TRASH TALK

Wrestler Quotes & the Commissioner's Pick for Best Trashtalk! (5 Free Matches)

(The arena goes dark. A distorted voice comes over the intercom as the lights begin to flicker.) "Is this what you want Chris? Be careful what you wish for Chris..." (As the lights continue to flicker, the five Voiceless Henchmen appear out of nowhere, and surround the ring. A frantic Marinaro keeps circling inside the ring, not knowing whats going to happen.) "You are right, Chris....the time indeed has come. There is still a chapter that needs to be written before this story is completely told. You asked for it, Chris. Now, I hope it's what you truly want..." (The Henchmen jump up onto the ring apron. A nervous Marinaro motions for them to come into the ring, as he continues to look all around, anticipating their next move. The lights go out again.) "You... me... the beginning of the final chapter... RESURGENCE"! -Voice of the Voiceless

"This Mid-Atlantic Championship is looking damn good around my waist. It didn't take long for the Tombstone Masterz to get back on top after years of sitting at home. Oh wait, the TV-Tag Titles and US Tag Titles to go along with it too, and it feels GREAT! You know who might not be feeling so great right now? A son of a traveling salesman named Virgil Runnels. We gave you a proposition last cycle, and to up the ante this cycle, and add a little twist. We look forward to hearing from you". -Sam McMillan

Notable Mentions: Mockingbird, Gourdman, Genisys, Rysen, Marinaro, the Dynamic Dragonite, Strong Machine, & Virgil Runnels.

(The Xtreme Dose™ LIVE comes on the air to an astounding ovation from over thirteen thousand loyal league of Xtreme fanatics! The Xtreme Dose™ Homecoming banners are seen throughout the Xtreme Arena, as pyro explodes on the entrance-way, before the camera cuts to the announce team. Anxious to call this cycle's program are Ezekiel Gotti and Cameron Judas.)

Cameron Judas: Hello wrestling fans, welcome to another night of extraordinary action, as the Xtreme Dose™ LIVE gets underway. I am Cameron Judas, alongside Ezekiel Gotti, for what is expected to be a night to remember. We are on the eve of Xtreme Dose™ Homecoming, and we will follow that with the first XPL ppv under the new Venom Scott regime, XPL Resurgence™!

Ezekiel Gotti: The Mighty Deadhead versus Strong Machine will be the headline for Homecoming™, and for XPL Resurgence™, we are now anticipating Chris “the Kydd” Marinaro versus Voice of the Voiceless! What an amazing time it is to be part of the Xtreme Poison League!

Cameron Judas: This is the league where the Xtreme “game-players” play, and there is no league more hungry and competitive, than the Xtreme Poison League. We are 2nd to none!

Ezekiel Gotti: You've said a mouthful there CJ. As you saw at the top of the program, all of the top stars are here tonight, and we are expected to hear what Chris Marinaro has to say, regarding the attack that he obtained by one Voice of the Voiceless.

(The power of the tongue is once again victorious, as the crowd is sent in a frenzy, once the sounds of “Here I Go” by Mystical blares over the PA system. Out to the entrance-way walks the “heart & soul”

of the league of Xtreme, the legendary Chris “the Kydd” Marinaro! The fans are showering him with cheers as he makes his way down the aisle. He gets to ringside, and interacts with a young fan, before heading into the squared circle. He is joined in the ring by announce team member Noah Atkinson, who has a microphone in his hand, preparing to interview Marinaro.)

Noah Atkinson: Thank you Chris Marinaro for allowing me this time to interview you. I was told that you have something to say, regarding what happened last cycle, with the return of one Voice of the Voiceless! (Marinaro pulls the microphone closer to his mouth, but before he can utter a word, chants of “heart & soul” break out. He waits for the chants to subside and begins to speak.)

