FLASH REPORT

w/ Warren Peace

Welcome to another captivating RDL Report. I'm your Commissioner, Warren Peace, and as always we've got a lot going on here in the Razzle Dazzle League!

Folks, RazzleMania '25 is in the books and I have to tell you - what a night that it was! Last year's event was top-notch when we saw Union Jack lift the title off of Scott Warner, but this year's PPV was just something different. The build-up was different and the undercard was superb. Not to mention that the addition of the first-ever RDL Elimination Chamber added a nice touch! I don't want to spoil anything if you haven't seen the results yet, but be sure to check it out in this report. And, of course, now that it's in our rearview, the buildup towards Raz-Slam is already underway!

I'm sure you've heard the news by now, but the RDL/ASL have welcomed XPL and LWL into the fold to give the Pro Wrestling Imitated (PWI) brand a fresh look. The upcoming PWI KOTR PPV will be the last one that features only the RDL/ASL, as Money in the Bank in July features all four leagues and includes title tournaments to crown the first-ever PWI Universal & PWI Universal Tag Team Champions. There's also a Money in the Bank match where the winner will retrieve a briefcase full of cash and a contract to face any PWI Champion over the next 12-months. The RDL will be sending two reps into each of those.

I've decided to book qualifier matches for each of those spots. The MITB qualifiers will be Gil Nemo vs. Porch Beer and Corvulu the Torrent vs. Chad Snazzington. The Universal Tag qualifiers will be Macallen/Aberlour vs. the MSD and then two teams TBD for the second match. And, the Universal Tournament qualifiers will be Cody Beau vs. Elroy the Squid and Union Jack Puddings vs. Doc Porkenstein. These qualifiers were based on which wrestlers have represented the RDL well with winning and trash talk.

Speaking of trash talk, here's a quick reminder that all Commissioner Title matches include a 5 point handicap whenever one wrestler submits TT and the other one does not. This rule came into effect at RazzleMania!

That's all for now. Thanks for continuing to make this a great league!!

SHOWTIME REPORT

This cycle's ASL Showtime included an extended hour of programming that featured several KOTR Qualifier Matches. The ASL KOTR field was set by the likes of "Linked" N. Profile, Justin Thunder, Billy Blunt, Richard Pills, Sinister Steve Stryker, Lo Mejor de lo Mejor, Zanroar, and Super Dazzle.... After Stryker defeated Blood, he was joined by the likes of Nightmare Sam Hell & Classy Eddie Degrassi, and together they pummeled Blood. He was eventually aided by his partners, H2O & Marvel, ensuing an all-out slugfest. During the chaos, the ICON Heavyweight Champion, Sir Gunther, made his way out as well and managed to wrap a steel chair around H2O's knee and then stomped away at it viciously. Officials finally broke it up, but not before they spray painted "Failure" on his back. Unfortunately this made H2O easy pickings for Lo Mejor de lo Mejor in the very next match.... In a highly anticipated rematch, Super Dazzle & Nick Dane battled to the limit until Dane eventually got himself disqualified by taking a steel chair to the back of his opponent.... Herbert West shocked everyone by ending Misfit Messiah's Mr. ASL reign to end the show.

RDL Showtime was an extended show as well, with Ice Man, Krampus, Gil Nemo, Porkenstein the Monster, Brutal, and Covulu the Torrent qualifying for the KOTR field with 2 qualifiers left to go at RazzleMania.... Miss Americana attempted to distract Gil Nemo during his match with Heartbreak Prince, but Mussel Muscles came out to neutralize the threat, allowing Gil to regain his focus and advance with the win... Father Nurgle made his presence known throughout the show on behalf of the Legends of Wrestling, insinuating that a new, more powerful force was at play. Mysterious events such as flickering lights and random shadows appearing on the ring canvas played a part in the victories for Krampus & Porkenstein the Monster.... the Tartar Kid Gil Nemo came out and distracted Miss Americana during the main event, causing her to lose focus and drop the Mr. RDL Title to Angel of Death.

