## RTL Commissioner, Michael Martin Sr.

(MM Sr. walks out of the entrance and is met with boos. He wags his fingers at the fans and then his son's theme music plays and he walks out in his martial arts Gi robe and holds the Thunder Cup trophy proudly. The fans boos get louder as ticker tape and fireworks go off while Senior applauds. Every time a fan shouts at Jr, Sr turns him away from the angry crowd. )

MM Sr: Take a look at my boy! The first winner of the Thunder Cup and my son!

MM Jr.: I want to thank the fans of the RTL for their support and I will make you proud of me, but (turns to Sr) are they booing me?

MM Sr: What? No no no! They're saying "BOO-M" like Thunder! They sure do love you son and they'll get to show that at the parade next week. Now there is some big news, the RTL's first Premium Live Event, Eye of the Storm, will be held this summer in June and the main event will see you defend the Thunder Cup championship and I will pick the challenger myself!

Welcome back RTL fans and let me tell you, I take my role as the Commissio

Parade?

# VAGABOND

# VAGABOND

# VAGABOND

[The crowd stirs as the lights dim and erupting from the entrance is the homeless hero, **VAGABOND** rides his skateboard to the ring where he does a kickflip to land on the steel stairs and holds his pose for a beat. He jumps off and pumps his fist at the cheering fans and holds the RTL championship up high to pop the crowd a bit more. Vagabond tosses his skateboard into the ring and follows it. The RTL Commissioner, Michael Martin Sr. ]

**Michael Martin Sr.:** *What a welcome for the RTL champion, Vagabond, you've stunned the experts and the rest of my RTL roster to capture that belt. How do you feel about this?*

**Vagabond:** It's ain't a shock to me, I knew I could beat him. **Eval** is a quiet dude, but I focused on the match and he ate the mat thanks to my Eat the Rich DDT... and we all know how I feel about the rich-

**Michael Martin Sr.:** *No need to get into that. We don't want to upset our fine sponsors like Tesla, Amazon, Target and the My Pillow Guy. Why don't we talk about your winning the RTL TV Tag Team titles with **Chief Moose Crossfox**?*

**Vagabond:** Not gonna lie, it felt great to beat the **Von Wolfs** for those tag titles. Looks like once they saw who they jumped wasn't finished off, they ran. Typical bullies, as soon as they get punched in the face and realize that they're in for a fight, they run away. Just as Nero fiddled while Rome burned, the Russian Asset plays golf while the stock market crashes.

**Michael Martin Sr.:** *We don't want to bore the fans with political talk, so how about your first challenge for the RTL championship will be my son, Michael Martin Jr.?*

**Vagabond:** Some around here think Junior's a Daddy's boy with that Thunder Cup win, but he won the TV title fair and-

[Suddenly two masked, storm the ring and attack Vagabond as Martin Sr. scurries for safety. They smash Vagabond with his own skateboard and then spike-piledrive him as the fans boo. They stomp away on Vagabond as Martin Sr. speaks.]

**Michael Martin Sr.:** *Oh my goodness, this is tragic! Stop this madness! Gentlemen, you need to leave this ring immediately... because Vagabond's first RTL title defense is about to start, right now! Play my son's music!*

# Timmy Two Cents

## Wrestling Bio – Timmy Two Cents

Hometown: Pennyville, New Jersey

Height: 5'10"

Weight: 199 lbs

**Finisher:** The Penny Pincher (A Russian leg sweep automatically transitioned into a cross-legged arm trap STF)

**Style:** Technical wizard with unmatched ring IQ. While he rarely speaks unless it matters, when he does—it cuts deep. His frugal nature isn't just about money—it's about movement, words, energy. Nothing wasted. Everything intentional.

Timmy Two Cents doesn't play the crowd. He doesn't boast. He doesn't flash. But he *does* win—with cold, analytical focus. A former prodigy turned wrestler after exposing corruption in the academic circuit, Timmy uses his brilliance to outthink opponents and call it as he sees it. If you're cheating, bullying, or taking shortcuts—he *will* call you out... and take you down.