Chris “the Kydd” Marinaro: The voice” behind the shadows has finally shown it's face, and yes I was talking VOV, Voice of the Voiceless! Cycle after cycle, I called you out in front of the world, yet you retaliated like a coward behind my back. (Marinaro then reaches into his back pocket and pulls out the contract that was left by Voice of the Voiceless.) This is the contract that you left last cycle, signed by you, and now it's been signed by me. To keep it short and simple, it will be you and I at XPL Resurgence™, one more time! (The crowd cheers.) Years have passed, and as some things have changed, yet some have stayed the same. Like the disrespect of wrestlers using my own finishing maneuver against me. Admit it Voice, I am the man that you've always wanted to be, yet you had to settle for second best. (Smirks into the camera.) Even you know that Batman ain't got sh*t on me! At XPL Resurgence™, I will finally... (The lights in the Xtreme Arena go out and the signal of Voice of the Voiceless is shown in the rafters. The lights come back on and Marinaro is standing face to face with VOV. Noah Atkinson exits the ring. Marinaro headbutts Voice of the Voiceless, sending him reeling against the ropes, and Voice comes stumbling back into a Voice of Reason from Marinaro. The fans erupt. Marinaro pulls the off the hoodie that Voice is wearing, revealing that it is not Voice of the Voiceless, but a man parodying the superstar. The crowd gets louder as the real Voice of the Voiceless makes his way through the crowd and into the ring. He slides in behind Marinaro, but his surprise, Marinaro gives him a Voice of Reason! Marinaro grabs the microphone and stares down at Voice of the Voiceless.)

Chris Marinaro: As I was saying, at XPL Resurgence™ there will be no more shenanigans, because we are going to war inside of a steel cage! (The crowd cheers at the announcement as Marinaro exits the ring. The camera then to the backstage area.)

(Backstage, the Tombstone Masterz are standing, flaunting their championship gold. [The Bloodline Itch” Eddie Raja, “the Project” Sam McMillan, the Dynamic Dragonite. Nicholas “the Flood” Rysen, and “Mister Mayhem” Saiga Genisys focus in on the camera, all with serious looks on their faces, as Raja takes center stage.)

Raja: We came back to the XPL with a mission, and it's as simple as winning gold, and proving that we still belong here. We are the founding fathers of the XPL, and to everyone who had it easy before we returned, welcome to how it's suppose to be. We are just getting started, and the ultimate mission is to come out of the Venom Scott World Series as the XPL World Heavyweight Champion, and taking this league to a whole other level! Now, I'm not going waste too much time on **Virgil Runnels**, but it seems that you don't want to acknowledge us, but you've met us. We'll meet again at XPL Homecoming™. See you there! **(Raja steps back and flaunts his championship with the guys, and the Dynamic Dragonite takes the floor, with the Great Lakes Championship firmly around his waist.)**

Dragonite: Last cycle\s beat down on Runnels was nothing personal. It was a statement. We aren't the Tombstone Masterz of “old”. We are on a mission. As Raja stated, the XPL World Heavyweight Championship is on it's way to us. Look at the history books. It is I, who is acknowledged as the 1st official XPL World Heavyweight Champion, and I intend on regaining it during this new era as the 1st! Enjoy the ride fellas, and to the rest of the league of Xtreme... breathe the fire! **(The scene fades.)**

Xtreme Dose™ Homecoming!

NEXT CYCLE! Matches will be played **THIS CYCLE!**

Main Event: COT: The Mighty Deadhead versus COT: Strong Machine
w/ Professor Vitali Medved

Virgil Runnels versus The “Bloodline Itch” Eddie Raja
COT: The Mighty Mockingbird versus COT: Jumbo Machine

(Back inside of the Xtreme Arena, the Mighty Deadhead and the Mighty Mockingbird have Professor Vitali Medved in their clutches, as they walk him towards the ring. They shove him inside of the squared circle and follow him inside of the ring. Mockingbird pulls Vitali up and Deadhead motions to attack him. They don't get the chance to, as Strong Machine and Jumbo Machine make their way out, and the enter the ring. A brawl ensues. XPL security run out and attempts to take control, but they are attacked by all four men, giving them ample time to brawl again. Commissioner Venom Scott comes out with a fleet of security and they all head down the aisle. The enter the ring, and after a brief encounter with the four men, they soon take control of the melee. Commissioner Venom Scott has a microphone and begins to speak.)

Commissioner Venom Scott: That's enough! Deadhead... Mockingbird... Machines... listen up! I have a stipulation for your matches. First, the Mighty Mockingbird versus Jumbo Machine... whomever wins that match will give a slight advantage to their “partner” that's in the main event. If Jumbo Machine wins, then Strong Machine can go into his match using “no rules”, but the Mighty Deadhead must go through the match using the rules and can be disqualified and/or counted out. If Mockingbird wins, then the Mighty Deadhead will have “no holds barred”, and Strong Machine will compete under the normal rules. See you at “Homecoming”™! **(The men are still being held back by their opponents for Homecoming, as they stare across from each other, and the end credits for this cycle's Xtreme Dose™ LIVE goes off the air.)**

