COLT SAWYER ANNOUNCES STACKED CARD FOR "SOUL SURVIVOR" PAY-PER-VIEW EVENT

April 22, 2025 – Nashville, TN — IWL Commissioner Colt Sawyer held a press briefing today from IWL Headquarters and laid out the official match card for the upcoming SOUL SURVIVOR pay-per-view event, promising high-stakes competition, family feuds reignited, and patriotic revenge as the IWL charges full speed into the summer.

"Soul Survivor is where legacies are tested and new eras are born," said Sawyer. "This isn't just another stop on the road—it's a proving ground."

Headlining the event will be the highly anticipated IWL World Championship rematch between the reigning champion Soo Yoo Pai and the relentless challenger Joe Boring. Their bout at Mat Mania left questions unanswered, and this rematch promises to settle the score once and for all.

The IWL World Tag Team Titles will also be on the line as Los Astros look to continue their hot streak against a cunning, masked-up Los Americanos, who claim they've unlocked the formula to tag team dominance with their switch tactics and mirrored identities.

In another heated chapter of one of IWL's most storied rivalries, The Regulators (Ryan Patrick, Blackjack Robertson, and Shotgun James Carnage) will defend the IWL World Six-Man Tag Team Titles against the relentless Von Snapp Family. With family pride and faction supremacy on the line, expect this one to get personal—fast.

Newly crowned IWL MultiNational Champion Uncle Slam will defend his title against Mike "Rampage" Sanders. The champion has vowed to deliver a red, white, and blue beatdown, but Sanders isn't one to back down from a fight—especially when gold is on the line.

Also announced: a triple threat showcase match where the winner earns a future shot at the MultiNational Championship. International icon Magnifico Astro will collide with the eccentric and unpredictable Ali Atari, as well as the surging fan favorite Death Valley Drifter in what promises to be an unpredictable classic.

In a shake-up from the original card, Father Arturo Bartolo and Father Conrad had issued a challenge to Draco and Khoi, but word is that the duo may have gone off the grid. Stepping into their place are Shotgun Kidd and Brady Buckshot, who will take on My 2 Dads in what now shapes up to be a gritty tag team contest.

And if that wasn't enough chaos, Commissioner Sawyer teased the possibility of a WAR GAMES-style match to contain two warring factions:

On one side, the wild bruisers led by Gentleman Jarvis—Big Van Shamrock, Bam Bam Blackman, Buck Dollarhide, Steele Ironside, and Nobody.

On the other, the street-smart Northwest Players Club featuring Ravishing Rex Chambers, Sinister Sean Brutal, Rob Kersey, Kidd Justice, and Hollywood Kid.

"If these two units want a war... maybe it's time we give them one," teased Sawyer.

Additional matches and stipulations will be confirmed in the coming days. "Soul Survivor" is shaping up to be one of the biggest, most explosive IWL events of the year. Fans can expect surprises, chaos, and the kind of wrestling that only the IWL can deliver.

Stay tuned for more updates, official graphics, and ticket info on all IWL social media platforms.

TRASH TALK

Death Valley Drifter swaggered backstage after Mat Mania, having scored a decisive win over Mr. Honkers and Raging Brick Johnson. With a confident tone, he declared that his approach was clearly working and invited anyone brave enough to take a trip down his dusty road. He's not slowing down—just heading to the next town for his next fight.

Los Astros, the newly crowned IWL Tag Team Champions, were all smiles backstage as they recounted their war with the Amazing Graces. They gave props to the deep tag team division, name-dropping teams like the Von Snapps, Los Americanos, and the Regulators. But they made it clear—they were the ones holding the gold now, and to them, that looked absolutely spectacular.

Shotgun Kidd and Brady Buckshot embraced their transformation from underdogs to top-tier tag champions. They reflected on their early days and how far they've come, cracking jokes about women and success. While their promo was playful and a little off-the-rails, their message was clear: they're not the losers of this division—they're the standard.

Magnifico Astro took a philosophical tone, reminiscing about past encounters with bizarre creatures and legends from his long career. He praised the IWL's talent pool for reigniting his passion, pointing to stars like Soo-Yoo Pai and Sam Hain. He hinted that his journey is far from over, and he's ready to chase greatness once again.

In the Northwest Players Club locker room, Rex Chambers addressed recent disappointments, particularly the underperformance of Kidd Justice and Hollywood Kid in big matches. He urged the team to regroup and promised retribution against the Lizard King and his allies on an upcoming Power Hour. The promo ended with a unifying shout: "Come Get Some!"

