The Telegram is a quick report recap

# RIDDIN' DIRTY WITH JOE RYDER

"Quite an event we had at Sheriff of the Ring. You can read up on everything later in the bulletin. I see the **Ricky Spanish** has made his way here. If he has an impact like **Rex Chambers** when he arrived, the rest of you need to be ready. I also see **Professor Algernon** here, and we already used his knowledge and expertise to help us out with Dusti being busier than usual.

"Thanks to everyone, we are still a **Top 5 IWA League**! Also, congratulations to **Whiskey Wade Everett** ro heading down to Little Hope, Texas and collecting a cool \$250,000. That'll get you some top shelf stuff. Whiskey's been making that money. Also, the **Maryland Bluebloods** for the World Six-man Championship and Frederick's Accident Maryland winnings, I guess it's Western Maryland?

"We have a few vendettas to settle coming out of Sheriff of the Ring, and we will settle them south of the Border on a **Tuesday in Tijuana**. The Sheriff of the Ring finals and a postscript to the AI vs 4 ½ Horsemen feud with Teague battling Schlitz along with Aytes versus Chuck and there must be a winner. We will also have a special matchup for anyone who has TT'd the last two cycles. Happy Holidays to everyone and remember, life is a garden, dig it!"

CFO: Fagro Wells

Ring Announcer  
Robbie Baron

"**Zorro** has left his mark on the league, pun intended. Now he has taken issue with the holier than thou **Father Arturo**. This one has piqued my interest with both claiming righteousness"

Medicine Man  
Dr. Wing Creek

"I hate when I have to step in and call a match, but it was unsafe for both men to continue. Almost as unsafe as some of those fireworks that Joe loves so much."

Color Commentator  
Bud Stone

"Say it ain't so. Has the Cowboy lost his crew? Who is he going to ride all night with? **Levi & Teepee** still have the Tag Titles, and Schlitz is always in contention, so I think the horsemen will ride again!"

Backstage Interviewer: BJ Cummings

"I thought working with other guys would be better than just working with **Schlitz**, but then 'Little Joe' asked me out. Ugh no, I don't want your little Joe. Gross."

# HEARD ROUND THE TROUGH WITH DUSTI LANE

"Dusti had some family emergency with cold weather and her dog and something about a spatula, so **D.U.S.T.I. L.A.N.E.:** (*Dynamically Utilitarian Steel Teachable Interface: Logic Algernon Neuro-Engine*) **Professor Algernon's** invention will review what's going down."

- The **Wyoming Cowboy** confronted a Fan who was recording a selfie, stating that the WTL's problem is people looking for "content" instead of "conviction," and he publicly challenged Balls Buckshot to meet him in the ring.
  - **The Bastard Sons (The Turnbuckle Kid & Whiskey Wade Everett)** interrupted **Levi Wrangler** and **Wee Teepee** to declare they would take their **Texas Tornado Tag Titles** at **Sheriff of the Ring**; they then jumped the champions, with TBK attacking Levi and Wade locking Wee Teepee in the "Moonshine Mandible". Later, Wade attempted to use a "free bait" coupon to demand a full breakfast from a confused Security Guard.
  - **Jason "Branded" McCord** was praised for defeated Outlaw Ayson Aytes in a grueling 29-minute match.
  - **The Preacher** defeated Outlaw Ayson Aytes and then shockingly announced to "Dirty" Joe Ryder that it was his last WTL singles match because he had signed with the American Outlaw League (AOL). Aytes was later defeated again, losing the Mexico Title to **Paladin Boone**, who stated he won the title for "principle" and promised to defend it honestly.
- 
- **Joseph "Little Joe" Cartwright** told B.J. Cummings his **brother Hoss** was training for a Tombstone Title rematch, announced his own upcoming WTL debut, and asked the reporter out on a date.
  - **Zorro** responded to **My Two Dads** accusing them of arrogance and challenging them to face him in a máscara a match in the arena, saying he fights for justice.
  - **The Buckshot Boys (Bo, Billy, & Benji)** celebrated a title win, but Benji accidentally knocked out the interviewer Todd (mistakenly called Tim/Tom) while demonstrating a kung fu kick he was learning.
  - **Rusty Chains** met with a Shrouded Figure backstage, showing intense agitation and frustration before backing down from the man and letting him walk away.
  - **Wee Teepee** intervened in an argument between **Levi Wrangler** and **King Cowboy Schlitz** to stop their infighting, urging them to focus their anger on their rivals, Al.

# HEARD ROUND THE TROUGH WITH DUSTI LANE

“ **D.U.S.T.I. L.A.N.E.:** (*Dynamically Utilitarian Steel Teachable Interface: Logic Algernon Neuro-Engine*) Professor Algernon’s invention will review what’s going down.”

- **Rex Chambers** explains he left the IWL because management "stopped caring," citing how they prematurely ended his popular storyline with the Lizard King. He says the WTL gave him a new start, and he is grateful for the clean slate the fans have given him. Rex discusses his goal to win the Six-Shooter Title but says his main focus is challenging the "tough, unpredictable, dangerous" Western Trails Heavyweight Champion, Chainsaw Chuck. He tells BJ he is not looking for shortcuts in the race for the number one contender spot, and promises the fans he will fight his way to Chainsaw Chuck.
- Luckily I know Russian so I can tell you about **Ricky Spanish's** Russian Wikipedia page. He was addressing a rival he calls "Chameleon," Spanish declares himself the predator who always sees his opponent, regardless of attempts to hide or camouflage. He signs a contract for a pay-per-view match, promising to end his opponent's story with "violence." Spanish mocks the Western Trails League (WTL) for being a low-budget, outdated "Halloween costume," dismissing their "cowboy fantasy" in favor of "real, unfiltered, future-born violence."
- Double A **Ayson Aytes** " returns to "civilized parts" after being away, noting the changes in the wrestling scene, such as "Dirty" Joe Ryder becoming the boss and others like **Rex Chambers** and **Paladin Boone** gaining fame. He issues a challenge to other leagues (AOL, BHL, COL), stating the WTL has the "faster guns." He announces his goal is to chase fifty stars before retiring in the IWA Hall of Fame, suggesting it will happen sooner than people think.
- Get your **Balls Buckshot** action figures for your loved ones for the holidays
- **Father Arturo** said he would be at the PPV - it is the one on high's plan
- **Sean Cordova**, in a conversation with his agent, confirmed that his new nickname is working well, but angrily demanded an increase in his security detail to prevent him from having to interact with common "scrubs."
- **Mr. Pennynickel** celebrated his comeback victory in the annual battle royal, where he won \$30k despite a \$25k loss, and proclaimed that although he doesn't have a scheduled match for the next pay-per-view (PPV), he is ready to face anyone who challenges him.
- **Prince George Montgomery** stated they should head to the Sheriff of the Ring after finishing their tea and expressed his intent to win the **Texas Tornado Six-man titles** for the holidays, emphasizing that their opponents will never be "Bluebloods."
- **Garrett Washington Alleghany** voiced concern about their safety following an incident with the **Buckshots** and urged the group to stick together due to potential danger from roving robbers.
- **Frederick Charles Hafford** dismissed the worries, believing the league has recognized their "higher class" and that they will enter the new year with titles and gold.
- **Cecil Howard Calvert** remarked on the lack of chatter from others, suggesting they are intimidated by the group's "superior vocabulary," and then questioned the presence of the **Nutty Bunnies** showing up in the WTL