Posure™

Be sure to log on to www.xplvenom.proboards.com to see the action BEYOND the action. Some leagues keep the action “in bulletin” only, some have podcasts, but the XPL keeps it “old school”! Commissioner Venom Scott hopes to get the XPL's only & official website rolling again, and by getting online, you will presented with a whole new vision of the league of Xtreme. Online only matches & pay per views, special contests, and all of the breaking news. I urge each and every one of you to get online right now! **Xtreme Xposure™ will resume next cycle!**

Venom's Top 10 (World Series)

In just a few short cycles Commissioner Venom Scott will conduct his very own “Venom's Top 10” World Series. This will be Venom Scott's “choice” of TOP 10 wrestlers, who he feels have the biggest impact at the moment, to compete for the Undisputed XPL World Heavyweight Championship Title! These Top 10 wrestlers MUST: 1) Be Active 2) Trashtalk & 3) Remain Consistent at BOTH! If one of the TOP 10 wrestlers miss ONE active cycle, he will automatically be dropped and will not be replaced in this contest.

The contest will run off of original rankings points. (20pts for League, 15pts for TV, etc)
It will run off of elimination until only 1 wrestler remains.

Everyone in the TOP 10 will stay until the 4th cycle, because the lowest ranked wrestler will be eliminated, each and every cycle after that.

Once there are 2 wrestlers left, they will battle in a singles match, to decide the World Series Winner and take the championship opportunity.

****Remember that if you miss a cycle by not being active or 2 consecutive cycles without trashtalk, then your wrestler will be dropped. Even if this happens, the lowest ranked wrestler will still be eliminated, and the Top 10 list will instead lost multiple candidates. For further questions, please contact me, Commissioner Venom Scott. *Eliminations will begin in bulletin #308!**

COT/TM: “The Project” Sam McMillan 30 points.

COT: The Mighty Mockingbird 30 points.

COT: Jumbo Machine 20 points.

COT/TM: “The Bloodline Itch” Eddie Raja 20 points.

COT/TM: The Dynamic Dragonite 20 points

COT: Ghost Machine 15 points.
 COT: The Mighty Deadhead 15 points.

XPL World Heavyweight Champion:
#1 Contender:

XPL Television Championship: (Your participation and trash-talking will determine who stays and goes in this division. Your time to make an impact on your career begins here!)

XPL Television Champion:

#1 Contender:

X-Contenderz Championship: (These rankings are limited to those who are solely in the X-Division. Singles championship wins adds points to your total. Trash-talk that promotes your current angle adds 5 points to your total each cycle. Managers are limited to two wrestlers to participate in this division. If you want to be included with these awesome high flying technical brawlers, let the Commissioner know! These grapplers are stars who are mid-card level talent, and who are not currently vying for the XPL World Heavyweight Title.)

X-Contenderz Championship: One of the most innovative championships in the XPL. This champion is almost always showcased on the Xtreme Dose TM LIVE!

#1 Contender:

XPL American Championship: The highest ranked championship exclusively defended on Signs of Chaos.

XPL American Champion: Equivalent to a US Championship. Began as the Legendz Championship and is now a gateway to the XPL World Heavyweight Title.

#1 Contender:

XPL Vixens Championship: The hottest women's championship in the IWA lives in the Iron Federation's hottest league of the past 8 years. Sure there are ladies league across the IWA, but until they've competed in the XPL, they're of no relevancy! The Vixens have their own program "Vixens United" and every women has a chance in this equal opportunity league!

Beginning next cycle, Commissioner Venom Scott will begin to fill the CHAMPIONSHIP void in the Xtreme Poison League! If you are actively trash-talking and building an angle, Commissioner Venom Scott is definitely watching, and wants YOU to be a champion.

Virgil Runnels introduced the women of the XPL. If more managers want to include a woman to their roster, that would be the perfect way to get the women's division up and running, as well as the Vixens United TM program each and every cycle following the Xtreme Dose TM LIVE!

Once there are at least 50 cards consecutively in the XPL, along with a substantial amount of trash-talk to build angles with at least 4 to 5 managers participating, the revamp of Signs of Chaos TM could potentially return, bringing back the 3rd in-league program each cycle. The more... the better...

The Top 10 wrestlers in the "Venom Scott" World Series are eligible to become the next XPL World Champion! That man will be the one who walks out as the last man standing. The highest point total!

