 [Scene opens with thunderous pyro, a banner dropping from the rafters reading “PKW: Where the Psychos Play!” as cameras pan the screaming crowd inside the “Knuttila Correctional Coliseum.”]

[Becky Boobie walks onto the ramp in heels made from broken kendo sticks, microphone in hand, strutting like she owns the whole damn federation – because let’s be honest, she kinda does.]

 **Becky Boobie:**

“Y’all feel that? That ain’t just the rumble of the Pain Train or the ghost pepper gas still hanging in the air from last month’s locker room prank—no, that’s the sound of **PKW DOMINANCE!!** Thirteen—count ‘em—**THIRTEEN IWA Report appearances** already this year. Not bad for a bunch of bloodthirsty misfits with half a rulebook and double the trauma!”

Crowd cheers! A guy in the front row holds up a sign that reads “Taren Gotch Sniffs Chairs.”

Becky (continues):

“And if that wasn’t enough reason to be proud, don’t forget our super sexy, super sadistic **SPECIAL!** That’s right, you can still get **16 MATCHES for FIVE DOLLARS**—that’s cheaper than your uncle’s parole hearing! So bring your friends! Bring your enemies! Just don’t bring your **MOANING.**”

She glares straight into the hard cam, eyes narrowing.

“And YES, that means you, **Yaz.** This is **Psychotic Killer Wrestling**, not **Soft Grunt Wrestling.** Keep it in your tights or keep it **OUTTA HERE.**”

Crowd starts chanting “NO MOAN ZONE! NO MOAN ZONE!”

 **NOW INTRODUCING... THE MR. IWA TOURNAMENT!** 

Becky Boobie:

“We got seven deadly dudes lookin’ to claim the ultimate title. And yes, there’s a briefcase full of **\$35 IWA credit**, free matches, and a crisp, sweaty stack of Becky’s private pool fund—because greatness deserves luxury, even if it smells like chlorine and regret.”

Crowd oohs.

“Let’s break it down for the degenerates in the back row...”

 **ERIC MARCHAND** – the IWA’s apex predator, the real-life final boss, and your **#1**

seed – gets a BYE straight to Round 2. That’s right. The rest of you better pray, ‘cause when it’s Marchand Time, you either **get on board** or **get run the hell over**.

 **STEVE SHOTLIFF vs. DARREN “Tarrif-Free Terror” SOANES –**

Tag Team Style!

Minnesota Wrecking Crew XV & XIV vs. the foreign assault force of **X3M & the Coronah Ayatollah!** This ain’t just a match—it’s basically international warfare in pleather. And by the way? They’re **double-booked** this month with both the League Tag and TV Tag matches on the line. Good luck, boys—you’re gonna need **more than a case of Hamm’s** to survive this one.

 **DR. PAIN (Mark Duchaine) vs. Tom “The Quadzilla” Flesher –**

A SIX-MAN COLLISION COURSE with the most leg mass in IWA history.

It’s **Bobby, Nick, and Axel Stryker** for Dr. Pain, up against **Ron Gorman, Doug McMaster, and Crusher Knuutila** in MACHINE MASKS. I’m calling it now: this one’s gonna shake the ring harder than Taren in a porta-potty after a gas station burrito.

 **KEVIN EL ROD**, Ohio’s favorite Trump-loving luchadore, takes on **Dan “D20 Daddy” Hayman—** Six-Man Madness!

El Rod the Jive Turkey, Gregg the Builder, and Elevator Jimmy vs. Big Wally, The Beaver, and Spork.

Yes, Spork. No, I don’t know what position he wrestles in, and no, you don’t want to find out.

Grabagoochie can be seen facepalming in the background.

Becky Boobie (leans in and whispers to the mic):

“And remember... the **Mr. PKW** gets the prestige, the credit, and the pool money. But NO, Taren, that don’t mean we drink from my bathwater. We are *barely* sanitary, not **desperate**. This ain’t a soup kitchen for kinksters, buddy.”

Crowd howls. Camera pans to Taren Gotch in the crowd sniffing a Slim Jim. Security quietly edges closer.

 **Becky (final line):**

“So buckle up, slap on your face paint, and **keep your tights tight**, ‘cause PKW is kicking the doors open, breaking the windows, and **dragging Mr. IWA KICKING AND SCREAMING THROUGH THE FIRE!** LET’S GOOOOO!!!”

PKW PRESENTS: NIGHT OF MAYHEM – OFFICIAL COMMISH CARD RESULTS

Brought to you by Becky Boobie's Bath Bombs and Big Booty Brisket – smell great, slap harder.

