RUBY REVOLVER

REPRESENTING THE GUN COLLECTION

Hey, Scarlet Brair.
Newsflash! I took
those two shiny wins
and got another!
And that gives me 3
wins which
means....you've
guessed it....I just
won the series in an
absolute clean sweep.

So time to pay up, lady. I'll take my cash
and go, if you'd please.

It was a good series, but maybe next time,
you may want to try bringing your best...but
let's be honest...you probably did...and
that's just...pathetic!

Lynda Mayhem

That's impressive Ruby on beating Scarlet in the best of five and taking the League belt. It felt really good to take that league belt from you. My second league belt in this league. Most of you thought I was reckless and savage for the ring. I guess your right but I do what it takes to win. See you on the dark side of the ring and Charley. Quit asking about your chair or I will use it against you!
