Belle James stands in front of a reclining Carissa Owens and a relaxed Alexa Winters.

"I guess you two think you're all good now that you're carrying some gold," snaps Belle. "Well, I want you to know that I expect my Varsity Shooters to do better than that. Carissa, you were a contender for wrestler of the year last time, and you two don't even work as a tag team anymore. I've half a mind to send you two off somewhere else and ask Rachel for a couple of girls in masks who won't get big heads."

"I don't see you with the Queen of the Amazon belt," says Alexa.

"And I don't see you with the Deadly Divas belts," Belle retorts. "At least Carissa is going for the Queen of the Amazon shot this time around, because you couldn't hang."

"They don't call me the Crown Jewel for nothing," Owens says. "But we're all in the Boom Boom bracket this time, so let's get our acts together and make sure we're working as a team."

"If you don't," says Belle, "I'll find two girls who will."

Spring 2025 Edition  
(GAL #95)

Interim Commish

**"It's SPRING BREAK BEACH BASH!** Whoever wins the Battle Royal will get an extra **\$100,000** in i-cash. It's Spring Break Ladies, you deserve it! I hope you like where we held it this year! All this plus the usual Battle Royal accolades."

"Wining *almost* 100k was **Takoda Reznik**, who cashed in and won the jackpot for getting the pinfall as the defending **Boom Boom Belt** champion. Now, **Peggy Paycheck** was a little unhappy with me, and I get it, so I decided that she will get a shot in the **Boom Boom** title match this tour - not sure this feud is over. Talk trash to get your shot at the Triple B!"

**"Roseanne Conner**, defended her title over her friend **Selma Bouvier**, earning 5 free matches. Selma may get a rematch next tour, if she can get past **Carissa Owens**. Back to the champ, Roseanne has been on a roll since she arrived, winning last year's **Climax**, which will be starting back up soon - let me know what wrestler from each manager will be participating - winner will be crowned at **HOT GAL Summer!**"

"Finally, in Thief River Falls, Minnesota last tour, **Sunny and Sky Rose** won the **Deadly Divas** titles. Remember to challenge them for the belts. **IT'S SPRING BREAK!**"

tl;dr: This cycles BR is worth 100k. Takoda wins 95k. Peggy put into BBB match. Roseanne defends. Challenge for Deadly Divas. Climax coming soon

## Deadly Divas Tag Titles Rules: Challenges are now open!

1. Any Tag Team can challenge for the Divas Tag Title. Just mark the match "Deadly Divas"
2. If you win the match by 3 or more, you are the new champions! If multiple teams win by more than 3, the first team in the match rundown will be the new champions (this will make it so it isn't always the league tag team champions.) If no one wins by 3, the champs retain.
3. The commissioner will not sign matches for this belt and there is no additional prize for winning the titles. The titles will *a/ways* be up for grabs at the **GAentine's Day PPV**, with the previous year's tournament winners getting a bye into the second round.

# Trash Talk Review with Alyssa Blaze

## Margaux's Vision Quest

**Margaux Nizhoni & Takoda Reznik** went on a vision quest and now see the world more clearly. She plans to vanquish **Peggy Paycheck** for her greedy ways & the Smurfs.

## Trouble with the Shooters

**Belle James** lays into **Carissa Owens & Alexa Winters**, saying they haven't been living up to their expectations, most notably since they lost the Deadly Divas titles. **Alexa & Carissa** fire back saying Belle hasn't done much either. Belle threatens to send Alexa back to the indies in a mask and threatens to call Medved and Yamazaki. Hopefully they get it together, maybe even at Spring Break Beach Bash. God we don't need Medved here!

## Sara Stone wants more

**Sara Stone** is looking to win more, but is concerned about the new drug testing

## Takoda Calls out Peggy

**Takoda Reznik**, off her BBB victory, challenges **Peggy Paycheck** to a one on one contest for the title - **Commish Brookens did put Peggy in the match**, but not a one on one contest. She said **Sara Stone** would have to wait. Her and **Margaux Nizhoni** plan on taking the **Deadly Divas** titles as reparations.

## A shack-up fot MBH

**Belinda James** explains her frustration in fumbling the opportunities against the likes of **Sky Rose, Belle James, & Fallon Luna**, but having nothing to lose makes her dangerous!