In a world full of loudmouths and phonies, Timmy speaks only when it matters—and when he does, you better listen.

---

[Scene opens backstage. Low lighting. Camera slowly pans to Timmy Two Cents, hunched over a beat-up clipboard, checking match notes with intense focus. A reporter nervously approaches.]

**REPORTER:** Uh, Timmy... do you have a moment before your match tonight?

[Timmy doesn't look up. He clicks a cheap ballpoint pen, calmly.]

**TIMMY TWO CENTS (quiet but firm):**

I've done the math. 73% of my opponent's offense is smoke and mirrors. Flashy flips... no follow-through.

He spends his time on sparkle—I spend mine on substance.

And tonight?

He's gonna learn... I *don't* spend more than I need to.

Just **two cents**. That's all it takes.

[He folds the clipboard, tucks it into his vest pocket, adjusts his glasses, and walks off silently down the hallway as the camera lingers.]

”

# Uncle Slow Moe

**Hometown:** Newark, New Jersey

**Height:** 5'10" (usually hunched)

**Weight:** 232 lbs (including coffee mug and keys)

**Debut:** Whenever he finally got there

## **Gimmick:**

Uncle Slow Moe is the human embodiment of missed alarms and cold coffee. Forever arriving just a few minutes too late, he's the guy you call when everyone else has already left the building. With a perpetually confused look, unmatched tardiness, and the reflexes of a parked Buick, Moe has made a name for himself in the squared circle—mostly because the audience can't believe he showed up at all.

Despite his sluggish demeanor, Moe has surprising ring awareness (when he finally becomes aware he's in a ring). He wrestles like a VCR stuck on slow-mo, but when he *does* connect—usually by accident—it's lights out.