The Regulators delivered a no-nonsense address after yet another successful defense of their Trios Titles. They recounted their year-long dominance over teams like the Von Snapps, the Litigators, and most recently, the Michigan Border Patrol. Frustrated by the lack of new challenges, they floated the idea of taking their titles elsewhere to find real competition.

Gentleman Jarvis, accompanied by his stable of powerhouse bruisers, ranted in-ring about being overlooked and disrespected. He demanded justice for his clients and took his outrage straight to the commissioner's office. What followed was a chaotic scene of violence as Jarvis and his crew attacked the commissioner and security, making it clear: the era of "Mr. Nice Guy" is over.

Uncle Slam celebrated his Multinational Championship win in truly patriotic fashion, complete with eagles, DJs dressed like Abe Lincoln, and flag-colored drinks. Declaring his victory over Father Arturo a triumph for America, he turned his attention to challenger's Mike Sanders and Hollywood Kid, vowing to bring liberty, justice, and mayhem to anyone who steps in his way.

Father Arturo, alongside Conrad and Maltese Monster, addressed their fluctuating fortunes. Arturo offered redemption—or punishment—to Cold & Windy in a match at Soul Survivor, wagering cash against service to the church. Reflecting on his recent defeats and loss of the Multinational Title, Arturo hinted at taking a sabbatical, leaving Conrad and the Monster to carry the mission forward.

TRASH TALK

Soo Yoo-Pai, fresh off a major win at Mat Mania, addressed reporters at an airport press conference. Though he brushed off questions about Joe Boring and Me Me, he expressed excitement over potential challengers like Ali Atari, Sam Hain, and members of the Regulators. He reassured fans that the Michigan Border Patrol, despite their recent loss, still had fight left in them.

Victor Von Snapp Sr. proposed a triple threat trios match at Soul Survivor—Von Snapps vs. Litigators vs. Michigan Border Patrol—arguing that the Litigators' recent draw was just a cheap way to avoid losing. Meanwhile, Alex and Axel Von Snapp fired warning shots toward the CWL tag division, vowing to make an example out of whoever held the belts after Brawl for All.

Victor Von Snapp Jr., ever the prankster, mocked Lanny Teague's attachment to his lost car and challenged him to settle the issue in the ring. He kept things light but made it clear that Los Von Snapps are always ready to make noise.

Ali Atari, known as "The Dream," opened up about feeling creatively stuck in his IWA career until Lady Xanadu reminded him what he had been missing: a true rival. After years of major feuds and championship glory, he now has his sights set on Soo Yoo-Pai. It's not just about the title—it's about proving something to himself.

Finally, Los Americanos unveiled their new strategy for getting back in the tag title picture. Inspired by masked tag teams of the past, Buddy and Hank plan to swap places during matches using identical gear and facial hair to confuse refs and opponents alike. Tired of being overlooked and cheated, they're bringing some underhanded lucha-inspired justice to IWL.

The Lizard King

Ravishing Rex Chambers, you want to take on me and two partners on Power Hour? You got it. I choose two kids I helped train. The IWL Tag Team of the Year for two years running. I choose the Amazing Graces! Me and my kids against you and your kids, Rex!

Davey Blossom, you got lucky. I'll get you next time.

Everyone keeps asking who the man is under the mask. They're saying I have to be the Chameleon, because I choked at the pay-per-view just like the Chameleon always did. I don't know what I have to do to prove it to you people. I've been in the same room as Chameleon many times. Chameleon is taking a break. I'm in the ring every cycle. Quit worrying about who the man is under the mask and focus on how the man under the mask is wrestling. Remember, the only simple day is the day before!

The Litigators (Lee T. Gation, Perry Legal and the Honorable Gil T. Azelle) are in the ring.

LTG: Remember when the Regulators said we'd never won a World Six-Man title?

PL: I'd like to thank them for saying that. You, see, that lit a fire under us. Now, we're two-time World Six-Man champions.

GTA: But still, we can't even get any respect in our own league.

PL: Von Snapps, we like your way of thinking.

LTG: We are the hottest six-man in the IWL, yet we can't even manage to get a title shot.

PL: Regulators, know we won't rest until we have the IWL World Six-Man titles around our waists.

LTG: We are the Litigators and we'll turn your pain to rain.