## **Sheriff of the Ring - Pre-Show**

*A drone shot takes us through a wild west town, then as it passes a saloon, it is shot down and the camera cuts out. The camera switches to the announcers: "Dirty" Joe Ryder and Bud Stone.*

**Dirty Joe Ryder:** "Well there goes the money we spent on that drone. Here we are live for **Sheriff of the Ring!** Tonight we have a double main event as the **Western Trail Heavyweight Championship** is on the line as **Ayson Aytes** challenges **Chainsaw Chuck** for the title!"

**Bud Stone:** "Of course the other half of the main event is the **War Games Match** with **Aggressive Intentions** taking on my personal favorite wrestler, **King Cowboy Schlitz** and the other **4 ½ Horsemen**. Speaking of the Horsemen, **Wee Teepee & Levi Wrangler** will defend the Texas Tornado tag titles against **The Bastard Sons**."

**DJR:** "The **Texas Tornado Trios Titles** will be on the line as the **Buckshots** take on the **Maryland Bluebloods** in what should be a fantastic match-up! And to tie it up full circle, the show will start with **King Cowboy Schlitz vs Lanny Teague** in a match Teague has to win."

**BS:** "As if Teague can beat the King. That would be like Dusti choosing you over me."

**DJR:** "You got something to say? Talkin into this mic (Joe flexes) It don't like feedback.."

*The camera goes to a countdown for the PPV and clips of the stars of the WTL, finally showing the ending of 501 to Yuma with Ayson Aytes & Chainsaw Chuck staring each other down*

**Jason McCord vs Marshal Reeves** - These two have a back and forth battle, two men ver capable of being on the main show. In the end **McCord** gets the victory. (499-495)

**DJR:** "Another big win for **Jason McCord**, keeping his momentum going. He could win the six-shooter title over **Nat J. Love**, Marshal's partner in the near future. Let's go to the next match."

**Zorro vs Masked Father Conrad** - Zorro interrupted Father Arturo as he was praying for more gold and praying that 'masked cowards stop playing with swords' Zorro challenged him to a fight and as he was rambling on about the bible, **Padre Conrad en una mascara** blind sided Zorro and the match began. **Zorro** caught Conrad with the the Z-strike Superkick and the win (499-497)

**BS:** "Looks like **Arturo** and **Zorro** are still jawing at each other. **Arturo** has a point, he shouldn't need that mask and a sword. What is he hiding? Although Arturo is long-winded at times."

**DJR:** "You would be the expert on that. After this montage we'll have the **Magnificent 7 Match**."

'My Way' by Limp Bizkit plays as a montage for the War Games Match plays, ending with the **4 ½ Horsemen** arguing with one another then a motion graphic of the two teams

**Mr. Pennynickel vs Father Arturo vs Rusty Chains vs Paladin Boone vs Futureman vs Nat J Love vs Bud Hlavin** - These guys all went at it. Rusty Chains and Mr Pennynickel ended up brawling all the way to the back. Futureman and Arturo went toe to toe while Nat J Love and Paladin Boone fought in a preview of their Six-shooter title match. In the chaos, **Paladin Boon** locked the Indian Deathlock on Bud Hlavin to get the win. (Paladin Boone - 498)

**BS:** "Indian Deathlock, glad to see he didn't go all woke and call it the indigenous people's...."

**DJR:** "You will make anything seem like.. Well we are about to go live for the PPV. Order it now!"

*Pyro goes off and then a montage of the upcoming card plays*

Dirty Joe Ryder: "Welcome to Sheriff of the Ring! Time to end the year with our big event! Let's start out with the Sheriff of the Ring Finals - a lot is on the line; **King Cowboy Schlitz** is up 1-0."

Bud Stone: "Trailer Park Kid **Lanny Teague** doesn't have a chance. He is going to lose here, lose the advantage to start **War Games**, then lose in that match. His chances are slimmer than Lorrie!"

DJR: "Now Bud, you know that isn't true. Lanny is one of the top wrestlers here in the WTL!"

Ring announcer Robbie Baron: "The following match is the first in a best of three series in the Sheriff of the ring Finals and the winner will get the advantage in tonight's **War Games** Main Event Introducing first, leading 1-0, **King Cowboy Schlitz** and his opponent **Lanny Teague**"

BS: "They ain't wasting anytime, they are throwing haymakers, this won't last long at this pace."

DJR: "Whoa! It spills to the outside. I told the ref to let them go outside, we need a winner here..."

...As the action continues, both men have spent a lot of energy on this match-up. Cowboy Schlitz is untying the turnbuckle and the ref is coming over to stop him - we don't want it to end this way! Teague comes from behind for a suplex... Oh Schlitz lifts his legs and kicks him in the crotch. Teague is on a knee... wait small package, 1.....2.....3! **Lanny Teague** got him!"

BS: "How did he? Schlitz hit him in the jewels? He didn't..."

*Teague takes a cup out of his trunks and throws it at Schlitz in the ring*

DJR: "Outsmarted Schlitz there! Lanny might not be book smart, but he is wrestling smart. Let's get ready for our next match - One that the **Wyoming Cowboy** has wanted for a while!"

Ring announcer Robbie Baron: "The following match is set for one fall and is a grudge match. Introducing first, **The Wyoming Cowboy** and his opponent **The Trashman, Balls Buckshot!**"

BS: "**Trashman** goes out of the ring and and is cleaning up the garbage, what is he doing?"

DJR: "He just loves trash!. **Wyoming** is growing impatient. Balls finally climbs into the ring..."

