Ricky Kyle makes his way to ringside and grabs a mic

Tori Horton, you want a shot at my belt? All you have to do is step in the ring.

pick a time and a place and I will gladly eliminate you just like I have all the rest.

Sandman.....You was hand picked for a Gift of The Swamp shot. I didn't want to face

anyone but you. But once again, you will come up short. Make your jokes, pretend you

have a chance. But you are beat before you enter the ring. I am that beast that's in your head,

I'm the noise in the closet...and I am YOUR Champion!

[CAMERA OPENS ON A DARK, SMOKE-FILLED ROOM. Red lighting. The COT banner is draped in the background. Doctor Pain sits in a high-back throne-like chair. Standing behind him are his monsters: Sandman Horatio Sanderson, Killer Karl Kowalski, Grave Dust, Bow to Duchaine, Mad Dog Maurice Duchaine, and Paul Duchaine. All are holding their respective titles or clenching fists. Doctor Pain speaks softly, methodically.]

Doctor Pain (calm, eerie):

"The Circle of Tyrants does not beg for respect. We command it. In LSL, there's no salvation, no savior, no underdog story. There is only pain. My pain... their pain... your pain."

"Ricky Kyle thought a haircut was the end of Sandman Horatio Sanderson... but Sandman is reborn. And now, he's gonna scalp Kyle like a trophy deer in the swamp."

[SANDMAN HORATIO SANDERSON steps forward, head half-shaved but growing back in ragged tufts, eyes wild, face smeared with mud and ash.]

Sandman (gravelly growl):

"RICKY KYLE. Last time, you embarrassed me. You shamed the Swamp. But this time... we're in HELL. IN. A. CELL. Where there ain't no running, no ref stoppage, no fancy-boy save from your rich-boy sponsors or haircare hotline."

"I'm gonna lock in that sleeper so deep you'll dream about frogs croaking in the bayou forever. Then I'm gonna take clippers to your skull, shave it down to bone, and show the world what's left of Ricky Kyle when the SWAMP takes its due. No Pantene's gonna fix that, baby. Meanwhile—look at me. My hair's almost back. And I'm takin' yours for keeps."

[KILLER KARL KOWALSKI storms into frame, pacing like a lunatic, fists taped, shirt soaked in sweat and blood from a recent backstage brawl.]

Killer Karl (shouting):

"I LOST THE WORLD TITLE! AND NOW SOMEBODY'S GOTTA PAY! I'M DONE WAITING! I'M DONE PRETENDING I'M FINE! I'M GONNA BREAK JAWS, CRACK SKULLS, AND PILE UP ENOUGH BODIES TO GET MY BELT BACK! I'M PUNCHING FIRST AND ASKING NEVER!"

[He punches the wall behind him, splitting it open. Doctor Pain stands, calmly placing a hand on Karl's shoulder.]

Doctor Pain (stern):

"Not yet. Save your rage, Karl. The world will suffer when I say so."

Killer Karl (snarling):

"Fine. But I want blood... soon."

[GRAVE DUST slinks into the foreground, eyes hollow, title around his waist. Beside him stands MER-MANN with the other Tag Title, flopping around like a maniac. The atmosphere goes deathly quiet.]

Grave Dust (whispers):

"Multiman matches are a playground for the cursed. And none are more cursed than us. The regional tag titles rest on the decaying bones of LSL's false hope. The Shaw Duchaine Alliance is death's handshake. Mer-Mann and I—undefeated in torment. You want these belts? You'll have to wrestle ghosts... and lose to the undertow."

Mer-Mann (screeching):

"BLUB BLUB GRAVE DUST RIDES THE RIVER OF DEATH! TAG TEAM CHAMPIONS FOREVER!"

[MAD DOG MAURICE DUCHAINE storms to the camera, dragging his six-man title on the ground like a trophy from a street fight. Behind him: Skeletor and Trap Jaw flank him with shoulder pads and snarl.]

