regarding the title and the ppv by next cycle's issue of the Danger Zone Magazine!!! Everyone, from every title division will be allowed to compete for the league's top prize, heck the IWA's top prize!!! We have such a wide array of incredible wrestling talent, a worthy title holder is all but assured. We look forward excitedly to what is to come!!! We wish the very best to all of the possible FAL competitors!!! Be it a Frogm a Ham Sandwich, unnaturally big quads, a former champ such as Kevin Savage, we could go on and on and on. So please stay tuned for further information and developments. We have a feeling that big things are about to happen in the FAL!!!

Marvel Infinity Saga Summer Sets

KEVIN SAVAGE STATES:

**IT'S TIME
THAT THE FAL
GIVE ME SOME SERIOUS
COMPETITION!!!**

SICK OF THE SAME OLD
SAME OLD RESULT, KEVIN
SAVAGE IS GETTING MAD AND
HAS SOMETHING TO SAY
ABOUT THE SITUATION!!!

The Flying Aces League's biggest
event on the calendar is on the
verge of its big return!!! Gulf
Coast Chaos is set to return to
the Mississippi Coast Coliseum in
Biloxi in just a few cycles!!!

Once this is posted in the IWA,
you will have 4 cycles to work
your programs, and build your
storylines, because in cycle #5
the event of the year will take
place!!! This league's long and
storied history is closely
entwined with this arena, and
it makes sense that everything
culminates right here in the
years' biggest event!!!

"I need some damn
competition from
the FAL roster!!! It's
been far too much
of the same old
thing, and I am
getting tired of it.

Crew from the
state of Minnesota,
all sorts of freaks
like Giraffes and
the like, but not
one REAL challenge!
It is high time that

the FAL roster
steps the
Expletive up.
I am putting it
out there, to
see if any of
you have the
huevos to

come and get
some of the GOAT.

The roster has
pretty much put
up weak sauce to
this point. I will be
at Gulf Coast
Chaos waiting for
a challenge. Y'all
better make it
worth my while.
Make a statement
guys, not just a
weak and pathetic
little whimper..."

GULF COAST CHAOS RETURNS!!! COMING SOON TO FAL TELEVISION

The card, of course, has not
been decided, but expect a big
announcement that fleshes
things out next cycle!!! This event
will shape the course of the
FAL for years to come.

Just think of the possibility of
some epic showdowns such as
Ham versus Good Giraffe,
the Fraggles versus SOS, or
any other trio combination,
the possibilities go on and on
and on and on!!! We are absolutely
giddy with anticipation!!! So please
get those ideas flowing, and
challenges etc. made as soon
as you possibly can!!!

Could we see the
introduction of new
wrestlers, factions,
etc.??? Possibly.
Anything can happen
in the FAL that is
for certain. Like we
already stated, we
are excited at all of
the possibilities, and
cannot wait to get to
the event itself!!!!!!!

So get to work
people!!! The future
in the Flying Aces
League starts now!!!
Good luck to all!!!!!!!

And we still have nothing for the poor animal from Africa! Are you kidding me? FAL?!?!? Have a heart! This poor animal was shipped here in a crate! A crate! Just so then you could be amused! Are you kidding me?!?! And you can't give the poor beast one championship? Greedy pieces of You all should be ashamed of yourselves! This poor animal has a family to feed back home! The poor animal is here as a guest! Is this how you treat all of your guests? Would you do this to a dog?

GIRAFFE

THANK YOU!!!!

The FAL now has a tag-team then can be proud of! Yes! Yes, you do!

“DIAMOND 28/28”

And here we go again! On one side, winning US Six-man would be nice, on the other winning another World Six-man would be even more special. The question is, are we finally going to have a 28/28 drop in Diamond? If so, are we going to actually hit with it and walk out the best league in the IWA? I hope so! On the plus side, they have split the past three “golden” feds and now it is up to the back three to give us some multis gold! I really hope they throw a curveball at our heads and split the whole cycle just so then people rage quit! More gold for me then! HA! But really though, can you imagine a whole cycle with no tag-teams winning? That is just mean! So, 28/28 drop with a tag friendly combo and we are going to have a war to see who gets it in the FAL! I have my money on the damn Giraffe! Wait... And of course he can only get a regional! HA! You guys suck! Come on people, I am trying to win my first World Championship here! Look at this poor animal! Look at him! It? She? I don't know, they didn't have a gender on the order form when I sent for the damn thing to be sent to Alberta! HA! I heard feeding them is expensive! HA!

ROYAL FAMILY OF DOOM/LORDS

Vanity: "Does anyone else think the RFD logo needs more ME? The crown is emblematic of Queen Angela, and the moon represents Eclipse, duh. One of those two snarling beasts is a wolf, and the other is supposed to be a hellhound; that's my Cerberus, and that is what brings in me and all my boys. And I love my Cerby, don't get me wrong, but how 'bout something that symbolizes me directly? Hey, maybe the new logo for the Fam should be a picture of ME wearing this logo on a T-shirt! I really like this idea! Oh, by the way, my guy Bobby Lord is the Central Plains champion right now. Go buy his shirt, too! Then go away." (Blows a kiss and we fade to black.)

MARYLAND BLUE BLOODS

Cecil Howard
Calvert
Prince George
Montgomery

Continued from last time

Prince George: "...now I called you here to tell you that, through our extensive genealogical research, we have found that you two are, somehow, by birthright, noble Maryland Bluebloods!"

Fredrick: "It appears as if your ancestor Sir John Somerset had some extra marital affairs and you are the genealogical result centuries upon centuries later"

Prince George: "Now of course, you would need names more befitting of such moral character. I purpose the names **Dorchester Wicomico Somerset** and **Worcester Wicomico Somerset**."

Mark: "You mean to say that we are related and now we are rich people based on some science stuff? I don't think I like that big long fancy name. And ain't Wicomico an American Indian word?"

Cecil: "Well, your forbearers past discretions were complicated, so we decided to respect the peoples that had inhabited the Eastern Shore prior to our royal arrivals."

Jay: "Now hold up. How did you get the DNA or science stuff for all of this stuff."

Fredrick: "We did not need it, the records from the old courthouses show this to be true."

Mark: "So I get to stop working at the pizza shop? Do I have to wear those funny wigs?"

Jay: "We ain't using them names and our goals aren't the same as you folks."

Cecil: "This is a wonderful offer, you should be chuffed at such good news!"

Mark: "I don't know what chuffed is, but I don't like that richy boy tone."

Prince George: "Gentlemen, perhaps we need **Garrett's** help. Let's have some tea and simmer down for a bit"