... Wyoming tosses Balls into the ropes and Balls goes outside. Wyoming follows him, and Balls grabs a spray, oh my he sprayed Wyoming in the eyes. Now he rolls him in the ring. Taking the Trash Out. 1....2....3. Underhanded, but Balls leaves with the upset victory!"

Ring announcer Robbie Baron: “The winner of the match, ‘**The Trashman’ Balls Buckshot**”

BS: “Can’t say I’m a fan of either of those guys. I wish they both could’ve lost. Now in this next match-up, I like the way both of these teams operate, although Levi has been a little bit of a...”

DJR: “Hey potty mouth, we have families watching. Up next is the tag title match. The 4 ½ Horsemen team of **Levi Wrangler and Wee TeePee** take on the **Bastard Sons**, who got this match by nefarious means. I think I used that word right. Let’s go to the Robbie for intros!”

Ring announcer Robbie Baron: “The following contest is for the **Texas Tornado Tag Team Championship**. Introducing first, the challenges, **Whiskey Wade Everett and the Turnbuckle Kid, The Bastard Sons!** And their opponents, the champions, representing the 4 ½ Horsemen, **Levi Wrangler and Wee Teepee!**”

BS: “Now this is the type of fight I want to see. Turnbuckle Kid and Levi are exchanging som stiff forearms. Now Wade has tossed Teepee into the ringside barrier and is getting into the ring.”

DJR: “Whoa, Wad with the chop block to Levi. Now the Bastard Sons are stomping Levi...”

”What a chaotic scene as these teams have fought through the arena! And the 4 ½ Horsemen have another match tonight. Now all four men are back in the ring. Teepee with a headbutt, and Whiskey Wade is doubled over. Levi tosses the Turnbuckle Kid outside. Bronco Buster on Whiskey Wade and LEvi Throws Teepee onto The Turnbuckle kid outside the ring. 1...2....3.”

Ring announcer Robbie Baron: “The winners of the match and still Texas Tornado Tag Team Champions, **Levi Wrangler and Wee Teepee, the 4 ½ Horsemen!**”

BS: ”It’s good to see those guys back on the right track going into their War Games match.”

DJR: “Now I didn’t see their friends out their supporting them. Usually all 4 ½ of ‘em are together.”

BS: “Stop trying to stir stuff up. Speaking of stirring stuff up, Rex Chambers has had quite a start to his career here in the WTL. Can he take out Dolphinn Balor and become the #1 contender.”

Ring announcer Robbie Baron: “The following contest is for the #1contender for the **Western Trails Heavyweight Championship**. First, the winner of the 501 to Yuma - **Dolphinn Balor** and his opponent, **Ravishing Rex Chambers!**”

DJR: “I can say I am interested in seeing this - Balor just wins and no one has been hotter than **Rex Chambers** since he arrived here in the WTL. The two tie up, arm bar by Chambers...”

“Dolphinn goes for a toprope manuever, Rex puts his knees up, small package, 1...2... Dolphin kicks out. Dolphin goes for a running knee, Rex moves, dolph goes flying into the ropes and is tangled up. Rex greabs him, Chamber of pain and that will do it!”

Ring announcer Robbie Baron: “The winner of the match and number new one contender, **Ravishing Rex Chambers!**”

BS: ”Chambers has been walking that walk and talking that talk. And the fans are responding.”

DJR: “Since when have you liked what the fans like. I think you’re starting to come around.”

BS: “Joe shut your mouth. You are lucky that our next competitors are coming down to the ring.”

Ring announcer Robbie Baron: “The following contest is for the **Texas Tornado Six-man Championship**. Introducing first, the challengers, the **Maryland Bluebloods**. Their opponents, the defending champions **Bo, Benji, & Billy - The Buckshots!**”

BS: “Now I like the Buckshot’s style, but I like the Blueblood’s attitude. I’m interested to see what happens here. Benji tries to lock up with Prince George, and he goes to the ropes for a break.”

DJR: “You can’t have a rope break in a Texas Tornado match. This is America, not England...”

“Wait what are **The Bastard Sons** doing at the top of the ramp. The ref is telling them to go to the back. Now the other Blue Blood, Frederick Charles has handed **Prince George** a crab hammer, and he blasts **Bo Buckshot** with it, the ref didn’t see it! Cecil makes the cover. 1...2...3”

Ring announcer Robbie Baron: “The winners of the match and new **Texas Tornado Six-man Champions**. Cecil Howard Calvert, Prince George Montgomery, and Garrett Washington Allegany the **Maryland Bluebloods!**”

BS: “Whelp, the Buckshots shouldn’t of worried about **The Bastard Sons** on the ramp.”

DJR: “Those two teams will have to settle the score soon enough. But either way, the Bluebloods have some gold here in the WTL. Up next is the first half of our main event - **Chainsaw Chuck** defends the **Western Trails Heavyweight Title** against **The Outlaw Ayson Aytes!**”

Ring announcer Robbie Baron: “The following contest is the co-main event and is for the **Western Trails Heavyweight Championship**. Introducing first, the challenger, **The Outlaw, Ayson Ayates!** And dhis opening, the reigning and defending champion, **Chainsaw Chuck**”

BS: “Not a lot of talk, but this one is all about who is tougher in the ring. Neither guy i like, but I have to respect both of um. Joe, you know that I don’t say that about most guys I don’t like.”

DJR: “These two go at it, stif exchange of punches, double leg by Chainsaw and some... chain wrestling on the met. forgot these two tough brawlers could do this. Outside goes Chuck...”

“They are back outside again after those power moves in the ring. Chuck has Aytes down and is pointing to his chainsaw? Aytes is up , flying lariat! But he caught his head on the ring post and is busted open... the ref is counting, both men’s arms are limp. He is calling for the bell.

Ring announcer Robbie Baron: “The referee has ruled this match a double knockout!”

BS: “What is that nerd Dr. Wing doing out here? We don’t need him, let these two men fight..”

DJR: “Dr. Wing is a medical professional, he says they are concussed. Now I can’t say I like this either, but I know we need to keep our license. But I do know somewhere where we don’t have to follow any rules. I was going to wait, but I need the house microphone.”

DJR: (over the PA system) “I know a draw is like kissing your sister, its.. Well I don’t need to describe it, but we need ta have a winner. The state commish ain’t letting them wrestle, so we will have to settle this somewhere else, where there aren’t rules. This **TUESDAY IN TIJUANA, AYSON AYTES vs CHAINSAW CHUCK** - for the World Titel! There must be a winner!

BS: “That kissing your sister line seemed like it came from personal experience Joe. .”

