# NATIONAL PATRIOTS LEAGE

## Commissioner's Report Vol. 61!

Greetings National Patriots League Managers! Flashback is THIS cycle! Matches have been set. All titles on the line and a hot feud with Ulysses Deadeye and Duke Ken Jr. Little Brother Sting Ray is the NPL All-American Champion. His challenger will be announced on the PPV. As always, I want to get everyone involved in these PPV's. It always takes me a few days to write. What would help me is getting to know your wrestlers. **Jake Duval** has sent me detailed notes on his wrestlers. This made it easy for me to write his characters. So, keep the Trash Talk or Promos coming. I want all **active** wrestlers to have a place in the PPV shows in some capacity. You can email me at the address below.

[dukeken2401@yahoo.com](mailto:dukeken2401@yahoo.com)

First, a match I am adding to the PPV...**Koal & Karrion Killswitch Vs Phil Dye the Mai Tai Guy & Weymon Miller**. This tag match will determine the #1 Contenders for the NPL Tag Team Championships. The winner faces the winner of the **Dante Brothers Vs Soldiers of Freedom #2 & #3**. That match will take place during the Boiling Point PPV this Summer.

Second, congrats to **Davy Blossom** for winning the League Title. He is on FIRE! With his valet Elegance by his side, he is a force to be reckoned with. His match with **Malcolm Mack** at the PPV will be one to look forward to.

Third, congrats to **The Patriot: Ric Splatterhouse** for winning the Battle Royal AGAIN! The dominant man is destroying everyone in his path. He has a HUGE opportunity at Flashback. The rematch of **T-Money Vs Splatterhouse**. The match takes place in T-Money's house at the Playas Club. This one is going to be incredible.

Third, Welcome Back **Dane "the Dragon" Kealoha**! A legend of the NPL!

Lastly, New Segment... **"Who's Hot and Who's Not!"**

**Who's Hot:** Soldier of Freedom #1 at a 22% winning percentage, he went up +3% from last cycle.

**Who's Not:** Soldier of Freedom #4 at a 72% winning percentage, he dropped -5% from last cycle.

# **FRONTLINE: FLASHBACK**

**LIVE From: Playas Club (New York City)**

*(The show opens up with a tour of the new and improved Playas Club. The massive building and lights shine on the beautiful night club. Women dancing, dapper dressed waiters, and a large amount of Rags2Riches security wondering the building. The cameras cut to the hosts. NPL Voice Jim Jones, Veteran wrestler Bob Sapp, and young new analyst Juice Robinson. They welcome the audience.)*

**Jim Jones:** Welcome to the NEW and IMPROVED Playas Club! This place is completely state-of-the-art! Millions of dollars poured into this place. To my left is the veteran of all veterans, my partner in crime, Mr. Bob Sapp. And to my left is the young and vibrant kid we have grown to love, Juice Robinson. Welcome to Frontline gentlemen.

**Bob Sapp:** This place is incredible! The food is first rate. I had a Filet Mignon and a baked potato that was top quality. Even though this place will only hold 5,000. The PPV buyers at home will receive a National Patriots League Flashback Playas Club t-shirt. That's a great deal! T-Money is sparing no expense.

**Juice Robinson:** Okay, two things...did you have a salad with that meal? And are you coming around to The Big Ticket?"

*(A good amount of laughter is heard throughout the building after Juice said that.)*

**Bob:** You better watch it kid. And for your information I did get a side salad with it. One thing, who gets excited for salad and how can I pass on filet mignon?

**Juice:** You didn't answer my second question though...

**Bob:** Okay...okay...T-Money is less of a scumbag now. *(Pannel laughs!)*

**Jim:** Speaking of scumbags...let's get into the show gentlemen, shall we?

**Justice Mack**

**Vs**

**Bembe Brightwell**

**W/Entourage**

**Bob:** This one will kick off the show. Some call him cocky, arrogant, brash, but I just call him confident. Justice Mack Vs the highflying luchador, Bembe Brightwell. Justice will have Entourage in his corner. That will possibly make a difference. Juice?

**Juice:** Look...Justice has some heavy muscle, sure. But Bembe was so close to winning the NPL World Heavyweight Championship. He is exciting and took out current champion, your BFF to the limit, Bob. Give me Bembe in this one.