The gold looks great around our waists. There's no denying the impact that the Tombstone Masterz has had on the XPL. You are welcome XPL! We took five championships last cycle, 4 of which are singles, and this little bad boy here. **(Pats the TV-Tag Team Title.)**. Who will step up to challenge us? Who will step up to challenge me? **-Sam McMillan**

The X-Contenderz Championship Title is calling my name, and somewhere in Venom Scott's office, is an idea floating around for an X-Contenderz Title match. Well, I'm waiting Scott, and next cycle I want an answer! Virgil Runnels, you might as well change your name to Virgin Runnels, because you're not getting any more gold on my watch! **-Raja**

This league is getting pretty interesting by the cycle. It only takes for one more to step up and make things more Xtreme around here. I have my eye on a few of you, and if nothing comes to fruition this cycle, then I'll just have to pick my shot. Mayhem will be brought upon you! **-Genisys**

I', just diggin' my Pacific Championship. I'll do my talking on the title page!
-Rysen

You have no idea what I have in store for the XPL. The Dynamic Dragonite of old is long gone. I am not the bad guy. I am not the good guy. I am just the guy that will do any and everything to get back to the top, one cycle at a time, with any man who stands in my way. My first chess move begins THIS CYCLE. Breathe the fire!

-The Dynamic Dragonite

Well, it seems that I have brought Voice of the Voiceless out of hiding. Bravo, and welcome back. It's going to be a showcase at XPL Resurgence™, and in case you thought that you have the upper-hand after that attack last cycle, think again. The contract may have been signed by you, and I may have signed it this cycle, but the true contract signing will come at "Homecoming"™. Voice, remember one thing... my Voice of Reason is authentic. I will show the world how fraudulent you are. This was once your league for a snippet of a moment, but it has always been the house that Marinaro built, and those are words that you can definitely BELIEVE in! **-Marinaro**

From the twisted mind of Marionette vier

Just when you thought everything was going back to normal in the XPL.

The lights go dim in the arena and one light shines in the center of the ring, which is filled with creepy looking dolls. Fans in the front row stand watching the dolls very scared until one moves and everyone screams. Marionette vier stands in the center of the ring and fans scream even louder.

Voice over: Ladies and gentlemen of the Xtreme Poison League. It is time to explain the creature you see before you. The broken toy that was thrown away. This toy was once the pride of some small child. She played with this toy. Slept with this toy and even took this toy to school for show and tell. Every single day this toy brought joy until one day... It did not!

Now it just brings pain
& suffering.

XPL

EEN 1

[Scene opens in a dimly lit studio with a single black *casting couch* centered beneath a flickering fluorescent light. The camera is handheld, shaky, almost voyeuristic—this is guerrilla promo work, XPL-style. The mood is greasy, chaotic, and charged. Seated right in the middle of the couch, shirtless and grinning, is none other than *The Mighty Deadhead*, a cloud of smoke rising above him. Scattered around him are XPL's most dangerous degenerates.]

Deadhead leans back with one arm over the couch like a king of sleaze, two scantily clad women on either side of him giggling. He exhales a puff of smoke and flashes that devilish, toothy grin.

The Mighty Deadhead:

"MmmmmMMM, OHHH FAT DADDY! You know where we at... and what this is. This here is the Casting Couch of Carnage, baby—where careers get wrecked, dignity gets lost, and if you're lucky... you get to leave without callin' your momma cryin'."

[He glances at the camera, raising his eyebrows suggestively.]

The Mighty Deadhead (smirking):

"Speaking of mommas, Strong Machine... let's talk about yours. 'Cause ever since she rolled through XPL headquarters, there's been more strange noises than a haunted brothel. That woman got passed around like a mic at karaoke night, bay bay! Matter fact..."

[He pats the black leather couch.]

The Mighty Deadhead:

"She was right here, makin' this thing squeak like an old tag rope. Guess that explains why you turned out with all that pent-up tension. Maybe you wouldn't be such a malfunctioning scrap heap if your upbringing wasn't sponsored by... Duracell and desperation!"

[The crew behind Deadhead erupts in laughter. *Mighty Mockingbird* steps forward, doing a hilariously overexaggerated Strong Machine voice—robotic, flat, and overly emotional.]

Mighty Mockingbird (mocking):

"I... aM... sTrONg MaChINE... I... dO nOT hAVe FeeLiNGs. mY moThER iS a... HOnORABLE WomAN..."

[He instantly switches tone, crossing his eyes and dry-humping the air.]

Mighty Mockingbird:

"ERROR! ERROR! THOT DETECTED! ERROR!"