Mad Dog Maurice:

"Ricky Kyle, next time you show your face around me, you're gonna get PILEDIVEN straight to hell again! I beat you once—I'll do it again. You're lookin' at the best 6-man in LSL history. Me, Skeletor, and Trap Jaw—we're like a street gang with a blood contract. You step to us, you don't walk away."

Paul Duchaine (coldly):

"Tombstone Jackson? Gone. Career? Over. I don't do wrestling. I do executions. And every time I step into a ring, somebody's career gets shorter. Bet on that."

[BOW TO DUCHAINE steps up—deadpan, wearing a priest's collar and holding a black-gloved fist to the camera.]

Bow to Duchaine:

"COT is not a faction. It is prophecy. My brothers and I do not bleed... we baptize the weak in their own failure. Bow down... or be broken."

[DOCTOR PAIN stands again, the final word.]

Doctor Pain (calm but menacing):

"This is your warning. You can pretend LSL is still your playground. You can cheer your fake heroes. But just know—COT owns the night. And soon... we'll own the world title again. So from here on out... every scream, every tear, every belt? Belongs... to us."

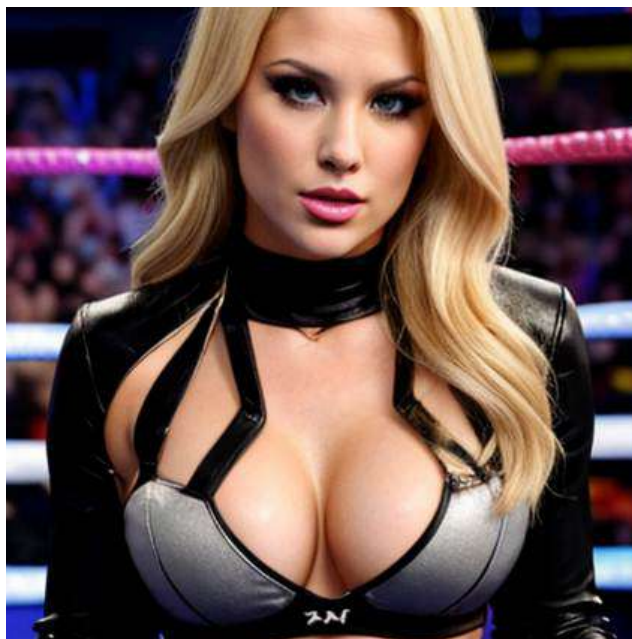

ALL COT MEMBERS IN UNISON (growling):

"WE ARE THE CIRCLE OF TYRANTS!"

[CAMERA FADES TO BLACK as the COT symbol burns onto the screen.]

LSL Junior Report Spring 2025

Volume #6 of 2025

🌸 LSL Spring Edition: Becky Boobie Checking In! 🌸

Hey hey hey, LSL faithful! It's your Junior Division Commissioner and resident fashion-forward powerhouse **Becky Boobie**, coming to you with our **Spring Edition** of the Louisiana Swamp League report!

The flowers are blooming, the heat is rising, and so is the action here in the Swamp. But before we dive into the madness, let me just say—**you spoke, and I listened!** After hearing from managers across the LSL, it's clear that we are *all in agreement* on one thing:

If a Rookie or Mid-Card wrestler can pull off the impossible and win the Battle Royal, they SHOULD be launched into the Top Contenders bracket AUTOMATICALLY.

💥 That's right, no more debating it—this isn't just a flash in the pan, folks, this is the real deal. These hungry up-and-comers deserve their shot, and if they survive the chaos of a Swamp-style Rumble, they're going to get it. Period.

We'll be making this a permanent rule moving forward unless something wild changes. (And let's be honest, this is LSL... wild changes happen all the time!) 🩸

So to all you roughnecks down in the Training Center or slugging it out in the Mid-Card—**your opportunity isn't just on the horizon, it's HERE.** Fight hard. Fight dirty if you have to. And make your way to the top.