**Bob:** Close is only true in horseshoes and hand grenades. Every heard of that kid? Justice will slap on that "Hard Justice" aka the guillotine and the flippy wrestler will go night-night. Justice takes it.

**Jim:** We say all the time... "Could it steal the show?" I have a feeling this one will...

## NPL TAG TEAM CHAMPIONSHIP MATCH

**Jaymz Dante**

**Vs**

**Soldier of Freedom ©**

**Jonathan Dante**

**#2 & #3**

**Jim:** The returning Jonathan and Jaymz Dante look to reclaim their NPL Tag Team Championships against the dominate Soldiers of Freedom #2 & #3. No one has beaten the Soldiers. But will the returning Dantes become a 2-time Tag Team Champions?

**Bob:** Okay, I am excited for this one. I made a career as a Tag Team wrestler. Won titles all over the world. You need your partner and he needs you. Nobody understands tag team wrestling better than the Soldiers. They are constantly the best tag team, cycle in and out. How can the Dantes overcome that? The Soldiers win this one.

**Juice:** I love that we differ so much. New school vs old school. But in this case the Dantes have been to the top of this division. If anyone KNOWS tag team wrestling it is them! They held the titles for so many cycle across multiple PPVs here in the NPL. Dantes become 2-time Tag champions at Flashback!

**Jim:** So glad the Dantes and their stablemate Ric Splatterhouse are back. But we'll get to Splatterhouse later. Up next is the one I have been waiting for.

**Davy Blossom**

**Vs**

**Malcolm Mack**

**W/Elegance**

**Juice:** Talk about your Rags2Riches story. Rich Vs Poor. Privileged Vs Humble. Blue Blood Vs Blue Collar. Davy Blossom accompanied by Elegance Vs Malcolm Mack. I'm truly disgusted by the actions of Davy Blossom. He attacked Lincoln Mack. He's an old man...

**Bob:** Attacked?! Juice, Lincoln Mack struck Davy first! What's Davy to do? Let it happen? No sir. Davy is a future NPL Champion. All-American or World Heavyweight Champion. Either way he is going to be champion someday. Malcolm is what Blossom said...He's a bottom feeder. A good hand in the ring, but Malcolm isn't championship material. He is lucky to be here. Success story sure. But "I'm happy to be here" is different than "You're in my spot."

**Juice:** You ever see the movie, Rocky? The underdog inspires the room. Malcolm does that. We saw the house he and his brother lived in. And yes, he has made it. But no man can allow another man to attack his father. Lincoln did strike Davy first, but Lincoln is a 60-year-old man standing up for his son. Malcolm has fans behind him and he overcomes adversity as he has done his whole life.

**Bob:** *(Rolls eyes)* The deadbeat? Standing up for his son? That's funny. Davy will destroy Malcolm at Flashback and daddy wont save him...

**Jim:** The update on Mr. Lincoln Mack is that he has suffered a concussion, bruised ribs, and broken collar bone. We wish him a speedy recovery. With that lets get into the 4<sup>th</sup> match of the night...

## NPL ALL-AMERICAN CHAMPIONSHIP MATCH

???

Vs

Little Brother Stingray ©

**Jim:** The NPL All-American Championship Match. The exciting Little Brother Stingray defends against a Mystery Opponent. Commissioner Jaxx said he's watching the field. Could it be Hero of Sacrifice? Demetrius Deadeye? Boogie Worrell? Who could it be guys?

**Juice:** (*Deep Breath*) Our commissioner has built an incredibly exciting wrestling League here in the IWA. This place was nothing until he showed up. All 3 of those wrestlers are deserving. Hero defeated Justice at Holy Grail. Huge moment for him. Demetrius is a scrappy wrestler who also should get the spot. Boogie is new, but from what I have seen he should be the man in this match. He is known as the "Great Redneck Hope". His new T-shirt is on the NPL shop website. Go get it. He may come off as a little peculiar, but the man wins in the ring. Give me Boogie.