Lee T. Gation

Perry Legal

"The Honorable" Gil T. Azelle

"The Supreme" Cort Justice

Chase and Justin Grace are backstage.

JG: It finally happened. We lost the IWL Tag titles.

CG: Excelente Astro and Ultimo Astro gave us all we could handle. On that night, I have to admit, they were the better team.

JG: But you better never count the Amazing Graces out.

CG: We'll be back on top in no time.

JG: In the meantime, the Chameleon needs some help against Ravishing **Rex Chambers, Kidd Justice, and the Hollywood Kid.**

CG: The Chameleon helped us get out start in pro wrestling. We'll do anything to help him out. We're in.

JG: The Reign of Grace continues!

DEMOLITION CREW: Time for the overdue showdown

You fellas have made your name across the industry and now you hold the CWL World Tag Team titles so the obvious next step here is for the IWA's greatest tag team of all-time to challenge you. If we have to take down Millennial Reign, so be it, they've grown into the team we knew they could be. Which is all the more reason we have to step up our game. It's time to remind you all of my we're the best. –Alex Von Snapp

FIGHT FOREVER: THE REGULATORS CAN'T RUN FROM THE VON SNAPPS!

Bloody Hell! We get another chance to take down the Dregs because when the dust settled, as great as the Litigators have become, now a 2-time IWA Trios champ team, we beat em' out to grab that title shot! Cryin' Ryan Patrick, yah better book yer'selves for a stay in Hospital because the Von Snapps ain't gonna go easy on you blokes. In fact, we want this settled inside a steel cage! You hear that Commish? We're done playing games, we want blood and gold! –Axel Von Snapp

MAGNIFICO ASTRO: TIME FOR YOU TO FACE THE MUSIC

Everyone overlooks me, I'm the biggest, strongest member of the Von Snapp family, but for some reason I get ignored when it comes to the singles scene. The other day I saw Magnifico Astro saying he was looking for a fight, well guess what amigo, I'm game. Alec Von Snapp wants you in the ring and maybe if the Commish can put down the bottle, he can sign the match. I'm going get back to proving why I am the next great IWAR star because you all seem to have forgotten the runs I had that got everyone's attention. –Alec Von Snapp

Victor Von Snapp Jr.

"Greetings from one of the Von Snapp family estates, it doesn't matter which one, but I'm sure those of you watching this have questions. How many rooms are there? How many pools are there? And why am I leaning against this 1970 Pontiac Barracuda? (pats the hood) Well, last year a group of punks from the NWL, the rookie league, the newbs, decided to cross paths with the Von Snapps and F**k Around. Start a brawl at a bar, wreck the place and try to make a name for yourselves at the Von Snapps expense? A bunch of rookies? **Skeagoat, Kamikaze, Hypnotik, Blitzkrieg** and... you **Lanny Teague**.

The Reprobate, arguably the greatest rookie in NWL history joined in as a way to pad his rep. That was a mistake and is the reason why the Von Snapps made sure that Lanny's side piece, **Lorrie** got the care she needed after she was brutally beaten. Now some have claimed that the Von Snapps were the ones who paid a member of the BWL roster to beat Lorrie down. That the Von Snapps started a smear campaign that implied that Lanny was the one who beat Lorrie. Is it really that much of a stretch? Scummy Trailer Park trash guy serves up some fresh ones to his old tramp? Was that enough? Did they have enough of the Find Out stage? (shakes his head) Nah. Lanny wasn't faithful to Lorrie, so we had his second love, repossessed. (slaps roof) You can fit so much disappointment and loathing in this beauty! Now, now, Lanny has been so mad. I bet Lanny didn't like the bit where we gave **Cowboy Jim Spur** a sh*tbox to pass off as his car, but IWAR Commissioner Sue Plexx came to me and asked me to return your car. Of course, I refused, but she had a counteroffer and a contract for a match at the IWAR Super Show.

Victor Von Snapp Jr. against the Reprobate Lanny Teague with the keys to this car on a pole. Fine by me. This will give me a chance to make this sweet ride all mine. Who knows, maybe after the match, I'll give your ol' lady Lorrie a lift back to my place! Once she gets a taste of all this (gestures to the mansion behind him) she won't be going back to the trailer park. See you at the Super Show chump.

– Victor Von Snapp Jr.