## **Finishing Move:**

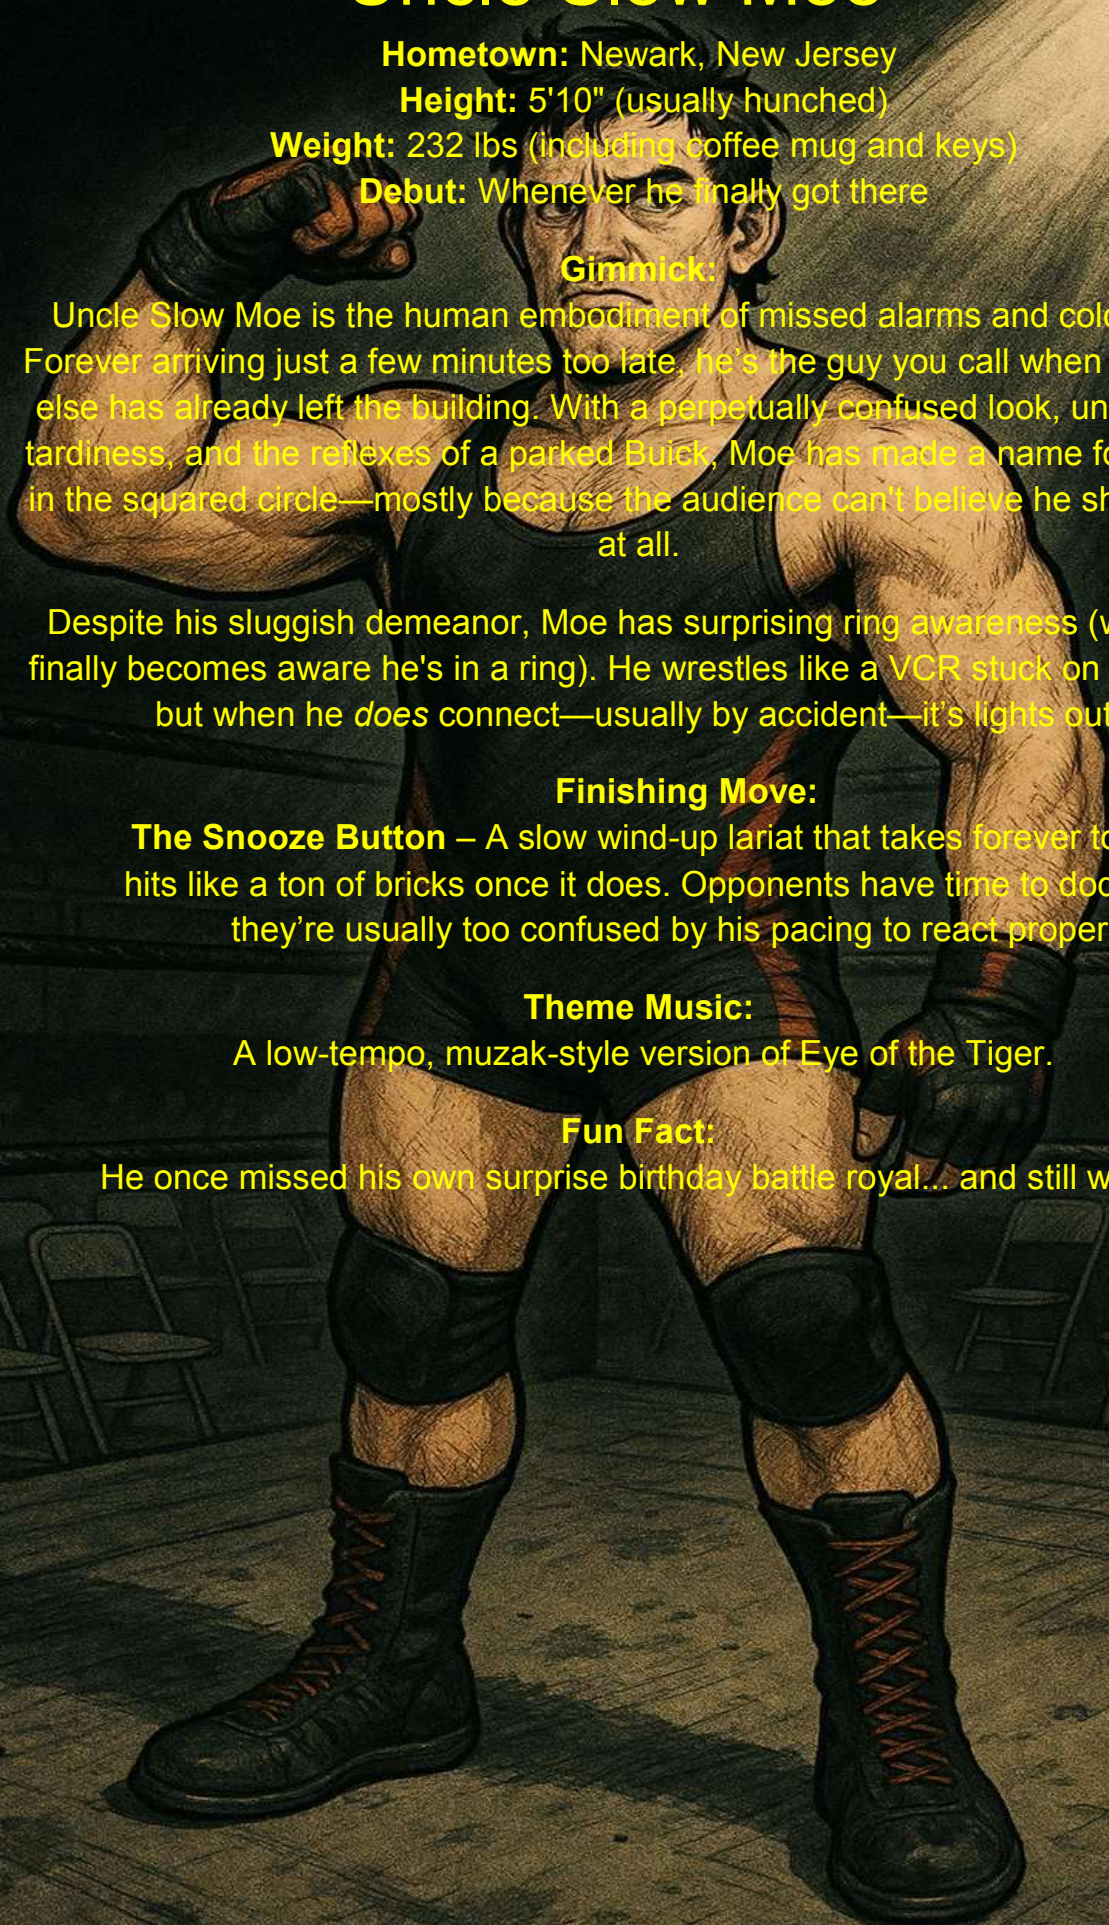

**The Snooze Button** – A slow wind-up lariat that takes forever to land but hits like a ton of bricks once it does. Opponents have time to dodge it, but they're usually too confused by his pacing to react properly.

## **Theme Music:**

A low-tempo, muzak-style version of Eye of the Tiger.

## **Fun Fact:**

He once missed his own surprise birthday battle royal... and still won it.

# "Must See" DB Geezy

"Must See" D.B. Geezy

"The Spotlight Ain't Big Enough for Anybody Else."

**Hometown:** Hollywood, California(Really, Garfield, NJ)

**Height:** 6'2"

**Weight:** 228 lbs (plus ego)

**Debut:** Live, in primetime—because that's the only way he does it

**Gimmick:**

D.B. Geezy is professional wrestling's main event, red carpet, ratings magnet, and five-star spectacle—all rolled into one **golden package**. Whether it's a promo, a press conference, or a parking lot brawl, when D.B. Geezy shows up, the camera doesn't just follow... it *worships*. He's cocky, overproduced, and over-the-top—and the fans can't get enough of it (even if they *want* to hate him).

Geezy talks like a Hollywood agent, moves like a superstar, and dresses like every moment is his Hall of Fame induction. Every match is a performance. Every entrance is a premiere. And every opponent? Just a glorified extra in **The Geezy Show**.

[INT. BACKSTAGE – LIGHTING CREW ON STANDBY, FOG MACHINE MYSTERIOUSLY ACTIVE]

[Interviewer: Jerry Ringer]

"Ladies and gentlemen, please welcome my guest at this time... the self-proclaimed main event, the walking ratings spike—'Must See' D.B. Geezy."