Perhaps the most highly-anticipated event in all of fantasy wrestling finally arrived with RazzleMania '25! Kicking off the show, was the culmination of an ongoing feud when Gil Nemo defeated Miss Americana with the Fin-ished Him.... Mussel Muscles earned his opportunity to challenge for the RDL Showtime Title and he nearly left Vegas with the title in-tow. However, he came up just a bit short after his battle with Ultra Dazzle spilled to the outside of the ring and ended with both men getting clobbered on the concrete floor. Mussel Muscles made it back to the ring, but Dazzle was counted out allowing him to retain the title despite losing the match.... in the first of two KOTR Qualifier Matches, Elroy the Squid defeated the legend, Cardiac Arrest, when Father Nurgle's crystal ball released a powerful glow, causing a distraction and allowing Elroy to hit the Ink Cloud... in the second qualifier, Chad Snazzington used a rollup with a handful of tights to defeat Pedro Pascal... the MSD finally received their rematch for the RDL World Tag Team Titles, but the red-hot team of Angus Macallen & Andrew Aberlour proved to be too much. Macallen hit Luca Lust with the Speyside Superplex to collect the win and retain the titles.... the first-ever RDL Elimination Chamber Match was full of chaos. Knuckles Nelson was the first to enter, followed right behind by Doc Porkenstein. Scott Warner came out when the 2-minute clock hit, Next was Survy Jones. Then, Krampus, And, finally Porch Beer. The order of elimination was Nelson, Warner, Scurvy, and Beer, leaving the LOW teammates of Doc Porkenstein & Krampus to fight it out. Doc eventually won the match and earned a shot at the RDL World Title at Raz-Slam in July, though he left some blood behind in the process.... the main event featured the son of an RDL legend, Cody Beau, vying for the RDL World Title against Union Jack Puddings, who has been dominant since winning the title at RazzleMania last July. This was an instant classic with several near-falls that left fans on the edge of their seats. Eventually, Beau hit back-to-back Big River Currents to put the champ away and become the new champion!

- Doc Porkenstein took out the field in the first-ever Elimination Chamber to earn his shot at the RDL World Title at Raz-Slam.

Pro Wrestling Imitated

AUCTION BLOCK!

In recognition of the IWA (and ASL) celebrating 40 years, Pro Wrestling Imitated is proud to bring to you the return of one of the IWA's classic and most beloved traditions from the 1990s!

EVENT HIGHLIGHTS

What Is It?

This is the first of 3 auction blocks that will occur throughout this year.

Each auction block will feature a wrestler currently owned by the Commissioner who's record is somewhere close to halfway towards IWA Hall of Fame eligibility.

How Does It Work?

Players will use the imaginary earnings of one of their wrestlers either in the ASL or RDL to place a bid on the wrestler being auctioned. The bid **MUST** be sole sourced from only **ONE** wrestler and that wrestler **MUST** be in one of these two leagues.

Players must submit their bid by emailing it to the IWA. Each auction will last over the course of 2 cycles with the current high bid being posted online and in the bulletin allowing players the opportunity to submit a new high bid at any time.

Once the auction closes, the player that submitted the high bid will immediately receive the contract of the wrestler and may place him any league they choose.

Where Does The Money Go?

80% of the bid will go towards the prize pool for the ASL's Best of the Best Tournament. The IWA has also agreed to double this year's imaginary money prize for that tournament. The target prize pool for that tournament is \$5MM.

The remaining 20% of the high bid will go towards the prize pool for an RDL event that will occur late in 2025. The target prize pool for that tournament is \$1MM.

WELCOME TO THE NEW
PRO WRESTLING IMITATED

PWI

ASL, LWL, RDL, XPL

The New PWI

Welcome to the new era of Pro Wrestling Imitated (PWI) v2.0. Actually, it's more like v3.0 for those that are keeping score, but who's counting? You know what they say - if you're not changing, then you're not growing!

For the past 2-years, the ASL + RDL have served as the foundation of PWI, primarily centered around a few shared PPVs throughout the year. Well, I'm here to announce that we've struck a deal - 2 deals to be precise - that will grow our brand significantly and open up a whole new world of possibilities!

Beginning next cycle, the PWI brand will officially include the Xtreme Poison League (XPL) in the Iron Federation as well as the legendary Lone Wolf League (LWL) from the Jade Federation expanding our new lineup to:

XPL (Iron) // ASL (Gold) // RDL (Bronze) // LWL (Jade)

Under this new arrangement, every league under the PWI banner will join together for 4x PPV events throughout the year. Additionally, this alliance provisions for the creation of a PWI Universal Champion as well as a PWI Universal Tag Team Champion! Once established, these titles will be defended every other cycle on a rotating basis between the leagues as well as at each joint PPV event for a total of 12 title defenses throughout the year! Also, helping these titles to stand out from the rest, a 5 point bonus will be awarded to the champion and/or challenger whenever they submit a title match promo to the league in which they are being defended, adding a little trash talk bonus for those leagues.

Aside from the items noted above, the changes you see to any of the four leagues involved will be subtle as there's no requirement for the Commissioners of these leagues to do anything different. So, while it should continue to be business as usual, our hope is that this newly formed alliance will add a spark of comradery and boost of energy to each of the leagues and their players.