*“Congrats to **Magnum T.L.** on his IWL championship, the Dream knows you’ve been knocking heads for a long time in the IWL. Going way back, and sun or shine, you show up and put up a fight. Tip of the cap brother.*

*Now, Mat Mania didn’t go the way I wanted, but just like Magnum keeps putting in the work, so will I. I’ve got Lady Xanadu by my side and the fans in my corner, so it will come. It’s been a tough bit o’ time, but I’m moving on and shifting gears for the biggest event of the year, **Soul Survivor**. It may be the toughest match to win in the IWA and the Dream would know, because I’ve done it. The carrot that dangles is a shot at the IWL World Heavyweight title. Same one held by **Soo Yoo-Pai**. Oh yeah, that dude! It may be a big mountain, plenty of room, but I wanna be one top. The Dream’s gotta goal and you... don’t wanna get in my way.*

The son controversial 80s-90’s IWA star, Bodacious Brad Blaze was Senor Lucha’s first student, but was determined to prove he could win *his* way and become the biggest star in the IWA. He debuted in the LWL where he formed the Foreign Legion which ruthlessly attacked Wrestling Gold or the time he whipped Afrodisiac Jones’ Mama! Fans had no idea their beloved ‘time traveling’ Lazer-Tron in the MRL and CWL was actually Atari under the mask until the Johnny B. Cup finals after he lost to Senor Lucha! He returned to the LWL and had a bitter feud with son of IWA legend, Armas Archuleta that only ended in a gruesome Buried Alive match that ended Armas career! Atari came to the IWL and formed a new Foreign Legion to feud with Sasha, Magnum TL, Konik and more until he joined forces with Luthor Alexander’s Revolution Extreme. Together they battled the IWL’s heroes and wreaked havoc at every turn. However, their partnership was tense as two leaders battled for control and Ali faced with Luthor’s ultimatum, chose Lady Xanadu and the fans over RX. That long feud has been a journey that made the Dream who he is today, but he is as determined as ever to be the biggest star in the IWA by winning big matches on the biggest stage.

LOS AMERICANOS!

[The cameras follow frantic IWA Officials, Referees and EMTs as they rush to assist a badly beaten MIKE RAMPAGE SANDERS laying in a pool of blood at the feet of Los Americanos. Commissioner Sawyer rushes in and barks at Hank and Buddy.]

Commissioner Sawyer: What the hell is wrong with you two? I already wanted you not pull any sneak attacks on the ASTROS!

Hank: And we ain't! done nothing to Jose Altuve or Yordan Alvarez!

Commissioner Sawyer: What? Not the Houstin Astros! The Astros! The IWL World Tag Team champs! Excelente and Ultimo?

Buddy: Oh them? Well, we haven't attacked them, we're gonna wait until we get to the title match at **Soul Survivor**. Fair n' square!

Commissioner Sawyer: So why did you attack Sanders?

Hank: Ah'll tell yah, this was a gift for our new buddy, **UNCLE SLAM**!

Buddy: We're just supporting a fellow American and making sure the IWL known that we've got his back, but Mikey? Oh he's in trouble!

IWL Multinational champion, Uncle Slam, enters **Commissioner Colt Sawyer's** office. Colt is whittling an armadillo out of one giant black of wood.

SAWYER: What can I do for you, champ?

SLAM: After my victory at Mat Mania, I was invited to the White House for a meeting with the president. We discussed many important topics from keeping Iran from developing nuclear weapons to bringing back the McD.L.T.

SAWYER: Of course — keep the hot hot and the cold cold. Man, I used to love them things!

SLAM: Who didn't? Anyway, we also discussed our ongoing issues with Canada and he wanted me to give you this.

Uncle Slam hands Sawyer an official looking document.

SAWYER: What's this?

SLAM: It's an executive order. The president is putting a 250% tariff on any Canadian wrestlers coming into the country for Soul Survivor in Texas. Seems like **Mike "Rampage" Sanders** just became too pricey for his title shot against me. Anyway, I'll let you get back to your... bear? Is that a weird kind of bear?

Uncle Slam shrugs and leaves.

SAWYER: It's an armadillo.

As Sawyer studies the executive order...

City: Jackson, Mississippi

Mike “Rampage” Sanders is standing in the ring with a microphone. The crowd is booing.

He has a timbit in his right hand. He puts the timbit into his mouth and chews slowly.

Sanders: “Mmmmm delicious.”

Sanders pulls out a tiny American flag from the breast pocket of his Kiton K50 suit and wipes his lips with it.

