The Gray Jedi Display the Power of the Balance

(The HuFlix logo appears on screen. It fades away as a pounding bass mixes with the squeals and screeches of electric guitars. A video montage featuring the SHL stars plays on television screens, laptops, and smartphones across the SHL universe and live on the Jumbotron in the arena. Monday Night Madness is streaming live tonight from Smallville. The diminutive arena situated in the hometown of Superman is literally rocking with the feral, uninhibited energy that only the disciples of the SHL universe can spawn. The symbol of the Gray Jedi immediately flashes after the opening video.

The Royal Court saunters towards the ring. Queen Maladi is draped in a heavy scarlet robe made from the finest Naboo material. Her golden tiara glistens in the spotlight for the fervent fans to see. The Queen's flaming red face is glowing with pride as an elegant smile spreads bit by bit showing her sharply pointed teeth. Beside the Queen steps Lady Lumiya with the SHL Global title wrapped around her sculpted waist and the IWA Metropolitan title dangling over her taut, sleek, muscled right shoulder. The champ is wearing a mini dress made of Dewback skin, leaving minimal to the imagination. Platinum six-inch heel encase Lumiya's feet. The Queen raises the left arm of her hybrid paramour/ bodyguard and presents Lumiya to the SHL diehards, as if the Zabrak is her personal royal trophy. Lumiya struts into the limelight side by side with the Queen exuding poise and grace. As the current victor walks with a purpose to the squared circle, the SHL faithful erupt into an equal jumble of jeers and jubilation.

Behind the power couple strolls Duchess Talon and Assassin Atroxa. Talon is dressed in a form fitting ebony gown with a gleaming smile showing vibrant ivory teeth. The Duchess greets the fans with a flowing, gentle wave with both of her hands occasionally blowing kisses to younger devotees seated at ringside. The six foot, blue skinned Chiss Atroxa wears a blue flight suit with black, and blue trim coordinating with her blue skin and blackish blue hair. She is walking carefully, unsure, questioning if each step is moving in the right direction. This is far from her purposeful, intimidating, commanding stride that she is known for. The Royal Court's half cyborg slayer looks disoriented and confused; heavy dark circles, no doubt brought on by endless nights of insomnia, resemble hefty anchors threatening to pull her crimson eyes shut.

Bringing up the rear is the duo of Countess Jade and Baroness Vestara. Jade is dressed in the crisp, formal dress uniform of the Royal Court Military, her rank of Royal Court Supreme Commander prominently displayed over her right chest. Her normally free flowing blonde hair is pulled up in a tight, hugging, bun covered by her formal matching hat. Like Talon, Jade displays a nearly identical smile and wave. The top-ranking Commanding Officer of the Royal Court Army and Navy gives a formal salute to the spectators sparking a roar of approval. Vestara is cloaked in a simple Jedi robe of gray. Vestara holds the SHL Spotlight title belt in her hands alternating studying gazes between the title and the sold-out hooting and hollering mob of passionate wrestling fanatics. The newly christened champion personifies childlike innocence with her wide eyes and small smile. The Gray Jedi enter the ring as Queen Maladi commandeers the microphone.

Queen Maladi: "Warmest greetings and salutations SHL universe! The Royal Court of the Gray Jedi welcomes the good citizens of Smallville and the millions watching on The HuFlix Network! Smallville has a rich history indeed! A young Clark Kent honed his gifts from Krypton to become the world-renowned superhero, Superman. However, not a soul alive can equal the power of the balance in the omnipotent Force. We embraced the concept of balance as the new year was born. Since then, the Gray Jedi have proven what happens when one accepts balance. Let's review, shall we?"

"At the arrival of January, I rose to the top of the SHL winning the Global Championship while Sister General Jade procured the Spotlight Title. We claimed two regional championships and swept the tag team and six-man divisions. My apprentice Baroness Vestara topped off our conquest by surviving the league battle royal. During the Winter cycle, five of us asserted dominance over five different regions. I was the only one not to win a singles title but still grabbed the Spotlight six-man with Sisters Jade and Lumiya".

"February saw the Royal Sisters return to the apex of the SHL with Sister Atroxa butchering her way to the Global Championship. Two regional championships were won. Sisters Vestara, Talon and I stood atop the six-man division.

Vestara and Atroxa snagged the Spotlight tag titles. Sister Scholar put the cherry on top by being the last wrestler standing in the battle royal!”

“If those accolades do not impress the SHL faithful, have a glance at March’s results. My lovely Lady Lumiya is the current SHL Global Champion and the IWA Metropolitan Champion giving the SHL the attention it deserves! While I’m on the subject I royally declare Lumiya the most beautiful Global Champion in SHL history and the sexiest IWA Metropolitan champion of all time!” (The mob of Smallville zealots pop with applause and cheers! The Queen grins slyly while Lumiya gives a slow curtsy to the fans raising her minuscule dress just enough to get the men in attendance riled up. The Queen wags her finger at Lumiya scolding mockingly)

Maladi: “Now, now darling, the show is just starting. We don’t want a certain demographic of viewers to get too excited, do we?” (Lumiya shakes her head laughing like a flirt. Maladi stands by Vestara and puts her arm around her apprentice’s shoulders.)

Maladi: “My baby mynock is your current Spotlight champ! (Maladi kisses Vestara’s forehead. Vestara’s pale face flushes red from Maladi’s praise.)

Maladi: “Once again, the Gray Jedi sisterhood has swept the tag team and six-man divisions. We have become so powerful that we are in competition with ourselves! Sister Jade is presently the champion of the Gotham Region and outlasted nine other competitors to win the SHL battle royal. Royal Court Supreme Commander, I salute you!” (Maladi faces Jade and gives a crisp salute. Jade gives the Queen a salute in return with fine precision. Maladi surrenders the microphone to Countess Jade.)