Thanks to everyone who already participates in one or more of these leagues and we look forward to welcoming those who are on their way. Good luck to each of you and stay tuned for more details in the coming cycles!

KOTR

Each PWI promotion holds qualifier matches prior to the PPV and sends 4 wrestlers to the PPV tournament. 16 wrestlers in total fight it out to become the PWI King of the Ring and earn a shot at the PWI Universal Title at Money in the Bank.

Money in the Bank

Each league sends 3x representatives of their choosing to compete in a special MITB match. The winner earns a contract that they can use to cash in for a shot at any title in the entire PWI of their choosing over the next 12-months. Title matches must be disclosed to the Commissioner prior to any score calculation that would be used for the match. Special handicaps will be applied to various scenarios.

Additionally, at this PPV a tag team title contenders tournament will be held for a shot at the Universal Tag Titles at Survivor Series.

Survivor Series

Each league will coordinate 2x four-on-four Survivor Series matchups that will utilize special scoring to determine the survivors. Next, the survivors from each match will compete in a Sole Survivor free-for-all in which the winner will earn a PWI Universal Title shot at the Royal Rumble.

Additionally, a tag team Survivor Series battle royal will be held. Each league will send one team to compete in an over the top battle royal using combined singles scores. When a wrestler is eliminated, so is his partner! The last team standing earns a shot at the PWI Universal Tag Team Titles at the Royal Rumble in a match that will use singles scores to determine the winner!

A briefcase full of cash and a contract will be suspended 20 feet above the ring. The first wrestler to retrieve the briefcase is declared the winner, winning \$100,000 and a contract that guarantees him one (1) shot at any Commissioner's Title in the entire PWI.

The contract can be cashed-in at any time of the winner's choosing within a 12-month period provided that it's communicated to the Commissioner prior to the Iron of that cycle.

The person cashing-in the contract automatically receives a 2 point handicap in the title match due to the element of surprise. The defending champion will also receive an additional 1 point deduction for each opponent he has already faced that night.

I told you it was only a matter of time before our course would be corrected.

I stand before the RDL Leagues Champions and the #1 Contender for the RDL World Title

The Legends of Wrestling have Arisen!!

Razzlemania. The Grandguppy Of Them All, so they call it. I know I've not been the one to speak since I arrived here in the Razzle Dazzle League, but the Tartar Kid has evolved into a Tartar Man. And it's time I finned up and said my piece! **Father Nurgle**, while I don't think any of us know how you were able to convince a couple of annoying Taylor Swift fans to align with you, none of that matters anymore. Mussel and I stood firm and called your bluff, and I know you still have my sister alive and well. Let this be known: there isn't a typhoon big enough to stop me from putting **Miss Americana** down in Las Vegas. And when I win, Nurgle? Then I've just given you the golden opportunity you've been teasing for so long. ***I WANT THE SUPREME OVERLORD.*** Face-to-face. Deity-to-fish. And when I turn him back into the ashes from whence he came, you free my sister Dorothy once and for all. If you don't take me up on the challenge? Well, then Mussel and I will just pick off your little Sunday school class one by one.

YEAH, BABY, YEAH! Would you look at that? Over six months of championship glory and groovy baby, and not a single wrinkle in the ruffles, dig? U.J.P., the man with the plan, the style, and the undefeated smile! I've danced, pranced, and romanced my way through every challenger Warren Peace's thrown at me. And I've done it all with one thing intact: my mojo, baby! There's no stopping the International Manlet of Mystery!

Now I've got a date with destiny—and that destiny's wearin' snakeskin boots. That's right, it's Cody Beau, the winner of the RDL Royal Rumble. And let me tell you, baby, I got nothing but respect for that man. He's the kind of fella who wrestles with grit, grace, and a grin. He's got charisma thicker than his gumbo, and a right hook that could rattle Big Ben. But Cody, darling, just because I dig your vibe doesn't mean I'm handin' over this title like a complimentary mint on a hotel pillow after a shag, baby, yeah!

The RDL World Championship's gotten a little too attached to this waist, baby. And Cody, if you want this belt? You're gonna have to earn it, yeahhhh! Because UJP doesn't go quietly into the night. He goes with fireworks, crushed purple velvet, and a whole lotta mojo! Let's make it groovy, baby. OH BEHAVE!

The lights in the Stan Sheriff Center dim. "Ready For It" hits the PA, and the crowd erupts in jeers for the entrance of Swiftie Nation. Both Miss Americana (Taylor's Version) and The Heartbreak Prince (Taylor's Version) strut down the ramp, black leather jackets over their gear, their faces set in cold, cruel smirks. Miss Americana drags the "Miss RDL (Taylor's Version)" championship behind her like a dead weight as they enter the ring and call for the house microphones.