DJR: “I don’t have time for your BS, it’s time for the main event!”

Ring announcer Robbie Baron: “The following contest is the co-Main Event and is a **War Games** match-up. Two competitors will start, then another competitor will enter until all eight men are in the ring. Aggressive Intentions earned the right to enter first. Entering first for **Aggressive Intentions, Trucker Van Lear** and for the **4 ½ Horsemen, Atomic Shogun.**”

BS: “Well glad to see they aren’t wasting any time with these two slugging it out in the ring.”

DJR: “Trucker just got dropped, wait, Shogun has some brass knucks! That’ll even the odds.”

Ring announcer Robbie Baron: “Now entering the ring, **Picasso!**”

BS: “Well it’s suppose to be 2 on 1, but Shogun’s knicks make it a more even fight. What a smart move, I’m sure that King Cowboy Schlitz told’em to do that. It looks like Picasso & Trucker have started to take control of Shogun, but there is the buzzer, another Horsemen is on the way”

Ring announcer Robbie Baron: “Now entering the ring, **Levi Wrangler**”

DJR: “Whoa, it looked like Schlitz just pushed Wrangler out. Wrangler is a tough SOB so I am sure that he can handle it. He quickly locks us with Picasso and they go at it and Picasso is busted open. Trucker just sent Shogun into the steel and the brass nucks fly into the crowd.”

Ring announcer Robbie Baron: “Now entering the ring, **Mange** ”

BS: “Business is about to pick up. Mange goes right after Wrangler, it looks like they are going to go after him - smart as he already was i a match tonight. Face first into the cage, now they are pushing his face like a cheese grater on the steel. Van Lear is handling Shogun in the corner.”

Ring announcer Robbie Baron: “Now entering the ring, **Ill-Gotten Gaines**”

DJR: “Gaines is here to even up the two sides, and he is met with Picasso kicking the door in his face and he is already busted open. He fires back at Picasso, but Lear is there to pummel him. ”

Ring announcer Robbie Baron: “Now entering the ring, **The Reprobate, Lanny Teague** ”

BS: “Here comes Lanny, but wait **Wee Teepee** has ran out behind hm and clipped his knee. Now he is stomping on Teague. Here comes **Lorrie** and her and Teepee are brawling in the crowd.”

Ring announcer Robbie Baron: “Now entering the ring, **King Cowboy Schlitz** ””

DJR: “Here we go!Eight men locked inside this unforgiving steel structure, and it is immediate, utter chaos! Look at Schlitz and Trucker Van Lear immediately going toe-to-toe!”

BS: “Chaos is right. On the far side, Mange is using the steel cage as a weapon, grinding the face of Ill-Gotten Gaines into the chain link! Lanny Teague, the architect of Aggressive Intentions, is locked in with Levi Wrangler, raining down rights and lefts! I might have underestimated AI!”

DJR: “Well I don’t see how you could watch them and talk to them and think that a group called Aggressive Intentions weren’t capable of this mayhem! Gaines is out in the corner, Now Picasso and Mange have Shogun on the top rope, double brain buster right onto the turnbuckle!””

BS: “Never count Schlitz out! He is going toe to toe with Trucker, taking the advantage.”

DJR: “Wait **Wee Teepee** and **Lorrie** are back at ringside brawling, now they are climbing to the top of the cage. Our insurance can’t cover this? The people at Wells Fargo don’t like this.”

BS: “I betchya they will like that big fat check we deposit after the show though.”

DJR: "This is the nightmare scenario for the 4 1/2 Horsemen. Aggressive Intentions is taking advantage of the numbers! Lanny Teague has locked Wrangler in a sleeper, using the turnbuckle for leverage. Oh no Wee Teepee is signaling he is going to throw Lorrie off of the cage."

BS: "Throw her off the cage - This is what the.... Wait... WHAT THE F....."

*Lorrie backdrops Wee Teepee and he falls through the cage, right onto Atomic Shogun*

DJR: "It looks like the Horsemen are in trouble, only Schlitz is on his feet, and lariat, he takes out Van Lear, now he is looking around at his stablemates all out on the canvas. He is pissed!"

BS: "He's a Cowboy baby! Schlitz has not quit in him. He is ready to win it all."

DJR: "Wait... Schlitz is giving up? He is just walking out of the ring in disgust. That can't be."

BS: "Schlitz is headed to the back. Can't say I saw that coming, but a smart plan to save himself."

Ring announcer Robbie Baron: "The winners of the match, **AGGRESSIVE INTENTIONS, Lanny Teague, Trucker Van Lear, Picasso, & Mange!**"

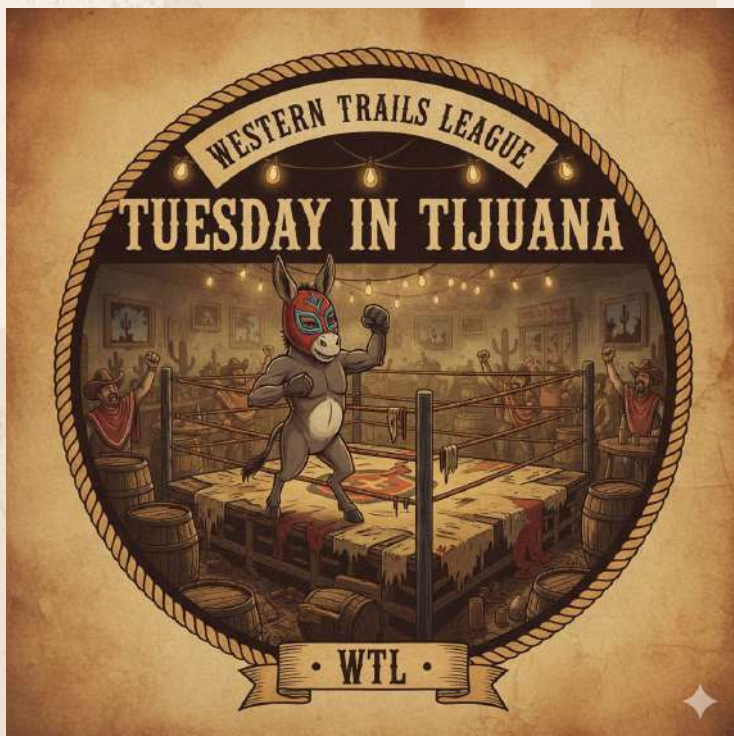

DJR: "Wow, Schlitz just walked out on the other 3 1/2 Horsemen. Now they seem to realize what happened. Is that Trucker and Lanny lifting up Shogun? Now TeePee and Wrangler are on their feet facing Picasso & Mange. Gaines is getting to his feet."

