IRON CROSS

“As I continue to make history in the KHL, there is no denying the royal British blood coursing through this championship body. My goal is to be the greatest KHL Champion of all time – and I’m well on my way. Now then ruffian, **Snowflake Billy** (*golf clap*), congratulations are in order I would say, on your tainted victory in Columbus, while your cretin brother distracted me, you took it upon yourself to gain a cheap and unfair

victory, by dumping the finest British wrestler in all the KHL out of the battle royal, bully for you. Since you can’t seem to win fairly by the Marcus of Queensbury Rules, I’ve petitioned the KHL committee on wrestling affairs – and they have granted me and the KHL, signing my fellow country man, **Lance Excalibur** to accompany me from this point forward – to ensure fairness and that you two sods do not have an unfair advantage. We will see if you are as capable when the odds are not in your favor.”

“We are coming up on War in Wales, and the Valor Championship is on the line in Cardiff. Who will I dispatch to be the first Valor Champion? The names are plenty that want to hold the most prestigious prize in all of the KHL. This is my battlefield, when the night is over, I will be standing tall as always – as your Valor Champion!”

Lance Excalibur

"Right, listen up, you daft pair of mugs—**Billy** and **Willy Snowflake**, the biggest pair of whinging, sniveling tossers to ever lace up a pair of boots. Every time **Iron Cross** steps into that ring, there you are, meddling like a couple of dodgy geezers down the pub who can't pay their tab. And frankly, I've had enough. **Iron Cross** doesn't need to fight two-on-one—so now, he doesn't have to. Because **Lance Excalibur** has arrived, and that means the odds are now even, sunshine! I stand for honor, I stand for respect, and I stand for the fighting spirit of my homeland—qualities the Monarchy has upheld for centuries. King Charles himself could look at me and say, 'Now there's a proper British warrior.' But you two? You wouldn't last five minutes in the Tower of London before getting tossed out like last night's curry!"

"Here's what's gonna happen: next time you think about sticking your grubby little noses

in **Iron Cross's** business, you're gonna have to deal with me. And trust me, lads, I don't play pat-a-cake—I throw elbows sharp enough to carve **Excalibur** itself. You want to keep poking the bear? Fine. But when you get in the ring with me, don't start crying when I slap the taste out of your gobs and leave you sprawled out like a couple of fallen peasants before the throne. Consider this your royal decree—stay out of **Iron Cross's** business, or you'll be bending the knee... right before I kick your bloody heads off."
