Ohhhhhhhh hellllrooooo HAL. It Ching Chong Jones again. You know Ching Chong have lots to get to.

Why there picture of man in HAL last time giving another man strange hug? Ching Chong think maybe 44095 get their businesses confused. Hope you no download that PDF. If you did may want to delete. Ching Chong is not into man on man wienering but Ching Chong understand some you are.

With special match pricing Ching Chong will take opportunity to get many victories. Ching Chong miss Martin Dean. Since he beat one of the Potvin Clan we forget about him. Speak of regard....

I still wait for Potvin to show us his bed mattress since he no accept the Challenge of the Chong. Maybe he thought it was Challenge of the Go-Bots. Ching Chong hear he watch those episodes on Chinese favorite indoctrination device YouTube while he wear diapers. Ching Chong think maybe Potvin had too much mercury when child. That explain extreme levels of regardation. In China we feed the regarded to alligators and rabid pandas and take bets which one beg for candy bars first. He want to get funky like monkey. Maybe he should learn to wipe like a wiper.

One cannot mention the highly regard in HAL without mention of Machines and Medved. Medved continues with his Corky Machine and Jack Tripper Machine. Ching Chong warn you I have massive brain. You come up with belt of all belts when you have **STUPID ELROD BELT.**

Stooooooooopid!!!! YOU SO stoooooooooopid!!!!

Ching Chong will never get eriminated from UWL. Joke on you buddy!!!! You will never defend belt HAHAHAH!!!! You no smarter than regarded Potvin. Like Potvin you not smart enough to make pudding from box. You have to take package out of box before add water!!!!

You no think Ching Chong come up with belt that makes STUPID ELROD BELT look....stooooooooopid?

Well let me introduce new great HAL title.....

THE CHALLENGER LIKES WEARING BUTT PLUGS WITH LEDS AND HAS PICTURES OF NO NECK TRADER JOE MAN MATT IN HIS WALLET TITLE!!!!!!

I laugh out loud. If you want to win this great HAL title go ahead. Put in shiny American plug and picture of man with no neck in wallet. This title perfect for American Fruit Rollups!!!! Ching Chong character has massive brain. Only thing more impressive is size of Elrod hog. Elrod is Babe Ruth of all hogs.

Who the lame loser now?

HAHA...now Ching Chong must go decide to join battle royal or just sit back and watch Bud Brock buy his battle royal instant lottery tickets.

This Ching Chong and Chong out.

Professor Vitali Medved, formerly Masked Wrestler #107, sits in a recliner wearing a velvet smoking jacket and smoking a large cigar in a dimly lit room. He looks out a window for a moment before turning toward the camera.

"Oh, hi," he says, attempting to sound warm and friendly. "I did not hear you come in. Welcome to the Medved Residence, where everyone is made to feel at home except Stupid Elrod."

He smiles broadly.

"You see, Jones, they ask me not to say his first name at work, Jones is creating quite problem for the Yamazaki Corporation and Machines generally. First of all, he raise tariffs on belts for some reason, even though Super Ghost Machine have the Kevin Elrod Memorial Belt memorializing time when Elrod was good. He promise new belt for us this cycle, but he probably forget due to inscrutable nature. However, and here is the problem, he still in UWL."

Medved shakes his head sadly.

"There are still two Yamazaki men in UWL and we will be looking out for you," he says, "but in meantime we look forward to taking your in-league belts from you and hitting you over head with vodka bottle or putting cigar out in your eye or something dumb like that."

Medved smiles again.

"But on to greater issues. FUNZION, I like the taste of your snack but I dislike you. Since Jones do bad job of it, I offer you handicap match: Super Ghost Machine against Potvin Who Is Known As Kane, American Giant, and Apex Predator. If you win, we leave HAL. If we win, you acknowledge us in trash talk and play along with angle once in freaking while. Deal? Catfeesh."

Medved gives his winning smile and ashes his cigar.

"Oh yeah, I go to hall of fame. Now I just manager. Goodnight everybody."