Miss Americana (MA): Darling, I'm a nightmare dressed like a daydream. And you, Gil Nemo, are about to drown in it. Without even a drop of sweat on this gorgeous neck, I took the Miss RDL (Taylor's Version) championship. There was nothing to prove, oh no. All I wanted to do was show every little sad dreamer like you and the rest of this audience that you have no Love Story.

The Heartbreak Prince (HP): Gil, you thought this was some heroic comeback, didn't you? That you could ride in, save your precious dolphin damsel, and be the prince of the story. Wrong era, buddy. You're not even the villain, fish. You're the casualty. At RazzleMania, Swiftie Nation's writing the ending. And it's called The Last Great American Dynasty. Spoiler alert. You lose everything.

MA: I've got bad news for you, Gilly. Dorothy Dorsal is already gone, sweetheart. We tied her up with a bow, left her waiting at the edge of forever. If you want her back? You better be ready to bleed for her. Because when that bell rings at RazzleMania, I'm not just ending your career, Nemo. I'm ending your bloodline, your legacy, your hope. You'll be another ghost in my haunted museum of broken boys.

HP: Call it what it is: Vigilante Justice. Swiftie Nation isn't here for happy endings. We're here to turn fairy tales into crime scenes. Bring your Mussel with you, too. We're happy to make it a two-for-one special.

MA: So Gil, here's your final chapter. You'll stand across from me... realize you're Out of the Woods and straight into the fire. And when you look around and there's no happy

ending, no sister, no cheers. Just know that sushi's on the menu. And baby, you're about to be carved.

They leave the ring as a heavy, distorted remix of "Look What You Made Me Do" blasts. The arena is left buzzing, half the crowd stunned into silence, the rest booing and shouting as Swiftie Nation vanishes into the shadows.

AHOY AHOY! I come to ye from the deathly gallows deep below the mighty vessel, which just happens to resemble the kitchen area of a local Cracker Barrel restaurant! Aye, I loan my cooking talents once a year during the holiday season in my quest to prevent ye from the wrath of scurvy! Though I have received many complaints that the sawmill gravy should not have a lemony zest, ye must not compromise good health for taste, says I, Scurvy Jones! As we sail into the breadth of a new calendar year, I shant spend the time off adrift. No sailor goes anywhere without their trusty compass and map, and I will have a plan to chart the reclamation of the New World of the RDL back away from **Father Nurgle** and his vermin! **Elroy the Squid**, ye not speak ill of young Gil, lest ye prefer to float rather than swim! Ye have made me angry, and if you continue sailing towards troubled waters, you will be the first squid that I ever *not* prevent from suffering the citrus curse!

The Cluck-Fu Crew

Representing GOT/GUN COLLECTION

The Cluck-Fu Crew is back training in the dojo. When suddenly Avocado from Mexico just stops.

Avocado:what are we training for, Yard Bird Warrior?

YBW: What are we training for?

Avocado: Yeah. We've been going for a year now, training every day. Once you had us roof a house. But I havent won a title since December 2004...whatever this is...it isnt helping me.

YBW: You believe this training hasn't helped you? Do you want to just quit?

Avocado: ...maybe.

Yard Bird Warrior points to the door.

YBW: You've always had the ability to leave. If this isn't for you, be my guest.

"BAYOU" CODY BEAU

A swampy, bluesy instrumental track echoes through the speakers — steel guitar twangs and bayou drums thump in rhythm. Smoke rolls across the ramp as “Bayou” Cody Beau steps out, the RDL World Heavyweight Championship glistening around his waist. The crowd erupts. He steps into the ring, grabs a mic, and grins.

“Y’all feel that? That ain’t just the heat of the bayou... that’s the fire of a legacy burnin’ bright. At RazzleMania ‘25, I went to war with **Union Jack Puddings** — and when the dust settled, the whole world saw the Bayou rise. I ain’t just carryin’ gold on my waist... I’m carryin’ the name of a legend. My daddy, Billy Beau, blazed the trail, and now I’m stompin’ down that same swamp path, just a little louder and a whole lot faster.”

“But bein’ champ don’t mean sittin’ back and sippin’ tea. Naw. It means every man in that locker room wants to take their shot. **Chad Snazzington** — we ran it back once before and left the ring with nothin’ but questions. Well, boy, get ready for answers. Ain’t no title on the line, but pride sure is, and I don’t give out second chances easy.”

