X **REPORT**

X02 17-December25

“For those of you who don’t know, I am Abreu Mencia, and I am the Commissioner of X Wrestling. That means... what I say goes. And the first thing I’m gonna say is... we’ve assembled a pretty good roster here. I’d like to see it expanded quite a bit, but I’m pleased.”

“It was a hell of a debut, but I’m expecting so much more as we head into 2026. If you wanna be the face of the company, get on the mic and show me what you’ve got. Of course, it’s a two way street, so I’ve got a lot for you in return.”

“I’ve got Ultimate X, I’ve got the Six-Man Showdown, I’ve got the X Rumble Royale, and... I’ve got X Khan. I can’t wait to see you try to take \$20,000 from X Wrestling’s enforcer. The man’s an absolute arsenal. About a month from now, I’ll also have the World X title.”

“Now, I’d like to talk, for a moment, about some of what I saw the last few weeks. I gotta begin with Misthios. There’s something about them I really like. Yeah, they’re off to a great start and all, but there’s something more that I can’t quite put my finger on. Having said that, it’s the Brotherhood Unified to Rule Nations, or Burn as I like to call them, that I really expect big things from. The Pearl City Pitbull looks like a total beast... and Kaos Knight always gets the job done.”

“Last year’s rookie phenom, Tenzin Biligbataar, is a tremendous pickup that’s already paying off. I don’t know about ‘perfect’ but Paul Frost looks like one to watch. I’m pretty sure Maquina Gigante is half mountain, half monster. Kyle Rhodes is just loaded with untapped potential. But the one signing I couldn’t believe is, the one and only, Mike ‘No Use for a Cool Nickname’ Drake. It’s hall of fame for him one day no doubt about it. And I gotta mention the Marauders... those guys never win anything.”

“Misthios? WTF is that? Sounds like something you get diagnosed with when you swallow too much ejaculation! Look, BCB & PCP came here to beat in faces and take titles and that’s it! So, who has a set big enough to take these titles from us? Who in the hell is big enough and bad enough to step into the ring with us? This isn’t going to be easy for anyone so take a number and get in line, we’ll be with you in a minute!”

“As I told you last time, we’re here for gold, and we got a lot of it. I’m looking for my guys to move on multis and to continue our dominance otherwise. Matthias Xenakis and Nicolai Jarrah are off to especially great starts and really doing Misthios proud.”

“As an excellent judge of talent, I consider the BURN boys to be our main competition. Brock the Pulverizer, you’ve got a cute nickname, but you couldn’t pulverize your way out of a wet paper bag. Any one of my guys would take you apart... piece by piece. As for the Pitbull and the Brawler, you’re gonna have to deal with Xenakis and Lysander. We wanna see what you boys can do.”

“CURE also brought a significant faction to the X Wrestling led by the legendary Mike Drake. Well, Mike, you don’t scare anyone anymore. There’s a lot of miles on those tires, old man. You’re a has been. And Chris Hero, try as you might, you’ll never get out of his shadow as long as he keeps riding the gravy train.”

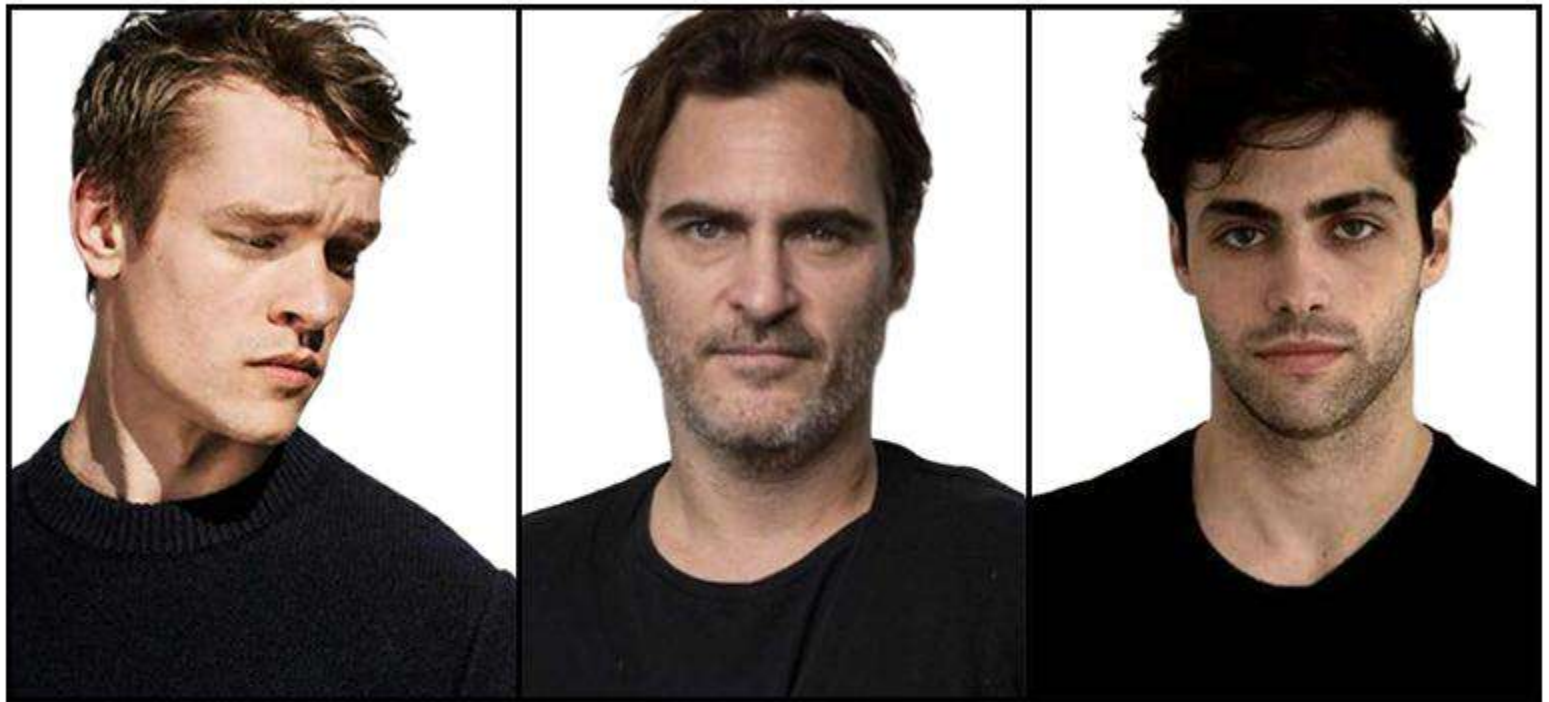

“Tenzin Biligbataar, I’ll be keeping an eye on you. You’re the kind of guy that’s gonna get someone hurt. I like that.”