Match 1: Lance Beachman & Terry Dollar def. Enraged Little Man & Doommidget

Opening the night with an explosion of chaos and testosterone, this tag team brawl set the tone for the madness to follow. Beachman, ever the golden boy of the beach, brought the flex, but it was Terry Dollar who stole the show—hurling Doommidget into the fourth row at one point like he was a toddler at a mosh pit. Enraged Little Man lived up to his name, swinging steel chairs and spitting obscenities in five languages, but Dollar stayed cool under pressure.

The finish came when Dollar landed the **Dollar Drop**, his signature top-rope elbow, with enough force to knock the midget's boots clean off. One... two... three. A big win for Beach Dollar Inc., who are surely eyeing a run at the Lethal Tag straps down the line.

Match 2: The Umbra Brothers (c) def. Papa Razzo & Martin Luthor Possum – *Lethal Tag Title Match*

This match was as Southern-fried as a Waffle House parking lot fight at 2AM. The Umbra Brothers, riding high on black magic, moonshine, and at least three unpaid parking tickets, came out swinging. Razzo tried to bring some flash photography and finesse, while Possum just kept biting ankles.

But it all went off the rails when Obadiah Umbra pulled out a chaw the size of a raccoon and **spit a filthy glob of tobacco juice straight into Papa Razzo's face.** As Razzo staggered—*somehow slightly aroused, God help us all*—Abner steamrolled him with the **Southern Fried Steamroller**, pinning him with a boot on the chest.

After the match, Razzo looked directly into the camera and purred, *"I taste whiskey, tobacco... and redneck."* Cue the dry heaving in the front row. Umbra Brothers retain and remain the dirtiest champs in PKW history.

Match 3: Bob the Janitor (c) def. Awesome Adam Stryker – *Cash King Title Match*

Bob the Janitor, our bleach-scented champion of capitalism, pulled off another big win in one of the night's most hard-fought battles. Stryker came in fresh off a protein shake and full of rage, throwing bombs like his name depended on it. But Bob? Bob just kept sweeping.

In between bashing Adam with mop handles and choking him out with extension cords, Bob reminded everyone why he's the **Cash King**. After countering a springboard moonsault with a mop-to-the-face, Bob used the **"Clean Sweep" Iariat** to plant Stryker and get the win.

After the match, Bob raised the broom like Excalibur and shouted, "Stay outta my damn hallway!"—a true working-class hero.

Match 4: Minnesota Wrecking Crew X & XI def. Taren Gotch & Dick Darren – #1 Contender Match, Lethal Tag

This one was stiff, nasty, and as cold-blooded as a Minnesota winter. The MWC brothers didn't waste time—working stiff, isolating Dick Darren, and stretching him out like a bungee cord at a monster truck rally. Taren Gotch kept trying to tag in, but the Wrecking Crew had him cut off and seething.

Eventually Gotch got in and tried to unleash his signature headbutts and weird bathwater offense, but MWC weren't having it. They hit **The Northern Lights Blackout**—a deadly combo suplex/forearm smash—and Gotch crumpled like a beer can on the prairie.

The MWC now move on to face the Umbra Brothers next month for the Lethal Tag Titles... and we might finally see what happens when **Minnesota meets the Moonshine Mob.**

Match 5: Awesome Adam Stryker (c) def. Zediah Umbra – PKW Extreme Title

Two matches in one night? That's just how Stryker rolls. Zediah Umbra dragged himself out of the swamp looking like a goth scarecrow, and he brought pure swamp violence. Chairs, thumbtacks, and a barbed-wire ironing board came into play within the first 90 seconds.

But Stryker? He was on another level. Already bruised from earlier, he fed off the pain and gave it right back. After a mid-match brawl that spilled into the concession stand (RIP to the pretzel cart), Stryker dodged a black mist attempt, hoisted Umbra up, and delivered the **Adam Smasher** through a flaming table.

1-2-3, and **Stryker retains** the Extreme Title in a hardcore classic. Dude's running on fumes and fury right now—**could he be a dark horse for Mr. IWA?**

Mr. IWA Tournament Teasers:

*As the dust settles on Mayhem Night, whispers are getting louder about the next round of the **Mr. IWA Tournament**...*

- **Eric Marchand** sits quietly, sharpening his metaphorical blades, awaiting the survivor of Shotliff vs. Soanes.
- **Dr. Pain** and **Tom Flesher** are set to crash into each other like muscle cars in a snowstorm.
- **El Rod** and **Dan Hayman** are already trash-talking over who gets the last seat at the Chinese buffet.

