The Milk Man: Calcium Fortified

4/15/25

So why's Total Championship Wrestling a ghost town, Rev JayAre?

The Milk Man will astound, I'll wear the crown, show the world who's a star.

They used to roar, now they barely make a sound,

With Milk Man's arrival, they'll rebound. From the locker room to the ring so grand,

I'll bring the fans back, shake every hand.

No more whispers, no silent plight,

Milk Man's here, I'll reignite the fight.

Every match, a story, every move, a delight,

With every suplex and every slam,

I'll make sure they remember who I am.

The echoes of chants, the thrill of the crowd,

The Milk Man's prowess will make them proud.

Bouts of old may fade away,

But with my strength, it's a brand new day.

No more empty seats, no more dark nights,

In the spotlight's glow, I'll reach new heights.

With each victory, with each cheer so loud,

I'll prove to all, I'm the one who vowed.

TAY CRYPTO JR.

As your 2 time United States Champion, I am not only going to work to keep this title I am looking forward to the TCW Onslaught event. My goal for the match against The Rev JayAres for the Dominator Championship is that for once and for all I can defeat the main leader of the CURE. I want to be able to show everyone in the TCW that the CURE is just another cult of mediocre wrestlers.

Wanted to thank all of you that are the reasons for my finisher the "Back Jack" to be even closer to the 100 mark. By the way once I

get to a 100 "Back Jack's" I will share my official finisher logo in celebration with you all that have felt, ate, endured, cried because of, tried to avoid but could not and were pinned by the Back Jack. I can not express how much you all mean to me and I will never forget you as you will never forget the "Back Jack".