Then, **Peggy** confronts **Belinda** about hogging (no pun intended) the spotlight, even bringing in her sister too. Then Peggy brings back the returning **Big Mama Mae** to L to replace Connie. **Mae** says she ain't takin sides so Peggy & Belinda have to figure it out

## Peggy loses her cool

After getting the pinfall, but not winning the **Boom Boom Belt**, Peggy attacks here former partner **Penny Waite** before confronting commissioner **Brookens** about her title matches

## Fallon's climbing back-up

**Fallon Luna** thinks she had a concussion last time, but now the grrlz are on the right track again. She cautions **Mama van Chaos** about talking about **Evi** and **Peggy's** constant whining. She has her sets sight on the **Queen of the Amazon**

## Awilda working on tags

**Awilda Kleinstein** has her sights set on the **Deadly Divas Tag Titles**

# "Shadow Mare" Takoda Reznik

Boom Boom Champion Takoda Reznik stalks her way down the aisle as PEGGY PAYCHECK is cutting a promo in the ring. As the Shadow Mare steps through the ropes, the much larger woman steps to her and says, "What the h#ll do you want?"

Blocked into a corner, Reznik takes a moment to consider the situation then shoves Paycheck back and levels her with a savate kick under the chin. "See this," she says holding up the Boom

Boom Belt, "You want it, you gotta earn it just like I did." The fans cheer as the Native American puts the behemoth in her place. "Until then, keep your grubby little sausage fingers off it." She turns to the camera, "I also earned a nice \$95,000 bonus."

Paycheck gets up, rumbles toward Reznik and eats another savate kick.

"You and the rest of GAL should know...  
... The Arrow Club is on the Warpath."

# *"Wildheart"*

## Margaux Nizhoni

Margaux Nizhoni is seen in the locker room doing some sort of war dance as the VAN CHAOS sisters return from a match. "What on earth..." URSULA says just before Nizhoni sprints toward them. A stiff forearm drops BEATRIX and the others are knocked out of the way as the Wildheart continues on out of the locker room. She runs down the hall and clotheslines BIG MAMA MAE. Further down, she turns a corner and slams into PENNY WAITE knocking her to the ground. At the end of the hall, Nizhoni takes out WICKED PUSSYCAT with an Atomic Elbow before bursting through the curtain for an Ultimate Warrior style entrance. Once in the ring, she unleashes a warcry as the fans cheer.

"Arrow Club is on the Warpath, and GAL is on notice," Nizhoni says.

Wicked Pussycat, running to the ring, is greeted by the Wilheart's suicide dive out of the ring. Nizhoni gets up, runs up the aisle and blows through the curtain.

*[The scene opens backstage after the six-woman tag match in the Perfect Plaza. **Peggy Paycheck**, still breathing heavy from the fight, is storming through the interview area, shoving over a chair. She's fuming, covered in sweat, her fists clenched.]*

**Peggy Paycheck:** "You gotta be kiddin' me! You mean to tell me—after all the blood, sweat, and goddang mud I done poured into this business—I gotta stand here and take ANOTHER loss 'cause some backwoods backstabber decided to play mind games with me?!"

*[She turns, staring straight into the camera, pointing a shaky finger.]*

**"Belinda James!** I see what you're doin'. You strutted out there all innocent-like, bat yer eyelashes and 'pretend' you ain't mean nothin' by it! But lemme tell ya somethin', sister—you ain't foolin' me! You cost me that match, and now **Takoda Reznik's** still sittin' pretty with that *Boom Boom Championship* when it shoulda been ME slammin' that title down and lettin' the whole GAL locker room know the **Mudboggin' Honeys** run this place!"

*[She paces back and forth, smacking the steel interview backdrop with her palm, trying to keep her anger in check.]*

"But naw... now I got people whisperin'. Now I got folks wonderin' if **Peggy Paycheck** got a screw loose! If maybe—MAYBE—I was seein' things. But I don't need no replay, I don't need no commentary team tellin' me what I already KNOW! I know you were there, **Belinda!** I know what you did!"

*[At that moment, **Belinda James** walks into the frame, arms crossed, shaking her head.]*

**Belinda James:** "**Peggy**, you need to cool it. You lost that match 'cause you took your eyes off the ball, not 'cause of me. I was out there mindin' my own business. You're blamin' the wrong person."

*[Peggy steps up, nose-to-nose with **Belinda**, her breath ragged.]*

**Peggy Paycheck:** "You was out there when you ain't need to be. You was watchin' me, NOT the match. That ain't somethin' a sister does, **Belinda.**"

*[**Belinda** smirks, shaking her head before leaning in.]*

**Belinda James:** “You’re right, **Peggy**. A sister wouldn’t do that. But maybe... I ain’t your sister no more.”

*[Belinda turns and walks off, leaving **Peggy** standing there, seething, her fists clenched. The camera zooms in on **Peggy’s** face as her jaw tightens, her fury bubbling over. The screen fades to black as she mutters under her breath.]*

**Peggy Paycheck** (low growl): “You just made a mistake, girl.”

*[The scene opens in the GAL arena. The opening chords of "Redneck Woman" by Gretchen Wilson hit, and the crowd erupts. **Big Mama Mae** steps onto the stage, microphone in hand, smirking as she soaks in the cheers. She takes a slow, confident walk to the ring, then leans against the ropes, letting the music fade before raising the mic.]*

**Big Mama Mae:** “Y’all hear that? That’s the sound of a woman who don’t give a dang ‘bout pleasin’ nobody but herself. And that’s exactly why I’m standin’ here

tonight.”