BS: "They are about to rally! They need to Schlitz that they still got that fight in them. What! No!"

*All of the sudden the teams shake hands and the Horsemen raise Al's hands*

Three seconds later his hand was raised by Referee Skip Holihan. This tip of the hat and toast is for you **Ten Gallon Pat** – you deserve it! To the rest of my saddle pals far and wide, Merry Christmas!"

*“Too many here sound like ol’women squawking like crows around a campfire. I came to the Western Trails for competition, instead O see long hairs beating their hollow chests, claiming victories in battles they won’t step in the sacred squared circle to fight for. Bah, these cowboys act more like cows, easily herded and let to the slaughter. Didn’t Custer’s failure teach any of you long hairs anything? You’re doomed to repeat it, long hairs!”*

# BUCK SHOT BOYS

[Backstage, camera pans to the Buckshot Boys—Billy, Benji, and Bo—leaning against a chain-link fence, still bruised from War Games but grinning like they just won a bar fight.]

**BENJI:** Well, well, well. Looks like them Maryland Blue Bloods got one over on us at War Games. Ain't gonna lie, they brought the heat.

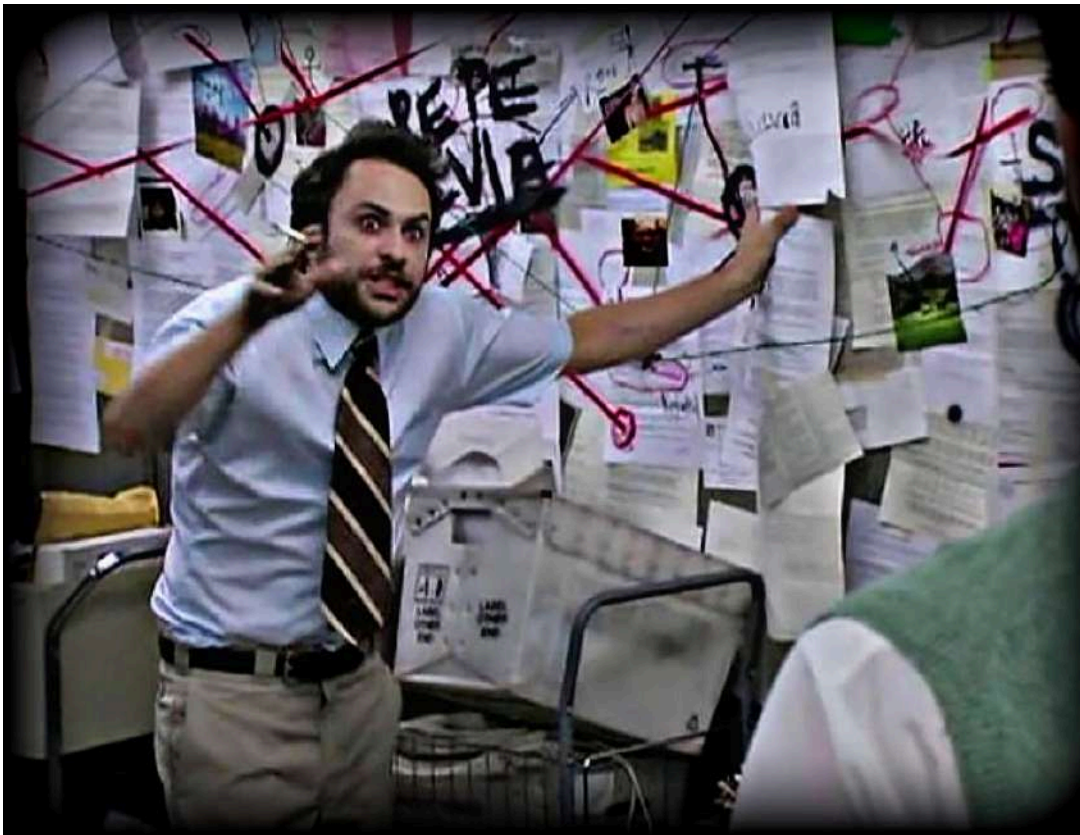

**BO:** Yeah, they hit hard. Real hard. But y'all know us. We don't stay down. We don't cry about it. We get up, we dust off, and we come back swingin' harder.

**BILLY (eyes wild, holding a corkboard covered in red string and Polaroids):** Y'all think this is over? Nah. This ain't just about a match. This is deeper. This is systemic. You think it's coincidence that Cecil Howard Calvert, Prince George Montgomery, and Garret Washington Allegany all got counties named after 'em? That they all wear them fancy robes and talk like they're runnin' a plantation cotillion?"

**BENJI (muttering):**

“Here we go...”

**BILLY:** Look at this! Cecil’s great-great-grandpappy founded a secret society in 1783—The Order of the Blue Crab. Prince George? He’s not even a real prince! That’s a title he gave himself after a séance with the ghost of Francis Scott Key! And Allegany? That man’s got a birth certificate that just says ‘Classified’!

**BO (to Benji):** Did he make that board in the truck?

**BILLY** (spinning around, eyes blazing): They’re not just wrestlers—they’re operatives! Operatives in a centuries-old plot to gentrify the squared circle! And we? We’re the resistance! The last line of defense between the people and powdered-wig tyranny!

**BENJI:** Alright, alright, Billy. What my brother's tryin' to say is, we ain't done. You might've got the W at War Games, but the war? It's far from over.

