I'm proud of this cycles events and events like this make me want to keep pushing forward each cycle!

Now I heard Reegan Reigns come out here begging for a title shot. Toxic and Syndicate for the past several cycles have put on some bangers. In that time, Reigns also won King of Hardcore, but he lost to Drake when given his shot. Yes he beat a perennial contender in Justice Pain but unfortunately for both, I can not reward either a World title match based off the series. We are sticking to the plan and the winners will be given Television Championship matches as well as the series earnings

We will be getting ready to set up our next series play within the next couple cycles. I'm looking at Bird Flu, Duke Ken, Hardcore Hellion Badwayz, Koal Killswitch

I'm not saying who is facing who but those 4 are up next

Nick Hill Invitational is coming up in May's cycle. 16 wrestlers battling it out for \$250,000 i-cash, 15 free matches, and a contract to face the Action Wrestling Ultraviolent Underground Champion.

Matches will be posted after Mania

House Of Hardcore's Champion Challenge starts this cycle. The winners of the- World title match, League, TV, Battle Royal, East Coast, Northeast, Rocky Mountain, and Great Lakes Championships will be entered into the tournament **if a title is vacant, then we will swap in another regional winner** **These 8 champions will be fighting it out for a \$12 match deal to be used in HWL only.** Not one of your other jerk off leagues, HWL only Malaka!

Other than that, I'd like to wish everyone good luck this cycle. Have fun and until next cycle, we'll see you all in the bulletins!

House Of Hardcore World Champion- Mike Drake

House of Hardcore Television Champion Big Salty Shatterday

Reegan Reigns- War end, battles are won, as the history unfold before your eyes, a legacy was cemented, and a new star was born. Justice Pain proved why he's been kicking ass in this league so long and I proved i belong in the ring with the best.

Drake i want that belt, I want you one more time. I'm calling out the HardcoreMania winner right now, hell how bout a 3-way, Mania winner v Reegan Reigns v Justice Pain. Gabe, make the call, the right call.