**Bob:** (*Laughing for 10 seconds straight.*) Okay...kid...you got me! That was a good analysis. But did you say Great Redneck Hope? Well, Boogie is a character. Little Brother Stingray is also a dramatic actor. Imagine our NPL All-American Championship on one of these two men. Good wrestlers. Don't get me wrong. One guy acts like Ernest and gets hurt in bizarre ways. And the other is an aspiring screenwriter. Acting!!! No. I have sources that the challenger will come from outside. A newcomer. A real HOT return...

**Jim:** Hot return huh? Your sources have been true in 99% of the time. So I cannot wait to see the reveal. Our next match is...

## LAST MAN STANDING MATCH

"Texas Outlaw" Duke Ken Jr

Vs

Ulysses Deadeye

**Jim:** Okay...yes...this one is so personal. The Last Man Standing Match. The only way to win is to incapacitate your opponent for a 10 count. Who wins this one gentleman?

**Juice:** You go ahead Bob...

**Bob:** It's the "Texas Outlaw"! The TRUE Wrestler of the Year. It's like Duke said, Ulysses has been moonlighting with other Leagues and is unfocused on the NPL. If he wants to wrestle in the HWL or whatever then he should go. Duke Ken Jr has been the flagbearer here. He bleeds National Patriots League. I never agreed with Ulysses being named "NPL 2024 Wrestler of the Year". Duke Ken Jr should win this, but it will be bloody and oh so violent.

**Juice:** (*pauses*) You are right Bob on some of that. Duke is the face of the NPL. With this new attitude of his, turning on the fans, and now claiming HE should have been wrestler of the year. Look, the vote comes from the fans. Not Commissioner Jaxx, not Jim, not you Bob, and certainly not me. The fans love Ulysses more. Duke has sacrificed a lot, sure. But he also struck Ulysses in the head with that chair at Holy Grail 5: Homecoming. He cost Ulysses his All-American Championship. Duke claims Ulysses is obsessed with him. In reality, Duke acted and now he's shocked by the fans "Turning on him"? Ulysses had unfinished business in HWL. He's here now. Only thing left is who will be LAST MAN Standing? Ulysses.

**Jim:** I'll break the tie. Duke is set to prove something at Flashback. He's motivated. If Duke is motivated, then he wins. He is the only 3-Time World Heavyweight Champion. That being said, Ulysses wins when he shouldn't. Ulysses is "Wrestler of the Year" for a reason. He's got my vote. Sorry Bob. Now on to match # 6...

### **#1 Contenders Match for the NPL Tag Team Championships**

**Phil Dye the Mai Tai Guy**

**Vs**

**Koal Killswitch**

**Weymon Miller**

**Karrion Killswitch**

**Jim:** The tag division is as deep as it's ever been! Drinking buddies and party animals, Phil Dye the Mai Tai Guy & Weymon Miller challenge the Killswitch brothers. The winning team earns a Tag Team Title Match at Boiling Point this Summer. Juice?

**Juice:** This match will be a potential match of the night. The drinking guys, Phil Dye and Weymon have been spending some time with Duke Ken Jr lately. Throwing back a few beers. Maybe a potential Alliance? Either way these guys have a tall mountain to climb. The Killswitch Brothers are former NPL Tag Team Champions. They want their spot back. We've seen them win big matches. The Killswitch Brothers have this one and challenge the returning Dante Brothers. Bank on it.

**Bob:** Both teams are so good. Who wants it more? That's what I tell my students at the Sapp Tree of Learning Wrestling School. Yes, I'm plugging my school. Get over it Juicy. Phil Dye and Weymon are a new team to us, but they have teamed together for life. They do like to party, but in that ring, they get it done. I mean how can you reject a Jimmy Buffet fan? Not me. Phil Dye and Weymon win.

**Juice:** oh wow...you base this on being a Jimmy Buffet Margaritaville fan? You aren't going to start wearing Hawaiian shirts again are you?

**Bob:** *(Shrugs)* That would certainly drive ratings so yes...

**Jim:** Let's not do that again. So let's get back on track Guys...it's the main event.

## **-Main Event-**

### **NPL WORLD HEAVYWEIGHT CHAMPIONSHIP MATCH**

**The Patriot: Ric Splatterhouse**

**Vs**

**"The Big Ticket" T-Money ©**

**Jim:** This match is round 2. These two men are not strangers to each other. Splatterhouse won a triple threat to take the title from T-Money. The Big Ticket won the Winner's Circle Battle Royal in October. He became champion at Holy Grail. Splatterhouse was insanely hot before he left the NPL. Now that he is back and these two meet again...who wins? Have we ever seen a more anticipated Main Event?