[Suddenly, the lights dim. A spotlight hits the hallway. Cue dramatic orchestral trap beat. D.B. Geezy struts into frame in slow motion, gold blazer sparkling, aviators on, mic with his name bedazzled. He holds up one finger to silence the interviewer. He turns to the camera.]

D.B. Geezy:

"Cut the feed. Reset the lighting. Re-cue the music. This is MY close-up now."

[He adjusts his sunglasses even though they didn't move.]

D.B. Geezy:

"You feel that, Jerry? That tinglin' in the air? That's not nerves. That's not pressure. That... is anticipation. Because when I show up—the RTL goes from broadcast... to blockbuster."

Jerry (trying to regain control):  
"Geezy, tonight you're set to face—"

D.B. Geezy (interrupting):

"—A glorified extra. A background actor. A stunt double who thought he earned screen time. Listen here, baby: I don't wrestle nobodies—I *elevate* nobodies. And then I sign autographs on their broken dreams."

[He throws his arm over Jerry's shoulder like they've been best friends forever, despite Jerry visibly sweating.]

D.B. Geezy:

"See, I ain't just *must* see, I'm the only thing worth watchin'. Camera crews? Follow me. Spotlight? Stay close. And as for my opponent tonight?"

[He stares directly into the camera, dropping the shades just enough to reveal a cocky smirk.]

D.B. Geezy:

"You better hope they film your entrance in *slow motion*, baby. 'Cause that's the only way anyone's gonna remember you... before the Geezy Show rolls the credits on your career."

[He flips the mic, kisses two fingers, and smacks the camera lens with them. The screen transitions to a golden "MUST SEE" logo.]

