## [PROMO: "THE PRESCRIPTION IS PAIN"]

*Location: Dimly lit backstage medical room, repurposed into Dr. Pain's private war room. Championship belts hang from IV poles. Strobe lights flash red like a heartbeat monitor gone rogue. Doctor Pain steps into frame, lab coat flowing, stethoscope draped around his neck like a noose for anyone foolish enough to step up.*

### **DOCTOR PAIN (Mark Duchaine):**

Well, well, well...

Aren't we lookin' mighty shiny this cycle?

*—He grins and taps a stethoscope to his chest—*

That sound?

**That's the heartbeat of the NAL.**

And it's skipping beats, gasping, flatlining...

Because **COT's in the building**, and we ain't writing prescriptions.

**We're serving sentences.**

---

You see, the waiting room is **FULL** of wannabes—

guys clinging to regional straps like a toddler with a blankie.

But **Dr. Pain?**

I've got the cure to your delusions.

**I've got a League title shot in one hand, a future dynasty in the other, and a lab full of killers ready to bleed this fed dry.**

---

### **Let's run the chart, shall we?**

- **Death Machine** – Regional champ. League Tag champ. **World Tag champ.**  
A one-man trauma unit.  
Every time he steps into the ring, someone's night ends in **ICU mode**.
  - **Jerry Savage** – League Six. World Six.  
Two belts, one mission: **Sedate the system.**  
Savage ain't here to impress... he's here to erase.
  - **Sick Psychotic Freak** – **US Six Man.**  
The name says it all.  
The man chews barbed wire for breakfast and bleeds codeine for fun.  
He *is* the definition of unstable. Exactly how we like it.
- 

### **And what about Tommy Valentine?**

Regional gold shining like his ego.

He's the pretty face with a mean right hand—**the Valentine special: a kiss of death.**

If you're on his dance card, don't expect roses. Expect bruises.

---

### **So here's the prognosis...**

The NAL is already on life support.

And with my man **Keith Maple** riding off into that golden sunset...

We ain't slowing down.

### **We're upgrading.**

Keith, we salute you. You held it down.

But now?

It's time for the real surgeons of destruction to take over.

---

**It's Me. Adam. And a battlefield full of belts.**

The new era ain't just beginning—it's **boiling**.

So who's **sticking around**?

Who's got the guts to stay in the operating room when the bleeding starts?

And who's **crawling off**, riding into the sunset with nothing but excuses and participation ribbons?

---

**Let's get personal for a sec.**

All you chumps who wanna act like you're still relevant—

who think a dusty regional belt and a good match back in '22 makes you royalty...

**I AM THE STANDARD NOW.**

Doctor Pain isn't just treating symptoms anymore—

**I'm eliminating the disease.**

And the **NAL** is **MY PATIENT**.

---

*—He unbuttons the top of his lab coat, revealing the bold red letters across his chest: “**THE PRESCRIPTION IS PAIN!**” He slaps the League shot paperwork on the table like a death warrant.*

**Doctor Pain:**

This title shot?

This is just the beginning.

Soon, “NAL” is gonna stand for:

**Nobody Avoids Losing.**

And you all better get used to checking in.

'Cause there's only one way out of this hospital...

**and it's feet first.**

---

**COT is in full control now.**

Doctor Pain.

Death Machine.

Jerry Savage.

Freak.

Valentine.

Adam.

A whole team of specialists trained in **career-ending procedures**.

---

**So next cycle... next match... next promo you cut where you say “Doctor Pain ain't done nothin' lately”?**

Just remember...

**We already got your bloodwork back.**

And guess what?

**YOU TESTED POSITIVE FOR PAIN.**

---

*(Pain throws on his mirrored glasses and walks off into the dark as the screen fades to static, the only sound left echoing is the steady, eerie beep of a flatline.)*