**BO:** Next time, boys, we ain't bringin' a white flag. We're bringin' the whole damn rodeo."

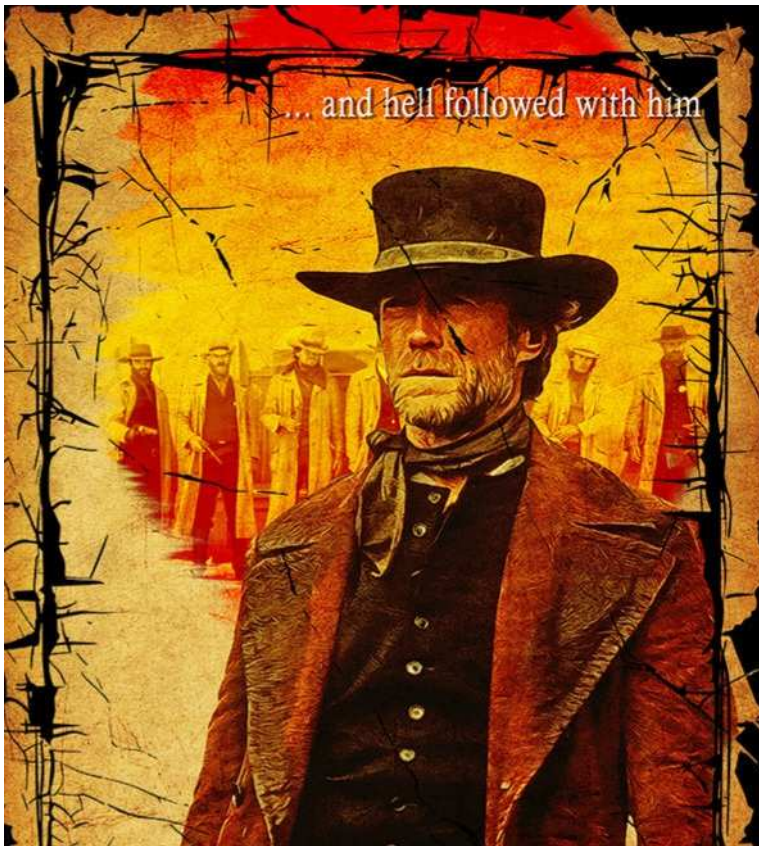

**BILLY (whispering, eyes darting):**

"And I'm bringin' the truth. The real truth. About the Chesapeake Triangle. About the Old Bay Cartel. About the crab-shaped satellite I saw over the arena last night..."

**BENJI (pulling Billy away):** BENJI (pulling Billy away):  
"Okay, that's enough tinfoil for today. Buckshot Boys out!"

## WTL – EARLY DECEMBER TV SEGMENT

### “THE WESTERN KNIGHTS RIDE”

[In-Ring: B.J. Cummings stands center ring with a mic, smiling bright and confident as the crowd buzzes.]

**B.J. CUMMINGS:**

“Ladies and gentlemen, please welcome the NEW Western Frontier Champion... ZORRO!”

[Huge pop. Zorro enters in full black regalia, cape flowing, mask gleaming, the silver-tipped sword raised. He steps through the ropes with a flourish and kisses B.J.’s hand, making her blush and roll her eyes knowingly.]

**B.J.:**

“Zorro, you rode into November’s main event and carved your name into WTL history. What’s next for the new Frontier Champion?”

**ZORRO:**

“Señorita B.J., querida... what comes next is honor. Dignidad. And something the Western Trails League has needed for a very long time.

Tonight, I introduce a brotherhood—no, a caballería—who will stand together against lawlessness, corruption, and every rattlesnake that slithers across these trails.”

[Crowd stirs as Zorro gestures to the entrance.]

**ZORRO:**

“Allow me to present... THE WESTERN KNIGHTS!”

[Music hits. One by one, the men walk out and enter the ring.]

- Paladin Boone – Dodge City Champion, stoic and square-jawed.
- Jason “Branded” McCord – Chisholm Trail Champion, disciplined and battle-scarred.
- Eric “Hoss” Cartwright – powerhouse, big smile, bigger punch.
- Joseph “Little Joe” Cartwright – the fiery young gun.
- The Pale Rider – ominous, still as a gravestone.

[The group lines up behind Zorro. Zorro steps aside so Paladin Boone can speak.]

**PALADIN BOONE:**

“Folks, this land is wide open. Too wide. Bandits, bounty hunters, and hired guns have been runnin’ wild from the Rio Grande to the high plains.

But that ends now.

You’re lookin’ at champions, yes... but more importantly, you’re lookin’ at men who believe in doing right.”

[Crowd cheers.]

**PALADIN:**

"We're standin' together to make the Western Trails League the gold standard of the entire IWA. If you cheat, steal, ambush, or jump a man from behind... well, partner, you'll be seein' us real soon."

**ZORRO:**

"Justicia, amigos! The Western Knights will defend these lands with honor. Each of us represents a trail, a town, or a legacy.

Together...

we are the law of the untamed frontier."

[The Pale Rider slowly steps forward. The arena hushes.]

**PALE RIDER:**

"...Law?

Justice?"

(long pause)

"A day is coming. A cleansing fire... rolling across the Western Trails League... and far beyond. The entire IWA will feel it.

And when it reaches full blaze..."

[He raises his head, eyes cold beneath the hat brim.]

**PALE RIDER:**

"...the IWA will soon... BURN."

[The crowd reacts—shock, whispers, unease. Zorro and Paladin glance at each other, half understanding the warning, half unsure.]

**BRANDED MCCORD:**

"Easy, brother. We all want change, but you're talkin' like a storm's comin'."

**PALE RIDER:**

"Oh, it is.

And when the smoke clears... you'll thank me."

[Pale Rider steps back, folding into the line of Knights like nothing happened.]

**PALADIN BOONE:**

"Well...

Whether it's storms, bandits, or bad men ridin' in... the Western Knights will be ready."

**ZORRO:**

"Sí.

This is our pledge:

From Dodge City to the Chisholm Trail, from the high country to the dusty crossroads—the Western Knights stand united!"

[All six men raise their hands—or belts—high. The crowd erupts.]

**B.J. CUMMINGS:**

"Ladies and gentlemen... The Western Knights!"

[Camera lingers on Pale Rider, whispering to himself:]

"...Fire cleanses. Fire reveals."

[Fade out.]

# THE BASTARD SONS

(In the locker room...**The Turnbuckle Kid** is pacing, frustrated. **Whiskey Wade Everett** is slouched on a bench, flask in hand, half-laughing, half-mumbling.)

**TBK:** “Did you see that old man. I wonder who he was? I’ll tell ya one thing...**Rusty Chains** ain’t grabbin’ gold like he used to. We’ve been out here fightin’, scratchin’, stealin’ wins...and Rusty? He’s slippin’. He’s losin’ that edge.”

**Wade:** “Ummm, I currently see 3 men, and they all sound like you...But hey, keep talkin’ brothers!”

(He laughs, spilling a little from the flask. TBK glares at him.)

**TBK:** “Look at **Prince George**. That man handles business clean and effective. Wade, that’s how we need to operate. That’s how champions get made.”

(Wade begins to sing.)

**Wade:** “*Ohhhh, Prince George is a lad from a fancy land, and he gave me whiskey for slappin’ a man!*”

(He chuckles, clearly lost in his own world. TBK stares at him in disbelief.)

