*"Honestly, I just want to know which one of these maniacs is crazy enough to defect to Team Chaos next—because it's definitely happening."*

## J. J. Fries, PDL Co-Commissioner

*"To everyone who's already joined Team Honor—you're doing the right thing, not just for yourselves, but for the survival of the league itself."*

# PDL Commissioner Awards

*"You're either FOR us or AGAINST us!"*

*(Declare your wrestlers' allegiances in a promo in order to participate in this PPV!)*

*Nakita and Destyni are streaming live from a beach in Puerto Vallarta. **The Chaos Grrls** are there with **Angelina Blanco**, who seems much more reserved than the other ladies.*

Destyni: “Angelina, we are at the beach, come on and loosen up! You Abuela isn’t here.”

Nakita: “Let me order you an iced tea, at least have that... here have a drink.”

Angelina: “This doesn’t taste like iced tea, what is a long island iced tea? Is this alcohol?”

Destyni: “Girl chill. That is what they call it so all the gringos that come here know what to get. I’ll just order you another one too. Now in a bit we can talk about **Vegas Gold** and the teams, but for now, just have a good time, you deserve it a break. Here let’s take a selfie.”

Angelina: “This tastes different, maybe I should just go back to the room and call **Lady K**.”

Nakita: “**Lady K**? Please, no need for her. Anyway I beat her for a title and **Cori** beat you for a title. We really like you two, well we like you and since she is your friend, we can get along. Now, we think that you would be a good fit with us. You could just worry about...”

Angelina: “Wow, that drink is good - Lady K doesn’t seem to trust you two. And she is my numero uno amiga, and **JJ Fries** gave me such opportunities. I’m not being mean, I...”

Destyni: “Here have this drink. We just had an extra ticket and thought you would like to hang out with us. We don’t have to talk about this stuff, let’s just have some fun.

*The girls notice Angelina is swaying a little to the music now*

Nakita: “Hey maybe we should go out to the club tonight.” **TO BE CONTINUED...**

Team Chaos thinks they can just run wild through the PDL, but not on my watch. I'm the Vegas Gold Champion, the TV Champion, and the shining example of what this league should be! As for Keen Kate McAllister... What's the matter, Kate? Cat got your tongue? Haven't heard a single word from you, and it stinks worse than a rat in a wet basement. I smell betrayal coming, and I wouldn't be surprised one bit if you're getting ready to crawl over to Team Chaos. Well, fair warning: if you do, you'll find me waiting there to knock your lights out first.

# **IZZY DEAD**

## **REPRESENTING THE GUN COLLECTION**

**Goddess Starwalker:** So...uhh...she's not dead?

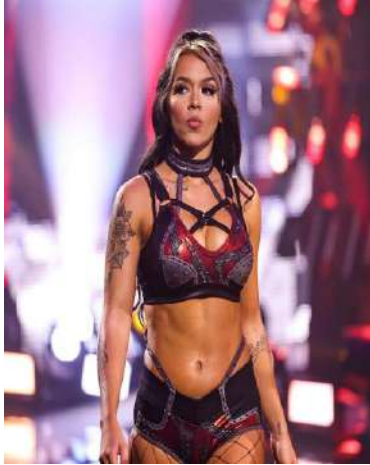

**Princess Starwrestler:** I don't think this was a great idea...

**Lady Nightingale:** Are we sure she's not going to eat us or something?

**Blair Noir:** I did what needed to be done. I didn't know exactly how Hocus Croakus was going to do it, but what has been done is done.

# "CORRUPT" COR CHAOS

## ONE WORLD UNDER CHAOS

**Tina Scarey:** "Cori Chaos, first question I have for you refers to the Gun Collection."

**Cori Chaos: (interrupting)** "Oh, Tina ... why ask about the past when the future is so much more fun? The Gun Collection? That's old news. I've got bigger things to play with now."

**Tina Scarey:** "Okay, that's fair...you've aligned yourself with Destyni Sanchez-Leon and Nakita Wu, forming the 'Chaos Girls.' What's the goal here?"

**Cori Chaos:** "The goal? Oh, sweet Tina... the goal is chaos. PDL's been too quiet, too predictable. But now? With me, Destyni, and Nakita running wild? This place will never be the same. We're not here to play by the rules—we're here to burn them down."

**Tina Scarey:** "Strong words. But there's something—or someone—else on everyone's mind. Teri Dactyl has resurfaced... but she's not the same. Now, she's calling herself Izzy Dead. Have you seen her?"

**The door behind them bursts open. The lights flicker violently before cutting out entirely. A cold draft sweeps through the room as a shadowy figure steps into view. The emergency lights flicker back on, revealing—Izzy Dead.**

**Cori's breath catches. For the first time, she looks genuinely unsettled.**

**Cori Chaos:** "Oh...fu-----"

**The feed distorts—then goes to black.**

## ROYAL FAMILY OF DOOM

**Stormy Knight:** "Should we go for some tag team titles?"

**Starry Knight:** "Yeah, should we?"

**Lady Tyranna:** "Not yet, little ones."

**Stormy and Starry Knight:** "Oh. Okay, we understand, your grace. We'll put our ambitions on hold."

**Scorch:** "Wow! That's some unison! Purgy, we should try that! Say the same thing as me at the same time:"

**Scorch and Purgatory:** "Let's (I) go (don't) get (want) some (to) kumquat (do) pizza! (that.)"

**Scorch:** "That didn't work."

**Purgatory:** "I know. Now, let's get focused on winning some gold here, girls. Sick of being beltless."

**Brutal Brandy Hollywood:** "I know the feeling. Let's hit the gym and hit the mat, ladies."