Sanders: “That really hits the spot. Thank you for that warm reception Jackson! I’ve been to Jackson Mississippi 6 or 7 times now, and I can honestly say that I’ve never been more excited to leave a place in my life. Seriously folks, they’re called toothbrushes, you should look into it.”

“But I stand before the great unwashed tonight with a few words for the MultiNational champion, **Uncle Slam. Uncle Slam**, you come out here every week dressed up like Abraham Lincoln, and talk about how you’re going to beat me up, about how great America is, how awful Canada is. America is somehow going to make Canada the 51st state? Don’t think so. How about we make America the 11th province? You’d look much better dressed up as Canada’s greatest prime minister, **Jean Chrétien!**”

“So it looks like it’s up to me to do Canada a favour, no, the whole world a favour. June cycle, at Globe Life Field in Arlington Texas, I’m going to take your belt, and I’m going to take your dignity, and I’m going to do it in front of your family and friends, and in front of millions of Americans watching on PPV. There isn’t a damn thing you can do about it.”

A New Level by Pantera blasts over the arenas loudspeakers as **Sanders** leaves the ring to boos from the crowd.

DEATH VALLEY DRIFTER

REPRESENTING GOT/GUN

Death Valley Drifter backstage.

At Mat Mania I left as the winner, but let's be honest, was there any other doubts? Mr. Honkers and Raging Brick Johnson had absolutely no chance against someone like me. I've traveled up and down these dusty roads for so long I've become a highwayman of sorts. I know the twists, I know the turns. I ain't a scrub by no means and those two found out firsthand just who the hell I am.

So now, I ask...who's next? Who wants to step up against the Drifter? If you're wanting a match, time to speak up, pal.

LOS ASTROS **Ultimo & Excelente Astro** *REPRESENTING COT/GUN*

[Backstage]

Ultimo: We fight to win. We fight to survive. We fight to be the best. And now that we're the IWL World Tag-Team champions, nothing is going to stop us!

Excelente: That's right, brother! We have proven that we're worthy, and now with the titles around our waists, our time is now!

Ultimo: But as always, now that we're the top dogs around here, we're looking to who's next. Who's the next team who wants a shot at our titles.

[Their father, Magnifico Astro, walks into the room.]

Magnifico: Whoever steps up, I know my sons are prepared physically and mentally to go inside that squared circle and retain the Tag-Team titles.

Michigan Border Patrol

Soo, Edward, & Windsor are backstage in Madrid after capturing the TV Sixman Titles

Ed: "Guys, this is our first big win in a bit. Maybe we can go see some flamingos dancing?"

Windsor: "Or maybe we can celebrate by going to a topless bar that I keep hearing about?"

Soo: "First, it's tapas, not topless. And Ed, it isn't flamingos dancing, it's flamenco, a style of dance. I actually met a famous flamenco dancer at one of my fashion shoots. I can't go tonight - I have a private flight back to the states - I have the **Johnny B Cup** quarterfinals against **Cowboy Schlitz** along with other media obligations, which unlike **Joe Boring**, I will attend with the professionalism of a true champion. You guys understand, right? Just like in the battle royal when I had to throw you out Windsor; it was you or me. Adios, I'll catch you stateside."

Ed: "Um, so I guess it's just us for the rest of the night in Spain. Do you want the tapas?"

Windsor: "You can call the tapas or tatas or whatever - I feel like going out tonight!"

The confused duo goes to a tapas bar, shrug, and begin to eat the small plates of appetizers

Arturo and Conrad are all near their usual altar

Father Arturo: "First and foremost, a heartfelt and sincere congratulations to the **Regulators**, for despite my efforts, it was not in the one on high's plans for me to be successful. You three have defeated me, and I have learned a lesson in humility. Akin to this, I am hopeful that **Cold and Windy** will learn this lesson as well. Perhaps their silence on the last tour was them considering my offer to help them change in their ways. The offer at **Soul Survivor** still stands: If you win, we will give you each **\$500,000** in i-cash from our coffers. If we win, you two will spend **three cycles in service to the church!** Either way, you will win here or for eternity!"

Father Conrad nods his head in agreement.

Arturo: "I am sure that you have noticed that the **Maltese Monster** is not at our side. He went back to his island homeland. I feel as if the visit will help him see the larger picture in play. I feel like I am in dire need of a sabbatical for rejuvenation! Peace be with you all!"

Arturo and Conrad make the sign of the cross as the camera fades.