**Juice:** T-Money wins. He's the home team here. His beautiful new night club gives him a comfortable feeling. And speaking of hot, he is on a winning streak here. As you said, he won a 25-Men Battle Royal

to earn a shot at the NPL World Heavyweight Championship. Then he beats Brightwell to become champion. T-Money is now a 2-Time Champion. He is a runaway train that I don't think can be stopped.

**Bob:** The point is...T-Money has never beat Ric Splatterhouse. T-Money has THAT to prove. It's another challenge T has to overcome. Splatterhouse is a formattable challenger that in my opinion defeats T-Money again. I love the place and the food, but once the bell rings that is all that matters. Both powerhouses will bring their all. Splatterhouse becomes a 2-Time Heavyweight Champion. Bank on it, Juice!

**Jim:** Phil Ade will be performing "No Fear". Live here in the Playas Club. And...oh look who's here. The NPL World Heavyweight Champion and owner of the Playas Club, "The Big Ticket" T-Money! Grab a mic and a seat.

*(A production guy wheels over a seat and T-Money sits on it. Dressed in a purple suit, designer shades, Platinum cross and the NPL World Heavyweight Championship over his left shoulder. He places the title on the table for the audience to see. He grabs a mic and speaks.)*

**T-Money:** Hey fellas. I was watching the show. Which was great by the way. I wanted to come by and tell everyone at home the news. Commissioner Jaxx and I have worked together on a deal for those who purchase the Flashback PPV. You will get Boiling Point FREE on us. That's right. The NPL and The Big Ticket is paying for your PPV purchase. And you get an exclusive NPL Flashback Playas Club T-shirt. As of right now, Flashback has the highest purchased PPV buys of ANY PPV in NPL history!

*(All the announcers clap and congratulate T-Money, except Bob Sapp.)*

**Juice:** Bob? That's incredibly gracious of the champion. You still aren't convinced?

*(T-Money comes over and puts his arm around Bob Sapp. Bob is uncomfortable with this...)*

**T-Money:** Bobby...I know you don't like me. I get it. I WAS a scumbag. Commissioner Jaxx and I have patched things up. We did business. And that benefits all of us. I know you liked the food. You enjoyed the bathrooms. Every stall has a bidet toilet. The connecting hotel is even nicer. Parking is paid for. *(T turns to the commentators.)* And for New York that isn't easy to come by. *(T straightens Bob's tie and collar.)* And this very nice suit...

**Bob:** My wife bought this for me...

**T-Money:** oh no, no, noooo Bobby. I purchased this suit and sent it to your home. The lengths I will go to extend this olive branch.

**Bob:** It isn't about money, Mr. T-Money. You have been gracious. I appreciate the suit and other gifts. You may not be a scumbag, but your true colors always reveal themselves. You can throw money at all these people, but tigers don't change their stripes overnight.

**T-Money:** It isn't about money, he says. *(T-Money brushes Bob's thinning hair back.)* Bobby...you're right. That's why you are the best color man in the business. I respect a man who sticks to his convictions. I may not be your flavor...but... *(T-Money sticks out his hand.)* I hope I earn your respect someday.

*(Bob Sapp looks at T's hand and shakes his head no. T-Money is surprised by this. He stands up, buttons his suit, shakes Juice, and Jim's hand respectfully. He takes the mic and the NPL World Heavyweight Championship into the empty ring. Juice and Jim look at Bob who sits smug in his seat. Back to the ring, T-Money speaks.)*