Countess Jade: “Does the SHL see what can be achieved when individuals are in proper balance? This power is available to any and all members of the SHL universe! All you have to do is accept balance into your life and walk with us! Come and follow the Gray Jedi on the path to peace, prosperity and fulfillment! The longest journey begins with a single step. Take that first step now! I urge you SHL universe. Walk with us!” (Jade hands down the microphone to Duchess Talon. The scholar of the Royal Court flashes a bewitching, enchanting smile and draws a deep breath before speaking.)

Duchess Talon: “The Gray Jedi have balanced the SHL No longer will heroes and villains vie for supremacy for neither side can exist without the other. The Royal Court recognizes our sins of the past. To atone for our atrocities, our sacred vow to the SHL universe is that chaos, anarchy, destruction, and despair will never permeate the SHL ever again! The Gray Jedi stand as the TRUE GUARDIANS of the SHL. With the omnipotent power of The Force balanced, the SHL is nestled with protection from harm like a newborn baby held in its mother’s arms. Captain Jones needn’t worry because the protection of the eternal flame of the SHL is forever fortified with The Force in balance. Balance is the path to harmony. My friends in the audience, look with your own eyes at the harmony the Royal Court has created! Isn’t it wonderful? Anyone that desires harmony, happiness, and inner peace, I invite you to walk with us! Now let’s hear from our new SHL Global Champion and IWA Metropolitan Champion, LADY LUMIYA!!”

(The sensual, seductive, Zabrak greedily snatches the microphone from Talon and eagerly jumps into the spotlight making sure that both the Global and Metropolitan titles are in full view of the main camera.)

Lady Lumiya: “SHL universe, I challenge you! I challenge you to find a more sexy, gorgeous, tantalizing, voluptuous, and resplendent champion than I! Magic mirror on the wall, who is the hottest of them all?” (Lumiya looks at the crowd and strikes the pose of a high paid model or movie star to flaunt her custom made Dewback skin dress.) “There’s no need to respond, the question was rhetorical. Do you all love my hot, oh so short, dress? (The fans pop wildly. The cheers have a definitive base sound indicating that the men in attendance are salivating at Lumiya’s wardrobe or lack there of. Lumiya nods her head.) “A good Dewback died so I could look this good!” (Baroness Vestara hisses and scowls at Lumiya contemptuously!) “Sorry Sister Vestara, I know that upsets you, but it died for a great cause. Every member of the SHL universe can’t deny that I am without a doubt the most attractive wrestler in the SHL and the entire IWA! However, I’m not here to talk trash about how superior a wrestler I am. Like my sisters, I’m inviting the SHL universe to walk with us!

No more excuses, no more shattered dreams, no more could've beens or should've beens. SHL universe, you know you want to! Take that step! What have you got to lose?"

(Just then, a mass of humanity begins to walk towards the ring. These are the people that followed the Gray Jedi during the livestream at Hades. Their faces are radiating pure bliss and happiness. A feeling of peace in the air is palpable. The people begin to chant 'WALK WITH US' repeatedly. Lady Lumiya pulls the microphone sensually to her mouth and purrs the chant of 'WALK WITH US' repeatedly. The Smallville citizens begin to repeat the phrase. The Gray Jedi leave the ring traveling through the crowd chanting, WALK WITH US! The fans from the Hades livestream hungrily follow behind the Gray Jedi repeating the mantra WALK WITH US. Soon hundreds of the Smallville fans begin to chant WALK WITH US and follow the crowd out of arena. The audience is now about half full. The echo of the chanting crowd rings endlessly in the ears of those who chose to stay. The Gray Jedi now have more SHL universe members following them. The invitation to walk with the Gray Jedi has been accepted by over two thousand members of the SHL Universe!)

Preparing for Confrontation

(Aboard the Super Star Destroyer *Opulence*, Duchess Talon enters the throne room of Queen Maladi. The Queen's aura radiates concern. Talon's face is unreadable. The Queen lets out an exasperated sigh.)

Queen Maladi: "My concerns grow more with each passing day. Atroxia has been having these dreams for several weeks. They're affecting her negatively. She is a shell of her former self. I can't stand to see her in this condition! We need to end this! It's the humane thing to do! We are Sith no more sister Scholar. I will not tolerate torture! When will this end?"

(Duchess Talon nods her head in sympathy.)

Duchess Talon: "I understand your concerns Your Grace. I agree that Atroxia is suffering. I promise you within the next few days, she will seek you out for answers. When she does, summon me and together we will help Atroxia unlock her past."

Maladi: "If she does seek me out as you have predicted, we must take the necessary precautions. The Maker only knows what she's thinking. Her reaction may be volatile. I do not relish the notion of being the target of a finely crafted killing half cyborg strong in The Force!"

Talon: "You aren't alone Your Majesty. It took the combined power of five to bring her to defeat. We are all culpable."

Maladi: "True, however I will bare the brunt of her wrath for I am the Queen. I'll request Supreme Leader Jade to put the army and navy on high alert. Perhaps have more troopers patrol the *Opulence* or dispatch a security detail of royal guards in my throne room. Lumiya is always prepared for a threat, that's her job so I'm not worried. I'll ask Vestara to stay with us as well. She'll lay down her life for me if needed plus she taught Atroxia everything she knows about lightsaber combat."

(Talon gives the Queen a questioning gaze.)

Talon: "Sister Queen, you said would accept the will of the Force whatever the outcome."

(Maladi snaps at Talon.)

Maladi: "I do accept the will of The Force, but if The Force is going to take me, it will take me on MY terms."