**TBK:** “DAMIT WADE! I need you on the same page right now.”

**Wade:** “WHAT? Whoever said I can read is a liar!”

**TBK:** “Listen, I haven’t seen Rusty since that old man came around. It’s bout time we rustled up our own gang...and I think I know exactly who we need to call.”

**Wade:** “Who ya callin’? I like sausage and mushrooms on my pizza.”

(TBK hurls his towel at Wade, realizing that if he wants to break free from Rusty Chains and carve out his own legacy, he’ll have to do it alone.)

# ***RAVISHING REX CHAMBERS***

***Not only is Rex Chambers now the NEW #1 Contender to the Western Trails Heavyweight Title.... but, he also wants to wish YOU a very Merry Christmas (and, a Happy New Year)!***

# ***DR. PAIN***

***Dr. Pain has arrived in the WTL. After conducting a very thorough examination, he has determined that mergency surgery is required to extract this league from filth that is causing a slow, turmoiltious death.***

# ***The New Kids***

***The New Kids have arrived in the Western Trails League and it's only a matter of time before they take over the tag team scene and take this league on the ride of a lifetime!***

[**BJ Cummings** is standing outside of the Horseshoe Road Inn, the favorite haunt and watering-hole of **Outlaw Ayson Aytes**.]

**BJ Cummings**: “I’m here at the Horseshoe Road Inn, made famous by Western Trails legend **Outlaw Ayson Aytes**, trying to catch up to the man himself before his ‘*Tuesday in Tijuana*’ showdown with **Chainsaw Chuck**, and see if we can’t get him to expound on some of the comments he made last month.”

[**BJ Cummings** enters the front door and spots **Double A** sitting at his favorite table in the corner. His feet are propped up on the table, and he’s leaning back in a chair. A lit cigarette dangles from his mouth, and a bottle of whiskey is in his hand.]

**BJC**: “**Ayson Aytes**..I was wondering if I could get a few words with you tonight?”

**AA**: “Sure thang, purty lady.”

**BJC**: “You made a shocking statement last month that hinted at hanging up your guns. Is that true?”

**AA**: “Offerin’ warnin’ shots ain’t often somethin’ I do, but I reckoned I oughta make it known a-forehand, lessen’ some dunderhead think I done run outta here like some scalded ape...or **Brock Callihan**.”

**BJC**: “I see...I think.”

[She looks into the camera, mouths ‘*What the?*’ and shrugs her shoulders.]

**BJC**: “You’ll be facing **Chainsaw Chuck** again for the Western Trails Heavyweight Championship. Any thoughts on that?”