“Then there’s **Elroy the Squid**. You slippery, wild-lookin’ son of a gun... I got my sights set on that PWI Universal Title, and if I gotta run through you to make history at Money in the Bank, well — consider yourself bait in these bayou waters.”

“**Doc Porkenstein**? Ol’ Doc clawed his way outta the Elimination Chamber like Frankenstein’s raccoon cousin. You earned your shot at Raz-Slam, I’ll give ya that. But this title? This legacy? It ain’t up for grabs. I ain’t scared of you. I ain’t scared of your monster. And, I sure as hell ain’t scared of **Father Nurgle**! It’s gonna take more than science and madness to take this off my waist.”

“And, that brings us all the way back around to you, **Jack**... I know you’re still out there, lickin’ your wounds, waitin’ on that rematch. I ain’t hard to find. The swamp never sleeps, and neither do I.”

“I may be a marked man, but I don’t give a damn who comes after me. Champions, rookies, freaks and monsters — y’all come take your swing. Just remember: the bayou don’t forget, and it sure as hell don’t forgive.”

Cody smirks, holding the title high as the crowd roars. His music hits again, echoing like a storm on the swamp.

ULTRA DAZZLE

HOLA, RDL. COMO ESTAS? POR MOI, IT IS BUENO BECAUSE RAZZLEMANIA '25 IS IN THE REARVIEW AND I AM STILL STANDING HERE AS THE SHOWTIME CHAMPION. SI. BUT, MUSSEL MUSCLES YOU GAVE ME EVERYTHING YOU HAD, AMIGO, AND YOU MAY HAVE WON THE MATCH BUT I'M STILL CHAMPION. YOU'LL GET ANOTHER CHANCE AT RAZ-SLAM, BUT WHEN NOW I KNOW WHAT YOU'RE MADE OF AND SO WHEN THAT BELL RINGS BE PREPARED FOR ME TO DAZZLE YOU ONCE MORE WITH ALL MY GREAT MOVES AND REMAIN THE RDL SHOWTIME CHAMPION!

ICE MAN

Shrug Shadow thought he could coast into the tournament on reputation. Thought he could shrug off the cold. But now he knows — when the Ice Man comes knockin'... everything freezes.

King of the Ring. The path to the crown starts here. And I ain't just in this to compete. I'm here to dominate. I've waited long enough. 2025 is the year I stop being overlooked... and start being undeniable.

Now they tell me the first name in my way is Krampus. Big. Ugly. Mean. A monster from the darkest nightmares.

That's cute. But monsters? They don't scare me. Y'see, Krampus brings the heat... but I am the cold. And when the bell rings, I'm gonna do what I do best — shut him down, limb by limb, breath by breath... until the only thing left standing in that ring is ice.

And when I'm done with him? I'm marching through every round, every name, every so-called contender. Until I'm sittin' on that throne with the crown on my head... and a title shot in my sights. Winter's not coming. Winter's already here.

The Age of Heroes Ends

*(A shadowy backstage corridor lit by flickering candles. The air is thick with incense and mystery. A robed figure steps into frame—gaunt, pale, with a long staff made of twisted bone. His face is hidden beneath a hood, but the glint of his eyes pierce through the darkness. This is *Father Nurgle*. He speaks in a slow, deliberate whisper that echoes with unsettling authority.)***

*"Do you feel it? The change in the air... the unraveling of order... the decay of false heroes."**

*"At RazzleMania '25, the world bore witness to a reckoning. Doc Porkenstein tore through the Elimination Chamber, not by chance... not by luck... but by design. My design."**

[He raises a hand, fingers adorned with rusted rings and strange symbols.]

"The Legends of Wrestling have not returned to full force — they have risen to their rightful prominence. At Raz-Slam, the so-called champion Cody Beau will come face-to-face with something he cannot outfight, cannot outrun... the will of the unknown. And long before that, my children will take the King of the Ring tournament... and they will not just compete..."

[He stops. The hood shifts just enough to reveal the faintest hint of a twisted grin.]

*"...They will *consume* it."*

[He slowly extends both arms outward as if blessing the space around him.]

"You seek answers, but there are none. Only whispers in the void. Only shadows that stretch from realms beyond understanding. We do not fight for gold. We do not fight for glory. We are merely the instruments... of something far, far greater."

[The candles flicker violently as a gust of cold air passes through. Nurgle lowers his hood slightly, just enough to show scarred, cracked skin beneath.]

"The age of heroes ends... and the era of the forgotten begins. Praise be... to the force that watches. Praise be... to the unknowable."

[He lets out a low, guttural chuckle that echoes as the camera fades to black.]