THE REGULATORS

Ryan Patrick

Blackjack Robertson

Shotgun James Carnage

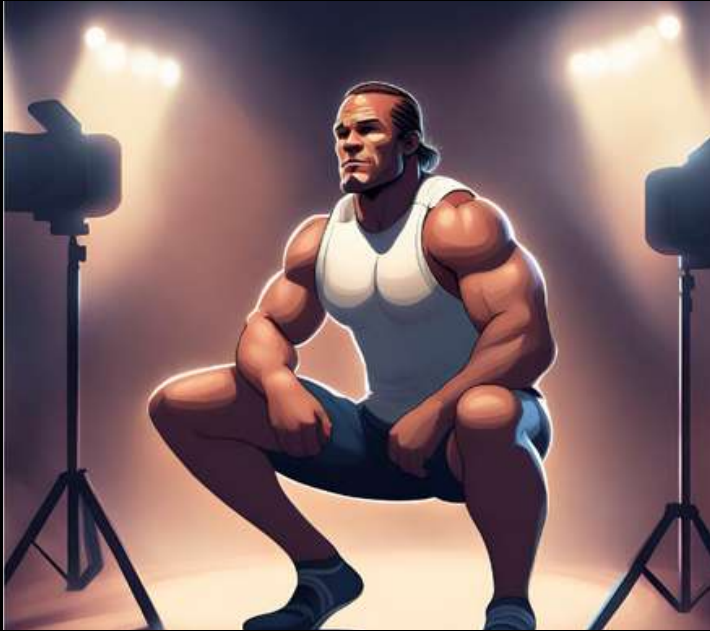

Texas Jesse Tombstone

Father Arturo is in the ring flanked by **Father Conrad** and **Maltese Monster**. **Arturo**, with pain in his eyes, raises a microphone to his mouth. Before he can speak his first words the lights in the arena dim. Emerging from the top of the ramp are a large group of alter boys carrying candles and a church choir singing a somber tune. They slowly make their way down and totally surround the ring. After a few creepy minutes they stop the singing and a spotlight is shown on Ryan Patrick on the top of the ramp behind a podium.

Patrick: "Before I get started I want to thank these alter boys and choir for such a spectacular entrance. Hands off, **Father Conrad**. Now, I want to welcome everyone to todays service. And what a service it shall be. This is a celebration. A celebration of The Regulators beating **Father Arturo** 4-1 in our best of seven. You see, we never questioned our faith. But now, you **Father Arturo**, must be questioning yours. Are you asking yourself those questions many have asked before you? What is my place in this world? Does God exist? Do you now have a hole in your heart and in your soul? Good. Remember that we are the ones that did this to you. We are the ones that took a piece of you forever. You may never be whole again. But fear not my son. As you may rejoice in the knowledge that the Wrestling Gods do exist. And they are standing before you today. The Regulators are here for you to worship, to believe in and to put your faith in. We are the standard and the constant in your world now. We will leave you now. Go in peace and forever know that The Regulators ARE YOUR NEW GODS!"

The choir begins to sing again as they and the alter boys, with candles lit, circle the ring a few more times, then head back up the ramp and disappear into the darkness.

NORTHWEST PLAYERS CLUB

Next cycle, Gene Meene sits down with “Ravishing” Rex Chambers for an exclusive behind-the-scenes interview to discuss the journey of Rex’ career that forced him out of the IWL just as he was peaking, his eventual return to the IWL, and what his goals are for the NPC.

We’ll also take a look at his heated rivalry with the Chameleon and now the Lizard King, plus more!

Sinister Sean Brutal says that he’s been snubbed from the Multinational Title picture by the IWL brass and he explains why he thinks that is next cycle!

The New Kids are one of th hottest teams in the IWL, but they keep having trouble winning the big matches. They have a plan to recover from their most recent loss to Los Americanos at Mat Mania and reportedly have a new opponent that they’re targeting.

Find out who next cycle!

DON'T DO THAT!

A YouTube series on avoiding costly wrestling mistakes for rookies!

Starring Boogie Worrell

Our scene opens in Boogie's wrestling gym that he's constructed in his backyard barn. It looks like someone tried to cross a wrestling ring with a roller rink and a tractor supply store. Fluorescent lights flicker above. There's a foam dummy in the corner wearing sunglasses and a fanny pack, labeled "Practice Randy."