- The **Pain Train** is rolling. The **Wrecking Crew** is surging. And **PKW** just keeps stacking appearances and collecting receipts. Only one man walks away with the crown... and \$35 worth of Becky's pool fund. Spend it wisely. Or not.

FINAL THOUGHTS FROM COMMISH BECKY BOOBIE:

"Night of Mayhem delivered exactly what it promised: chaos, carnage, and questionable life choices. You fans showed up, screamed your lungs out, and bought all the 'Gotch Snorts Chairs' merch in under 12 minutes. That's what PKW is all about—**blood, laughs, and straight-up lunacy**.

Let's keep this freak train rolling. Remember to keep sending in your matches, get those 16-for-\$5 specials, and keep spreading the word. We're not just a fed. We're a ***movement***.

Until next time—no moaning, no mercy, and no refunds."

PKW Presents: SPRING SHOWDOWN – Official Promo

Spring is in the air—but in **Psychotic Killer Wrestling**, that just means the blood stains come out easier.

 Get ready for **SPRING SHOWDOWN**, the next chaotic chapter in PKW's warpath through the IWA rankings! With **13 IWA Report appearances this year**, we're not just a fed—we're a damn wildfire.

Here's what's hitting your screen next month:

TAG CONTENDER MATCH

Nick & Axel Stryker vs. Papa Razzo & Martin Luthor Possum

The Stryker Bros didn't want this one. They tried to protest after Razzo got a little *too* hands-on last month. But the match is signed—and the Possum's tail is wagging. Will the Strykers crush the creep squad, or fall victim to awkward seduction?

LETHAL TAG TITLE MATCH

The Umbra Brothers (c) vs. Minnesota Wrecking Crew X & Xi

It's moonshine madness vs. frozen fury. The Crew has been clawing for this shot, and now they get their crack at the most disgusting champions in PKW history. Can northern steel overcome southern slime?

CASH KING TITLE MATCH

Bob the Janitor (c) vs. Cousin Huey

Bob's cleaned up every challenger so far—but now he faces the barefoot, cousin-kissin' chaos of Cousin Huey. Will the mop reign supreme, or will hillbilly havoc take the crown?

EXTREME TITLE MATCH

Awesome Adam Stryker (c) vs. Famine of the Vile

The champ's on a warpath, but he's never faced a creature like Famine. This one's gonna get nasty—expect light tubes, fire, and maybe a ritual sacrifice or two.

PLUS: The First Round of the MR. IWA TOURNAMENT!

The most prestigious imaginary tournament in all of fantasy wrestling begins here! Watch the brackets explode as hungry contenders scratch and claw their way to IWA glory and cold, hard Becky money.

 Invite your friends, enemies, co-workers, and parole officers!

16 matches for just \$5—because in PKW, we believe in affordable violence.

No moaning. No excuses. No mercy.

That means you, Yaz.

PKW EXCLUSIVE INTERVIEW

 With Commissioner Becky Boobie & “Machine Mask” Ron Gorman 

Scene: The camera opens in a dimly lit backstage area. A single folding chair sits in front of a PKW backdrop. Commissioner Becky Boobie flounces onto the screen wearing a pink mini blazer, high heels, and holding a glittery mic. She’s already chewing gum as she turns to the right.

From the shadows steps **Ron Gorman**, wearing his signature chrome-plated **Machine Mask**, a corduroy elbow-patch blazer, and holding a spiral notebook filled with scribbled notes and half-finished math equations.

Becky Boobie: Okaaaay PKW! I am so thrilled to be here with one of the most mysterious, calculating, and shiny-headed men in all of pro wrestling. He’s one-third of the terrifying trio of terror: the Machine Mask Mob. He reads more books in a week than I’ve read labels on my bath bombs. It’s... RON GORMAN!

Ron Gorman: *[Nods once. The mask doesn’t move. He folds his hands in his lap like he’s about to begin grading essays.]*

Becky: First question, Ronny. What everyone wants to know... *Why do you wear a machine mask?* Like, is your face super ugly? Or are you actually just a roomba that read Nietzsche?

Ron: A fair, if slightly reductive question, Ms. Boobie.

I wear the Machine Mask not for aesthetics, but for identity.

The mask serves as an anonymizing equalizer. In a world ruled by ego and spectacle, I choose to strip myself of vanity and force opponents to confront the machine *within themselves*. It is not a hiding place—it is a mirror. And also, yes. I did once receive third-degree burns trying to bake lentil casserole on broil.

Becky: Ouchie. Next time use air fryer, Ron. It changed *my* life.