### Double R Is Still Here Folks

Some guys think that Double R is gone or over with. Well, let me tell you a few wins is nothing over me in this wrestling world. I have been in this wrestling world for 11 years now, and I have lost to and beat some of the best wrestlers in this world today, and I am not going anywhere, either.

King Rat Khan, I heard you running your mouth that you destroyed Double R. Well, kid, I hate to tell you, but I am right here in the ring, calling you out. I want to see if you can come out here and finish me off. Now you might beat me, but I sure don't think you can finish me. I will see you soon, King Rat, and you had better be ready too.

Hey Rachel Yamazaki, you say that Double R has a big mouth and can't back it up. Well, come shut me up for good then. I have wrestled in a bunch of leagues, and I am still here and don't plan on going anywhere soon either. Watch your back, fools.

Hey IWAR, Double R wants to be in that Hell in a Cell match at The IWAR Super Show against Luthor Alexander vs. Skapegoat. It's been a long time since Catfish Rob or Double R has clashed with Luthor in a match, so please put me in that Super Show match.

I love you BRL and IWAR fans, so come meet me at the shows and get you a Double R picture for free.

### Catfish Rob Gang Wins Big

We are here at BBL head offices with DOD backstage while they get ready to call out the 2024 BBL Best of the Best awards winners. Catfish Rob is here with the DOD group telling them he is sure that there will be some DOD winners tonight. This will be for the BBL and BBW award winners and the IWAR crew are here to take pictures too.

The Men's Tag Team of the Year is DOD: Timbo and Jumbo Slice – that's a win for these two young men.

The Women's Tag Team of the Year is DOD: Catfish Josie and Dr. BB, an awesome win for these two young women.

The BBL Rookie of the Year is DOD: TJ Maximum, another win for DOD and Catfish Rob's crew.

The Most Popular is DOD: The Fastball Louie Ratcliff, who was voted for by the BBL and BBW fans, what a win!

The Most Inspirational is HOP: A Fox – what a win for that masked man. He was trained by Catfish Rob and Jane Red at Catfish Rob's wrestling school.

BBL reporter Sam Storm is here with Catfish Rob and his winners. Rob, your guys had a hell of a night. Rob says, "Yes, it was, for I figure we would get 1 or 2 awards but not this many, and it just shows that this is a great group of men and women here in the BBL and BBW. That means BA Fox too. They have worked their tails off for BBL and BBW, and now we are going to party the night away. Do you want to come, Sam, for there's some great guys here that you can have a ball of fun with?" Sam says, "Sure. Let's go."

### Sam Talks to DOD

Two days later, Sam sits down with some of Catfish Rob's gang winners to talk with them. Sam says, "Well, the Slice Brothers won Tag Team of the Year. How do you guys feel about it?" Timbo says, "Sam, we love it, and it's a great honor to be picked by the BBL fans too." Jumbo says, "We have worked hard for this, Sam, and we got to say thank you to all who voted for us."

Sam says, "Next up is the Women's Tag Winner." Dr. BB says, "Sam, we want to thank everyone who voted for us." Catfish Josie goes, "It's been a hard year for us, but fun and good and bad. Thank you to the fans."

Sam says, "Next up is Most Popular – The Fastball Louie Ratcliff. Well, Louie, you have had a hell of a year in the BBL. How do you feel about it?" Louie says, "Sam, it's been like a dream to me. All the ups and downs, goods times and bad times, but it's been fun too." Sam says, "You won the BBL League and TV titles and one of the biggest contests or games in the IWA, so that makes you one of the best too." "Sam, first of all thank you for the other night for that was the most awesome night to me. After Rob's best friend Tim Clark passed away, we were not sure what Rob was going to do, but I figured that we needed to step it up to help Rob out. That's what I've done, and it's helped me too. Now I got to thank all the BBL fans for voting for me. Thanks, folks."

### WTL Report Time

I got to get my WTL Report done sooner, folks. I was up most of the night getting it done liek a giant load of poop too. - Darren (By: Catfish Rob)