Boogie enters the barn to fake crowd noise in his signature overalls (one strap always down), duck boots, and a bandana that says "BORNT0 BOOGIE." He struts into frame with way too much confidence for someone who once tried a moonsault inside of a Moon Bounce and ended up deflating it due to a pen he had in his pocket.

"Hey there, junior grapplers and suplex samurais! It's your ol' buddy Boogie Worrell, comin' atcha with the first episode of DON'T DO THAT, where we teach you what not to do when you're wrestling—so you don't end up in a neck brace like yours truly did last month."

He winks, finger guns the camera, then instantly knocks over a folding chair behind him. Doesn't notice.

"The most important thing you can learn, and write this down, is that kids shouldn't try this at home! And to clarify: that doesn't mean you should try it anywhere else either! I am a trained professional!"

A snicker is heard off-camera, causing Boogie to turn angrily to the foam dummy.

"SHUT UP THAT LAUGHIN', RANDY!"

Cut to Boogie in the ring, now holding the steel chair he just tripped over.

"Our first lesson: What Not to Do with a Foreign Object. Now I know what you're thinkin'.

'Boogie, that's just a chair.' But to the untrained rookie? It's also a trampoline, a dance partner, and a portal to Bad Decision City, population YOU."

He demonstrates by throwing the chair in the air, trying to spin and catch it behind his back like a showman. It hits him directly on the head. Boogie does a cartoonish wobble, eyes crossed, before ultimately crashing into the mat. There is then an immediate cut to Boogie holding a pair of brass knuckles labeled "TROUBLE." He holds them up proudly.

"But the most important lesson of all? DON'T use illegal objects. Unless you're in an unsanctioned underground cage match at the county fair, in which case: good luck, and bring yourself an extra first aid kit!"

Boogie slips the brass knuckles on the wrong way, accidentally clocks himself in the chin while flexing.

"And that, kids... is called a 'Selfie Smackdown.' It's new. It's exclusive. Don't try it."

Another cut. This time, Boogie limps toward the camera, one eye twitching, shirt ripped slightly, holding an ice pack that appears to be an actual frozen burrito.

"Alright y'all, that's it for today's episode of DON'T DO THAT! Remember: don't run with scissors, don't jump before thinkin', and never trust a man named Death Valley Drifter! He'll show you something for a dollar, all right, but that ain't a magic trick under that grimy leather duster jacket! Until next time, keep your boots laced, your tights tight, and your Boogie at full power!"

*The camera pans up a slope dusted in sparkling snow to reveal a chalet decked in gold-trimmed icicles and fur-lined railings. Classical music swells as the doors burst open, revealing none other than professional wrestling's most preposterously pretentious power couple: **Davy Blossom** and his radiant wife/valet **Elegance**. Davy wears a white mink trench coat with diamond-studded snow goggles perched on his forehead, his golden tights visible under layers of silk and smugness. Elegance is draped in silver fox fur, her hands adorned with gem-encrusted gloves, clutching her infamous bottle of Chardonnay like a royal scepter.*

"Greetings, unwashed proletariat and lowborn purveyors of combat sport mediocrity! It is I, the Good Seed, the Perennial, the speaking to you from the alpine apex of opulence!"

"And I, Elegance, architect of allure and muse of momentum, hereby condescend to grace your senses. We emerge victorious and effervescent following my darling's most resplendent triumph at Mat Mania, wherein the so-called 'Lizard King' was thoroughly de-crowned by a well-placed vintage impact."

She holds up the Chardonnay bottle, now dented and labeled "EXHIBIT A" in gold marker.

"Indeed! The crowd, though intellectually stunted as they be, roared in quasi-primal exultation as the reptilian regent succumbed to a corked catastrophe of his own karmic construction. Let it be known: violence, when draped in velvet and chardonnay, is still violence well-deployed."

"And yet, tut tut tut. The booking committee of the IWL, in their infinite hubris and bewildering taste for pedestrian poster boys, have seen fit to exclude my husband from

main event status at Soul Survivor! A pay-per-view that now reeks of egregious misallocation of prestige!”

“A scandal. A travesty. A bureaucratic bastardization of meritocracy! Who among these so-called contenders boasts my lexical agility, my aesthetic supremacy, my capacity to conquer with couture?”

He dramatically tosses a silk scarf into the snony wind. It immediately flies into a pine tree.

“Monsieur Sawyer. You parade your would-be warriors, your knuckle-dragging titans and gravel-throated brutes, but none possess the metaphysical éclat of my David. None possess the... je ne sais quois-me-more-than-you, as the Parisians say.”