Let’s talk tournaments! The Machines had a rough go in the **Battle of the Belts** over in NAL—total screw job if you ask me. Do you have a different hope, maybe a different mindset, going into **Mr. IWA**?

Ron: Battle of the Belts was instructive. My expectations were not *crushed*, but recalibrated.

Failure is simply unoptimized data. We took that failure, ran it through our mental mainframes, and produced better algorithms—ones rooted in six-man synergy and psychological warfare. In Mr. IWA, I do not fight for vanity or validation. I fight for balance. For structure. For... equilibrium. And if equilibrium comes with a \$35 Becky-Boobie pool payout, even better.

Becky: *[Winks to camera]* No refunds, Ron. Alright, tell us some *juicy gossip*! Who are your absolute *favorites* in PKW, and who gets stuck in your floppy disk drive if you catch my drift?

Ron: I find the Stryker family... fascinating. Their sheer volume of flexing is both impressive and medically concerning. They are chaos incarnate—but highly entertaining. Conversely, Papa Razzo and Martin Luthor Possum give me hives. And I say this as a man who once taught Honors Biology to teenagers who *licked the formaldehyde frogs*. Razzo's lewd commentary and Possum's total disregard for evolutionary dignity have no place in a wrestling ring. Or in society. Or on the dark web.

Becky: *[Laughs, snorts, regains herself]* You leave Razzo's tongue alone. It's his best asset! Okay, next Q: If you had a **Ron Gorman PKW T-shirt**, what would it look like? Keep in mind our budget is, like, \$9. And that's if we skip ordering pizza.

Ron: Minimalist. Monochrome. A pure gray tee with the equation $\Sigma(x^2) = Dominance$ printed across the chest. On the back: a small rendering of the Machine Mask—no eyes, no mouth, just silence. Below that, in binary code, the words: "0 Empathy. 1 Win." Also, it would be scratch-n-sniff. The scent? Freshly laminated syllabus paper.

Becky: *[Fanning herself]* Oh my God, you're like... the sexiest school supply ever. Last question, Professor Pain! Any last messages for your fans out there? You *do* have fans, right? Like, at least 3?

Ron: For those who support the Machine Mob—those who understand that emotion is a luxury and logic is king—I say this: We will not dance. We will not entertain. We will execute. We are gears in the greatest mechanism known to man: **Victory**. To everyone else? I hope you remembered to submit your homework. Because the *detention bell* just rang.

Becky: *[Pretending to faint]* Woooooooooow!

That's our Ronny! Mysterious! Mathematical! Mildly intimidating and probably very good at Sudoku.

Don't miss his appearance in the **Mr. IWA Tournament**, coming to your locker room real soon. And remember—no late assignments... OR HE'LL FAIL YOU WITH A POWERBOMB.

I'm Becky Boobie, and this has been another **PKW Exclusive**. Class dismissed, bitches!

[End Scene – Fade to Static and an Ad for “Becky’s Bath Bomb Battle Club – Now in Strawberry & Bacon Scent”]

Let me know if you want interviews for the rest of the Machine Mob too!

“The incredible, the incomprehensible, the irresistible, **NICK DANE**, ladies & gentlemen! And the crowd goes wild. Ha-sadly I’m on my own – but that means more gold for me...I don’t like t share. Am I right, or am I right? You all know I’m right. That also means more spotlight on the luxurious man in the PKW. I’m bringing a new revolution to the halls, arenas, the byways that the PKW tours through. I’m the main attraction, that guarantees satisfaction. To all my detractors, who attempt to beguile my rocket rise to the top of the PKW, all you have to do is step in the ring, or step on a bus and get out of town. **NICK DANE** is the PKW!”

[Scene opens in a busted-up garage gym. We hear metal slamming, chains clanking, and someone off-camera grunting while lifting a truck axle. The camera pans to the STRYKER BROTHERS — Bobby, Nick, and Axel — sweaty, shirtless, and **PISSED OFF.**]

BOBBY STRYKER:

“You know, sometimes I wonder what the absolute bottom of the human barrel looks like. And then I remember... PAPA RAZZO EXISTS.”

That sick freak has been sniffin' our seats after we leave the ring. The man's over there treatin' our foldin' chairs like scratch-n-sniff stickers from Satan's sticker book!

Listen here, Razzo — you sniff around the STRYKERS again, we're gonna shove your own damn cologne bottle so far up your nose, you'll be sneezin' Axe Body Spray for a YEAR.

NICK STRYKER:

“You wanna get weird, Razzo? We'll show you weird. It's called a FIST TO THE TEETH and a KNEE TO THE JAW.”

And as for that walking ham hock TAREN GOTCH, sayin' the Strykers are NEXT?