[Everyone bursts into chaotic laughter—except for *Demonic Gourdman*, who sits ominously in the corner with his cracked leather jacket, face shadowed by a wide-brim hat. He slowly pours tequila down his throat, dead silent.]

Demonic Gourdman (quietly):

"Strong Machine bleeds like the rest. His mother? She squeals louder."

[Deadhead cackles, slapping the couch again.]

The Mighty Deadhead:

"WOOOO, FAT DADDY! That's GOURDMAN! Cold-blooded even when he's lit, baby! That's the straight shot of death you can't water down."

[Behind them, *Executioner* looms silently. His face is blank, his eyes pure menace. He drags a baseball bat with nails across the floor, leaving scratches in the concrete. Every now and then he tilts his head like he's studying how best to break someone.]

[Flanking the whole setup are *Pitbull* and *Max Violence*, arms crossed, wearing tactical vests and holding steel pipes, crowbars, and barbed-wire-wrapped goodies like they're just *itching* to use them.]

Pitbull (gruffly):

"Strong Machine wants to step to us? He better bring backup... and some damn duct tape, 'cause we're about to rattle his bolts loose."

Max Violence:

"And bring some WD-40 for your mom while you're at it. She squeaks more than you do."

[The camera zooms in on Deadhead again as he pulls one of the girls into his lap, leans in, and whispers something that makes her giggle uncontrollably.]

The Mighty Deadhead (to camera):

"Online Xposure. We ain't just showin' up... we're takin' over. This ain't a match. This is a damn EXORCISM. And you two tin cans? You're the first ones to get recycled. Welcome to the Prime Time, baby. Where the lights are low, the stakes are high, and every moment is rated XXXPL."

[He winks. Suddenly the camera swings to the side—and there she is. A woman in a too-tight leather skirt, smeared lipstick, and a dazed smile. It's unmistakably meant to be *Strong Machine's mom*. She slowly waves at the camera, chewing bubble gum, lipstick on her teeth.]

Strong Machine's Mom (blowing a kiss):

"Tell my baby boy mama said hi... and to say sorry for the mess we left in his bed."

[Camera fades out with Deadhead laughing maniacally, couch creaking under movement, and Mockingbird doing another exaggerated moan while Pitbull and Max slam their weapons together like war drums.]

Voiceover (Deadhead, echoing):

"You wanna step to the Poison League? Just know... we don't play fair. We play dirty. OWWWWWW, FAT DADDY!!"

[Message from The Mighty Deadhead to Venom Scott, filmed selfie-style in a grimy locker room lit with a single buzzing lightbulb. He's shirtless, sweaty, and grinning like a lunatic, a "cigarette" hanging from his lips.]

The Mighty Deadhead:

"Venom Scott... you listenin', bay bay? Let's get one thing straight like a steel chair to the dome—I am the reason XPL ever had a damn rating worth braggin' about. When the numbers were up? That was me. When the merch was flyin'? That was me. When the fans were screamin' and the lights were blazin'? That was all Deadhead, baby!"

"So don't talk to me about contenders. Don't talk to me about 'earning shots.' I don't want a title...I DEMAND ALL OF 'EM. Every strap, every crown, every ounce of gold this poison pit calls treasure. And if anyone's got a problem with that?"

"Tell 'em Deadhead's already lookin' for a fight. OHHHHHHH FAT DADDY!"

[He cackles and flicks the "cigarette" at the camera as it cuts to black.]

Ghost Machine and Strong Machine sit at a conference table; they conveniently have nameplates specifying who is who. Between them is Professor Vitali Medved, who smokes a large cigar and adjusts his tie.

"Thank you for joining me here today," he says. "I paid for this time to advertise Medved's special Machines, who will be to take over the XPL. While Mighty Deadhead seem to have lots of wins, and he seem to brag a lot about the size of his legs, which is a little weird, he never seem to end up on front page. Which is kind of curious if you ask me."

"Further," says Strong Machine, "we'd like to point out..."

"Shut it," Medved snaps. "I paid for this time. You sit and listen! When the Deadhead is in the ring, when he least expect it, BAM! Over the head with vodka bottle."

"I really think," Ghost Machine interjects, "we should stop telling him exactly what our strategy is."

"Do you want to go back to Japan?" threatens Medved. "You make good home here, and you do what Rachel and Vitali say."

"We haven't heard much from Rachel recently," muses Strong.

"She busy getting edged," Medved says quickly. "For ladies' title. She have great score but point flow was caught by 90 to 43."

"What?" asks Ghost Machine

"What?" asks Strong Machine.