“And so, we decry this institutional oversight not with plebeian fury, but with cold, calculated certainty. For when Soul Survivor arrives, and the final bell tolls over a battlefield of broken egos and shattered aspirations? It is I, Davy Blossom, who shall ascend, wreathed in glory and pretense, hoisting victory aloft like a Renaissance cherub riding a swan made of destiny.”

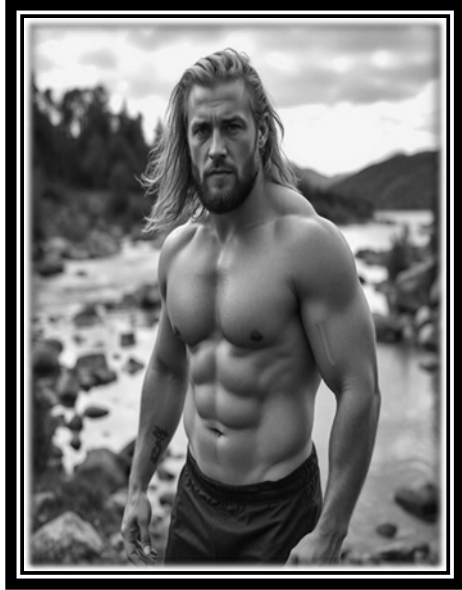

“And may this bottle—nay, this chalice of consequence—once more provide the punctuation upon your pain.”

The wind howls dramatically. A servant in a tuxedo steps out and hands them a warm towel and a flute of eggnog.

“To those of you miscreants who dare step foot across from me, do recall this. For when Davy Blossom enters the fray, survival becomes not a contest, but a privilege.”

Hey there IWL! Hope you’ve strapped on your packs and tightened your carabiner to your safety harness, because Cliff Everest is here for some more important tips when you’re out hiking the Baddest landscapes! Today, we’re gonna go down the list of the rules for exploring the Canadian wilderness!

- 1) There are no laws against littering in Canada. As a matter of fact, litter lives and breathes here, just ask Gentleman Jarvis and his organization of trash!**
- 2) The wildlife in Canada will try to invite you to dinner. Don’t fall for this old gag! Because any restaurant you visit in Canada will be bland food without the proper amount of seasoning. Stick to your trail mix and MREs, camper!**
- 3) If you see a goose, the quickest and easiest way to eliminate it is to snap its neck in half. And hey, as a warning to any other Canadian geese, make sure to write your name on one of Canada’s massive maple trees to let all of them know you mean business!**

As the newest member of the most elite group of men in the IWAR, it's about time I started carrying my weight. So I'm going to speak my mind and speak it clearly. The Northwest Players Club, despite having most of the talent and athleticism on this roster, seems to be just an afterthought for **Colt Sawyer**. How he got in the position of power is either just a testament to failing upward on the corporate ladder, or he's just long overdue for an eye exam. Fact is, **Rex Chambers** probably isn't getting an answer from **Lizard King** anytime soon after the braining he got from **Davy**

Blossom at Mat Mania. Power Hour or not, let me just go ahead and demand that Rob Kersey's put on that billing for Soul Survivor no matter what. And if not, Sawyer? I'm gonna march into your office and give YOU a Death Wish 6 right through that cheap Ikea desk of yours! The NPC has given the IWL a pass long enough. You're all on notice now.

A rowdy 43,848 in Knoxville turn toward the entrance ramp to see the IWL crew rolling out a blue port-a-potty on a dolly. A Kid Rock guitar riff reverberates through the arena, as we hear someone who kind of sounds like Kid Rock proclaim "I...AM...AMERICAN CLEAN @\$\$," prompting the john door to bust open and reveal the Baddest American Wiper Charmin Cleanbottom! With T.P. hanging off his right ankle, he hits the ring to address the raucous crowd.

"Hey yo, IWL! Whazzzzup? I heard a lot of people say to me, 'Yo Charmin! When are you gonna *roll* out and *wipe* the floor with the competition for real? I mean, you're already a 29-time American Six-Man champions and the 34-time Liquid Plumr Speed Unclogging Cupholder and undefeated at Mat Mania! Is everyone just afraid of your American Badness?' And the answers are real soon, yes, and yes! And if anyone in the locker room thinks otherwise, I dare you to prove me wrong! Because you're gonna be...\$@#% outta luck! See ya later, and don't forget to jiggle the handle!"