Well, listen up, Fat Boy — we're gonna bring it harder than your mama attacks the hush puppies at the Long John Silver's all-you-can-eat buffet.

You don't want the smoke, you want the *deep-fried dreams*. And just like that shrimp basket you inhaled, you're gonna find out quick that STRYKER STRIKES STAY IN YOUR GUT.

AXEL STRYKER:

“And now we got the Machine Mask creeps in Mr. IWA? A six-man series? Best 3 outta 5?”

GOOD.

We live for war. We sleep in ring boots and we bathe in chalk and sweat.

You wanna hide behind your chrome helmets and fancy metaphors? We'll knock the equations right outta your skull.

BOBBY, NICK, and AXEL — three Strykers, one purpose: *Smash the Machines*.

And when the final buzzer sounds, we'll be the ones rewiring your circuits with punches.

BOBBY STRYKER:

And Yasunas. Oh, Yasu-nice-and-quiet...

Why so silent, huh?

I don't trust people who are *silent but deadly*. That's how farts and serial killers operate.

Say something, or we'll beat a monologue outta ya.

NICK STRYKER:

And let's not forget our blood, our *beast*, our EXTREME champion — AWESOME ADAM STRYKER.

You think you're takin' that belt from him? Think again. That title ain't goin' nowhere except deeper into his trophy wall.

You come for Adam's title, you get a **STRYKER BEATDOWN**.

Simple math.

AXEL STRYKER:

“Spring Showdown's comin'. Mr. IWA's on deck. And the Strykers? We're built for tournaments. Built for violence. BUILT FOR MAYHEM.”

BOBBY STRYKER:

So Papa Razzo, Possum Boy, Taren Gotch, Machine Masks, Yasunas, Famine, and any other fool with a pulse — you better lace your boots, say your prayers, and hug your freakin' mothers...

Because the Stryker Brothers are rollin' in like a freight train with no brakes.

ALL THREE:

“WELCOME TO THE STRYKE ZONE.”

[Nick spikes a protein shake. Bobby flips a tire. Axel smashes a locker door.]

[END PROMO]

(We join the IMT crew down at the Bottoms Up for a little.....day drinking. Papa Razzo is behind the bar in pain but serving up some delicious beverages....)

You enter your bathroom for a combo edge/turd but much to your surprise...

COT/FRM-16: Yasunas Krueger emerges from a tub of doo doo...

"Wopbopalooobop!!! The reformation starts this cycle!!!

**Some things cannot be repaired when severed, but like kernels of corn,
no set of teeth can keep us apart! Rippity pum pum!!!"**

**You try to escape but you're trapped with the fecal foreman for the immediate
future...**

"Bon appetit!!!"

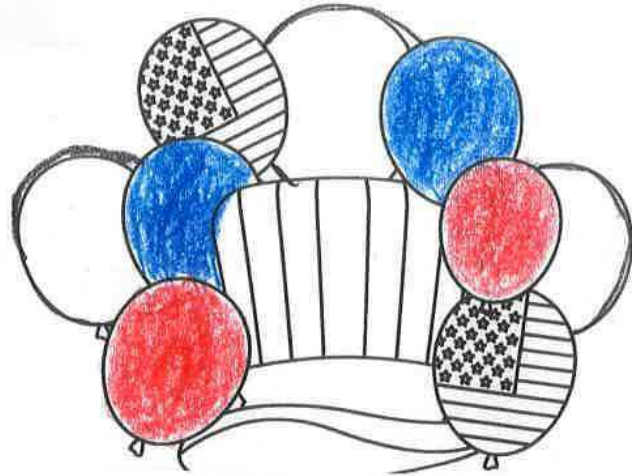

Hmm, I guess I drew the short straw this month to give the update on the Machines. I, Carter Matthews, Ph.D., am definitely NOT competing in PKW as one of the Machines, and I'm not sure why you'd claim that. Sure, one of the Machines has an astonishingly fast spinning back fist called the Heckman Correction, and he seems to get on quite well with another, shorter, female Machine who resembles Rachel Yamazaki, but I don't know why you'd assume that it has to be me under that mask.

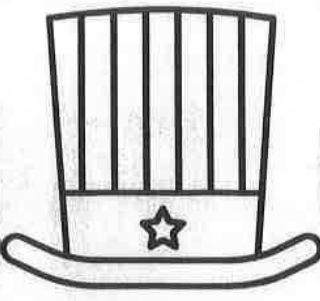

In any event, we're here for Mr. IWA, but three other Machines are representing us

this round against Duchaine. I'll be keeping an eye on the competition for now.