**T-Money:** One thing is for certain...Ric Splatterhouse. You may have had my number at one time, but I promise you I won't lose in my house. They call me "The Big Ticket" because I am the attraction. I am why the fans tune in. This title... *(T-Money holds it to the camera.)* it's my title. You don't even realize this, but I'm going to SMASH you at Flashback. That PPV is MY show! This is MY ring! The seats, the food, the people that will fill this place belong to me! They recognize ME!!! "The Big Ticket" has done everything for the NPL! Except beat The Patriot...and that pisses me off. So, let's talk about Ricky. What really bothers me about Ricky is that he walks through the door and he is rewarded a Championship Match? I had to win the Winner's Circle Battle Royal to get a shot at this. Then I had to beat that high flying luchador to become a 2-Time Champion. I had to EARN this shot. Ricky is out for blood. He says the clock is ticking...my 15 minutes of fame is over. *(T-Money laughs)* Then calls me a bully...I know you have been gone a while, but I'm no bully. I'm simply the best here. This title proves it. You want to make this a "Horror Story" then let's get medieval then freakshow. You aren't clever and you have no chance against me. This may be a game to you...but the "Big Ticket" changed the game! I'm going to take that nasty ass mask of yours and hang it behind the bar right over there. I'll take away your claim of being the monster that you are. You have a receipt coming Ricky...I'm taking your blood. At Flashback, I take my win back and make you regret you came back to the National Patriots League. And then Splatterhouse...you will recognize me. You want this to be personal? Well, it's always been personal to me!!! You'll have to kill me to take this title from me! Money don't lie...and I keep it 100...

*(T-Money slams the mic down and the show fades to black.)*

# **FLASHBACK**

**Live from the Playas Club, New York City**

**PPV Song: "No Fear" by Phil Ade**

*(Card 27: Held in New Orleans, LA. Around the mid-card, Davy Blossom and his valet, Elegance come to the ring. She's dressed in a slim red dress, and he is in a dapper suit. The arena boos as he takes the mic.)*

**Elegance:** *(Long pause as the fans boo her. She looks disgusted.)* This town is the most disgusting place Davy, and I have EVER been! *(Fans Boo)* It stinks of the Gulf of Mexico! *(Fans boo more)* Quiet down you neanderthals and listen to Davy...

**Davy Blossom:** *(Stern look.)* Elegance...I am very surprised by what you just said. *(Pauses...Elegance looks down in shame.)* This is a prideful city! A hardworking, blue-collar town! Survivors of the worst natural disaster in American history. Hurricane Katrina devastated this place. *(Pauses)* They don't come from the life we do. They're poor and cannot help that. *(Fans boo as Davy smiles.)* I mean come on...you people remind me of the loser Malcolm Mack is. He has nothing. He won't amount to anything. AND he will never defeat me in this ring. *(The Fans chant "We want Malcolm" repeatedly.)* Challenging me was the worst mistake he has ever made. When he blew that cigar smoke in my Elegance's face he crossed a line. I do not...

*(Elegance taps Davy a few times to alert him that Lincoln Mack was coming to the ring. Lincoln grabs a mic and speaks.)*

**Lincoln Mack:** I think the great people of New Orleans has heard enough from you sir. *(Fans Cheer!)* It's one thing to run down my hometown, but now you speak down to MY son? No. I will give it to you Davy and Elegance. You both have come from a privilege life. I'm sure you have maids, gardeners, assistance, etc.

**Davy:** *(Smiles)* We do actually.

**Lincoln:** I bet you do white bread. *(Fans Oooo)* Hardworking people like my son have to EARN their luxuries and opportunities. We never had a royal family members hand us the silver spoon. Respectfully, Davy...you are damn good in this ring. But at Flashback my son takes you down a peg. *(Fans Cheer!)* These people love my son. Maybe he is from the poor neighborhood.

**Davy:** *(Interrupts)* Excuse me, Mr. Mack. Nobody here wants to hear how much of a deadbeat dad that you are.

*(Fans Boo and Lincoln look down in disappointment. Davy laughs as Lincoln puts the mic to his mouth.)*

**Lincoln:** The funny thing is...in this ring...it doesn't matter if you are rich or poor. When that bell rings, Malcolm Mack, my son, will run circles around you.