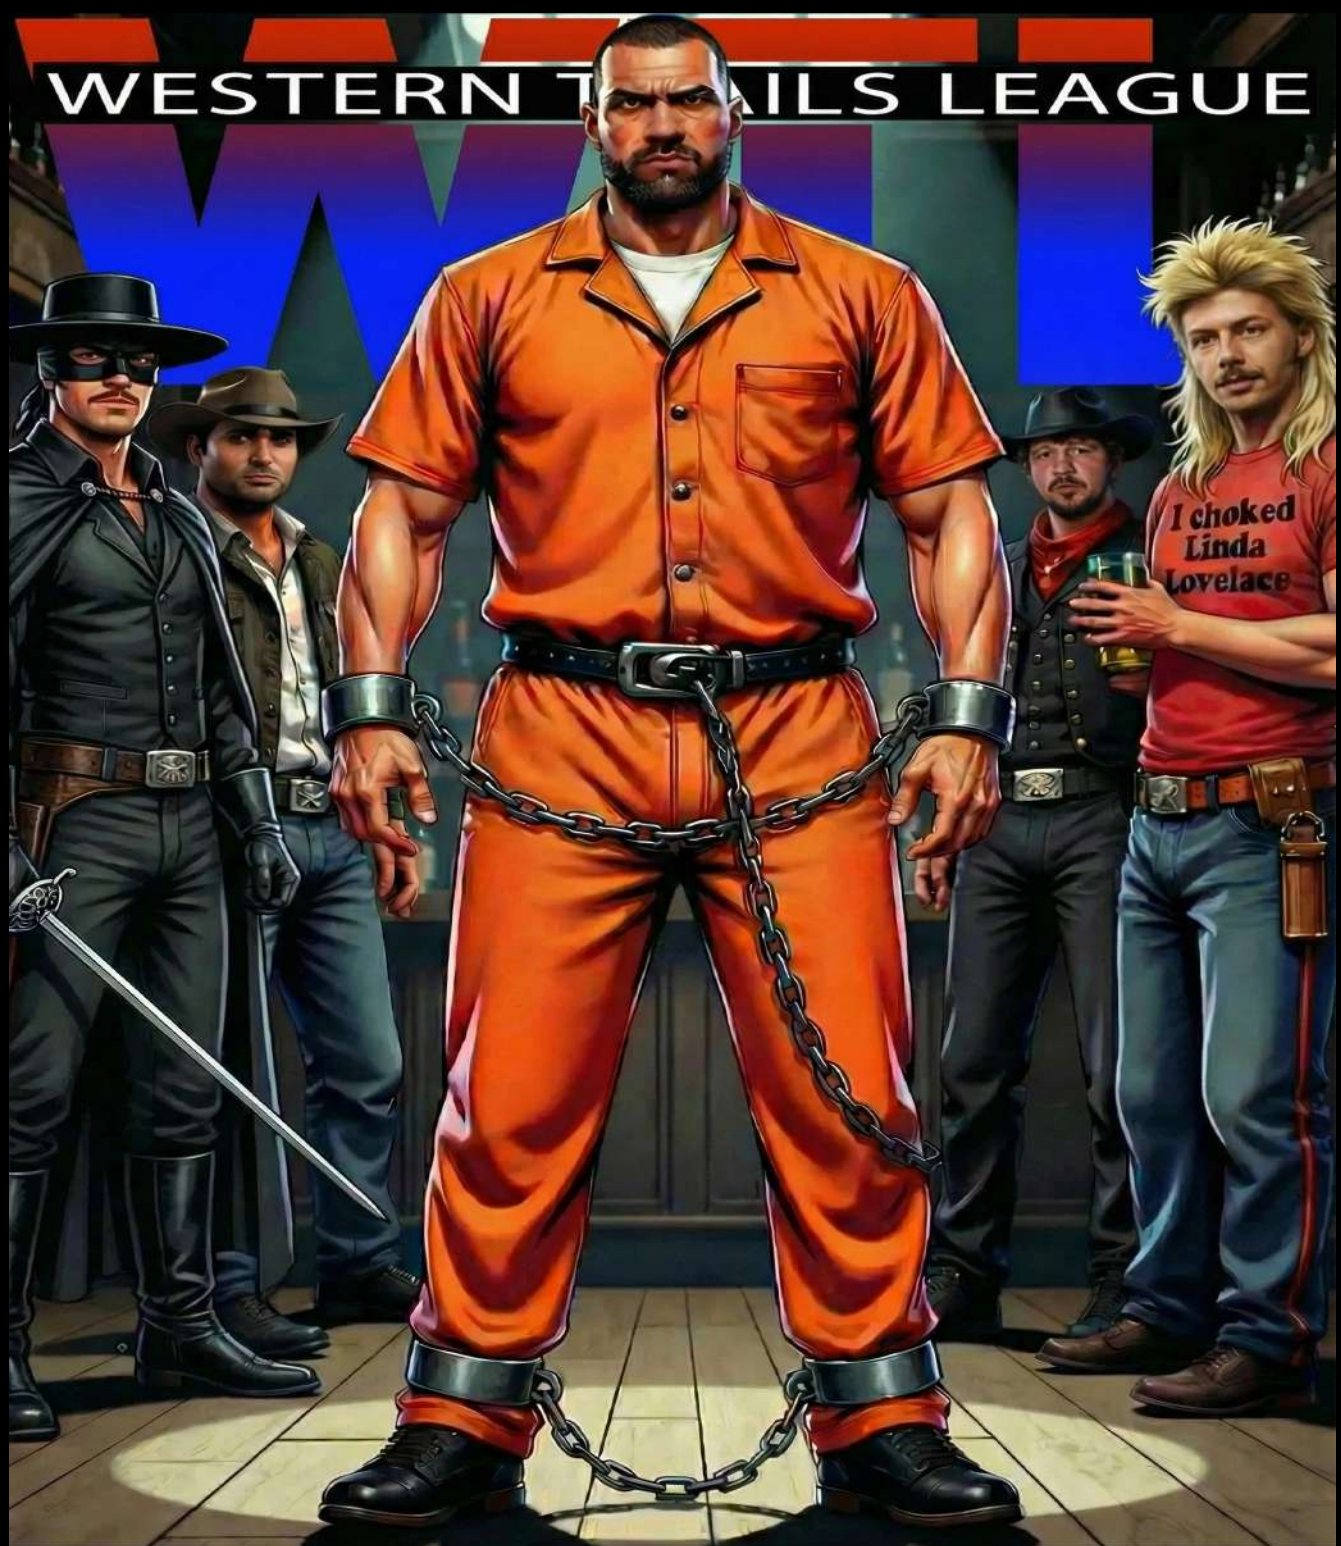

**AA**: “Ol’ **Chuck** an’ I are a-gonna lock horns once again, an’ it’s a-gonna be more ‘lectric than a bolt from a rumblin’ Western sky. I been workin’ on a new finisher in the UWL, so maybe it’ll be the one I use to win that Champeenship belt.”

**BJC**: “Right. Any other profound words you’d like to leave us with?”

**AA**: “I’m just gonna raise this here bottle for **Catfish Rob**. It don’t seem like all that long ago that I was a-rasslin’ ol’ **Double R** for the IWAR World Title. But we’re all called to eternity in time, so here’s to you, hoss: ‘Blood, Bullets, and Whiskey’.”

[**Double A** takes a shot of whiskey from the bottle, and the scene cuts.]

**RICKY  
SPANISH**

Maybe it's my lack of education... maybe it's my lack of understandin'... but for the life of me I do not understand why I'm here. It ain't to be entertainin'. It ain't to give these people good wrestlin'. I ain't here to smile, shake hands, kiss babies, or sign eight-by-tens.

No.

I'm startin' to think the only reason I'm in WTL is because some sick bastard sittin' behind a commissioner's desk gets his kicks watchin' me tear through this entire roster like a pit bull let off the chain. He probably hides in a broom closet with a belt wrapped around his neck whisperin' my name like a freak while he books me in another match.

But guess what?

I don't care.

'Cause I ain't here to win titles.

I ain't here to play cowboys and Indians.

I'm here to hurt people.

That's what I do. That's what I've always done. That's what I'll always do.

Chainsaw Chuck?

Ayson Aytes?

King Cowboy Schlitz?

Lanny Teague?

Even Mr. Mike Brady himself?

I don't care who they throw at me.

I don't care what division, what stipulation, what cute little league they come from.

I'm gonna wreck this place.

I'm gonna send bodies to the Graveyard League, to the Casting Couch League, to whatever bottom-feeding hole this company stuffs the broken and the useless into.

You line 'em up, and I'll fold 'em like laundry.

You parade 'em out, and I'll put 'em down.

And when the smoke clears, when the screams stop echoing, when the blood dries on the mat... you're all gonna realize one thing.

Say good night...to the bad guy.

# MARYLAND BLUE BLOODS

*Frederick Charles Harford*  
*Cecil Howard Calvert*  
*Prince George Montgomery*  
*Garrett Washington Alleghany*

*Prince George, Cecil, Garrett, & Frederick are celebrating*

Prince George Montgomery: "We have done it! We have won the Texas Tornado Six-man titles! Finally we can bring some dignity to these belts. Shall we take them back to the motherland?"

Garrett Washington Alleghany: "Well I am just excited that Frederick won the big match in Accident Maryland! I wish I coulda won, but at least he got that title. Are you going to visit?"

Frederick Charles Hafford: "Please Garrett, I have no desire to go to that part of Maryland, it may as well be West Virginia. Nevertheless, we have our eyes on bigger prizes."

Cecil Howard Calvert: "I know that the IWAR events, for whatever that stands for, will be starting soon, and I know that the Bluebloods will be a dominant force. You other plebeians cannot prepare to take us on. You just lack the proper training and repertoires to dethrone us."

Prince George Montgomery: "Soon enough I will be back in the lavish surroundings on the East Coast with a full English Breakfast, instead of just beans and these random foods out west. Remember you live for this, you may bleed for this, but you will never be a **Blueblood!**"

The Masked Man

## CONFESSIONAL CORNER

Father Arturo

"**Zorro**, more out of your mouth. As if your deeds somehow give you favor. You know that you are a sinner like the rest of them here. I am sure you would like to face me at **Tuesday in Tijuana**, but with the Advent season, I do not have time to face you. Know that the time will come and you will have to pay for your sins. Perhaps you will come to confession?"

Father Arturo makes the sign of the cross and leaves.