"What?" asks Jumbo Machine, apparently sitting just off camera.

"What?" asks Medved. "Listen, it no big deal, we here, we win, get used to it. Deadhead will have to take pee test later but Medved's brains are all natural without performance enhancing drugs. And, if we have not stolen enough angles, I will put lit cigar in Deadhead's eye."

"That's a little retro," mutters Jumbo off-camera.

"Yeah, well, I a little retro. When the last time you see a guy with a soviet gimmick?"

THE END....?

"WILD MAN" LUCAS MANUKAS & "FED-EX" CHRIS WARNER

WARNER: So, this is the Xtreme Poison League? Welcome to the new era, boys, because me 'n' the kid here are coming to seek and destroy anything and everything in our path!

MANUKAS: That's right! It's our destiny to become the World Tag Team Champions here and that's really just the tip of the iceberg! And, we know we gotta work our way from the bottom up and so consider this an open challenge. Anyone brave enough to get in the ring with us, sign that dotted-line and take your chances. WHOOOO!

ARES

THE OLYMPIANS

POSEIDON

HERCULES

The Olympians have been battle-tested for years throughout the IWA, and now the God of War himself, Ares, has been charged with the task of leading them on a crusade through the Xtreme Poison League to eradicate the league of all that is evil. Stay tuned, XPL, for war is on the horizon and the first battle is nearly upon us!

WELCOME TO THE NEW
PRO WRESTLING IMITATED

PWI

ASL, LWL, RDL, XPL

The New PWI

Welcome to the new era of Pro Wrestling Imitated (PWI) v2.0. Actually, it's more like v3.0 for those that are keeping score, but who's counting? You know what they say - if you're not changing, then you're not growing!

For the past 2-years, the ASL + RDL have served as the foundation of PWI, primarily centered around a few shared PPVs throughout the year. Well, I'm here to announce that we've struck a deal - 2 deals to be precise - that will grow our brand significantly and open up a whole new world of possibilities!

Beginning next cycle, the PWI brand will officially include the Xtreme Poison League (XPL) in the Iron Federation as well as the legendary Lone Wolf League (LWL) from the Jade Federation expanding our new lineup to:

XPL (Iron) // ASL (Gold) // RDL (Bronze) // LWL (Jade)

Under this new arrangement, every league under the PWI banner will join together for 4x PPV events throughout the year. Additionally, this alliance provisions for the creation of a PWI Universal Champion as well as a PWI Universal Tag Team Champion! Once established, these titles will be defended every other cycle on a rotating basis between the leagues as well as at each joint PPV event for a total of 12 title defenses throughout the year! Also, helping these titles to stand out from the rest, a 5 point bonus will be awarded to the champion and/or challenger whenever they submit a title match promo to the league in which they are being defended, adding a little trash talk bonus for those leagues.

Aside from the items noted above, the changes you see to any of the four leagues involved will be subtle as there's no requirement for the Commissioners of these leagues to do anything different. So, while it should continue to be business as usual, our hope is that this newly formed alliance will add a spark of comradery and boost of energy to each of the leagues and their players.

Thanks to everyone who already participates in one or more of these leagues and we look forward to welcoming those who are on their way. Good luck to each of you and stay tuned for more details in the coming cycles!

Additionally, at this PPV a tag team title contenders tournament will be held for a shot at the Universal Tag Titles at Survivor Series.

Survivor Series

Each league will coordinate 2x four-on-four Survivor Series matchups that will utilize special scoring to determine the survivors. Next, the survivors from each match will compete in a Sole Survivor free-for-all in which the winner will earn a PWI Universal Title shot at the Royal Rumble.

Additionally, a tag team Survivor Series battle royal will be held. Each league will send one team to compete in an over the top battle royal using combined singles scores. When a wrestler is eliminated, so is his partner! The last team standing earns a shot at the PWI Universal Tag Team Titles at the Royal Rumble in a match that will use singles scores to determine the winner!

A briefcase full of cash and a contract will be suspended 20 feet above the ring. The first wrestler to retrieve the briefcase is declared the winner, winning \$100,000 and a contract that guarantees him one (1) shot at any Commissioner's Title in the entire PWI.

The contract can be cashed-in at any time of the winner's choosing within a 12-month period provided that it's communicated to the Commissioner prior to the Iron of that cycle.

The person cashing-in the contract automatically receives a 2 point handicap in the title match due to the element of surprise. The defending champion will also receive an additional 1 point deduction for each opponent he has already faced that night.