*(Davy looks to the crowd and smiles. Then he clotheslines Lincoln hard to the mat. After a few stomps and punches, Davy applies a Sleeper hold. After 10 seconds, "Get it All" by DecadeZ hits. The fans cheer loudly as Malcolm sprints to the ring! The cameraman misses Malcolm run past him. Once up, Davy slings at Malcolm, he misses, and Malcolm hits a superkick to Davy's*

*face. Davy stumbles back and Malcolm clotheslines Davy over the top rope. Malcolm yells and points at Davy. Elegance is still in the ring. As Malcolm turns, Elegance slaps him. The fans boo this. After a few seconds, Davy hits a chop block on Malcolm's left leg. M&M buckles. Davy then works on Malcolm's leg. Davy slams his left knee into the ring pole and then puts on a figure four in the ring. Malcolm tries to swing at Davy. But the "Good Seed" moves and laughs. Davy lets go of the hold and then sees Lincoln start to get up. Davy looks to the crowd, points, and laughs at an old Lincoln struggling to get up. Lincoln puts up his fists. Davy laughs again. Lincoln lands a punch to Davy. The Good Seed's smile turns from a smile to a stern look. Davy kicks Lincoln in the manhood. Davy pulls out brass knuckles and then punches Lincoln repeatedly. Blood comes out of Lincoln's forehead. Malcolm is outside the ring and grabs a chair. Stumbling in the ring, Davy smiles again as Malcolm misses the chair shot wildly. Davy leaves the ring and points at Malcolm. M&M comes over to his father's side. Paramedics and doctors come over to help Lincoln. Malcolm gets a mic and speaks.)*

**Malcolm:** DAVY!!! I'm going to take everything from you! At Flashback you are getting smoked!

*(Malcolm slams down the mic. Cameras cut to Davy who is being held back by Elegance. Rags2Riches Security holds Davy back as well. Malcolm dares Davy to come down. The show goes to break.)*

*Davy gets the SMOKE  
@ Flashback!*

**Justice is the Future**

**Tap Out or Black Out**

*(Card 18: Held in San Diego, California. During the opening contest, “Texas Outlaw” Duke Ken Jr wrestled Declan Deadeye. After a near 30-minute match, Duke Ken Jr hits a “Whiskey in a Jar” to get the win. After the match, Duke Ken Jr slides out of the ring and grabs a steel chair. Declan starts to get up. As he does, Duke Ken Jr blasts Declan in the face with the steel chair. Declan is immediately unconscious. Blood begins to form on his forehead. Duke jumps on Declan and punches him repeatedly! The fans are booing loudly now. He then slaps on the Texas Cloverleaf. Rags2Riches security comes down, but Duke doesn’t let go of the hold. After 10 men pull him off Declan, Duke begins to attack the security. Now, Duke is alone with Declan. Duke drapes Declan over the 1<sup>st</sup> rope and the cameras catch Duke pulling Declan’s hair. Blood runs down his face. Duke gives a sinister look. Duke punches Declan some more. Security comes into the ring. Duke picks up the chair. They all scatter. He grabs a mic.)*

**Duke:** Ulysses...I told you I would come after your whole family. Demetrius is next. Then at Flashback...there’s just you. You brought this nightmare on yourself. Don’t threaten me again. You bring help from somewhere else...I’ll assassinate them too. The Deadeye name dies in 2025...

*(Duke points his hand like a gun and shoots at Declan.)*

I see not much has changed since I have been away.  
Still the same people running their mouth and  
displaying no honor. It is time to bring honor and  
respect back to the BRL. The Dragon is here to do that.  
Imua Hawaii!

Ulysses Deadeye- listen Steve, can I call you that Duke, ah forget it. I'm not looking for another dent in my skull. Bottom line though, is you cowardly ass has to take another cheap shot at me. A kick to my Deadeyes, uncalled for, unprovoked, damaging the family lineage most likely but I can look past that, I can look past the last several months because all I can think of is you and I, NYC, Last Man Standing...no rules

Nothing to stop me Duke, no reason for me to stop until you can go, until you can't stand. It will all unfold sadistically Duke. We'll fight, we'll bleed, hell maybe a chuckle at the debacle unfolding in the Big Apple. There will be pain, suffering, it will be an uncomfortable pleasure as I dreamt something the other night. I sat back and snapped each one of your fingers on the right hand. One by one, snap, snap, snap. Duke, why did you do it, why Duke? But again I thank you for the awakening, I thank you for the Nutcracker. And im thanking you now for NYC. RMTick took bud, tick tock...