*[She paces the ring, rolling her shoulders.]*

“See, I been hearin’ a whole lotta folks yappin’ lately. Talkin’ ‘bout betrayals, distractions, hurt feelin’s—like this is some kinda soap opera! But me? I ain’t got time for gossip. I got business to handle.”

*[She stops dead center, pointing straight ahead.]*

“And first on my list? **Sara Stone**.”

*[The crowd murmurs, a mix of excitement and tension. **Mae** tilts her head, cracking her neck.]*

“**Sara**, you been struttin’ ‘round here, thinkin’ you the next big thing, thinkin’ you got a claim to that Boom Boom Championship. But lemme remind you of somethin’. **Connie** may be gone... but the title of Amazon? That stays with me.”

*[She points to herself, her voice steady, commanding.]*

“So if you got your eye on that gold, do yourself a favor—step to the back of the line. ‘Cause it’s been a long time comin’, but now? It’s MY time to shine.”

*[Mae drops the mic with a thud and steps off, leaving the crowd buzzing as she exits up the ramp, her message loud and clear.]*

*[The scene opens in the GAL interview area. **Belinda James** stands alone, arms crossed, shaking her head as she looks at the camera. She lets out a slow sigh before speaking.]*

**Belinda James:** “You know... I ain’t never been one to start trouble. I lace my boots, I step in that ring, and I do what I do best. But **Peggy Paycheck**? She don’t see it that way. Nah, she’s out here screamin’ at the top of her lungs, callin’ me a backstabber, a liar, a distraction. And for what? ‘Cause I was watchin’ a match?”

*[Belinda chuckles, shaking her head.]*

“**Peggy**, you been my girl for a long time, but right now? You sound like a woman lookin’ for someone else to blame. You lost that match, and instead of ownin’ up to it, you’re pointin’ the finger at me. But let’s set the record straight—I didn’t touch you, I didn’t say nothin’ to you, and I dang sure didn’t tell you to take your eye off the fight.”

*[Her expression turning serious.]*

“But what really gets me... is that you don’t even realize what you’re doin’. You’re pushin’ away the people who were always in your corner. You’re pickin’ fights that don’t need fightin’. And the worst part? The **Peggy** I used to know? She wouldn’t act like this.”

*[She exhales, shaking her head again, playing up the “hurt friend” act. But just then, the camera pulls back as **Belle James** steps into frame. She says nothing—just stands there, arms at her sides. **Belinda** glances at her, nods once, and without another word, the two turn and walk off together. The camera lingers on their backs as they disappear down the hallway, leaving the audience wondering what just happened.]*

# BOOOOOO GRRRLZ

*Fallon Luna and Sara Stone are on a sunny beach. Noticeably absent is Awilda Kleinstein, who didn't make the trip due to visa issues.*

## Fallon Luna

“Shout out to **Nakita & Destyni**, who thought I deserved something for having to put up with all the bs from Badger when they left. Anyway, I had to get away before the Beach Bash, last time they held it in Minnesota or some dumb sh\*\*. I needed to clear my head for real and touch some grass, well some sand. **Roseanne Conner** keeps getting the better of me - throwing me out of the Battle Royal and taking my title. I need to lock in to work my way back up the wrestler of the year rankings. The next step is to win the **Spring Break Beach Bash Battle Royal**”

“Also looks like the grrrlz are back - we finally got the six-man titles back - Sara and Awilda are cooking as team too. I usually don't get into rumors, but I haven't heard from **Evi Van Chaos** in a minute; she ghosted me when I just sent her a pic and I heard that something was going on with her family. **Evi**, you know you can always trust me - hmu girl! Time for me and the grrrlz to slay and show the rest of the GAL that we run this league. I doubt anyone will say or do anything to stop us.”

## Sara Stone

“Another Battle Royal win and I'll have 100k more. This certainly beats when I use to work at the pizza shop. Next up is to take the **Deadly Divas** tag titles from the **Rose Sisters** - those girls hit the gym as much as me - so I know we'll be in for a fight. Just a bit more relaxation before I'm back on tour.”