Now buckle up, buttercups, because we've got carnage, championship clashes, and chaos lined up this cycle... and it all goes down **LIVE from the Swamps – Where the Best Fight to Survive!**

Stay spicy,

👊 **Becky Boobie**

LSL Junior Division Commish

👉 **LSL APRIL 2025 RESULTS SHOW**

Hosted by LSL Commish Becky Boobie

"Live from the Swamps – Where the Best Fight to Survive!"

[Camera pans across a sweaty, roaring crowd as Becky Boobie steps into the ring, heels clicking on the mat, microphone in hand, leopard-print glasses firmly in place.]

Becky Boobie:

"Whew, y'all! This cycle was nasty, dirty, violent, and I LOVED EVERY SECOND OF IT! These Juniors tore each other apart, and now it's time to go over all the blood, betrayal, and beatdowns. Let's get into the official results from the April 2025 edition of LSL!"

📈 **MOVE UP MATCHES**

1 El Monje Cavarnario def. Sandman Horatio Sanderson

"This one was ugly and brutal, just how we like it here in the Swamps! These two left it all in the ring. Cavarnario KICKED OUT of a massive Gourd Buster that would've ended lesser men. But the real story? Ricky Kyle shows up and distracts Sandman just long enough for the masked menace to hit that Monk Splash and steal the 3-count! Cavarnario moves up, Sandman is furious, and this rivalry is FAR from over!"

2 Grave Dust def. Awesome Mena Colossus

"Grave Dust is back to his dirty, nasty ways, and this time it paid off. With Bow to Duchaine causing chaos on the outside, Dust pulled out the... well, DUST – right into Mena's eyes! A quick Dust Buster later and it's all over. Grave Dust moves up a division, and Mena may need to see an eye doctor. CHEAT TO WIN, baby!"

3 Mad Dog Maurice Duchaine def. Ricky Kyle

"This one was personal. COT and Ricky Kyle have been at each other's throats, and this match was a statement. Mad Dog barked loud and bit hard, landing a crushing piledriver that sealed the deal. Ricky Kyle's losing streak continues, and Mad Dog moves up while waving that COT flag proudly!"

4 The Highlight Reel Johnny Strong def. Paul the Butcher Duchaine

"A sleeper match that turned into a SHOWSTOPPER! Johnny Strong dug deep and hit a clean high knee followed by a vicious DDT that dropped the Butcher cold. Paul tried to argue the shoulder came up,

but this ain't the replay booth, baby – the ref's call stands! Tough loss for Paul, but Strong is back on the map!"

5 Rick Dare def. PA Knight & Dirty Dom Gutierrez (Special Challenge Match)

"One man. Two fools. Total dominance. Rick Dare didn't just win – he embarrassed both of these jabronis. From bell to bell, Rick was in the driver's seat and delivered a beating they'll be feeling for weeks. As a result, Rick Dare moves up, while PA Knight and Dirty Dom drop down. And trust me, they deserve it."

🏆 JUNIOR TITLE MATCH

6 Beast Mann (c) def. Kid Krash

"And in the main event, it was a W-A-R. Back and forth, near-falls, finishers kicked out of, broken dreams and wild crowd pops! Kid Krash came in hot, tried to end it with the Krash Landing, but Beast Mann SCOUTED it, dodged at the last second, and crushed the challenger with his signature Beast Making Pancakes for the 1-2-3!"

Beast Mann retains in one of the best Junior Title matches we've ever seen – and Kid Krash may not be champ anymore, but he earned everyone's respect tonight."

Becky Boobie (in closing):

"And that wraps up another banger of a cycle, LSL-style! Some rise, some fall, but in this league you gotta FIGHT to SURVIVE. We're heading toward LSL #309 where rematches, revenge, and chaos are on the menu. Sandman's coming unglued, Karl's out for Beast Mann's

throat, and the rest of y'all better bring your 'A' game or get left in the mud!"

See you next cycle, babies. Becky Boobie out. 💋
